# Take Care OF Texas™

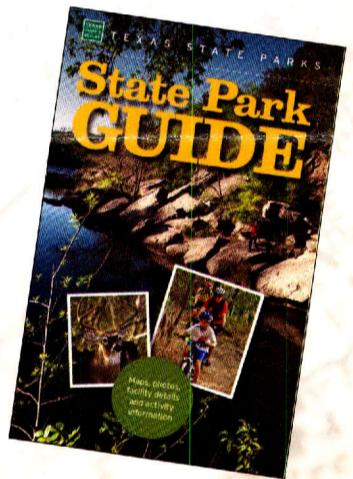

It's the only one we've got.

“The only thing I love more than playing music is being outdoors in the great state of Texas.”

Texas has clean air, rivers, lakes, and bays, so let's get outdoors and enjoy them. Whether you're camping, fishing, boating, or hiking, we all know that "life's better outside."

Visit [TakeCareOfTexas.org](http://TakeCareOfTexas.org) and take a pledge to conserve water and energy, and keep the air clean.

To say thank you, we'll mail you a free Texas State Parks Guide.
