## ANNUAL FINANCIAL REPORT

For The Year Ended August 31, 2014

**Claire Bugen**  
**Superintendent**

November 20, 2014

Honorable Rick Perry, Governor  
Honorable Susan Combs, Texas Comptroller  
Ursula Parks, Director, Legislative Budget Board  
John Keel, CPA, State Auditor

Ladies and Gentlemen:

We are pleased to submit the Annual Financial Report of the Texas School for the Deaf for the year ended August 31, 2014, in compliance with TEX. GOV'T CODE ANN §2101.011 and in accordance with the requirements established by the Comptroller of Public Accounts.

Due to the statewide requirements embedded in Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, the Comptroller of Public Accounts does not require the accompanying annual financial report to comply with all the requirements in this statement. The financial report will be considered for audit by the State Auditor as part of the audit of the State of Texas Comprehensive Annual Financial Report; therefore, an opinion has not been expressed on the financial statements and related information contained in this report.

If you have any questions, please contact Christy Bearden at (512) 462-5360.

Sincerely,

A handwritten signature in blue ink that reads "Claire Bugen". The signature is written in a cursive, flowing style.

Claire Bugen  
Superintendent

***NOTE 1: Summary of Significant Accounting Policies***

**Entity**

The Texas School for the Deaf is an agency of the State of Texas and its financial records comply with state statutes and regulations. This includes compliance with the Texas Comptroller of Public Accounts' Reporting Requirements for Fiscal 2014 Annual Financial Reports of State Agencies and Universities.

The Texas School for the Deaf operates under the authority of Section 30.051 of the Texas Education Code. The school is governed by a nine-member board appointed by the Governor and confirmed by the Senate. The school provides a positive learning and living environment that addresses the unique needs of a diverse population of deaf learners and enables them to become productive members of society.

Due to the statewide requirements embedded in Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, the Comptroller of Public Accounts does not require the accompanying annual financial report to comply with all the requirements in this statement. The financial report will be considered for audit by the State Auditor as part of the audit of the State of Texas Comprehensive Annual Financial Report; therefore, an opinion has not been expressed on the financial statements and related information contained in this report.

**Fund Structure**

The accompanying financial statements are presented on the basis of funds, each of which is considered a separate accounting entity.

**Governmental Fund Types & Government-wide Adjustment Fund Types**

General Revenue Funds

The General Revenue Fund is used to account for all financial resources of the state except those required to be accounted for in another fund.

Capital Assets Adjustment Fund Type

The Capital Assets Adjustment Fund (Fund 0991) will be used to convert governmental fund types' capital assets from modified accrual to full accrual.

Long-Term Liabilities Adjustment Fund Type

Long-Term Liabilities Adjustment Fund (Fund 9997) will be used to convert governmental fund types' debt from modified accrual to full accrual.

Other Adjustment Fund Type

The Other Adjustment Fund Type (Fund 0992) will be used to convert all other governmental fund type activity from modified accrual to full accrual.

**Fiduciary Fund Types**

Fiduciary funds account for assets held by the state in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.

Agency Funds

Agency funds are used to account for assets the government holds on behalf of others in a purely custodial capacity. Agency funds involve only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments. Agency funds at the Texas School for the Deaf include Student Trust and Student Activity funds.

**Texas School for the Deaf  
Notes to the Financial Statements  
For the Fiscal Year Ended August 31, 2014**

**Component Units**

No component units have been identified which should have been blended into an appropriated fund.

**Basis of Accounting**

The basis of accounting determines when revenues and expenditures or expenses are recognized in the accounts reported in the financial statements. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus.

Governmental fund types that build the fund financial statements are accounted for using the modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized in the period in which they become both measurable and available to finance operations of the fiscal year or liquidate liabilities existing at fiscal year end. The State of Texas considers receivables collected within sixty days after year-end to be available and recognizes them as revenues of the current year for Fund Financial Statements prepared on the modified accrual basis. Expenditures and other uses of financial resources are recognized when the related liability is incurred.

Governmental adjustment fund types that will build the government-wide financial statements are accounted for using the full accrual basis of accounting. This includes capital assets, accumulated depreciation, unpaid employee compensable leave, the unmatured debt service (principal and interest) on general long-term liabilities, long-term capital leases, long-term claims and judgments, and full accrual revenues and expenses. The activity will be recognized in these fund types.

**Budget and Budgetary Accounting**

The budget is prepared biennially and represents appropriations authorized by the Legislature and approved by the Governor (included in the General Appropriations Act). Unencumbered appropriations are generally subject to lapse 60 days after the end of the fiscal year for which they were appropriated.

**Assets, Liabilities, and Fund Balances/Net Assets**

**ASSETS**

**Cash and Cash Equivalents**

Short-term highly liquid investments with an original maturity of three months or less are considered cash equivalents.

**Inventories**

Inventories include supplies and postage on hand at year end. The consumption method of accounting is used to account for inventories. The cost of these items is expensed when the items are consumed.

**Capital Assets**

Assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year should be capitalized. These assets are capitalized at cost or, if not purchased, at appraised fair value as of the date of acquisition. Purchases of assets by governmental funds are reported as expenditures. Depreciation is reported on all "exhaustible" assets. Assets are depreciated over the estimated useful life of the asset using the straight-line method.

**Current Receivables – Other**

Other receivables include year-end revenue accruals.

**LIABILITIES**

**Accounts Payable**

Accounts Payable represents the liability for the value of assets or services received at the balance sheet date for which payment is pending.

**Texas School for the Deaf  
Notes to the Financial Statements  
For the Fiscal Year Ended August 31, 2014**

Current Payables – Other

Payables are the accrual at year-end of expenditure transactions.

Employees' Compensable Leave Balances

Employees' Compensable Leave Balances represent the liability that becomes "due" upon the occurrence of relevant events such as resignations, retirements, and use of leave balances by covered employees. Liabilities are reported separately as either current or non-current in the statement of net assets.

Capital Lease Obligations

Capital Lease Obligations represent the liability for future lease payments under capital lease contracts contingent upon the appropriation of funding by the Legislature. Liabilities are reported separately as either current or non-current in the statement of net assets.

**FUND BALANCE / NET ASSETS**

The difference between fund assets and liabilities is 'Net Assets' on the government-wide and fiduciary fund statements, and the 'Fund Balance' is the difference between fund assets and liabilities on the governmental fund statements.

Reserved for Encumbrances

Reserved for Encumbrances represents commitments of the value of contracts awarded or assets ordered prior to year-end but not received as of that date. Encumbrances are not included with expenditures or liabilities. They represent current resources designated for specific expenditures in subsequent operating periods.

Unreserved/Undesignated

Unreserved/Undesignated represents the unappropriated balance at year-end.

Invested In Capital Assets, Net Of Related Debt

Invested In Capital Assets, Net Of Related Debt consists of capital assets, net of accumulated depreciation and reduced by outstanding balances for bond, notes, and other debt that are attributed to the acquisition, construction, or improvement of those assets.

**INTERFUND ACTIVITIES AND BALANCES**

The agency has the following types of transactions between funds:

- (1) Transfers: Legally required transfers that are reported when incurred as 'Transfers In' by the recipient fund and as 'Transfers Out' by the disbursing fund.
- (2) Reimbursements: Reimbursements are repayments from funds responsible for expenditures or expenses to funds that made the actual payment. Reimbursements of expenditures made by one fund to another are recorded as expenditures in the reimbursing fund and as a reduction of expenditures in the reimbursed fund. Reimbursements are not displayed in the financial statements.

**NOTE 13: Continuance Subject to Review**

The Texas School for the Deaf was removed from the provisions of the Texas Sunset Act under the provisions of Senate Bill 309, 77<sup>th</sup> Legislature, Regular Session, Article 7.

**NOTE 14: Adjustments to Fund Balance/Net Assets**

**(Non-Applicable)**

During the preparation of the fiscal year 2014 report, it was discovered that prior year accounts receivable were originally posted with non-reversing transaction codes. This resulted in the balance being carried forward and adjusted for reporting purposes each year. The adjusting amount was subsequently reversed, leaving the original balance to be carried perpetually for several years. Although the adjusted receivable balance was correctly reported, the original balance would be reinstated at the inception of each fiscal year. This restatement eliminates that original amount, and going forward, reversing transaction codes will zero out the receivable balance at the start of each new fiscal year. This represents a change in the application of accounting procedures.

The restatement is presented below:

	General Fund (0001)
Fund Balance, Sept. 1, 2013	\$2,748,256.30
Restatement	-396,345.81
Fund Balance, Sept. 1, 2013, as Restated	\$2,052,379.27

**NOTE 15: Contingencies and Commitments**

The Texas School for the Deaf has received several federal grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to a request for reimbursements to grantor agencies for expenditures disallowed under the terms of the grant. Based on prior experience, management believes such disallowances, if any, will be immaterial.

## Texas School for the Deaf Addendum

The Texas School for the Deaf (TSD) is established as a state agency to provide a continuum of direct educational services to students, aged zero through twenty-two, who are deaf or hard of hearing, many of whom have multiple disabilities. TSD serves students from local school districts throughout Texas. During the 2013-2014 school year, TSD served 581 students, 274 of whom resided on-campus. The remainder attended TSD during the school day but lived with their families in local area residences. TSD provides transportation services to and from TSD for our day students.

The Texas School for the Deaf is governed by a nine-member board appointed by the Governor and approved by the Senate. The Board is directed to organize and conduct itself like an independent school district board of trustees. Board members, five of whom must be deaf, are parents of children who are deaf, professionals working with people who are deaf, or persons who themselves are deaf.

The members of the board as of August 31, 2014 were:

MEMBER	TERM EXPIRES	HOMETOWN
Walt Camenisch, President	2015	Austin
Eric Hogue, Vice President	2015	Wylie
Angie Wolf, Secretary	2015	Austin
