I ask for wisdom and discernment for each one of them. Give them the tools they need to love, lead, and serve. We need Your guidance; we need Your strength; we need Your eyes to see what You see. (b) In cases where the area in which the oil, gas, sulphur, or other minerals sold is contiguous to other lands belonging to and held by the university which have been leased or sold at a lesser royalty, the lessee [~~owner~~] shall protect the land from drainage from the lands leased or sold for a lesser royalty.

(d) On proper showing by the forfeiting lessee [~~owner~~] within 30 days after the declaration of forfeiture, the lease may be reinstated at the discretion of the board and upon terms prescribed by the board.

(e) In case of violation by the lessee [~~owner~~] of the lease contract, the remedy of forfeiture shall not be the exclusive remedy, and the state may institute suit for damages or specific performance or both.

(f) The state shall have a first lien on oil, gas, sulphur, or other minerals produced or that may be produced in the leased area, and on all rigs, tanks, vats, pipelines, telephone lines, and machinery and appliances used in the production and handling of oil, gas, sulphur, or other minerals produced, to secure the amount due from the lessee [~~owner of the lease~~].

The board may make and enter into pooling agreements, division orders, or other contracts necessary in the management and development of its land.

(b) All leases, pooling agreements, division orders, or other contracts entered into by the board shall be on terms that the board considers in the best interest of the university. The board may not sell a lease for less than the royalty and rental terms demanded at that time by the General Land Office in connection with the sale of oil, gas, and other mineral leases of the public lands of this state.

(c) All money received under the leases and contracts executed for the management and development of the land, except revenue pledged to the payment of revenue bonds or notes, shall be deposited to the credit of a special fund created by the board. SECTION _____. Effective September 1, 2017, Sections 39.023(a), (a-1), (a-2), (b), (c-1), (c-3), (e), (l), (m), (n), and (p), Education Code, are amended to read as follows:

(a) The agency shall adopt or develop appropriate criterion-referenced assessment instruments designed to assess essential knowledge and skills in reading, writing, mathematics, social studies, and science. Except as provided by Subsection (a-2), all students, other than students assessed under Subsection (b) or (l) or exempted under Section 39.027, shall be assessed in:

(1) mathematics, annually in grades three through seven without the aid of technology and in grade eight with the aid of technology on any assessment instrument that includes algebra;

(4) social studies, in grade eight;

(5) science, in grades five and eight; and

(a-1) The agency shall develop assessment instruments required under Subsection (a) in a manner that allows, to the extent practicable:

(1) the score a student receives to provide reliable information relating to a student's satisfactory performance for each performance standard under Section 39.0241; and

(2) an appropriate range of performances to serve as a valid indication of growth in student achievement.

(a-2) A student is not required to be assessed in a subject otherwise assessed at the student's grade level under Subsection (a) if the student:

(1) is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Subsection (a) that aligns with the curriculum for the course in which the student is enrolled; or

(2) is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course assessment instrument adopted under Subsection (c) for the course.

(b) The agency shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program under Subchapter A, Chapter 29, for whom an assessment instrument adopted under Subsection (a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal committee.

(c-1) The agency shall develop any assessment instrument required under this section in a manner that allows for the measurement of annual improvement in student achievement as required by Sections 39.034(c) and (d).

(c-3) In adopting a schedule for the administration of assessment instruments under this section, the State Board of Education shall require:

(1) assessment instruments administered under Subsection (a) to be administered on a schedule so that the first assessment instrument is administered at least two weeks later than the date on which the first assessment instrument was administered under Subsection (a) during the 2006-2007 school year; and

(2) the spring administration of end-of-course assessment instruments under Subsection (c) to occur in each school district not earlier than the first full week in May, except that the spring administration of the end-of-course assessment instruments in English I, English II, and English III must be permitted to occur at an earlier date.

To ensure a valid bank of questions for use each year, the agency is not required to release a question that is being field-tested and was not used to compute the student's

score on the instrument. The agency shall also release, under board rule, each question that is no longer being field-tested and that was not used to compute a student's score.

The rules adopted under this subsection shall ensure that the language proficiency assessment committee provides that the exempted students are administered the assessment instruments under Subsections (a) and (c) at the earliest practical date.

(n) This subsection applies only to a student who is determined to have dyslexia or a related disorder and who is an individual with a disability under 29 U.S.C. Section 705(20) and its subsequent amendments. The agency shall adopt or develop appropriate criterion-referenced assessment instruments designed to assess the ability of and to be administered to each student to whom this subsection applies for whom the assessment instruments adopted under Subsection (a), even with allowable modifications, would not provide an appropriate measure of student achievement, as determined by the committee established by the board of trustees of the district to determine the placement of students with dyslexia or related disorders. The committee shall determine whether any allowable modification is necessary in administering to a student an assessment instrument required under this subsection. The assessment instruments required under this subsection shall be administered on the same schedule as the assessment instruments administered under Subsection (a).

(p) On or before September 1 of each year, the commissioner shall make the following information available on the agency's Internet website for each assessment instrument administered under Subsection (a), (c), or (l):

REMARKS ORDERED PRINTED

On motion of Senator Watson and by unanimous consent, the remarks by Senators Paxton and Watson regarding **HB 148** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Watson: Thank you, Senator Paxton. I appreciate your comment just a moment ago. I want to ask a couple of questions about what you're talking about. First, what this bill is geared at and what it now says is that it would only be an offense in instances where there was what we refer to as a harvesting of balance. Is that correct?

Senator Paxton: That is correct.

Senator Watson: Or in assisting in voting where it's based, the compensation would be based upon the number of people that are involved or based upon a quota system, something of that nature.

Senator Paxton: That's correct.

Senator Watson: So, in a routine campaign situation where there may be campaign workers, and there may be an absentee ballot program that someone has that, for example, in your campaign. In your campaign, you had an absentee ballot program and you have campaign workers that go out and pick up some ballots, that's part of that program. So long as it's not based upon a quota or they're not compensated based upon the number of ballots, then there wouldn't be an offense?

Senator Paxton: Right. As long as it's in the normal course of their activities, yeah, they can do that.

Senator Watson: And if they were giving people as assistance for rides to the polls, for example, in your campaign, that assistance to those voters, so long as it's not based upon a certain number of voters that need to be helped, or a quota of voters, and the compensation isn't based upon those numbers or quotas, then there would not be an offense?

Senator Paxton: That is correct.

Senator Watson: The other thing I want to ask you is, we spent a lot of time today working on this, and I appreciate your working with me on this--

Senator Paxton: I appreciate your help.

Senator Watson: --but, you have a commitment both from the House author, who I see in the back of the room, and she's been involved today, that the amendment that you're getting ready to lay out, and that if we vote to suspend and pass that, that is going to be what is passed. It won't be changed in any way?

Senator Paxton: I will not change. If anything changes, I will make sure this bill goes away.

Senator Watson: Alright, I want to be clear about that. When you say this bill goes away, if, I think I have a commitment, I see her nodding her head. I have a commitment from the house author and from you as the Senate sponsor, that if it changes in any way, you'll pull down the bill, and the bill will die.

Senator Paxton: That is correct. That's my pledge.

Senator Watson: Thank you, Senator Paxton--

Senator Paxton: Thank you--

Senator Watson: --I appreciate your work.

Senator Paxton: --I really appreciate yours. Thank you.

SECTION 17. Subchapter D, Chapter 12, Education Code, is amended by adding Section 12.1141 to read as follows:

Sec. 12.1141. RENEWAL OF CHARTER; DENIAL OF RENEWAL; EXPIRATION. (a) The commissioner shall develop and by rule adopt a procedure for renewal, denial of renewal, or expiration of a charter for an open-enrollment charter school at the end of the term of the charter. The procedure must include consideration of the performance under Chapter 39 of the charter holder and each campus operating under the charter and must include three distinct processes, which must be expedited renewal, discretionary consideration of renewal or denial of renewal, and expiration. To renew a charter at the end of the term, the charter holder must submit a petition for renewal to the commissioner in the time and manner established by commissioner rule.

(b) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for expedited renewal of the charter, the charter automatically renews unless, not later than the 30th day after the date the charter holder submits the petition, the commissioner provides written notice to the charter holder that expedited renewal of the charter is denied. The commissioner may not deny expedited renewal of a charter if:

(1) the charter holder has been assigned:

(A) the highest or second highest performance rating under Subchapter C, Chapter 39, for the three preceding school years; or

(B) except as provided by Subsection (b-1), an acceptable performance rating under the agency's alternative education accountability procedures for evaluation under Chapter 39;

(2) the charter holder has been assigned a financial performance accountability rating under Subchapter D, Chapter 39, indicating financial performance that is satisfactory or better for the three preceding school years; and

(3) no campus operating under the charter has been assigned the lowest performance rating under Subchapter C, Chapter 39, for the three preceding school years or such a campus has been closed.

(b-1) If, under the agency's alternative education accountability procedures for evaluation under Chapter 39, the commissioner provides for assigning performance ratings reflecting different levels of acceptable performance, the charter holder must have been assigned the highest or second highest performance rating under those procedures.

(c) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for renewal of the charter and the charter does not meet the criteria for expedited renewal under Subsection (b) or for expiration under Subsection (d), the commissioner shall use the discretionary consideration process. The commissioner's decision under the discretionary consideration process must take into consideration the results of annual evaluations under the performance frameworks established under Section 12.1181. In considering under this subsection the renewal of the charter of an open-enrollment charter school that is registered under the agency's alternative education accountability procedures for evaluation under Chapter 39, such as a dropout recovery school or a school providing education within a residential treatment facility, the commissioner shall use academic criteria established by commissioner rule that are appropriate to measure the specific goals of the school. The criteria established by the commissioner shall

recognize growth in student achievement as well as educational attainment. For purposes of this subsection, the commissioner shall designate as a dropout recovery school an open-enrollment charter school or a campus of an open-enrollment charter school:

(1) that serves students in grades 9 through 12 and has an enrollment of which at least 50 percent of the students are 17 years of age or older as of September 1 of the school year as reported for the fall semester Public Education Information Management System (PEIMS) submission; and

(2) that meets the eligibility requirements for and is registered under alternative education accountability procedures adopted by the commissioner.

(d) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for renewal of the charter, the commissioner may not renew the charter and shall allow the charter to expire if:

(1) the charter holder has been assigned the lowest performance rating under Subchapter C, Chapter 39, for any three of the five preceding school years;

(2) the charter holder has been assigned a financial accountability performance rating under Subchapter D, Chapter 39, indicating financial performance that is lower than satisfactory for any three of the five preceding school years;

(3) the charter holder has been assigned any combination of the ratings described by Subdivision (1) or (2) for any three of the five preceding school years; or

(4) any campus operating under the charter has been assigned the lowest performance rating under Subchapter C, Chapter 39, for the three preceding school years and such a campus has not been closed.

(e) Notwithstanding any other law, a determination by the commissioner under Subsection (d) is final and may not be appealed.

(f) Not later than the 90th day after the date on which a charter holder submits a petition for renewal of a charter for an open-enrollment charter school at the end of the term of the charter, the commissioner shall provide written notice to the charter holder, in accordance with commissioner rule, of the basis on which the charter qualified for expedited renewal, discretionary consideration, or expiration, and of the commissioner's decision regarding whether to renew the charter, deny renewal of the charter, or allow the charter to expire.

(g) Except as provided by Subsection (e), a decision by the commissioner to deny renewal of a charter for an open-enrollment charter school is subject to review by the State Office of Administrative Hearings. Notwithstanding Chapter 2001, Government Code:

(1) the administrative law judge shall uphold a decision by the commissioner to deny renewal of a charter for an open-enrollment charter school unless the judge finds the decision is arbitrary and capricious or clearly erroneous; and

(2) a decision of the administrative law judge under this subsection is final and may not be appealed.

(h) If a charter holder submits a petition for renewal of a charter for an open-enrollment charter school, notwithstanding the expiration date of the charter, the charter term is extended until the commissioner has provided notice to the charter holder of the renewal, denial of renewal, or expiration of the charter.

(i) The term of a charter renewed under this section is 10 years for each renewal.

(j) The commissioner shall adopt rules to modify criteria for renewal, denial of renewal, or expiration of a charter for an open-enrollment charter school under this section to the extent necessary to address changes in performance rating categories or in the financial accountability system under Chapter 39.

SECTION 18. Section 12.115, Education Code, is amended to read as follows:

(c) Notwithstanding Subsections (a) and (b), the retirement system may provide a one-time supplemental payment to an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4);

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3); or

(5) an alternate payee annuity payment under Section 804.005.

(d) A one-time supplemental payment under Subsection (c) is authorized, even if the amortization period for the unfunded actuarial liabilities of the retirement system exceeds 30 years by one or more years, only if the board of trustees determines that at the time of the supplemental payment the payment can be made while preserving the ability of the retirement system to meet at least 80 percent of the system's pension obligations.

(e) The funding for a one-time supplemental payment under Subsection (c) must come from the earnings the retirement system makes on its investments as provided by this subsection. The supplemental payment may be made at any time during the period beginning September 1, 2013, and ending December 31, 2015, only if, during the preceding fiscal year, the return on investments, as provided by the actuarial valuation on August 31 of that year, exceeds eight percent by an amount sufficient to pay for the supplemental payment. Subsections (c) and (d) and this subsection expire January 1, 2016.

SECTION _____. Section 821.006, Government Code, as amended by this Act, is not intended to supplant the power or discretion of the legislature to provide supplemental payments to annuitants of the Teacher Retirement System of Texas. That

section provides an additional tool by which the legislature may provide those annuitants with a much-needed one-time supplemental payment without requesting additional funds from general revenue.

SECTION _____. (a) The Teacher Retirement System of Texas shall make a one-time supplemental payment of a retirement or death benefit, as provided by Section 821.006, Government Code, as amended by this Act, and this section.

(b) The supplemental payment is payable not later than December 31, 2015, and, to the extent practicable, on a date or dates that coincide with the regular annuity payment payable to each eligible annuitant.

(c) The amount of the supplemental payment is equal to the lesser of:

(1) the gross amount of the regular annuity payment to which the eligible annuitant is otherwise entitled for the month of August 2013; or

(2) \$2,400.

(d) The supplemental payment is payable without regard to any forfeiture of benefits under Section 824.601, Government Code. The Teacher Retirement System of Texas shall make applicable tax withholding and other legally required deductions before disbursing the supplemental payment. A supplemental payment under this section is in addition to and not in lieu of the regular monthly annuity payment to which the eligible annuitant is otherwise entitled.

(e) Subject to Subsection (f) of this section, to be eligible for the supplemental payment, a person must be, for the month of August 2013, and disregarding any forfeiture of benefits under Section 824.601, Government Code, an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4), Government Code;

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3), Government Code; or

(5) an alternate payee annuity payment under Section 804.005, Government Code.

(f) If the annuitant is a retiree or a beneficiary under an optional retirement payment plan, to be eligible for the supplemental payment, the effective date of the retirement of the member of the Teacher Retirement System of Texas must have been on or before December 31, 2010. If the annuitant is a beneficiary under Section 824.402(a)(3) or (4), Government Code, to be eligible for the supplemental payment, the date of death of the member of the retirement system must have been on or before December 31, 2010. The supplemental payment shall be made to an alternate payee who is an annuitant under Section 804.005, Government Code, only if the annuity payment to the alternate payee commenced on or before December 31, 2010. The supplemental payment is in addition to the guaranteed number of payments under Section 824.402(a)(3), 824.204(c)(3) or (4), or 824.308(c)(3) or (4), Government Code, and may not be counted as one of the guaranteed monthly payments.

(g) The supplemental payment does not apply to payments under:

(1) Section 824.304(a), Government Code, relating to disability retirees with less than 10 years of service credit;

(2) Section 824.804(b), Government Code, relating to participants in the deferred retirement option plan with regard to payments from their deferred retirement option plan accounts;

(3) Section 824.501(a), Government Code, relating to retiree survivor beneficiaries who receive a survivor annuity in an amount fixed by statute; or

(4) Section 824.404(a), Government Code, relating to active member survivor beneficiaries who receive a survivor annuity in an amount fixed by statute.

(h) Except as provided by this section, the board of trustees of the Teacher Retirement System of Texas shall determine the eligibility for and the amount and timing of a supplemental payment and the manner in which the payment is made.

SECTION _____. The change in law made by this Act to Chapter 1575, Insurance Code, applies only to a person who becomes a member of the Teacher Retirement System of Texas on or after September 1, 2014. A person who becomes a member of the retirement system before September 1, 2014, is governed by the law in effect immediately before that date, and that law is continued in effect for that purpose.

(8) Renumber the SECTIONS of the bill accordingly.

Floor Amendment No. 2

Amend Floor Amendment No. 1 to **HB 1897** (senate committee printing) by adding the following SECTION, appropriately numbered, to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. (a) The legislature finds that current rules adopted by the Texas Commission on Environmental Quality regarding qualification of property for exemption from taxation under Section 11.31, Tax Code, are consistent with the legislature's desire to exempt only property used, constructed, acquired, or installed wholly or partly to meet or exceed laws, rules, or regulations adopted by any environmental protection agency of the United States, Texas, or a political subdivision of Texas, for the prevention, monitoring, control, or reduction of air, water, or land pollution. The legislature further finds that current unique market forces are a deterrent to landfill methane capture, and the limited exemption set forth in this section will prevent the loss of facilities that help the state in reducing pollution.

(b) Subchapter B, Chapter 11, Tax Code, is amended by adding Section 11.311 to read as follows:

Sec. 11.311. TEMPORARY EXEMPTION: LANDFILL-GENERATED GAS CONVERSION FACILITIES. (a) This section applies only to real and personal property that is used in the manner described by Subsection (b) on January 1, 2014.

(b) A person is entitled to an exemption from taxation of the real and personal property the person owns that is located on or in close proximity to a landfill and is used to:

- (1) collect gas generated by the landfill;
- (2) compress and transport the gas;

- (3) process the gas so that it may be:
(A) delivered into a natural gas pipeline; or
(B) used as a transportation fuel in methane-powered on-road or off-road vehicles or equipment; and
- (4) deliver the gas:
(A) into a natural gas pipeline; or
(B) to a methane fueling station.
- (c) Property described by this section is considered to be property used as a facility, device, or method for the control of air, water, or land pollution.
- (d) This section expires December 31, 2015.
- (c) Section 403.302(d), Government Code, is amended to read as follows:
- (d) For the purposes of this section, "taxable value" means the market value of all taxable property less:
- (1) the total dollar amount of any residence homestead exemptions lawfully granted under Section 11.13(b) or (c), Tax Code, in the year that is the subject of the study for each school district;
 - (2) one-half of the total dollar amount of any residence homestead exemptions granted under Section 11.13(n), Tax Code, in the year that is the subject of the study for each school district;

 - (A) is within a reinvestment zone created on or before May 31, 1999, or is proposed to be included within the boundaries of a reinvestment zone as the boundaries of the zone and the proposed portion of tax increment paid into the tax increment fund by a school district are described in a written notification provided by the municipality or the board of directors of the zone to the governing bodies of the other taxing units in the manner provided by former Section 311.003(e), Tax Code, before May 31, 1999, and within the boundaries of the zone as those boundaries existed on September 1, 1999, including subsequent improvements to the property regardless of when made;
 - (B) generates taxes paid into a tax increment fund created under Chapter 311, Tax Code, under a reinvestment zone financing plan approved under Section 311.011(d), Tax Code, on or before September 1, 1999; and
 - (C) is eligible for tax increment financing under Chapter 311, Tax Code;

 - (i) created on or before December 31, 2008, by a municipality with a population of less than 18,000; and
 - (ii) the project plan for which includes the alteration, remodeling, repair, or reconstruction of a structure that is included on the National Register of Historic Places and requires that a portion of the tax increment of the zone be used for the improvement or construction of related facilities or for affordable housing;

(B) generates school district taxes that are paid into a tax increment fund created under Chapter 311, Tax Code; and

(C) is eligible for tax increment financing under Chapter 311, Tax Code;

(6) the total dollar amount of any exemptions granted under Section 11.251 or 11.253, Tax Code;

(7) the difference between the comptroller's estimate of the market value and the productivity value of land that qualifies for appraisal on the basis of its productive capacity, except that the productivity value estimated by the comptroller may not exceed the fair market value of the land;

(8) the portion of the appraised value of residence homesteads of individuals who receive a tax limitation under Section 11.26, Tax Code, on which school district taxes are not imposed in the year that is the subject of the study, calculated as if the residence homesteads were appraised at the full value required by law;

(9) a portion of the market value of property not otherwise fully taxable by the district at market value because of:

(A) action required by statute or the constitution of this state, other than Section 11.311, Tax Code, that, if the tax rate adopted by the district is applied to it, produces an amount equal to the difference between the tax that the district would have imposed on the property if the property were fully taxable at market value and the tax that the district is actually authorized to impose on the property, if this subsection does not otherwise require that portion to be deducted; or

(B) action taken by the district under Subchapter B or C, Chapter 313, Tax Code, before the expiration of the subchapter;

(10) the market value of all tangible personal property, other than manufactured homes, owned by a family or individual and not held or used for the production of income;

(11) the appraised value of property the collection of delinquent taxes on which is deferred under Section 33.06, Tax Code;

(12) the portion of the appraised value of property the collection of delinquent taxes on which is deferred under Section 33.065, Tax Code; and

(13) the amount by which the market value of a residence homestead to which Section 23.23, Tax Code, applies exceeds the appraised value of that property as calculated under that section.

(d) This section applies only to ad valorem taxes imposed for a tax year beginning on or after the effective date of this section.

(e) Notwithstanding any other provision of this Act, this section takes effect January 1, 2014.

Senator Huffman called **SB 1803** from the President's table for consideration of the House amendments to the bill.

Amend **SB 1803** by substituting in lieu thereof the following:

A BILL TO BE ENTITLED AN ACT

relating to investigations of and payment holds relating to allegations of fraud or abuse and investigations of and hearings on overpayments and other amounts owed by providers in connection with the Medicaid program or other health and human services programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 531.1011, Government Code, is amended to read as follows:

Sec. 531.1011. DEFINITIONS. For purposes of this subchapter:

(1) "Abuse" means:

(A) a practice by a provider that is inconsistent with sound fiscal, business, or medical practices and that results in:

(i) an unnecessary cost to the Medicaid program; or

(ii) the reimbursement of services that are not medically necessary

or that fail to meet professionally recognized standards for health care; or

(B) a practice by a recipient that results in an unnecessary cost to the Medicaid program.

(2) "Allegation of fraud" means an allegation of Medicaid fraud received by the commission from any source that has not been verified by the state, including an allegation based on:

(A) a fraud hotline complaint;

(B) claims data mining;

(C) data analysis processes; or

(D) a pattern identified through provider audits, civil false claims cases, or law enforcement investigations.

(3) "Credible allegation of fraud" means an allegation of fraud that has been verified by the state. An allegation is considered to be credible when the commission has:

(A) verified that the allegation has indicia of reliability; and

(B) reviewed all allegations, facts, and evidence carefully and acts judiciously on a case-by-case basis.

(4) "Fraud" means an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to that person or some other person, including any act that constitutes fraud under applicable federal or state law.

(5) ~~(2)~~ "Furnished" refers to items or services provided directly by, or under the direct supervision of, or ordered by a practitioner or other individual (either as an employee or in the individual's own capacity), a provider, or other supplier of services, excluding services ordered by one party but billed for and provided by or under the supervision of another.

(6) "Payment hold" ~~[(3) "Hold on payment"]~~ means the temporary denial of reimbursement under the Medicaid program for items or services furnished by a specified provider.

(7) ~~(4)~~ "Practitioner" means a physician or other individual licensed under state law to practice the individual's profession.

(8) ~~(5)~~ "Program exclusion" means the suspension of a provider from being authorized under the Medicaid program to request reimbursement of items or services furnished by that specific provider.

(9) ~~(6)~~ "Provider" means a person, firm, partnership, corporation, agency, association, institution, or other entity that was or is approved by the commission to:

(A) provide medical assistance under contract or provider agreement with the commission; or

(B) provide third-party billing vendor services under a contract or provider agreement with the commission.

SECTION 2. Section 531.102, Government Code, is amended by amending Subsections (f) and (g) and adding Subsections (l), (m), (n), (o), and (p) to read as follows:

(f)(1) If the commission receives a complaint or allegation of Medicaid fraud or abuse from any source, the office must conduct a preliminary investigation as provided by Section 531.118(c) ~~[an integrity review]~~ to determine whether there is a sufficient basis to warrant a full investigation. A preliminary investigation ~~[An integrity review]~~ must begin not later than the 30th day after the date the commission receives a complaint or allegation or has reason to believe that fraud or abuse has occurred. A preliminary investigation ~~[An integrity review]~~ shall be completed not later than the 90th day after it began.

(2) If the findings of a preliminary investigation ~~[an integrity review]~~ give the office reason to believe that an incident of fraud or abuse involving possible criminal conduct has occurred in the Medicaid program, the office must take the following action, as appropriate, not later than the 30th day after the completion of the preliminary investigation ~~[integrity review]~~:

(A) if a provider is suspected of fraud or abuse involving criminal conduct, the office must refer the case to the state's Medicaid fraud control unit, provided that the criminal referral does not preclude the office from continuing its investigation of the provider, which investigation may lead to the imposition of appropriate administrative or civil sanctions; or

(B) if there is reason to believe that a recipient has defrauded the Medicaid program, the office may conduct a full investigation of the suspected fraud, subject to Section 531.118(c).

(g)(1) Whenever the office learns or has reason to suspect that a provider's records are being withheld, concealed, destroyed, fabricated, or in any way falsified, the office shall immediately refer the case to the state's Medicaid fraud control unit. However, such criminal referral does not preclude the office from continuing its investigation of the provider, which investigation may lead to the imposition of appropriate administrative or civil sanctions.

(2) In addition to other instances authorized under state or federal law, the office shall impose without prior notice a payment hold on [payment of] claims for reimbursement submitted by a provider to compel production of records, when requested by the state's Medicaid fraud control unit, or on the determination that a credible allegation of fraud exists, subject to Subsections (l) and (m), as applicable, and the criteria adopted under Subsection (n)(3) [on receipt of reliable evidence that the circumstances giving rise to the hold on payment involve fraud or wilful misrepresentation under the state Medicaid program in accordance with 42 C.F.R. Section 455.23, as applicable]. The office must notify the provider of the payment hold [on payment] in accordance with 42 C.F.R. Section 455.23(b). In addition to the requirements of 42 C.F.R. Section 455.23(b), the notice of payment hold provided under this subdivision must also include:

(A) the specific basis for the hold, including identification of the claims supporting the allegation at that point in the investigation and a representative sample of any documents that form the basis for the hold; and

(B) a description of administrative and judicial due process remedies, including the provider's right to seek informal resolution, a formal administrative appeal hearing, or both.

(3) On timely written request by a provider subject to a payment hold [on payment] under Subdivision (2), other than a hold requested by the state's Medicaid fraud control unit, the office shall file a request with the State Office of Administrative Hearings or the appeals division of the commission, as requested by the provider, for an expedited administrative hearing regarding the hold. The provider must request an expedited administrative hearing under this subdivision not later than the 30th [10th] day after the date the provider receives notice from the office under Subdivision (2). Unless otherwise determined by the administrative law judge for good cause at an expedited administrative hearing before the State Office of Administrative Hearings under this subdivision, the state and the provider shall each be responsible for:

(A) one-half of the costs charged by the State Office of Administrative Hearings;

(B) one-half of the costs for transcribing the hearing;

(C) the party's own costs related to the hearing, including the costs associated with preparation for the hearing, discovery, depositions, and subpoenas, service of process and witness expenses, travel expenses, and investigation expenses; and

(D) all other costs associated with the hearing that are incurred by the party, including attorney's fees.

(4) The executive commissioner and the State Office of Administrative Hearings shall jointly adopt rules that require a provider, before an expedited administrative hearing before the State Office of Administrative Hearings under Subdivision (3), to advance security for the costs for which the provider is responsible under that subdivision.

(5) Following an expedited administrative hearing under Subdivision (3), a provider subject to a payment hold, other than a hold requested by the state's Medicaid fraud control unit, may appeal a final administrative order by filing a petition for judicial review in a district court in Travis County.

(6) The executive commissioner [~~commission~~] shall adopt rules that allow a provider subject to a [~~hold-on~~] payment hold under Subdivision (2), other than a hold requested by the state's Medicaid fraud control unit, to seek an informal resolution of the issues identified by the office in the notice provided under that subdivision. A provider must request [~~seek~~] an initial informal resolution meeting under this subdivision not later than the deadline prescribed by Subdivision (3) for requesting an expedited administrative hearing. On receipt of a timely request, the office shall schedule an initial informal resolution meeting not later than the 60th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider. The office shall give notice to the provider of the time and place of the initial informal resolution meeting not later than the 30th day before the date the meeting is to be held. A provider may request a second informal resolution meeting not later than the 20th day after the date of the initial informal resolution meeting. On receipt of a timely request, the office shall schedule a second informal resolution meeting not later than the 45th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider. The office shall give notice to the provider of the time and place of the second informal resolution meeting not later than the 20th day before the date the meeting is to be held. A provider must have an opportunity to provide additional information before the second informal resolution meeting for consideration by the office. A provider's decision to seek an informal resolution under this subdivision does not extend the time by which the provider must request an expedited administrative hearing under Subdivision (3). However, a hearing initiated under Subdivision (3) shall be stayed [~~at the office's request~~] until the informal resolution process is completed.

(7) [~~(5)~~] The office shall, in consultation with the state's Medicaid fraud control unit, establish guidelines under which payment holds [~~on-payment~~] or program exclusions:

- (A) may permissively be imposed on a provider; or
- (B) shall automatically be imposed on a provider.

(l) The office shall employ a medical director who is a licensed physician under Subtitle B, Title 3, Occupations Code, and the rules adopted under that subtitle by the Texas Medical Board, and who preferably has significant knowledge of the Medicaid program. The medical director shall ensure that any investigative findings based on medical necessity or the quality of medical care have been reviewed by a qualified

expert as described by the Texas Rules of Evidence who preferably has knowledge of Medicaid program rules and requirements before the office imposes a payment hold or seeks recoupment of an overpayment, damages, or penalties.

(m) The office shall employ a dental director who is a licensed dentist under Subtitle D, Title 3, Occupations Code, and the rules adopted under that subtitle by the State Board of Dental Examiners, and who preferably has significant knowledge of the Medicaid program. The dental director shall ensure that any investigative findings based on the necessity of dental services or the quality of dental care have been reviewed by a qualified expert as described by the Texas Rules of Evidence who preferably has knowledge of Medicaid program rules and requirements before the office imposes a payment hold or seeks recoupment of an overpayment, damages, or penalties.

(n) The executive commissioner shall, in conjunction with the office and in consultation with the state's Medicaid fraud control unit, adopt rules for the office that establish:

(1) criteria for initiating a full fraud or abuse investigation, conducting the investigation, and collecting evidence;

(2) training requirements for Medicaid provider fraud or abuse investigators; and

(3) criteria for determining, in accordance with state and federal law, when good cause exists to:

(A) not impose a payment hold on a provider;

(B) discontinue a payment hold imposed on a provider;

(C) partially discontinue a payment hold imposed on a provider; and

(D) convert a full payment hold imposed on a provider to a partial payment hold.

(o) In determining what constitutes good cause for purposes of Subsection (n)(3), the executive commissioner shall consider:

(1) a specific request by a law enforcement agency that the office not impose a payment hold on a provider or discontinue a payment hold imposed on a provider;

(2) a determination by the office that other available remedies implemented by the office or commission could more effectively or quickly protect Medicaid funds than imposing or continuing a payment hold;

(3) evidence submitted by a provider that convinces the office that a payment hold should be discontinued or partially imposed;

(4) a determination by the office that a Medicaid recipient's access to items or services will be jeopardized by the imposition of a payment hold;

(5) a determination by the office that a payment hold should be discontinued because the state's Medicaid fraud control unit or a law enforcement agency declines to cooperate in certifying that the unit or agency is continuing to investigate the credible allegation of fraud that is the basis of the payment hold;

(6) a determination by the office that imposing a full or partial payment hold is not in the best interest of the Medicaid program; and

(7) a determination by the office that a partial payment hold will ensure that potentially fraudulent claims under the Medicaid program will not be continued to be paid.

(p) An employee of the office may bring a whistleblower suit in accordance with Chapter 554.

SECTION 3. Subchapter C, Chapter 531, Government Code, is amended by adding Sections 531.118, 531.119, 531.120, 531.1201, and 531.1202 to read as follows:

Sec. 531.118. PRELIMINARY INVESTIGATIONS OF ALLEGATIONS OF FRAUD OR ABUSE AND FRAUD REFERRALS. (a) The commission shall maintain a record of all allegations of fraud or abuse against a provider containing the date each allegation was received or identified and the source of the allegation, if available. The record is confidential under Section 531.1021(g) and is subject to Section 531.1021(h).

(b) If the commission receives an allegation of fraud or abuse against a provider from any source, the commission's office of inspector general shall conduct a preliminary investigation of the allegation as provided by Section 531.102(f)(1).

(c) In conducting a preliminary investigation, the office must review the allegations of fraud or abuse and all facts and evidence relating to the allegation and must prepare a preliminary investigation report before the allegation of fraud or abuse may proceed to a full investigation. The preliminary investigation report must document the allegation, the evidence reviewed, if available, the procedures used to conduct the preliminary investigation, the findings of the preliminary investigation, and the office's determination of whether a full investigation is warranted.

(d) If the state's Medicaid fraud control unit or any other law enforcement agency accepts a fraud referral from the office for investigation, a payment hold based on a credible allegation of fraud may be continued until:

(1) that investigation and any associated enforcement proceedings are complete; or

(2) the state's Medicaid fraud control unit, another law enforcement agency, or other prosecuting authorities determine that there is insufficient evidence of fraud by the provider.

(e) If the state's Medicaid fraud control unit or any other law enforcement agency declines to accept a fraud referral from the office for investigation, a payment hold based on a credible allegation of fraud must be discontinued unless the commission has alternative federal or state authority under which it may impose a payment hold or the office makes a fraud referral to another law enforcement agency.

(f) On a quarterly basis, the office must request a certification from the state's Medicaid fraud control unit and other law enforcement agencies as to whether each matter accepted by the unit or agency on the basis of a credible allegation of fraud referral continues to be under investigation and that the continuation of the payment hold is warranted.

Sec. 531.119. WEBSITE POSTING. The commission's office of inspector general shall post on its publicly available website a description in plain English of, and a video explaining, the processes and procedures the office uses to determine whether to impose a payment hold on a provider under this subchapter.

Sec. 531.120. NOTICE AND INFORMAL RESOLUTION OF PROPOSED RECOUPMENT OF OVERPAYMENT OR DEBT. (a) The commission or the commission's office of inspector general shall provide a provider with written notice of any proposed recoupment of an overpayment or debt and any damages or penalties relating to a proposed recoupment of an overpayment or debt arising out of a fraud or abuse investigation. The notice must include:

(1) the specific basis for the overpayment or debt;
(2) a description of facts and supporting evidence;
(3) a representative sample of any documents that form the basis for the overpayment or debt;

(4) the extrapolation methodology;
(5) the calculation of the overpayment or debt amount;
(6) the amount of damages and penalties, if applicable; and
(7) a description of administrative and judicial due process remedies, including the provider's right to seek informal resolution, a formal administrative appeal hearing, or both.

(b) The executive commissioner shall adopt rules that allow a provider who is the subject of a proposed recoupment of an overpayment or debt to seek informal resolution of the issues identified in the notice provided under Subsection (a).

(c) The rules adopted under Subsection (b) must require a provider who seeks informal resolution of the issues identified in the notice provided under Subsection (a) to request an initial informal resolution meeting not later than the 30th day after the date the provider receives the notice. On receipt of a timely request, the office shall schedule the initial informal resolution meeting not later than the 60th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider. The office shall give notice to the provider of the time and place of the initial informal resolution meeting not later than the 30th day before the date the meeting is to be held.

(d) The rules adopted under Subsection (b) must allow a provider to request a second informal resolution meeting not later than the 20th day after the date of the initial informal resolution meeting. On receipt of a timely request, the office shall schedule a second informal resolution meeting not later than the 45th day after the date the office receives the request, but the office shall schedule the meeting on a later date, as determined by the office, if requested by the provider. The office shall give notice to the provider of the time and place of the second informal resolution meeting not later than the 20th day before the date the meeting is to be held. A provider must have an opportunity to provide additional information before the second informal resolution meeting for consideration by the office.

(e) Not later than the 60th day after the date of the initial informal resolution meeting or, if a second informal resolution meeting is requested by the provider, after the second informal resolution meeting, or on a later date at the request of a provider, the commission or the office shall provide the provider with written notice of the commission's or office's final determination of whether the commission or office will seek to recoup an overpayment or debt from the provider.

(f) If a provider does not request an informal resolution meeting under this section, not later than the 60th day after the date the provider receives the notice under Subsection (a), the commission or the office shall provide the provider with written notice of the commission's or office's final determination of whether the commission or office will seek to recoup an overpayment or debt from the provider.

(g) Nothing in this section shall be construed to require a provider to request an informal resolution meeting under this section before requesting an appeal under Section 531.1201 of the commission's or office's final determination to recoup an overpayment or debt from the provider.

Sec. 531.1201. APPEAL OF DETERMINATION TO RECOUP OVERPAYMENT OR DEBT. (a) If, after a final determination, the commission or the commission's office of inspector general seeks to recoup from a provider an overpayment or debt arising out of a fraud or abuse investigation in an amount that is less than \$1 million, the provider may appeal the determination not later than the 15th day after the date the provider receives the notice under Section 531.120(e) or (f), as applicable, by requesting in writing that the commission or office set an administrative hearing on the determination. On receipt of a timely written request for an administrative hearing from the provider under this section, the commission or the office shall file a docketing request with the State Office of Administrative Hearings or the appeals division of the commission, as requested by the provider, for an administrative hearing on the final determination to recoup the overpayment or debt and any associated damages and penalties.

(b) If, after a final determination, the commission or the commission's office of inspector general seeks to recoup an overpayment or debt arising out of a fraud or abuse investigation in an amount of \$1 million or more from a provider, the provider may appeal the determination not later than the 15th day after the date the provider receives the notice under Section 531.120(e) or (f), as applicable, by:

(1) requesting in writing that the commission or office file a docketing request with the State Office of Administrative Hearings for an administrative hearing on the final determination to recoup an overpayment or debt and any associated damages and penalties; or

(2) filing a petition to appeal the final determination to recoup an overpayment or debt and any associated damages and penalties in a district court in Travis County.

(c) If a provider requests that the commission or office set an administrative hearing under Subsection (b)(1), the provider may not appeal any administrative order issued by an administrative law judge relating to the commission's or office's final determination to recoup an overpayment or debt and any associated damages and penalties from the provider in a district court.

(d) Unless otherwise determined by the administrative law judge for good cause, at any administrative hearing under this section before the State Office of Administrative Hearings, the state and the provider shall each be responsible for:

(1) one-half of the costs charged by the State Office of Administrative Hearings;

(2) one-half of the costs for transcribing the hearing;

(3) the party's own costs related to the hearing, including the costs associated with preparation for the hearing, discovery, depositions, and subpoenas, service of process and witness expenses, travel expenses, and investigation expenses; and

(4) all other costs associated with the hearing that are incurred by the party, including attorney's fees.

(e) The executive commissioner and the State Office of Administrative Hearings shall jointly adopt rules that require a provider, before an administrative hearing under this section before the State Office of Administrative Hearings, to advance security for the costs for which the provider is responsible under Subsection (d).

Sec. 531.1202. PRESENCE OF NEUTRAL THIRD PARTY AT INFORMAL RESOLUTION MEETINGS. The commission shall employ a person whose salary is paid by the commission and who is independent of the commission's office of inspector general to attend the informal resolution meetings held under Sections 531.102(g)(6) and 531.120(c) and (d) as a neutral third-party observer. The person shall report to the executive commissioner on the proceedings and outcome of each informal resolution meeting.

SECTION 5. Sections 32.0291(b) and (c), Human Resources Code, are amended to read as follows:

(b) Subject to Section 531.102, Government Code, and notwithstanding ~~[Notwithstanding]~~ any other law, the department may impose a payment ~~[postpayment]~~ hold on [payment-of] future claims submitted by a provider ~~[if the department has reliable evidence that the provider has committed fraud or wilful misrepresentation regarding a claim for reimbursement under the medical assistance program. The department must notify the provider of the postpayment hold not later than the fifth working day after the date the hold is imposed].~~

(c) A payment hold authorized by this section is governed by the requirements and procedures specified for a payment hold under Section 531.102, Government Code, including the notice requirements under Subsection (g) of that section. ~~[On timely written request by a provider subject to a postpayment hold under Subsection (b), the department shall file a request with the State Office of Administrative Hearings for an expedited administrative hearing regarding the hold. Floor Amendment No. 1

Amend **CSHB 2836** (senate committee report) by adding the following appropriately numbered SECTIONS to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION ____ Chapter 11, Education Code, is amended by adding Subchapter I to read as follows:

SUBCHAPTER I. TEXAS ACHIEVEMENT SCHOOL DISTRICT

Sec. 11.401. TEXAS ACHIEVEMENT SCHOOL DISTRICT ESTABLISHED.

(a) The Texas Achievement School District is hereby established as a school district under this code and an intermediate educational unit under 34 C.F.R. Section 222.50 for the purpose of educating students attending a campus removed from the jurisdiction of a school district under Section 39.1071.

(b) In this subchapter, "prior system" means the school district from which a campus that is transferred to the jurisdiction of the achievement school district was removed.

(c) The commissioner shall select the superintendent of the achievement school district. The superintendent shall report to the commissioner under a written contract for services.

(d) The achievement school district does not have authority to impose taxes but has authority to seek and expend federal funding and grant funding and to otherwise seek, obtain, and expend funding with the same authority as an independent school district.

(e) The achievement school district may provide for the supervision, management, and operation of each campus placed under the district's jurisdiction and receive, control, and expend the local, state, and federal funding attributable to that campus, with all the same power and authority as the prior system, subject to the requirements of this subchapter and Section 39.1071, and with any other power or authority otherwise granted by law.

(f) The achievement school district is entitled to the same level of services provided to other school districts by regional education service centers, and to participate in any state program available to school districts, including a purchasing program. In addition, using funds appropriated for the regional education service centers, the commissioner shall direct that appropriate administrative facilities and support be made available to serve as the central administrative offices of the district.

(g) The achievement school district may not contract with a private entity for providing educational services to the students attending a campus transferred to the district, other than an eligible entity, as defined by Section 12.101, that holds a charter granted under Chapter 12 and has:

(1) operated one or more open-enrollment charter schools in this state for three or more consecutive years;

(2) achieved a district rating of exemplary or recognized under Subchapter G, Chapter 39, or the equivalent under subsequent laws or rules regarding accountability ratings for three of the preceding five years;

(3) documented success in whole school interventions that increased the educational and performance levels of students in campuses that received unacceptable performance ratings under Section 39.054; and

(4) demonstrated success in educating populations of students similar to the populations of students enrolled at the campus transferred to the district.

(h) The achievement school district may employ such staff as the superintendent deems necessary.

Sec. 11.402. APPLICABILITY OF LAWS, RULES, AND ORDINANCES TO ACHIEVEMENT SCHOOL DISTRICT. (a) Except as expressly provided by law, the achievement school district is subject to federal and state laws and rules governing public schools and to municipal zoning ordinances governing public schools.

(b) Except as provided by Subsection (c) and as expressly provided by other law, the achievement school district is subject to a provision of this title to the extent and in the manner that such provision applies to an open-enrollment charter school under Subchapter D, Chapter 12.

(c) A teacher employed by the achievement school district must be certified under Subchapter B, Chapter 21, and may only teach a subject in which the teacher is certified.

(d) The performance of a campus under the jurisdiction of the achievement school district may not be used for purposes of determining the prior system's performance rating under Section 39.054.

(e) With respect to the operation of the achievement school district, any requirement in Chapter 551 or 552, Government Code, or another law that concerns open meetings or the availability of information that applies to a school district, the board of trustees of a school district, or public school students applies to the achievement school district, the superintendent of the district, or students attending the district.

Sec. 11.403. IMMUNITY. The achievement school district is immune from liability to the same extent as any other school district, and the district's employees and volunteers are immune from liability to the same extent as other school district employees and volunteers.

Sec. 11.404. MEMBERSHIP IN TEACHER RETIREMENT SYSTEM OF TEXAS BY ACHIEVEMENT SCHOOL DISTRICT EMPLOYEES. (a) An employee of the achievement school district who qualifies for membership in the Teacher Retirement System of Texas shall be covered under the system to the same extent a qualified employee of any other school district is covered.

(b) For each employee of the achievement school district covered under the system, the district is responsible for making any contribution that otherwise would be the legal responsibility of the district, and the state is responsible for making contributions to the same extent it would be legally responsible if the employee were that of another school district.

Sec. 11.405. FUNDING OF STUDENTS ENROLLED IN ACHIEVEMENT SCHOOL DISTRICT. (a) The achievement school district is entitled to receive for the education of students transferred to the district funding under Chapter 42 equal to

the amount of funding per student in weighted average daily attendance to which the prior system would be entitled under Chapter 42 if the prior system were a school district without a tier one local share for purposes of Section 42.253.

(b) In determining funding for the achievement school district under Subsection (a), adjustments under Sections 42.102, 42.103, 42.104, and 42.105 are based on the actual adjustment for the prior system. In addition to the funding provided by Subsection (a), the achievement school district is entitled to receive enrichment funding under Section 42.302 based on the actual amount for the prior system.

(c) In determining funding for the achievement school district under Subsection (a), the commissioner shall apply the same adjustment factor provided under Section 42.101 to calculate the regular program allotment as for the prior system. This subsection expires September 1, 2015.

(d) The achievement school district is entitled to funds that are available to other school districts from the agency or the commissioner in the form of grants or other discretionary funding. The district is entitled to a pro rata share of all revenue to the prior system from the agency or the commissioner in the form of grants or other discretionary funding.

(e) The achievement school district is entitled to share in the available school fund apportionment and other privileges in the same manner as the prior system. The district shall report its student attendance and receive funding in the same manner as any other district.

(f) For purposes of calculating the amount of the prior system's obligations and entitlements under Chapters 41 and 42, students transferred to the achievement school district who would otherwise have attended the prior system are not counted in calculating the average daily attendance of the prior system.

(f-1) For purposes of calculating the prior system's allotments under Chapter 46, students transferred to the achievement school district who would otherwise have attended the prior system are counted in calculating the average daily attendance of the prior system.

(g) The commissioner shall adopt rules under this section.

Sec. 11.406. FACILITIES SUPPORT FOR STUDENTS ENROLLED IN ACHIEVEMENT SCHOOL DISTRICT. The achievement school district is entitled to use any school building and all facilities and property otherwise part of the campus and recognized as part of the facilities or assets of the campus before the campus was placed in the district. The district is entitled to access to such additional facilities as were typically available to the campus, its students, and faculty and staff before the campus was placed in the district. Such use may not be restricted, except that the achievement school district is responsible for and obligated to provide for routine maintenance and repair such that the facilities and property are maintained in as good an order as when the right of use was acquired by the district.

Sec. 11.407. OTHER SUPPORT FOR STUDENTS ENROLLED IN ACHIEVEMENT SCHOOL DISTRICT. The achievement school district may require the prior system to provide school support or student support services for a campus transferred from the prior system's jurisdiction, including student transportation, school food service, or student assessment for special education eligibility that are compliant with all laws and regulations governing such services. The achievement

school district shall reimburse the actual cost of such services to the prior system. If a dispute arises between the achievement school district and the prior system regarding the actual cost of services to be reimbursed, the commissioner or the commissioner's designee shall determine the cost to be reimbursed.

Sec. 11.408. EXPENDITURES FOR SUPPORT OF STUDENTS ENROLLED IN ACHIEVEMENT SCHOOL DISTRICT. Funds received by the achievement school district under Section 11.405 shall be used for the operation and administration of campuses transferred from prior systems to the district.

Sec. 11.409. ACHIEVEMENT CHARTER SCHOOLS. (a) The achievement school district may design and grant campus charters under Section 12.0521(a)(1) to new campuses created by the district for the purpose of applying the district's experience and expertise in turning around persistently low-performing campuses. The district shall develop a statewide plan under this section to be submitted in the manner provided by Section 39.332.

(b) New charters under this section are eligible for funding under Section 11.405. Any administrative cost of charter-authorizing activities under this section may be paid from funds appropriated to the agency.

(c) An entity granted a charter under this section is not eligible for an additional charter under this section or an expansion amendment if it fails to achieve and maintain an acceptable rating in its third year of operation at a campus.

SECTION _____. Subchapter C, Chapter 12, Education Code, is amended by adding Section 12.0523 to read as follows:

Sec. 12.0523. AUTHORIZATION FOR FAILING CAMPUS. (a) The commissioner may grant a charter to an eligible entity as defined by Section 12.101(a) in consultation with parents of students enrolled in the district and assigned to the attendance zone of the feeder pattern for the campus for the operation of a school campus with unacceptable performance under Chapter 39 for three consecutive school years if the commissioner determines that the campus has not instituted meaningful change as provided by Section 39.107(a).

(b) The name of the campus may be changed only on agreement by the holder of the charter under this section and the affected school district.

(c) The commissioner shall adopt rules necessary to implement this section.

SECTION _____. Subsection (f), Section 39.106, Education Code, is amended to read as follows:

(f) Notwithstanding any other provision of this subchapter, if the commissioner determines that a campus for which an intervention is ordered under Subsection (a) is not fully implementing the campus intervention team's recommendations or targeted improvement plan or updated plan, the commissioner may order the reconstitution of the campus as provided by Section 39.107 or the removal of the campus to the achievement school district established by Subchapter I, Chapter 11.

SECTION _____. The heading to Section 39.107, Education Code, is amended to read as follows:

Sec. 39.107. RECONSTITUTION, REMOVAL, OR GRANT OF CHARTER; REPURPOSING, ALTERNATIVE MANAGEMENT, AND CLOSURE.

SECTION _____. Section 39.107, Education Code; is amended by amending Subsections (a) and (a-1) and adding Subsections (a-2), (a-3), (a-4), (a-5), (a-6), and (k-1) to read as follows:

(a) After a campus has been identified as unacceptable for two consecutive school years, the commissioner shall determine whether the district has instituted meaningful change, including reconstituting the staff or leadership at the campus. If the commissioner determines that the campus has instituted meaningful change, the commissioner may take action under Subsection (a-1) and reevaluate the campus under this subsection following the conclusion of the subsequent school year. If the commissioner determines that the campus has not instituted meaningful change, the commissioner shall, based on the commissioner's determination of the best remedy for the campus:

- (1) order the reconstitution of the campus under this section;
- (2) order the removal of the campus to the achievement school district as provided by Section 39.1071; or
- (3) grant a charter to an eligible entity in the manner provided by Section 12.0523.

(a-1) At the request of the board of trustees of the district, the commissioner may annually for two consecutive years grant the district extraordinary powers to address performance deficiencies in accordance with the following limitations:

- (1) the commissioner may only grant powers specifically requested by the board;
- (2) the board must provide evidence that the power or powers requested will enable the district to overcome identified barriers to performance growth;
- (3) the commissioner may not grant a district powers or related waivers or exemptions not available to the achievement school district; and
- (4) when the grant of an extraordinary power expires at the end of the first or second year in which it is operative, as determined by the commissioner, the campus will be removed to the achievement school district if the commissioner determines that the campus has not achieved a performance growth level that enables the campus to achieve acceptable performance within four years.

(a-2) In making a determination regarding action to be taken under this section, the commissioner shall seek and give considerable weight to recommendations from parents of students enrolled at the campus and members of the community who reside in the attendance zone of the campus.

(a-3) In reconstituting a campus, a campus intervention team, with the involvement and advice of the school community partnership team, if applicable, shall assist the campus in:

- (1) developing an updated targeted improvement plan;
- (2) submitting the updated targeted improvement plan to the board of trustees of the school district for approval and presenting the plan in a public hearing as provided by Section 39.106(e-1);
- (3) obtaining approval of the updated plan from the commissioner; and
- (4) executing the plan on approval by the commissioner.

(a-4) The campus intervention team or a school community partnership team shall develop information regarding campus performance and available options for improving campus performance that may be provided to interested parties on request.

(a-5) Notwithstanding Subsection (a), the commissioner may refrain from taking action otherwise required under that subsection against a campus based on campus performance for the 2014-2015 school year and preceding school years. If the commissioner takes action, the commissioner may not order the reconstitution of the campus and may only take other actions authorized by law. This subsection expires September 1, 2016.

(a-6) In ordering the reconstitution of a campus or as an alternative to reconstitution, the commissioner may order, if a school district requests the order, that:

(1) except as expressly provided by other law, the reconstituted campus and its employees and students are subject to a provision of this title to the extent and in the same manner that such provision applies to an open-enrollment charter school and its employees and students under Subchapter D, Chapter 12; or

(2) the reconstituted campus, by agreement between the school district and the achievement school district, be transferred to or operated by the achievement school district.

(k-1) A managing entity may not assume management of a campus under this section if a member of the entity's management and leadership team provided any input to the commissioner regarding the commissioner's determination under Subsection (a).

SECTION _____. Subchapter E, Chapter 39, Education Code, is amended by adding Section 39.1071 to read as follows:

Sec. 39.1071. REMOVAL OF CAMPUS TO ACHIEVEMENT SCHOOL DISTRICT. (a) In this section, "prior system" has the meaning assigned by Section 11.401(b).

(b) As provided by Section 39.107, the commissioner may order the removal of the campus to the achievement school district established by Subchapter I, Chapter 11, if action by the commissioner is required under Section 39.107.

(c) The students assigned to attend the campus or the students who would have been eligible to attend the campus if the campus had remained in the prior system may choose to attend the campus under the jurisdiction of the achievement school district or may exercise an option, made available by the prior system, to attend another campus remaining under the jurisdiction of the prior system.

(d) Only students who were eligible to attend a campus under the prior system or who would have been eligible to attend the campus if the campus had remained in the prior system may attend that campus at the achievement school district. All such students are eligible to attend the campus notwithstanding any contrary provision of law.

(e) Effective on a date determined by the commissioner after consulting with the superintendent of the achievement school district, a campus subject to this section shall be removed from the jurisdiction of the school district and transferred to the jurisdiction of the achievement school district. On that date, the school district or charter holder from which the campus was removed becomes the prior system.

(f) The removed campus shall be reorganized and reformed, as necessary, and operated by the achievement school district.

(g) The superintendent of the achievement school district shall decide which educators may be retained at that campus in the superintendent's sole discretion. If the achievement school district does not retain an educator, that educator may be assigned to another position by the prior system.

(h) A certified teacher with regular and direct responsibility for providing classroom instruction to students who is employed at the removed campus by the prior system shall be given priority consideration for employment in a comparable position by the achievement school district's superintendent. A person employed by the prior system at a removed campus may choose to remain in the employ of the prior system, and in that case, the prior system shall retain and reassign the person consistent with the prior system's contractual obligations or policies regarding the retention and reassignment of employees.

(i) For the purposes of any benefit or right requiring continuous service or based on years of service, the prior system shall grant a leave of absence to a person employed by the achievement school district who was employed at a campus when the campus was removed under this section. The prior system shall consider the period during which the achievement school district operates the campus to be service time with the prior system if the employee returns to the prior system's employment, but the prior system is not required to provide benefits during such leave.

(j) The benefits and privileges of any person employed in a campus by the achievement school district who was not employed by the prior system at the time the campus was removed to the achievement school district shall be those determined by the achievement school district at the time of such employment in compliance with applicable law.

(k) The achievement school district shall retain jurisdiction over any campus removed to the district until the commissioner, on the recommendation of the achievement school district's superintendent, enters into an agreement with the prior system for return of the campus to the prior system.

(l) When a campus in the achievement school district achieves an acceptable level of performance under this chapter, the commissioner shall direct the achievement school district to seek agreement for the return of the campus to the prior system. An agreement between the commissioner and the prior system for the return of the campus shall include:

(1) details for the operation of the campus by the prior system, including provisions for the continuation of the programs that have provided the basis for the academic achievement by the students and any charter granted under Section 11.409;

(2) provisions for the employment status of all persons employed by the achievement school district who were not employed by the prior system at the time the campus was removed to the achievement school district; and

(3) provisions for the means and timetable for the campus's transition and return to the prior system.

(m) If a campus has been operating under arrangements established by the achievement school district for three years, or two years if the commissioner determines that the campus has not made meaningful progress during those two years, and the campus has failed during that period of three or two years, as applicable, to achieve an acceptable level of performance under this chapter, the commissioner shall:

(1) take the following action:

(A) direct the superintendent of the achievement school district to organize a new campus of the achievement school district for the purpose of educating the students attending the campus initially removed from the prior system under this section in the manner determined by the superintendent as most likely to bring the campus to an acceptable level of performance, which may be done by designing and granting a campus charter under Section 12.0521(a)(1), as provided by Section 11.409; or

(B) in accordance with a proposal for improving campus performance submitted by the prior system, return the campus to the prior system;

(2) if the campus remains in the jurisdiction of the achievement school district, address the achievement school district's failure to turn around the campus within three years in the next statewide plan under Section 11.409; and

(3) record these steps for annual reporting as required by Section 39.332.

(n) For purposes of this subsection, "parent" has the meaning assigned by Section 12.051. If the commissioner is presented, in the time and manner specified by commissioner rule, a written petition signed by the parents of a majority of the students enrolled at a campus to which Subsection (m) applies specifying an action described by Section 39.107(e)(1), (2), or (3) that the parents request the commissioner to order, the commissioner shall, except as otherwise authorized by this section, order the specific action requested. For purposes of this subsection, the signature of only one parent of a student is required.

(o) If a campus governing body established by the achievement school district presents to the commissioner, in the time and manner specified by commissioner rule, a written request that the commissioner order specific action described by Section 39.107(e)(1) or (2) other than the specific action requested in the parents' petition and a written explanation of the basis for the governing body's request, the commissioner may order the action requested by the governing body.

(p) If the commissioner determines that the basis for the unsatisfactory performance of a campus for two consecutive school years is limited to a specific condition that may be remedied with targeted technical assistance, the commissioner may require the district to contract for the appropriate technical assistance instead of removal under this section.

(q) On request, the commissioner and the superintendent of the achievement school district shall provide information concerning the new operations and performance of a campus to the prior system.

(r) Notwithstanding any other provision of this code, the funding for a campus operated by the achievement school district must be not less than the funding of the other campuses in the prior system on a per student basis so that the achievement

school district receives at least the same funding the campus would otherwise have received, provided that the prior system receives the same amount per student in a given year.

(s) A campus operated by the achievement school district may change its name only on agreement of the prior system and the achievement school district.

(t) The commissioner may adopt rules necessary to implement this section.

SECTION _____. Section 39.108, Education Code, is amended to read as follows:

Sec. 39.108. ANNUAL REVIEW. (a) The commissioner shall review annually the performance of a district or campus subject to this subchapter to determine the appropriate actions to be implemented under this subchapter. The commissioner must review at least annually the performance of a district for which the accreditation status or rating has been lowered due to insufficient student performance and may not raise the accreditation status or rating until the district has demonstrated improved student performance. If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

(b) The review required by Subsection (a) shall form the basis of the reporting required by Section 39.332(b)(24).

SECTION _____. Subsection (b), Section 39.332, Education Code, is amended by adding Subdivision (24) to read as follows:

(24) The report must contain a listing and description of the status of each campus under the jurisdiction of the achievement school district and a summary of the reforms implemented and progress of the campus.

SECTION _____. This Act applies beginning with the 2014-2015 school year.

SECTION _____. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2013.

Notwithstanding any other provision of this code except to the extent otherwise provided under Section 39.054(f), for purposes of determining the performance of a school district, [or] campus, or open-enrollment

(1) at least 50 percent of those assets must be removed from the state governmental entity's assets under management not later than the 270th day after the date the company receives notice under Section 807.054 or Subsection (b) unless the state governmental entity determines, based on a good faith exercise of its fiduciary discretion and subject to Subdivision (2), that a later date is more prudent; and

(2) 100 percent of those assets must be removed from the state governmental entity's assets under management not later than the 450th day after the date the company receives notice under Section 807.054 or Subsection (b).

(b) If a company that ceased scrutinized active business operations after receiving notice under Section 807.054 resumes scrutinized active business operations, the state governmental entity shall send a written notice to the company informing it that the state governmental entity will sell, redeem, divest, or withdraw all publicly traded securities of the scrutinized company according to the schedule in Subsection (a).

(c) Except as provided by Subsection (a), a state governmental entity may delay the schedule for divestment under that subsection only to the extent that the state governmental entity determines, in the state governmental entity's good faith judgment, that divestment from listed companies will likely result in a loss in value or a benchmark deviation described by Section 807.057(a). If a state governmental entity delays the schedule for divestment, the state governmental entity shall submit a report to the presiding officer of each house of the legislature and the attorney general stating the reasons and justification for the state governmental entity's delay in divestment from listed companies. The report must include documentation supporting its determination that the divestment would result in a loss in value or benchmark deviation described by Section 807.057(a), including objective numerical estimates. The state governmental entity shall update the report every six months.

Sec. 807.056. INVESTMENTS EXEMPTED FROM DIVESTMENT. A state governmental entity is not required to divest from any indirect holdings in actively or passively managed investment funds or private equity funds. The state governmental entity shall submit letters to the managers of investment funds containing listed companies requesting that they consider removing those companies from the fund or create a similar actively or passively managed fund with indirect holdings devoid of listed companies. If the manager creates a similar fund with substantially the same management fees and same level of investment risk and anticipated return, the state governmental entity may replace all applicable investments with investments in the similar fund in a time frame consistent with prudent fiduciary standards.

Sec. 807.057. AUTHORIZED INVESTMENT IN LISTED COMPANIES. (a) A state governmental entity may cease divesting from or may reinvest in one or more listed companies if clear and convincing evidence shows that:

(1) the state governmental entity has suffered or will suffer a loss in the hypothetical value of all assets under management by the state governmental entity as a result of having to divest from listed companies under this chapter; or

(2) an individual portfolio that uses a benchmark-aware strategy would be subject to an aggregate expected deviation from its benchmark as a result of having to divest from listed companies under this chapter.

(b) A state governmental entity may cease divesting from or may reinvest in a listed company as provided by this section only to the extent necessary to ensure that the state governmental entity does not suffer a loss in value or deviate from its benchmark as described by Subsection (a).

(c) Before a state governmental entity may cease divesting from or may reinvest in a listed company under this section, the state governmental entity must provide a written report to the presiding officer of each house of the legislature and the attorney general setting forth the reason and justification, supported by clear and convincing evidence, for its decisions to cease divestment, to reinvest, or to remain invested in a listed company.

(d) The state governmental entity shall update the report required by Subsection (c) semiannually, as applicable.

(e) This section does not apply to reinvestment in a company that is no longer a listed company.

Sec. 807.058. PROHIBITED INVESTMENTS. Except as provided by Sections 807.003 and 807.057, a state governmental entity may not acquire securities of a listed company.

SUBCHAPTER C. EXPIRATION; REPORT; ENFORCEMENT

Sec. 807.101. EXPIRATION OF CHAPTER. This chapter expires on the earlier of:

(1) the date the United States revokes its sanctions against the government of Iran; or

(2) the date the United States Congress or the president of the United States, through legislation or executive order, declares that mandatory divestment of the type provided for in this chapter interferes with the conduct of United States foreign policy.

Sec. 807.102. REPORT. Not later than December 31 of each year, each state governmental entity shall file a publicly available report with the presiding officer of each house of the legislature and the attorney general that:

(1) identifies all securities sold, redeemed, divested, or withdrawn in compliance with Section 807.055;

(2) identifies all prohibited investments under Section 807.058; and

(3) summarizes any changes made under Section 807.056.

Sec. 807.103. ENFORCEMENT. The attorney general may bring any action necessary to enforce this chapter.

(b) Not later than January 1, 2014, the State Pension Review Board shall prepare and provide to each state governmental entity, as defined by Section 807.001, Government Code, as added by this Act, the list of scrutinized companies required by Section 807.051, Government Code, as added by this Act.

(c) Notwithstanding any other provision of this Act, this section takes effect January 1, 2014.

SECTION 15. (a) Sections 22 and 22A, Texas Local Fire Fighters Retirement Act (Article 6243e, Vernon's Texas Civil Statutes), are amended to read as follows:

Sec. 22. APPEALS FROM LOCAL BOARD DECISIONS. (a) A person aggrieved by a decision of a board of trustees relating to eligibility for or amount of benefits payable by a retirement system may appeal the decision to the State Office of Administrative Hearings [~~fire fighters' pension commissioner~~].

(b) An appeal under this section is begun by delivering a notice of appeal with the chairman, secretary, or secretary-treasurer of the board of trustees that made the decision. The notice must be delivered not later than the 20th day after the date of the decision and contain a brief description of the reasons or grounds for appeal. The aggrieved person must file a copy of the notice with the State Pension Review Board [~~fire fighters' pension commissioner~~].

(b-1) As soon as practicable after receiving a notice of appeal under Subsection (b) of this section the State Pension Review Board shall refer the matter to the State Office of Administrative Hearings by submitting notice of the appeal to that office.

(c) An appeal under this section [~~to the fire fighters' pension commissioner~~] is held in Austin and is a contested case under Chapter 2001, Government Code, [~~the Administrative Procedure and Texas Register Act (Article 6252-13a, Vernon's Texas Civil Statutes)~~] conducted as a de novo hearing by the State Office of Administrative Hearings.

Sec. 22A. ATTORNEY. A board of trustees may employ an attorney to represent the board in one or all legal matters, including a hearing on appeal to the State Office of Administrative Hearings [~~fire fighters' pension commissioner~~]. At the request of a board of trustees, the city attorney of the municipality of which the board is a part shall, without additional compensation, represent the board in one or all legal matters.

(b) Subsection (a) of this section takes effect only on the failure of legislation by the 83rd Legislature, Regular Session, 2013, providing for the abolition of the office of the fire fighters' pension commissioner and the transfer and disposition of its functions relating to the Texas Emergency Services Retirement System and the Texas local firefighters retirement systems to become law.

SECTION 16. Section 28(h), Texas Local Fire Fighters Retirement Act (Article 6243e, Vernon's Texas Civil Statutes), is amended to read as follows:

(h) A retirement system established under this Act is exempt from Subchapter C, Chapter 802, Government Code, except Sections 802.202, 802.205, and 802.207.

SECTION 17. Section 801.104 and Subsection (c), Section 802.103, Government Code, are repealed.

SECTION 18. (a) The change in law made by this Act to Section 801.1021, Government Code, regarding prohibitions on members of the State Pension Review Board does not affect the entitlement of a member serving on the board immediately before September 1, 2013, to continue to serve and function as a member of the board for the remainder of the member's term. The change in law made to that section applies only to a member appointed on or after September 1, 2013.

(b) Section 802.1014, Government Code, as added by this Act, applies only to an actuarial experience study conducted on or after the effective date of this Act. An actuarial experience study conducted before the effective date of this Act is governed by the law in effect immediately before that date, and that law is continued in effect for that purpose.

(c) Section 802.102, Government Code, as amended by this Act, is intended to clarify existing law with respect to the audit required by that section.

(d) Subsection (d), Section 802.103, Government Code, as added by this Act, is intended to clarify existing law with respect to the annual financial report required by Section 802.103, Government Code.

(e) Subsection (h), Section 802.106, Government Code, as amended by this Act, applies only to a change in statutes or ordinances governing a retirement system described by Subsection (b), Section 802.106, Government Code, that is adopted on or after the effective date of this Act. A change in statutes or ordinances that is adopted before the effective date of this Act is governed by the law in effect immediately before that date, and that law is continued in effect for that purpose.

SECTION 19. (a) A person who is serving as a member of the State Pension Review Board appointed under Section 801.103, Government Code, on the effective date of this Act continues to serve until the person's term expires.

(b) The governor shall make appointments to fill vacancies on the State Pension Review Board so that board members' terms of office expire in compliance with Section 801.106, Government Code, as amended by this Act, and, if necessary for compliance with that section, a person may be appointed to a term of office that expires in less than six years.

(c) The term of a person who is serving as a member of the State Pension Review Board appointed under Section 801.104, Government Code, expires on the effective date of this Act.

SECTION 20. Contingent on the failure of legislation by the 83rd Legislature, Regular Session, 2013, providing for the abolition of the office of the fire fighters' pension commissioner and the transfer and disposition of its functions relating to the Texas Emergency Services Retirement System and the Texas local firefighters retirement systems to become law, the State Pension Review Board shall provide any necessary assistance, including educational training, technical assistance, and other information to retirement systems organized under the Texas Local Fire Fighters' Retirement Act (Article 6243e, Vernon's Texas Civil Statutes).

SECTION 21. This Act takes effect September 1, 2013.
