Alligator Etiquette:

- ABSOLUTELY DO NOT feed or annoy the alligators.
- Keep pets on a leash no longer than six feet. Do not throw objects in water for your dog to retrieve.
- Keep at least 30 ft. from an alligator – do not assume they're slow-moving.
- Do not swim in or wade into any water in Brazos Bend State Park.
- If an alligator goes after a fish you have caught, cut the line and let the alligator have the fish.
- Avoid any alligator sunning itself in the middle of the trail or lake bank.
- Stay clear of grasses, twigs and/or soil near the side of a trail: it may be a nest and the mother alligator is probably close by guarding it.
- If an alligator opens its mouth and hisses, you have come too close. Retreat slowly; make no quick moves. Keep your eyes on the alligator.
