ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is eligible to claim an exemption. Please check the Ethics Commission's website at <http://www.ethics.state.tx.us> for more detailed information about electronic filing.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, please print everything other than your signature.

If you are filing with the Ethics Commission, you may use your own computer-generated form if it provides for disclosure of all the information required on the commission's form and it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the commission's prescribed form may be submitted for pre-approval by the commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, please call our office at (512) 463-5800.

ETHICS COMMISSION GUIDES

The Ethics Commission publishes a campaign finance guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The commission encourages you to read the appropriate guide *before* you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Ethics Commission forms. For example, if the space provided on Schedule A is insufficient, you may make copies of a blank Schedule A form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Ethics Commission, please address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the commission's street address is 201 E. 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

JUDICIAL SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT

These instructions are for judicial specific-purpose committee campaign treasurers using the JUDICIAL SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT (Form JSPAC). A complete report includes the two-sided Form JSPAC Cover Sheet, and any of the following schedules on which there is information to report: A(J), B(J), E(J), F, H, I, J, K, L, M, and T. (You are not required to file Schedules C, D, or G.)

GENERAL INFORMATION

Use Form JSPAC to file a campaign finance report if you are a campaign treasurer for a judicial specific-purpose committee.

Use Form JSPAC for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- 10th day after campaign treasurer termination
- Dissolution report

See the instructions for Sections 9 and 10 of the cover sheet for help in deciding which reports you should file.

CAMPAIGN FINANCE RESTRICTIONS

The Judicial Campaign Fairness Act (JCFA) imposes new filing requirements and restrictions on specific-purpose committees assisting judges or supporting or opposing judicial candidates and places limits on contributions and expenditures that are different from the filing requirements and restrictions applicable to other candidates and officeholders. For more detailed information regarding the JCFA, see the Ethics Commission's *Campaign Finance Guide For Judicial Candidates And Officeholders*. For detailed information regarding laws applicable to all political committees, see the Ethics Commission's *Campaign Finance Guide For Political Committees*.

DUTIES OF CAMPAIGN TREASURER

The committee's campaign treasurer is responsible for filing this form and keeping all necessary records. Failing to file a report on time or filing an incomplete report may subject the treasurer to criminal or civil penalties.

WHERE TO FILE

The campaign treasurer of the judicial specific-purpose committee must file this form with the same authority with which the committee filed the campaign treasurer appointment (Form STA).

FILING A DISSOLUTION REPORT

The campaign treasurer of a specific-purpose committee may file a dissolution report if the committee does not expect to accept any more political contributions or make any more political expenditures. Filing a dissolution report terminates the committee's campaign treasurer appointment and relieves the campaign treasurer of the obligation of filing any additional reports.

To dissolve the specific-purpose committee, the campaign treasurer must complete the "JUDICIAL SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT" (Form JSPAC), check the "Dissolution" box in Section 9 of the cover sheet, and complete and attach the "JUDICIAL SPECIFIC-PURPOSE COMMITTEE AFFIDAVIT OF DISSOLUTION" (Form JSPAC-DR).

For more information, see the Campaign Finance Guide For Political Committees.

PAGE 2

- 12. COMMITTEE NAME:** Enter the name of the committee.
- 13. COMMITTEE PURPOSE:** A specific-purpose political committee must identify each candidate that the committee supports or opposes and each officeholder that the committee assists. This information should have been included on your campaign treasurer appointment. If there is a change in this information, you must amend your campaign treasurer appointment to report the change within a specified time period.
- 14. TOTALS:** Complete this section only after you have completed any applicable schedules.

Line 1. Enter the total of all unitemized contributions (other than pledges or loans or guarantees of loans) of \$50 or less. Do not include any contributions itemized on Schedule A(J). Enter a "0" if you did not receive any unitemized contributions during the period covered.

On Schedule A(J), you were required to itemize political contributions that totaled more than \$50 from one person. (Remember: If the committee received contributions *totaling* more than \$50 from one person during the reporting period, you were required to itemize all of those contributions, even if individual contributions were \$50 or less.) You also had the option of itemizing contributions of \$50 or less from one person. Do not include any itemized contributions in the total entered on Line 1, regardless of amount.

Line 2. Add the total contributions listed on Schedule A(J) to the amount you entered on Line 1. Enter that total on Line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3. Enter the total of all unitemized political expenditures of \$100 or less. Do not include any expenditures itemized on Schedule F or H. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F, you were required to itemize political expenditures that totaled more than \$100 to one payee. (Remember: If the committee made expenditures *totaling* more than \$100 to one person during the reporting period, you were required to itemize all of those expenditures, even if individual expenditures were \$100 or less.) You also had the option of itemizing expenditures totaling \$100 or less to one payee. Do not include any expenditures itemized on Schedule F in the total entered on Line 3, regardless of amount.

On Schedule H, you were required to itemize payments from political contributions made to certain businesses. Do not include any expenditures itemized on Schedule H in the total entered on Line 3, regardless of the amount.

Line 4. Add the following:

- (a) the total expenditures listed on Schedule F;
- (b) the total expenditures listed on Schedule H; and
- (c) the amount you entered on Line 3.

Enter that total on Line 4.

Enter a “0” if you did not make any expenditures during the period covered.

Line 5. Enter the total amount of political contributions, including interest or other income earned on political contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income earned on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on Line 2, where only contributions accepted in the reporting period are included. This total must include contributions maintained as of the last day of the reporting period, regardless of when they were received.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions and the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.

Line 6. Enter the aggregate outstanding principal amount of all loans accepted for political purposes as of the last day of the reporting period. This is different from the information reported on Schedule E(J). Include outstanding principal of loans accepted in this reporting period as well as outstanding principal of loans accepted previously. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans.

- 15. AFFIDAVIT:** Complete this section only after you have completed all applicable sections and schedules. Only the committee’s campaign treasurer or the assistant campaign treasurer may sign the affidavit.

SCHEDULE F: POLITICAL EXPENDITURES

These instructions are for judicial specific-purpose committee campaign treasurers using SCHEDULE F: POLITICAL EXPENDITURES. Enter on this schedule only information about political expenditures made or authorized during the reporting period.

See the *Campaign Finance Guide For Political Committees* for important restrictions regarding the use of political funds to rent or purchase real property.

You must enter political expenditures made to an individual or entity during a reporting period that exceed \$100 under this schedule. If the committee made more than one expenditure to the same payee, the total of which exceeded \$100, enter each expenditure separately. Although you are not required to do so, you may report expenditures to one person that do not exceed \$100 on this schedule. If you choose not to itemize expenditures of \$100 and less on this schedule, you must total all unitemized expenditures and report them on Form JSPAC, Page 2, Section 14, Line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE F:** After you have completed Schedule F, count the total number of pages. A “page” is one side of a two-sided form.
2. **FILER NAME:** Enter the committee’s full name.
3. **ACCOUNT #:** If the committee is filing with the Ethics Commission, enter the account number. If the committee does not file with the Ethics Commission, you are not required to enter an account number.
4. **DATE:** Enter the date the expenditure was made. The date of an expenditure is not necessarily the date goods or services are received. It is the date on which the obligation to make a payment is incurred, as long as the amount of the payment is “readily determinable.” Generally, the amount of an expenditure is known (and therefore readily determinable) when the obligation is incurred, but in some cases the amount is not known until the receipt of a bill. An amount is readily determinable if the vendor can provide the amount at the filer’s request.

Example: On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred.

Example: Filers will generally not know the cost of a long-distance telephone call until receipt of a monthly (periodic) bill. In that case, the date of the expenditure for the telephone call would be the date the bill was received.

Credit card expenditures. There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election, the date of a credit card expenditure is the date the charge is made. For other reports, the date of a credit card expenditure is the date the credit card statement is received or the date the charge is made. In other words, it is always permissible to report the “date the charge is made” as the date of the expenditure.

5. **PAYEE NAME:** Enter the full name of the person to whom the expenditure was made:

Note: If the expenditure was by credit card, enter the name of the vendor who sold you the goods or services, not the name of the credit card issuer.

Note: If you make an expenditure for goods or services to benefit a candidate, officeholder, or other committee, enter the name of the vendor who sold the goods or services to the committee. Do not enter the name of the person for whose benefit the committee made the expenditure. Include that information under Section 8, "Purpose of Expenditure."

6. **AMOUNT:** Enter the exact amount of the expenditure
7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.
8. **PURPOSE OF EXPENDITURE:** In describing the purpose of an expenditure, state whether the expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure. Identify the candidate, officeholder, political party, or ballot measure. Also include the nature of the goods or services purchased. For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:

- (a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

Polling Expense

Printing Expense

Salaries/Wages/Contract Labor

Solicitation/Fundraising Expense

Transportation Equipment and Related Expense

Travel In District

Travel Out Of District

Other (Enter your own category, if none of the listed categories apply.)

- (b) **Description:** Enter a brief statement or description of the political committee activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

Description of Expenditure For Out-of-State Travel: The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

- (c) **“Check if Austin, TX, officeholder living expense” Box:** For expenditures made on or after July 1, 2014, check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, including both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure, please see the "Examples of Expenditures" on page 32.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If the committee made a direct campaign expenditure to benefit a candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. Do not complete this section if the committee is the principal political committee of a political party. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit a candidate is not a “political contribution” to that candidate. A direct campaign expenditure is a campaign expenditure that the committee makes on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If the committee made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, the committee made an *in-kind contribution*. However, if the committee did not get the candidate’s approval *before* it made the expenditure, the committee made a *direct campaign expenditure*.

If the committee makes political expenditures or accepts political contributions in support of a candidate, officeholder or other political committee, the committee must provide written notice to the candidate, officeholder, or committee who benefits from the committee’s activity. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the committee’s full name and complete address (street address or P.O. Box, city, state, and zip code). The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions.

You Do Not Need Schedule G. *Schedule G is for candidates and officeholders to report political expenditures that were made from personal funds.*

SCHEDULE H: PAYMENT FROM POLITICAL CONTRIBUTIONS TO A BUSINESS OF C/OH

These instructions are for judicial specific-purpose committee campaign treasurers using SCHEDULE H: PAYMENT FROM POLITICAL CONTRIBUTIONS TO A BUSINESS OF C/OH. Enter on this schedule only information about payments from political contributions that were made to a business in which a candidate supported by the committee or an officeholder assisted by the committee has an interest of more than 10%, a position on the governing body, or a position as an officer. Do not enter on this schedule other payments from political contributions authorized during the reporting period.

See the *Campaign Finance Guide For Political Committees* for a discussion on the important restrictions on making and reporting payments from political contributions to a business in which a candidate supported by the committee or an officeholder assisted by the committee has an interest.

This schedule is for payments to a business in which a candidate supported by the committee or an officeholder assisted by the committee has one or more of the following interests or positions:

Report such payments on this schedule and not on Schedule F.

For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:

The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. 9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If the payment was a "direct campaign expenditure" to benefit a candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the payment was not a direct campaign expenditure.

A "direct campaign expenditure" to benefit a candidate is not a "political contribution" to that candidate. A direct campaign expenditure is a campaign expenditure that the committee makes on someone else's behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If the committee made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate's approval, the committee made an *in-kind contribution*. However, if the committee did not get the candidate's approval *before* it made the expenditure, the committee made a *direct campaign expenditure*.

If the committee makes political expenditures or accepts political contributions in support of a candidate, officeholder, or other political committee, the committee must provide written notice to the candidate, officeholder, or committee who benefits from the committee's activity. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the committee's full name and complete address. Include your street address or P.O. Box, city, state, and ZIP Code. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions.

SCHEDULE I: NON-POLITICAL EXPENDITURES MADE FROM POLITICAL CONTRIBUTIONS

These instructions are for judicial specific-purpose committee campaign treasurers using SCHEDULE I: NON-POLITICAL EXPENDITURES MADE FROM POLITICAL CONTRIBUTIONS. Enter on this schedule only information about non-political expenditures from political contributions that were made or authorized during the reporting period. Do not enter political expenditures on this schedule. (Report political expenditures on Schedule F.) Do not report non-political expenditures from political contributions made to a business in which a candidate supported by the committee or an officeholder assisted by the committee has a participating interest of more than 10%, a position on the governing body, or a position as an officer. (Report those expenditures on Schedule H.)

You must enter all non-political expenditures from political contributions on this schedule, regardless of the amount. A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. Expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. Remember that you may not convert political contributions to personal use.

Each numbered item in these instructions corresponds to the same numbered item on the form.
