Claims a/c of this amt

Claims to have paid

In the matter of the Estate of Lesser deceased
 Alex Souyer Administrator, Pending in
 the County Court of Dallas County, Texas
 Before the Hon E. G. Rorer County Judge
 And now comes Alex Souyer Administrator of
 said estate and exhibits his final exhibit and
 reports the condition of said estate and says
 that he does not know personally who constitute
 the heirs at law or distributees entitled to the estate
 of G. Lesser deceased. That he is not a divorced
 party whether the deceased was ever married
 or has any children. That he came to Texas and
 Dallas County a number of years ago unaccom-
 panied by any kindred or relations so far as this
 Administrator is advised and commenced busi-
 ness as a pedler of white harness he continued to
 the date of his death that so far as this admin-
 istrator is advised he owned no real estate and
 his property consisted wholly of personally and
 choses in action which he has investigated
 in this cause. That the administrator has reason-
 to doubt that his portions would in the application
 on file herein for a final settlement are not
 the heirs and only heirs and distributees of
 the estate of said G. Lesser, but asks that the
 question of heirship be investigated and deter-
 mined by the Court at the time and in the man-
 ner provided by Law. The Administrator files her-
 ewith a complete exhibit showing the money
 he has received as Administrator & when he
 has received it, and also all disbursements
 made by him. A complete list of the claims
 also which have been presented to him accepted
 and allowed by the Court and also a list of
 his claims which have been presented and rejected

The claim rejected was on account of its having been long previous to the date of record barred by limitation, & has not been read on and the Administrator has no reason to believe that there are any valid outstanding claims against said estate which have not been presented allowed and paid.

The exhibits hereto attached show that besides the money on hand for distribution among the heirs there are notes uncollected amounting in this aggregate to the sum of \$3187.³¹₃₂ and also accounts amounting to the sum of \$3107.43. There are all the assets with the money remaining on hand and there the administrator is ready to distribute and turn over to the Confidants of the said E. L. Linn under the order of decree of this Court.

The Administrator shows to the Court that he has made diligent effort to collect the balance of these notes and accounts remaining on hand but has been unable to do so and does not believe that a further continuance of his administration for that purpose is desirable or advisable.

The Administrator shows that he has received his money from all sources to the credit of said estate the sum of \$11036.⁵⁰

That he has disbursed in payment of claims and expenses of administration including his commissions the sum of \$2751.⁶⁰

All of which appears from the attached exhibits attached and made a part of the final report. That there remains on hand for distribution after deducting said disbursements the sum of \$8284.90 but out of this sum the unpaid costs of his administration

for closing up the estate that is to say the Court
Certs and the Consensus of the Administration
for disbursing said Cert will have to be allowed
That the remaining debt and the notes and ac-
counts remaining on hands on the net as-
sets which will be subject to distribution.
The Administration asks that the notice of filing
his final report and application for partition be
published and served as required by law
and that at the May term of this Court a
hearing be had, that after all necessary resurre-
ction proceedings be had and said estate
distributed under his a last & decree of
this Court that he be discharged of said
Administration in the money provided by
law.

THE STATE OF TEXAS.

To all Persons Interested in the Administration of the Estate of G. Lessor
Deceased.

Alex Sauger has filed, in the County Court of Dallas County, an Application for Letters of Administration upon the Estate of said decedent G. Lessor which will be heard at the next term of said Court, commencing the fourth Monday in November A. D. 1885, at the Court House in the City of Dallas at which time all persons interested in said Estate may appear and contest said Application if they see proper.

WITNESS, W. M. C. HILL, County Clerk of Dallas County, Texas.

Given under my hand and the seal of said Court, at office in the City of Dallas, this 10th day of Nov 1885

W. M. C. HILL
County Clerk, Dallas County, Texas.
R. H. Heagles Deputy.

In the County Court of Dallas County, Texas.

On this day came on to be heard the application of Alex. Sanger, administrator, for final settlement of the estate of G. Lesser, deceased, for distribution of said estate, and for his discharge as administrator.

It appears to the court that said Alex. Sanger, administrator as aforesaid, has fully administered said estate as shown by his final account, filed herein on the 2nd day of April, 1939; that he has collected all property and claims belonging to and due said estate, except such claims as cannot be collected, and paid all debts due by said estate; that he has given legal notice by citation to all persons interested in said estate to ~~xx xxxxxx~~ appear and contest his final account if they see proper; and that all the parties at interest appeared by counsel and guardian and made no objection to said account ~~xxx~~, which, together with the vouchers filed therewith, on examination by the court, ~~arax~~ is found correct: it is therefore ordered and adjudged by the court ~~xxx~~ that said account be in all things approved.

It also appears to the court that there has been a partial distribution of said estate under an order of this court entered on the day of May, 1937, and that there is now in the hands of said administrator the sum of \$1235.46 belonging to said estate: that of this sum \$450.00 is the shares of the minors, George and Arnold Mairson, in said former distribution, which leaves \$785.46 to be distributed among all the heirs.

It is shown to the court by evidence submitted that the following persons are the heirs of G. Lesser deceased, and that they are entitled to share in the distribution as follows: Pauline Mairson to 2-8, Moritz Englander to 1-16, Melvine Davidson to 1-16, Emma Flatauer to 1-16, Eidel Tobias to 1-16, Johanna Sternberg to 1-8, Selma Mairson to 1-32, Herman Mairson to 1-32, George Mairson to 1-32, Arnold Mairson to 1-32, and the heirs of Herman Lesser to 2-8 of said estate. Said Herman Lesser has died since said former distribution.

It is therefore ordered, adjudged, and decreed by the court that said administrator pay over to the above named persons the remaining \$785.46 of said estate in the proportions mentioned above—that is to say to Pauline Mairson \$196.52, to Moritz Englander \$40.00, to Melvine Davidson \$40.00, to Emma Flatauer \$40.00, to Eidel Tobias \$49.00, to Johanna Sternberg \$96.16, to Selma Mairson \$24.54, to Herman Mairson \$24.54, to George Mairson \$24.54, to Arnold Mairson \$24.54, and to the heirs of Herman Lesser \$196.32; and that on his filing with the papers in this cause the vouchers of the above named distributees, signed by the persons legally authorized to receive their respective shares of said estate, he be finally discharged as such administrator, and that said estate be closed without any further proceedings.

It appearing to the court that the notes and accounts filed in said final account and marked exhibit "C", and aggregating the sum of \$4772.52, are worthless and can not be collected, it is ordered and decreed that they remain of file as a part of said final settlement, and that said administrator be credited with the same.

In appearing that George and Arnold Mairson, are still minors, it is ordered that their shares of said estate be paid into court, ^{into the hands of the court} and that said administrator be thereupon finally discharged on payment of all costs.

Q State your name, age, place of residence. What was your name before marriage, where were you born, who were your father and mother, are they dead or living, if dead when did they die?

A My name is Pauline Mairson, I am 63 years of age and live in the City of Charleston S.C., My name before marriage was Pauline Englander. I was born in ^{in Jordan Prussia} on June 12th 1824, My father's name was Jacob Lessor Englander and my mother's name Sophie Englander. They are both dead, My father died when I was 10 years of age, cannot state the exact date, my mother died about 30 years ago, do not remember the exact date.

Q Did you know Gustav Lessor in his life time, what was your relation to him, how many brothers and how many sisters did he have, what were their names and are they living or dead?

A I knew Gustav Lessor in his life time, I was his sister. He had two brothers and one sister and two half sisters. The brothers were -

2

Philip Englaender and Hermann Lesser, the sister is myself Pauline Mairson, the half sisters were Johanna Krohn and Josephine Krohn. The brother Philip Englaender is dead and also his half sister Josephine Krohn.

Q Did said Gustav Lesser leave a wife or children or their descendants surviving him?

A Gustav Lesser left no wife nor any children.

Q Do you know why the brothers Hermann Lesser and Gustav Lesser deceased, went by the name of Lesser, while Philip Englaender went by the name of Englaender, if so, please explain fully.

A The reason why the brothers Hermann Lesser and Gustav Lesser deceased went by the name of Lesser was, because of an edict of the Russian Government after the year 1848 in which permission was given to the subjects of said Government to change their names if they so desired, My brothers H. Lesser and G. Lesser deceased availed themselves of this permission while Philip Englaender would per-

haps have availed himself also
of this permission, had he not died
in the mean time.

--- Cross ---

Q When was the last time you saw
G. Lessor before his death, and
where and under what circumstances?

A The last time I saw Gustav Lessor
was about 35 years ago in Culm
Prussia, He returned to Prussia at
that time from Australia.

Q When did you first learn that G.
Lessor had moved to Texas and
from whom did you learn it,
State where he lived before he
came to Texas and in what
business was he engaged. Did
he not live in New Orleans for
some time and fail in business
there?

A The first time that I learned that
G. Lessor moved to Texas was
about 7 or 8 years ago through
my brother N. Lessor. He lived
in New Orleans for some time, but
do not know whether or not he
ever failed in business there.

Q Did you ever have any correspondence

14

with him at any time before his death. If so, state when and where he was, attach copies of his letters if you have them.

A I received once a letter from him shortly before his death. He was then at Dallas Texas and I remember the letter was dated April 1st 1885; the letter paper had the imprint of the firm name Sanger Brothers Dallas Texas, the same imprint was on the envelope enclosing the letter, cannot attach copy of his letter as I lost it.

Q Of what nationality was he, when did he come to America and what was his age at that time. Where did he first settle, and was he married or single then?

A S. Lesser was of Prussian Nationality, he came to America soon after the close of the Civil war between the States and he must have been about 32 or 33 years of age then. He first settled in Augusta Ga, and was single at that time.

Q State the different places S. Lesser lived since he landed in America, and how long he remained at each place and what he did there. State

Q What the different places G. Lessor
lived since he landed in America,
and how long he remained at each
place and what he did there, State

5
where he was during the late Civil
War between the States and where
were you during that time and where
do you live now and with whom
do you reside?

A It would be difficult for me to state
in exact terms the different places
where G. Lessor lived since he landed
in America, as our correspondence
was irregular and therefore could
not keep myself posted on that
subject, only in a general way.
He was in the City of Berlin, Prussia
during the Civil War between the
States and I was then living in Culm
Prussia. At present I live in the
City of Charleston S.C. with one
of my children.

Q Has any one of the Brothers or
Sisters of G. Lessor or any of his
heirs ever been insane or now
Compos mentis? If so, which of
them, and where does he or she re-
side. State if such one is now or ever
has been in an insane Asylum
and where he or she is now and whether
such one has ever been restored to reason?

A None of the Brothers or Sisters of G. Lessor
has ever been insane, excepting myself
if the term "insane" is to be applied.

6

I was afflicted with what my physician pronounced melancholy in a mild form for the cure of which I have been an inmate at the Lunatic Asylum in Columbia S.C. for upward one year, I left the Asylum more than one year ago cured and am in possession of my reasoning faculties.

Q Was G. Lesser ever married, If so, when ^{and} at what place did he marry, what was his wife's name and where is she now, Is she dead or alive, did she have any children, How do you know about these things, Have you not heard that he was at one time married and afterwards separated from his wife? State all you know or have heard of about this.

A Gustav Lesser was married at one time, At what place he married I cannot positively state as I was not present and had no correspondence with him at that time, I never knew his wife's name nor do I know now whether she is dead or alive, I know through my brother Hermann Lesser that he was at one time married in Augusta Ga and separated from

7
his wife after 12 or 15 days, My
brother Hermann Lesser described
him at that time as very unhappy
because he could not make his
wife happy-

Q What was the age of S. Lesser when
he died? Describe his personal ap-
pearance when you saw him last,
the color of his hair and eyes, his
height complexion &c? State how
you know that the S. Lesser who
died in Texas and whose Estate
is now administered, is the same
person about whom you testified
in answer to direct interrogatories.
Can you give any facts or circum-
stances which will show that
he is one and the same person,
If so, state fully-

A Gustav Lesser was 55 years of age
when he died, He was of medium
stature, when I last saw him his
hair was black, inclined to be
bald headed, his eyes dark brown,
medium height, complexion fair, one
side of the shoulder at his back a
little more protruding than the
other. I am positive that the
S. Lesser who died in Texas and
whose Estate is now administered upon

is the same person about whom I testified in answer to direct interrogatories, because it is the same Gustav Lesser who had dealings with Sanger Bros of Dallas Texas, who wrote to me shortly before he died and in his letter I recognized his hand writing. That he is one and the same person I can testify to on the fact of having his photograph which I accompany my testimony.

State that G. Lesser was married? State what trace you have had of him during all these years?

second
 A That Gustav Lesser was married I know through my brother Hermann Lesser. The information I have had and kept of him during all these years was partly through the correspondence I carried on with my brother H. Lesser - and also with G. Lesser. Tell all you know about his domestic affairs whether he ever lived with any woman claiming her as his wife, whether he ever kept house or claimed any children as his own. Be particular and tell all

9
you know or ever heard about these
matters?

A What I know about his domestic
affairs is very scant as I can only
testify to what I know through
my brother Hermann Lessor and
what little I could put together through
his own letters, All I know can
be summed up briefly in a few
words. Gustav Lessor during the
short period of his domesticity was
a very unhappy man, because he
was afflicted with impotency and
therefore could not make his (then)
wife happy: they only lived together
two short weeks and on account
of his being 'impotent' could therefore
have no children. G. Lessor left his
wife after a few weeks marriage
and went from Augusta Ga to New
Orleans, Some years after his (then)
wife applied in the New York courts
for divorce on the ground of her
(then) husband's impotency, which
was granted to her by the Court with
the sanction of Gustav Lessor,
G. Lessor never married again, nor
has he lived with any woman since,
but has led a single life ever after-
wards, This is all I know about

his domestic affairs - Pauline Blainson

Answer to the Sixth Cross Interrogatory

I do not know.

Answer to the Seventh Cross Interrogatory

I know that Gustave Lesser was
married about the year 1866 in
the City of New York. I do not
know his wife's name nor where
she now is nor whether she is
living or dead. She had no
children by Gustave Lesser

All that I know about these things is what I have heard. I have heard that the marriage between himself and his wife was annulled soon after the marriage upon the ground of his impotency and that is all I know about it.

Answer to the Eighth Cross Interrogatory

I do not know what the age of Gustav Lesser was when he died. When I saw him last in the year 1878 my present recollection of his personal appearance then is that he was of medium height hair somewhat sprinkled with grey pale complexion and worn appearance. I have no personal knowledge that the Gustav Lesser who died in Texas and whose estate is now being administered upon is the same person but I believe he is the same person and the only facts and circumstances which I can state which will show that he is one and the same

therein is that in the year
1878 when I saw him in
New York City he told me that
he was going to Texas and
that he would probably locate
there that he thought it was
a growing country and that
he was going there to live and
that he thought he could make
money there and further about
three years ago when his brother
Herman Lesser told me that
he had at last discovered the
whereabouts of his brother Gustav
that the firm of Sanger Brothers
at Dallas Texas had written
to him that his brother Gustav
could be found there and that
the said Gustav had written
from there to the son of Herman
Lesser thanking him for in-
formation that he had sent
him about some money that
he was entitled to in the
Courts in Germany.

Answer to the Ninth Cross Interrogatory

I know that Gustav Lesser was married but as I have before testified I was informed that that marriage was annulled. I have had no trace or information kept of him other than I have already stated during the years subsequent to the year 1863 when I was with him in Berlin. His disposition was not to remain at any one place during a very long time and he seemed indifferent about informing his family about his location or his whereabouts.

Answer to the Tenth Cross Interrogatory
I think I have stated

about all I know concerning his domestic affairs. I do not believe that he lived with his wife for the period of a week; he never kept house and he never claimed any children as his own. His marriage was annulled on the ground of his impotency and his impotency was discovered immediately after his marriage.

She was born at Briesen in West Prussia about the year 1839 as nearly as I can recollect and she married one Hyman Moison and she died about ten or fifteen years ago in Berlin Germany. I do not know whether her husband is still living nor do I know whether she left her surviving any children. My brother Philip Englander left him surviving him the following children and heirs at law, who are now living, and named as follows: Eidel, who is known as Eidel Tobias Marichen who is known as Mabelle Davidson Ernestine who is known as Emma Flatauer and Moritz Englander. My brother Gustav Lesser deceased left him surviving no children.

Philip Englander and Gustav Lesser together with myself were known by our father's name Englander. After the year 1848 certain privileges of citizenship and other rights were given to the Jews resident in Germany among which was the privilege of assuming other family names. The object being as I now understand to allow the removal of any prejudices that might exist by the retention of names which would distinctively separate the Jews from the German people availing ourselves of this privilege my brother Gustav Lesser deceased and myself changed our names from Englander to Lesser but in the mean while and in the year 1849, and before he could avail himself of this privilege my brother Philip Englander died. That is the only reason for the difference between the names of the full brothers.

he called upon me each day during that period. When he came to New York City he told me that he came from New Orleans Louisiana and he brought with him about five thousand dollars in cash and while he was here he speculated in Wall Street. He bought some Erie Rail Road stock and I warned him against the speculation and the next day he sold this stock at some loss and promised me that with the remainder of the money he would go into some legitimate business that he knew something of. He gave whatever money he had left to my wife to save for him but very soon after took it back again continued his speculations and lost every dollar of it. ~~He then asked me to give~~ He told me before then that he intended to go to Texas and I told him that it would be advisable to give me sufficient money to save for him to cover his expenses to Texas before he

that he borrowed sufficient money

to go to Texas from one Robert
Levy, who was at one time his
partner.

Answer to the Second Cross Interrogatory

I first learned that my brother
Gustav Lesser had moved to
Texas about three and a half
years ago in the following
manner. He was entitled to
about a thousand German
marks from an Estate in Germany
but the German Authorities were
unable to trace his whereabouts
and he was regarded as dead
when I was communicated
with by such Authorities as his
heir and next of kin but being
unable at that time to state

positively ^{whether} or not he was dead I

endeavored to procure information as to his whereabouts. I had had no correspondence with him because of our quarrel as set forth hereinbefore in my answer to the first cross interrogatory I had heard that my brother Gustav Lesser had had a partner at one time by the name of Robert Levy and seeing the said Robert Levy thereafter he told me in answer to my questions as to the whereabouts of my brother that all he knew about it was that he had received a letter from my brother dated at Dallas Texas and that upon the paper was printed the name of Sanger Brothers. Accordingly I procured a letter to be written in my own name to Sanger Brothers at Dallas Texas asking for information concerning the whereabouts of my brother Gustav Lesser to which I received a reply to the effect that any communication addressed to my brother in their care would be received by him

I then caused my son Benjamin to write a letter to my brother Gustav Lesser informing him of his right to the thousand marks in Germany and giving him full information as to the same

I then caused my son Benjamin to write a letter to my brother Gustav Lesser informing him of his right to the thousand marks in Germany and giving him full information as to the same. To which letter he replied to my son Benjamin thanking him for the information which letter is lost or destroyed. In the same letter written by my son Benjamin was certain information as to my sister.

I do not know where he lived before he went to Texas, nor what business he was in after the time he left New York City. But when he came to New York City he came from New Orleans Louisiana. I know that he lived there some time for I had communications from him from there, I know he was in business there but what I do not know nor whether he failed in business there.

Mr. Nathan Phillips Answer to the

My best knowledge of the different places where he lived after he came to America, is Augusta, Georgia, New Orleans, Louisiana and Dallas, Texas. In Augusta Georgia he had a clothing store with a partner named Robert Levy. In Louisiana he was a travelling pedler, that is today, he travelled about soliciting orders and shipped the goods and again after he gave up that business at that place he had a vinegar factory at New Orleans and after he gave up that business he peddled throughout that State where he made the five thousand dollars which I have spoken of. And in Dallas Texas I believe he peddled goods also, making his headquarters at Sanger Brothers at Dallas. During the late Civil war my brother Gustav Lesser was in Berlin Prussia until about the year 1865 when he came to America. During the late Civil war

nistrator of his final account has also
been duly published as required by Law
and said applicants have moved having
opposed, and also said Administrator
and it appearing from the allegations in

said application and the evidence adduced
 that three of said applicants heirs of the said
 of Lesser named to wit ~~Selma Maison~~
 Hermann Maison - Georg Morrison and Arnold
 Maison are minors under the age of twenty
 one years, non-residents of the State of Texas
 and without a legal guardian in the State
 of Texas, it is therefore ordered, adjudged and
 decreed that Edward Gray an attorney of
 this Court and who also appears as Attorney for
 said applicants be appointed Guardian and
 Custodian of said Minors to represent them
 in his position proceeding

And said applicant all testimony offered
 and ^{evidence} all matters relating to the heirs
 of said estate and the conditions of said
 estate having been introduced and heard
 & considered by this Court, it is made to ap-
 pear to the Court and is so found that the
 following persons are the heirs and only
 heirs and distributives of said estate of E.
 Lesser entitled to shares in the same as
 follows.

- Herman Lesser entitled to $\frac{2}{8}$ of said estate
- Pauline Maison entitled to $\frac{2}{8}$ of said
- estate, Moritz Englander $\frac{1}{16}$ of said estate
- Malaine Dovidson $\frac{1}{16}$ of said estate.
- Emma Plalaur $\frac{1}{16}$ of said estate, Eidel
- Tobias $\frac{1}{16}$, Johanna Steinberg $\frac{1}{8}$ of
- said estate, Selma Maison $\frac{1}{32}$ Herman
- Maison $\frac{1}{32}$, Georg Maison $\frac{1}{32}$ and Arnold
- Maison $\frac{1}{32}$ of said Estate and that
- the residue of all of the above named heirs
- & distributives are as above recited and
- that three of said heirs to wit Herman Gray

and Arnold Mairon are minors, no residents
of the state and without a legal guardian and
the said Edward Gray has been duly appointed
guardian and trustee to represent them
in this fashion as herebefore shown and re-
corded.

And it further appears that said estate con-
sists wholly of personal property to wit the
sum of eight thousand two hundred and
eighty four & 90/100 dollars (\$8284⁹⁰) and
notes and accounts uncollected shown in
his account of the administrator filed this
✓ April 4 1887, and that the applicants of said
heirs of said estate only desire a partial
distribution of said estate and that said notes
and accounts remain in his hands of said ad-
ministration and it appearing to the Court
that it is for the best interest of said estate
that only a partial distribution of said es-
tate should be had at this time and that
said notes and accounts be not now distrib-
uted, It is therefore ordered, adjudged and
decree that said administrator reserve
out of said sum of eight thousand two hun-
dred & eighty four & 90/100 dollars (\$8284⁹⁰)
and the sum of two hundred & eighty four
& 90/100 dollars to pay expenses of adminis-
tration, and it is ordered that the balance
of said money to wit the sum of eight thousand

 Gray esq. an attorney of this Court is duly au-
 thorized and empowered as regards of Court
 to collect and receipt for said moneys of
 money as aforesaid and distributed to all
 of said heirs or persons except the said
 three minors aforesaid, said Administration
 is ordered and authorized to the amount here-
 before named to be paid to and be the
 and he is ordered as the executor of the
 property authority of a legal representative
~~of said estate, to pay over~~
 said distributable shares of said moneys,
 remaining portion to the persons entitled to re-
 ceive the same.

It is further ordered that Edward Gray esq.
 appointed guardian ad litem herein be allowed
 a fee of seventy five dollars in full of fees
 for his services in representing said non-
 resident minors and the same be paid

In the matter
of the Estate of G.
Lesser deced.

Application for
the settlement of
acts between Sonja
Brown the Estate of
G. Lesser deced.

Filed November 10
18th W. McNeill
Clerk

in the matter of the Estate of G. Leaser
deceased, ^{the} ~~the~~ ^{Temporary} ~~Adm.~~ ^{Temporary}
Administrator
in County Court of Dallas County
acting as a Court of Probate
before Hon. C. Bowen Judge

The undersigned ^{Temporary} Administrator of said es-
tate and files this his final report
as such ^{Temporary} Administrator and respec-
tfully shows to the Court, that the de-
ceased G. Leaser was a pedler by trade
doing business as such in Dallas & sur-
rounding Counties, and was accus-
tomed to sell his goods & wares in
small amounts to persons known to
himself and largely on a credit. That he
kept no books except some imperfect mem-
oranda books and his accounts against per-
sons to whom he had sold goods were entered
in them and on slips of papers, and some
of these kept so loosely as to make it im-
possible for him to determine the
correctness of such debts, how much had
been paid upon some of any, or to get
from them any satisfactory account of the
correct status of his business when he died. He
has however listed as being he could all such
accounts which have come to his hands
in such memoranda books or on slips
which he attaches hereto marked as Exhibit
B and refers to same as part of his Report

Listed

He has ~~also~~ collected also all the notes
 which he has been able to find amongst
 his ~~files~~ files of records and attaches
 the same hereto marked Exhibit A
 filed herewith & made a part of his Report.
 That as to the accounts in Exhibit B, attached
 his Accumulation funds in many instances that
 he has disputed them or claims that they are
 made out for more than is due and that
 Adam has no means or memoranda ^{for} ~~of~~
 showing or establishing otherwise and a
 settlement of the same will in many in-
 stances depend upon the verities that
 the debts may give of his mother, that
 his Adam is not advised how many of
 such notes or debts are collectible
 but has simply listed them as stated
 from void memoranda books, notes
 & slips of paper found among deceased
 effects. The Adam has, or resigned
 and authorized by the order of his
 appointment employed a number
 of persons to assist in the collection
 of the notes & debts due them or through
 the Carriage for that purpose and has
 contracted to pay such persons a
 fee out on collections made, they to be
 his own expenses. Some such persons he
 has agreed to pay 15 per cent down & 5 per
 cent & some 25 per cent of his collections
 according to circumstances & the labor
 and expense involved. Also in one in-

... 25 per cent of his collections
... to circumstances & the labor
and expense involved, also in one in-

stance he employed a party to collect and
agreed to pay so much for the services.
None of the persons have yet reported
to the Adm except P. H. Clark all who
collected \$132⁵⁰ out of which he ac-
counted \$19⁹⁰ (15 per cent), which last ac-
count the Adm will may be allowed as
part of the expense of Administration.
The Adm has also incurred other ex-
penses which is shown in exhibit E
attached hereto, and which he may
be allowed as part of the expense of
Administration.

He further shows to the Court that
the deceased at the time of his death &
prior thereto was in the habit of buying
his stock of peddler wares & replenishing
same from the Mercantile Firm of Sanger
Broas doing business in Dallas Texas and
kept with them an account and deposited
money with them from time to time
that at the time of his death he owed
said Sanger Broas an acct for Merchand-
ise purchased the sum of \$1188⁸¹
(Eleven hundred & eighty eight dollar & thirty
one cents) and had on deposit with
them \$2312⁶⁷ (Twenty three hundred and
twelve & 67/100 dollars), which left
a balance in the hands of Sanger Broas
in favor of the Estate of \$1124²⁰ (Eleven
hundred & twenty four & 20/100 dollars) which
the Administration has received of Sanger
Broas and holds for the Estate.

That after the death of decedent there was found on his person the sum of \$174²⁵ (one hundred & seventy four & ²⁵/₁₀₀ as dollars) which the Adm. holds for the estate. That the Adm. has received the sum of \$207⁰⁰ (Two hundred & seven dollars) from Europe, from the estate of a decedent executor of the decedent. & Lessor. That he is not further advised of his pretensions these items among the other holds for the Estate.

Statement of Assets received by Adm.

Balance from Louisa Bros.	\$1124 ⁰⁰
Cash found on decedent	\$174 ²⁵
Asset received from Europe	\$207 ⁰⁰
Collection made on notes & bills on file exhibited.	\$797 ⁹²

The collections made on file Exhibit D are on notes & bills listed in Exhibits A & Exhibit B.

The Administrator has on hand in addition to the above sums of money and the uncollected notes and bills referred to, the worth of the merchandise referred to in his original application for Comp. say letters valued at \$952⁰⁰ and also the old Wagon & two horses referred to in said application. This personal property has not been sold as yet because the Administrator has not been offered any thing like its actual value and he thought it best to wait further for an opportunity to sell,

me and he thought it best to wait
further for an opportunity to sell,

This personal property the money
is noted and notes vacate given
on all the assets debts of every
kind which have come to the hands
or knowledge of Adam belonging
to the said and then he is ready
to turn over to the regular Adam
appointed, He asks that this report
be received and he be discharged.
He would further show that several
claims have come to his knowledge
against the estate, such as claim
for funeral expenses. Medical bills
for last sickness &c which will
doubtless be presented to the executor
when appointed, He further
states that it has been necessary for
him to employ an attorney to
advise him concerning his duties
as temporary administrator, obtain-
ing letters making report &c and
for this purpose has employed H. G. Hobbs
&c and he asks that a proper allowance
be made his atty for services in
this matter, and also that the tempo-
rary Administrator be allowed such
sum for services performed in his tem-
porary administration as may seem
to the Court just & equitable, or such commissions

And now comes Alex. Sanger, administrator of the estate of G. Lesser, deceased, and presents to the court his account for final settlement of said estate and shows:-

That there has come into his hands, from all sources, the following sums belonging to said estate: amount received prior to April 4th, 1887 (at which time report was made and filed in this court, and to which report and exhibit hereto attached reference is hereby made for particulars) \$11036.50; amount collected since April 4th, 1887, from all sources, as shown by exhibit hereto attached marked "A" and made a part of this report, \$1237.07, making total amount received by said administrator \$12273.57.

That the debts and expenses that were paid prior to the filing of report on April 4th 1887, as shown by exhibit to said report to which reference is hereby made, amount to the sum of \$2751.60: that since said former report, said administrator has paid out in settlement of debts and expenses of administration the sum of \$736.51 as shown by exhibit hereto attached marked "B" and made a part of this report, making total amount expended in debts and expenses \$3488.11

That there are no debts now owing by said estate within the knowledge of said administrator, except such as are mentioned in said former report as barred by limitation.

That since the time of a partial distribution of said estate made under a decree of this court, rendered at its May term, 1887, Herman Lesser, one of the distributees, has died, and the names and ages of his legal heirs are unknown to said administrator; but the other persons entitled to receive said estate are Moritz Englander, who resides in the city of New York, State of New York, Pauline Mairson, who resides in the city of Charleston, South Carolina, Malvine Davidson, who resides in the city of Chicago, Illinois, Mrs. Emma Flatauer, who resides in the city of Germany, Mrs. Eidel Tobias, who resides in the city of Germany, Mrs. Johanna Sternberg, who resides in the city of Germany, and Selma Mairson and Herman Mairson, who reside in the city of Berlin, Germany; all of these persons last named are adults, Herman ~~Mairson~~ ^{Mairson} having become of age since the filing of said former report: George and Arnold Mairson, also entitled to a part of said estate, reside in the city of Berlin, Germany, are minors, and have no legal guardian in this state.

Said administrator further shows that he has distributed a part of said estate as follows: To Herman Lesser \$2000.00, Pauline Mairson \$2000.00, Moritz Englander \$500.00, Malvine Davidson \$500.00, Emma Flatauer \$500.00, Eidel Tobias \$500.00, Johanna Sternberg \$1000.00, Selma Mairson \$250.00, Herman Mairson \$225.00; making total amount of advancements \$7475.00. The shares of George and Arnold Mairson still remains in the hands of said administrator, they being minors and having no guardian in this state. ^{\$75.00 paid out of shares of minors as per of Ad. These notes and accounts are small and are due by different persons scattered over a large territory, and in the opinion of the administrator are worthless and can not be collected. He therefore files them herewith as a part of this report marked exhibit "C" to be disposed of as the court may direct, and asks that the administration be closed.
