# TEXAS TRAVEL INFORMATION

## The Texas Department of Transportation

operates 12 Texas Travel Information Centers for the convenience of the traveling public. Uniformed, professional counselors welcome visitors and provide a wealth of free literature, information and suggestions to make every Texas trip more pleasant.

Working with the Texas Official Travel Map, counselors expertly chart routes to any area of Texas. They point out the most convenient short-line directions, or leisurely scenic drives to your destination. They supply comprehensive state-wide travel publications, plus detailed brochures about points of interest, attractions and recreational areas along the way. All of those services are free. The centers are open 8 a.m.–5 p.m. daily and from 8 a.m.–6 p.m. Memorial Day weekend through Labor Day. The Capitol Visitor Center hours are 9 a.m.–5 p.m. Monday through Saturday and noon–5 p.m. Sunday year-round. All centers are closed on New Year's Day, Thanksgiving Day, Christmas Eve day, Christmas Day and Easter.

**DRIVETEXAS.ORG**—Drive Texas™ is the Texas Department of Transportation's highway conditions website. Texas drivers can find out what highways are under construction, which ones are

closed due to weather conditions and where major accidents are. Drive Texas™ also has options to add a live weather feed, see

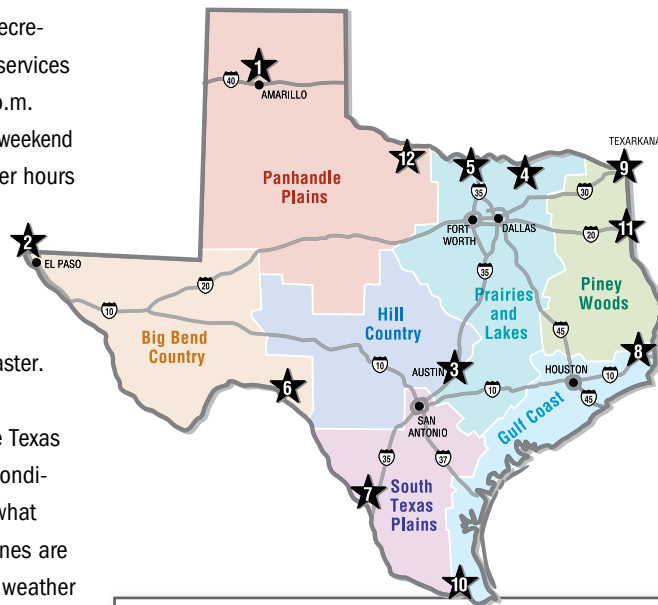

Bing traffic details, view traffic cameras in select cities, and find locations of safety rest areas and Texas Travel Information Centers.

Travelers can use the Draw Route feature to see what conditions they will encounter along their planned path. Draw Route allows users to select a starting and ending city with an option to alter the route to add cities in between, as well as to find the quickest route.

A mobile-friendly site that works with most touch-screen smart phones also is available.

## ACCOMMODATIONS GUIDE

## Welcome to Texas!

The 2013 *Texas Accommodations Guide* is designed to help make your experience in the Lone Star State a truly memorable one. Whether you are staying one night or several, Texas' many accommodations offer travelers a variety of choices and experiences. From resorts to ranches, historic properties, bed & breakfast lodgings, and hotel/motel quality experiences, Texas has it all.

The 2013 *Texas Accommodations Guide* is the official lodging publication for the state of Texas. It is available free of charge to requesters by visiting [www.TravelTex.com](http://www.TravelTex.com). It is also distributed at the 12 Travel Information Centers—operated by the Texas Department of Transportation—located throughout the Lone Star State.

While every effort has been made to ensure the accuracy of the Guide, the information contained in this publication has been supplied by individual properties and is not guaranteed. The listed room rates are subject to change without notice, so these rates should be considered as guidelines rather than guaranteed rates. In addition, tax rates vary throughout the state and taxes have not been included in these listing ranges. The lodging properties listed in the 2013 *Texas Accommodations Guide* paid a fee to be included in this publication.

★ This icon indicates lodging properties that are members of the Texas Hotel & Lodging Association. For more information, visit [www.texaslodging.com](http://www.texaslodging.com).

**To Request Additional Copies:** Call 800-452-9292 between 8 a.m. and 6 p.m. Central time, or email [Trv-Lit@txdot.gov](mailto:Trv-Lit@txdot.gov).
