The Court will observe that a no of bills have been presented to me for payment of such a nature and for things that did not come under the mercantile allowed by the Statute &c. Parties would deal with the minor and sell to him unnecessary articles without consulting the guardian I advised these parties that I could not allow these bills but directed them to file them with the Clerk of your Honors Court and present them to the Court and if the Court would allow them I would pay the same - but this they did not do and hence the bills are now not paid by me. I felt bound to protect myself and bondsmen - and the parties selling dealing and trading with my bond without my knowledge or consent continued and persisted over my protest so to do. I found the only thing for was to refuse payment of their bills. I hereby tender my resignation as guardian of the person of B & Adair - and pray your honors to accept the same.
