## ACKNOWLEDGEMENT

---

Acknowledgement and appreciation is extended to the many judges and clerks of the courts who have so promptly submitted the monthly reports on court operations. Without their efforts, this report would not be possible and the citizens of the State would be deprived of necessary information on the activities of the Judicial Branch of Government. We particularly wish to recognize the interest and support of the Justices, Judges, and Clerks of the appellate courts, the Judges and Clerks of all levels of trial courts, and the Presiding Judges of the nine Administrative Judicial Regions in this regard.

Special acknowledgement is due to Court of Appeals Justice Joe Spurlock II, the President of the Texas Judicial Council, and the members thereof, for their continuing aid and support.

## TO THE GOVERNOR, MEMBERS OF THE 72ND LEGISLATURE, AND CITIZENS OF THE STATE OF TEXAS:

This 62nd Annual Report of the Texas Judicial System summarizes the activities and operations of the more than 2600 Texas courts for the fiscal year ending August 31, 1990.

Included in this report are the statistics concerning case filings and dispositions of municipal and justice courts, as well as all county and district courts, together with reported information of all of the state appellate courts.

Texas is currently involved in at least three federal lawsuits challenging the election process in electing certain district and appellate judges, as well as challenging the fairness in the manner of creation of certain courts. In addition, the 72nd Legislature faces not only legislative and congressional redistricting, but is mandated by the State Constitution to address judicial redistricting.

In considering the issues involved in the federal lawsuits, and in the task involved in judicial redistricting, it is well that litigants, jurists, and legislators alike have the actual, accurate and vitally necessary material contained within this Annual Report. Nowhere else within this State are those records available in so convenient, complete a format.

The Texas Research League is undertaking a critical study of the Texas Judicial System. This report, together with many preceding annual reports, will be an invaluable aid to them in that task.

This report is commended to all persons involved in the various tasks of seeking to improve the Texas Judicial System, in the effort to provide a more fair, efficient system to administer justice in our courts. May God guide those in power who will use these statistics, to do so honestly and with truth as their goal.

Respectfully submitted,

Joe Spurlock II  
President

# COURT STRUCTURE OF TEXAS

SEPTEMBER 1, 1990

All Justice of the Peace Courts and most Municipal Courts are not courts of record. Appeals from these courts are by trial de novo in the county-level courts, or in some instances, the district courts. Some Municipal Courts are courts of record — Appeals from those courts are taken on the record to the county-level court.

# COURT STRUCTURE OF TEXAS

## Descriptive Outline

September 1, 1990

The appellate courts of Texas include a Supreme Court, a Court of Criminal Appeals, and 14 intermediate Courts of Appeals.

In addition, the Texas Constitution establishes District Courts as the State trial courts of general jurisdiction and provides for a constitutional county court in each county, presided over by a county judge. To relieve the docket of these county courts, the Legislature has established statutory county courts in some counties to function as County Courts at Law and Probate Courts.

Also, the Constitution provides for Justice of the Peace Courts in each county. These justice courts handle criminal misdemeanor cases and serve as small claims courts.

Lastly, the Legislature has established Municipal Courts in each incorporated city of the State to handle criminal misdemeanor cases and city ordinance violations.

They have "exclusive, appellate, and original jurisdiction of all actions, proceedings, and remedies, except in cases where exclusive, appellate, or original jurisdiction may be conferred by (the) Constitution or other law on some other court. ..." Generally, this jurisdiction includes original jurisdiction of felony criminal prosecutions, suits for divorce, suits over title to land, election contests, civil suits with an amount in controversy of at least \$200.

County courts at law and constitutional county courts also exercise limited subject-matter jurisdiction over civil suits and thus, to a limited extent, share jurisdiction with the district courts. Individual statutes stipulate maximum amounts in controversy over which each county-level court may exercise jurisdiction. To the extent that such "dollar amount" jurisdiction coincides with the district court, the two courts have concurrent jurisdiction. Such concurrent jurisdiction of the district and county-level courts begins with suits involving \$200 and extends to the maximum amount stipulated by the applicable statute pertaining to the individual county-level court. Above such maximum jurisdictional amount of the county-level courts, the district court exercises exclusive jurisdiction.

The district courts hear contested matters involved in probate cases and have general supervisory control over commissioners courts. In addition, these courts have general original jurisdiction over all causes of action for which a remedy or jurisdiction is not provided by law or by the Constitution, and have the power to issue writs of habeas corpus, mandamus, injunction, certiorari, sequestration, attachment, garnishment, and all writs necessary to enforce their jurisdiction.

Most district courts exercise both criminal and civil jurisdiction, but in the metropolitan areas there is a tendency for the courts to specialize in either civil, criminal, or family law cases. In some instances, the courts that hear criminal cases exclusively are designated criminal district courts. A limited number of district courts also have the subject-matter jurisdiction normally exercised by county courts.

Appeals from judgments of the district courts are to the Courts of Appeals, except those capital offense cases in which the death penalty has been assessed, which are appealed directly to the Court of Criminal Appeals.

3. **SEATS:** At the county seat of each county included in each respective geographical district.

**District Courts (Con't)**

**4. MEMBERSHIP:**

- a. **Number:** One judge per court.
- b. **Selection:** Partisan, district-wide elections. Vacancies between elections are filled by gubernatorial appointment with the advice and consent of the Senate.
- c. **Qualifications:** Citizen of the United States and of Texas; resident of the district for two years; licensed to practice law in Texas and a practicing lawyer or judge for four years.
- d. **Salaries paid by the State:**  
Effective 9-1-89 .....\$76,309
- e. **Salary supplements:** Supplements authorized by statute may be paid by counties. Total salary must be \$2,000 less than that received by justices of the Supreme Court.
- f. **Term:** Four years.

**"CONSTITUTIONAL" COUNTY COURTS**

- 1. **NUMBER OF COURTS:** 254.
- 2. **JURISDICTION:**

- a. **Legal jurisdiction:** The Texas Constitution establishes one county court in each of the 254 counties of the State, but not all such courts exercise judicial functions. In populous counties, the "county judge" may devote full time to the administration of county government.

An amendment effective November 1985 repealed all expressed constitutional jurisdiction for the county courts and provides that they have jurisdiction "as provided by law."

By statute (Sec. 26.042, Government Code), constitutional county courts have juvenile jurisdiction and concurrent civil jurisdiction with justice of the peace courts in cases in which the matter in controversy exceeds \$200 but does not exceed \$2,500, exclusive of interest. County courts have the general jurisdiction of a probate court (Sec. 4, Probate Code), and they have exclusive original jurisdiction of misdemeanors where the fine allowed exceeds \$200 or where a jail sentence may be imposed (Sec. 26.045, Government Code).

Decisions from the municipal and justice of the peace courts may be appealed to the county court, and the appeal takes the form of a completely new trial (trial de novo). Appeals from municipal courts of record are an exception, where the county court reviews only the written record from the trial. Original and appellate judgments of the county court may be appealed to the Court of Appeals, with certain limitations.

In addition to these general grants of statutory jurisdiction, many constitutional county courts are granted additional jurisdiction by statutory provisions which apply only to those courts (see Secs. 26.101 to 26.354, Government Code).

- b. **Geographical jurisdiction:** County-wide.
- 3. **SEATS:** County seat of county of jurisdiction.

**"Constitutional" County Courts (Con't)**

**4. MEMBERSHIP:**

- a. **Number:** One judge per court.
- b. **Selection:** County-wide, partisan election with vacancies between elections filled by county commissioners.
- c. **Qualifications:** "Shall be well informed in the law of the State." (Law license unnecessary.)
- d. **Salaries:** Paid entirely by the county. Highly variable.
- e. **Term:** Four years.

NOTE: The commissioners court is not a judicial entity; rather it is the governing body of the county. It is presided over by the constitutional county judge and includes four elected commissioners. Although it performs no judicial duties, the commissioners court can issue certain writs and contempt citations.

**STATUTORY COUNTY COURTS**

- 1. **NUMBER OF COURTS:** 174.
- 2. **JURISDICTION:**

- a. **Legal jurisdiction:** Under the constitutional provision which authorizes the Legislature to establish such other courts as it may deem necessary and to prescribe the jurisdiction of such courts, the Legislature has established 174 statutory county courts in 68 counties, primarily in metropolitan areas, to relieve the constitutional county judge of all or part of his judicial duties. (Six additional courts have been authorized by the Legislature, but not yet made operational by the county commissioners courts.) The legal jurisdiction of the special county courts varies considerably according to the statute under which they are created. Some are intended to exercise subject-matter jurisdiction in only limited fields, such as civil, criminal, probate or appellate (from justice courts or municipal courts). The concurrent civil jurisdiction of these statutory county courts with the district court extends to greater amounts in controversy than the constitutional county courts.

- b. **Geographical jurisdiction:** County-wide.

- 3. **SEATS:** County seat of county of jurisdiction.

**4. MEMBERSHIP:**

- a. **Number:** One judge per court.
- b. **Selection:** County-wide, partisan election with vacancies between elections filled by county commissioners.
- c. **Qualifications:** All are required to be licensed to practice law. Some require two to five years' experience as practicing attorney, and some require two to five years of residency in county when appointed or elected.
- d. **Salaries:** Paid entirely by the county. Highly variable.
- e. **Term:** Four years.

## JUSTICE OF THE PEACE COURTS

1. **NUMBER OF COURTS:** 917.
2. **JURISDICTION:**
  - a. **Legal jurisdiction:** The Texas Constitution provides that each county is to be divided (depending upon the population) into at least one, and not more than eight justice precincts. In each such precinct, one justice of the peace is to be elected, provided that if the precinct includes a city of 18,000 or more inhabitants, two justices of the peace are to be elected from such precinct.

Justice of the peace courts have original jurisdiction in misdemeanor criminal cases when punishment is by fine only. They have exclusive jurisdiction over civil cases where the amount in controversy is \$200 or less and concurrent jurisdiction with both the county and district courts when the amount is at least \$200 but less than \$2,500. By statute, they are granted jurisdiction over forcible entry and detainer actions.

A justice of the peace may issue warrants of search and arrest, conduct preliminary hearings, serve as ex officio notary public, perform marriages, and serve as coroner in counties where there is no provision for a medical examiner. The justice court also functions as a small claims court.

3. **SEATS:** Determined by county commissioners.
4. **MEMBERSHIP:**
  - a. **Number:** One judge per court.
  - b. **Selection:** Partisan elections by voters of respective precincts.
  - c. **Qualifications:** No specific statutory or constitutional provisions apply.
  - d. **Salaries:** Paid entirely by the county. Highly variable.
  - e. **Term:** Four years.

## MUNICIPAL COURTS

1. **NUMBER OF CITIES WITH ACTIVE COURTS:** 814.
2. **JURISDICTION:** By a general statute, the Legislature has created a municipal court in each of the incorporated cities of the State. Presently, municipal courts are operating in approximately 838 cities and towns. Metropolitan cities usually have more than one municipal court.

These courts do not have civil jurisdiction, but they have original and exclusive jurisdiction over violation of city ordinances. Ordinance violations involving litter, fire safety, zoning, public health, and sanitation, are punishable by fines only, up to a maximum of \$2,000. Punishment for violation of other types of city ordinances is limited to fines only, not to exceed \$200. The municipal courts also have concurrent jurisdiction with justice of the peace courts in misdemeanor cases resulting from violations of state laws within the city limits (predominantly traffic offenses) when punishment is limited to fines only of \$200 or less. Municipal judges also serve as magistrates of the State.

## Municipal Courts (Con't)

Generally, municipal courts are not courts of record, and appeals from them are by trial de novo in the county court, county court at law, or district court. The legislature has authorized cities to establish their municipal courts as courts of record, and appeals from these courts are on the record made therein.

3. **SEATS:** Determined by city or town.
4. **MEMBERSHIP:**
  - a. **Number:** Generally, one court per municipality and one judge per court. Statutes allow some city governing bodies to establish more than one court and/or more than one judge per court.
  - b. **Selection:** Elected or appointed by the governing body of the city as provided by city charter or ordinance.
  - c. **Qualifications:** Determined by the governing body of the city.
  - d. **Salaries:** Paid entirely by the city. Highly variable.
  - e. **Term:** Most are appointed for two-year terms and serve at the will of the governing body of the city.

## ADMINISTRATION OF THE COURTS

### TEXAS CONSTITUTION, ARTICLE 5

#### §31. Court administration and rule-making authority

*Sec. 31. (a) The Supreme Court is responsible for the efficient administration of the judicial branch and shall promulgate rules of administration not inconsistent with the laws of the state as may be necessary for the efficient and uniform administration of justice in the various courts.*

The Supreme Court of Texas has general responsibility for the efficient administration of the Texas judicial system, and has the authority to make rules of administration applicable to the courts. Aiding the Supreme Court in carrying out its administrative duties is the state Office of Court Administration, which operates under the direction of the Chief Justice.

The Supreme Court and the Legislature receive recommendations on long-range planning and improvements in the administration of justice from the Texas Judicial Council, a nineteen-member advisory board created in 1929.

The Chief Justice of the Supreme Court, the Presiding Judge of the Court of Criminal Appeals, the Chief Justices of each of the fourteen Courts of Appeals, and the Local Administrative Judge of each county, are generally responsible for the administration of their respective courts.

To aid in the administration of justice in the district courts, the State is divided into nine administrative judicial regions. The Governor designates one of the active or retired district judges residing in each administrative judicial region as the presiding judge. The presiding judges of the administrative regions may temporarily assign an active or retired judge to serve on a district court in the administrative regions whenever the need arises. The Chief Justice of the Supreme Court convenes periodic conferences of the nine presiding judges to encourage the efficient administration of justice in the State.

# TEXAS JUDICIAL SYSTEM

## Subject-Matter Jurisdiction of the Courts

September 1, 1990

### INTRODUCTION

The basic structure of the present court system of Texas was established by an 1891 constitutional amendment. The amendment established the Supreme Court, which is the highest state appellate court for civil matters, and the Court of Criminal Appeals, which makes the final determination in criminal matters. There are now fourteen intermediate courts of appeals which, since September 1, 1981, exercise intermediate appellate jurisdiction in civil and criminal cases. Prior to that date, these courts had jurisdiction in intermediate civil appellate cases only.

The state trial courts of general jurisdiction are the district courts, of which there were 384 as of August 31, 1990. (Ten of these courts are designated "Criminal District Courts.") Two additional courts have been created effective September 1, 1990.

The geographical area served by each district court is established by the specific statute creating that court and does not necessarily correspond to the area served by any previously established court. Each court has one judge, although, by constitutional amendment (S.J.R. 14) effective in November 1985, the Legislature may provide for more than one district judge per court. The State pays the base salary of each judge and some limited expenses of the judge.

In addition to these state courts, the Texas Constitution provides for a county court in each county, presided over by the county judge. The county judge also serves as head of the county commissioners court, the governing body of the county. To relieve the docket of the single "constitutional" county court, the Legislature has established statutory county courts in 70 counties. As of September 1, 1990, there are 17 probate courts and 157 county courts at law in operation. Six additional courts have been authorized by the Legislature but were not effective as of September 1, 1990.

The Texas Constitution provides for not less than one nor more than 16 justices of the peace in each county. Today there are approximately 928 justice of the peace courts statewide. Since 1953, these courts also have served as small claims courts.

By statute, the Legislature has created municipal courts in each incorporated city in the State.

These courts have original jurisdiction over violations of municipal ordinances and concurrent criminal jurisdiction with the justice of the peace courts over state law violations, limited to the geographical confines of the municipality. Municipal courts do not have civil jurisdiction.

Trials in the justice of the peace and most municipal courts are not of record, and appeals therefrom are by trial *de novo* to the county court, except in certain counties, as noted later, where the appeal is to a county court at law or to a district court. When an appeal is by trial *de novo*, the case is tried again in the higher court, just as if the original trial had not occurred.

Jurisdiction of the various levels of courts is established by constitutional provision and by statute. Statutory jurisdiction of the courts is established by general statutes providing jurisdiction for all courts on a particular level, as well as by the statutes establishing individual courts. Thus, to determine the jurisdiction of any one particular court, recourse must be had first to the Constitution, second to the general statutes establishing jurisdiction for that level of court, third to the specific statute authorizing the establishment of the particular court in question, fourth to statutes creating other courts in the same county (whose jurisdictional provisions may affect the court in question), and fifth to statutes dealing with specific subject matters (such as the Family Code, which requires, for example, that judges who are lawyers hear appeals from actions by non-lawyer judges in juvenile cases.)

The State provides full funding for the Supreme Court, the Court of Criminal Appeals, and the Court of Appeals located in Austin. It provides a base salary for the appellate and district judges of Texas. Most counties supplement this base salary for district and court of appeals judges. Counties pay the costs of "constitutional" county courts, county courts at law, justice of the peace courts, and the operating costs of district courts except for the base salary of the judge. The cities finance the operation of municipal courts.

Senate Bill 222, the General Appropriations Act of the 71st Legislature, appropriated \$80.7 million for the operations of the Texas judiciary — including the Judicial Retirement System — in fiscal year 1990. This represents only 0.35 of one percent of the \$22.9 billion total state budget for fiscal year 1990.

## APPELLATE COURTS

The appellate courts of the Texas Judicial System are: (1) the Supreme Court, which is the highest state appellate court for civil and juvenile cases; (2) the Court of Criminal Appeals, which is the highest state appellate court for criminal cases; and (3) the 14 courts of appeals, which are the intermediate appellate courts for civil and criminal appeals from the trial level courts.

Appellate courts do not try cases, have jurors, or hear witnesses. Rather, they review actions and decisions of the lower courts on questions of law or allegations of procedural error. In carrying out this review, the appellate courts are usually restricted to the evidence and exhibits presented in the trial court.

### The Supreme Court

The Supreme Court of Texas was first established by the Constitution of the Republic of Texas, which vested the judicial power of the Republic in "...one Supreme Court and such inferior courts as the Congress may establish." This Court was re-established by each successive constitution adopted throughout the course of Texas history. The various constitutions and amendments thereto, however, provided for different numbers of judges to sit on the Court and different methods for the selection of the judges. The Constitution of 1845 provided that the Supreme Court consist of a Chief Justice and two associate justices. The Constitution of 1866 provided for five justices, and the Constitution of 1869 reverted to a three-judge court; the Constitution of 1873 increased the number to five, and the Constitution of 1876 again reduced the membership to three. To aid the three justices in disposing of the ever increasing workload, the Legislature created two "Commissions of Appeals," each to consist of three judges appointed by the Supreme Court. This system, begun in 1920, continued until the adoption of the constitutional amendment of 1945 which abolished the two Commissions of Appeals and increased the number of justices on the Supreme Court to nine, the present number.

A constitutional amendment adopted in 1980 provides:

The Supreme Court shall exercise the judicial power of the state except as otherwise provided in this Constitution. Its jurisdiction shall be co-extensive with the limits of the State and its determinations shall be final except in criminal law matters. Its appellate jurisdiction shall be final and shall extend to all cases except in criminal law matters and as otherwise provided in this Constitution or by law.

Thus, the Supreme Court of Texas has state-wide final appellate jurisdiction in most civil and juvenile cases. The Supreme Court is empowered to make and enforce all necessary rules of civil trial practice and procedure, evidence, and appellate procedure and to promulgate rules of administration to provide for the efficient administration of justice in the State. A constitutional amendment effective January 1, 1986, gave the Supreme Court and the Court of Criminal Appeals jurisdiction to answer questions of state law certified from a federal appellate court. The Supreme Court has original jurisdiction to issue writs and to conduct proceedings for the involuntary retirement or removal of judges in the State.

The Supreme Court is composed of one Chief Justice and eight justices, who are elected in partisan elections on a state-wide basis for six-year terms of office. Vacancies between elections are filled by gubernatorial appointment with the advice and consent of the State Senate, until the next general election. To be eligible to serve as a justice of this Court, a person must be licensed to practice law in this State, be a citizen of the United States and of the State of Texas, be at least 35 years of age, and have been a practicing lawyer, or a lawyer and judge of a court of record together, for at least ten years.

In addition to its major responsibilities of hearing oral arguments, deciding cases appealed to it, and writing opinions, the Supreme Court has many administrative duties placed upon it by the Legislature to ensure the efficient administration of justice by the Texas judicial system. These duties include: (1) promulgating the Rules of Civil Procedure for the Texas judicial system (Gov't Code §22.004); (2) promulgating rules of administration for the Texas judicial system (Gov't Code §72.024); (3) equalizing the dockets between the 14 Courts of Appeals (Gov't Code §73.001); (4) promulgating the rules of procedure for the Commission on Judicial Conduct, and disciplining or removing judges from office (Gov't Code, Ch. 81); (5) supervising the operations of the State Bar of Texas and the rules and regulations for the admission, discipline, supervision, and disbarment of lawyers, and approving the law schools of the State (Gov't Code, Ch. 81); and (6) promulgating the rules for the operation of the Court Reporters Certification Board and the disciplinary rules enforced by this Board (Gov't Code §52.002).

The Chief Justice has the responsibility to: (1) confer with the presiding judges of the administrative judicial regions to promote the prompt dispatch of judicial business (Gov't Code §74.001); (2) assign judges between administrative judicial regions (Gov't Code §74.002); (3) assign retired appellate justices to the various courts of appeals on a temporary basis (Gov't Code §73.003); (4) deliver a "State of the Judiciary" message at the commencement of each regular session of the Legislature (Gov't Code §21.004); and (5) ensure that the Supreme Court

executes and implements its administrative duties and responsibilities (Gov't Code §72.006).

### **The Court of Criminal Appeals**

To relieve the Supreme Court of some of its caseload, the Constitution of 1876 created the Court of Appeals, composed of three elected judges, with appellate jurisdiction in all criminal cases and in those civil cases tried by the county courts. The judiciary article that was created by the constitutional amendment of 1891 changed the name of this court to the Court of Criminal Appeals and limited its jurisdiction to appellate jurisdiction in criminal cases only.

A constitutional amendment adopted in 1980 provides: "The Court of Criminal Appeals shall have final appellate jurisdiction co-extensive with the limits of the State, and its determination shall be final, in all criminal cases of whatever grade, with such exceptions and under such regulations as may be provided in this Constitution or as prescribed by law." The jurisdiction of this Court extends to criminal cases heard by the intermediate Courts of Appeals and directly from the trial courts in all cases in which the death penalty has been imposed. The Court of Criminal Appeals (and the Supreme Court) have jurisdiction to answer questions of state law certified from a federal appellate court. In addition, the Legislature has authorized the Court of Criminal Appeals to promulgate rules of evidence and appellate procedure for criminal cases.

The Court of Criminal Appeals, as originally established, was composed of three judges. As its workload increased, the Legislature granted it the authority to appoint commissioners to aid in the disposition of pending cases. The number of judges on the Court was increased to five by a constitutional amendment adopted in 1966, and was again increased to nine by another constitutional amendment adopted in 1977.

Today, the Court of Criminal Appeals consists of a Presiding Judge and eight additional judges, who must have the same qualifications, and are elected in the same manner, as the justices of the Supreme Court.

### **The Courts of Appeals**

The first intermediate appellate court in Texas was created by the Constitution of 1876, which created a Court of Appeals with appellate jurisdiction in all criminal cases and in all civil cases originating in the county courts. However, by 1891, the docket of the Supreme Court had become so crowded that it became apparent that other changes were necessary to expedite the disposition of appellate cases. Thus, the amendment of 1891 converted the Court of

Appeals into the Court of Criminal Appeals and authorized the Legislature to establish intermediate courts of civil appeals located at various places throughout the State. The purpose of this amendment was to preclude the large quantity of civil litigation from further congesting the docket of the Supreme Court, while at the same time providing for a more convenient and less expensive system of intermediate appellate courts for civil cases. Under this authority, the Legislature has divided the state into 14 court of appeals districts and has established a court of appeals in each.

Courts of appeals are now located in the following cities: Amarillo, Austin, Beaumont, Corpus Christi, Dallas, Eastland, El Paso, Fort Worth, Houston (two courts), San Antonio, Texarkana, Tyler, and Waco.

Each court of appeals has jurisdiction of appeals from the trial courts located in its respective district. The appeals heard in these courts are based upon the "record" (a written transcription of the testimony given, exhibits introduced, and the documents filed in the trial court) and the written and oral arguments of the appellate lawyers. The courts of appeals do not receive testimony or hear witnesses in considering the cases on appeal.

Each of the courts of appeals has at least three judges — a chief justice and two other justices. However, the Legislature is empowered to increase this number whenever the workload of an individual court requires additional judges. The Dallas Court of Appeals has 13 justices, the two courts located in Houston (the First and the Fourteenth) each have nine justices, the courts located in Fort Worth and San Antonio each have seven, the courts located in Austin and Corpus Christi each have six, the courts located in El Paso and Amarillo each have four, and the remaining courts each retain the constitutional minimum number of three. There are now 80 judges serving on the 14 intermediate courts of appeals.

Judges of these courts are elected in partisan elections for six-year terms of office by the voters in their own districts. They must have the same qualifications for office as the justices of the Supreme Court of Texas.

### **TRIAL COURTS**

The trial courts are those courts in which witnesses are heard, testimony is received, exhibits are offered into evidence, and a verdict is rendered. In a civil case, the verdict determines which party to the lawsuit prevails; in a criminal case, the verdict determines whether the defendant is guilty or not guilty of the crime alleged. In all cases, the parties have the right to a trial by a jury

of either six or twelve local citizens. Except in capital murder cases, the parties have the right to waive a trial by jury and have the judge presiding over the case make the final determination. Generally, determinations made in the trial courts can be appealed to the appellate courts for review.

The trial court structure in Texas has several different levels, each level handling different types of cases. The state trial court of general jurisdiction is known as the district court. The county-level courts consist of the "constitutional" county courts, the "statutory" county courts, and the "statutory" probate courts. In addition, there are the municipal courts, located in each incorporated city of the State, and the justice of the peace courts, located in precincts of each county of the State.

### District-Level Courts

The district courts are the primary trial courts in Texas, the successor to the common law *nisi prius* courts. The Constitution of the Republic provided for not less than three nor more than eight district courts, each having a judge elected by a joint ballot of both houses of Congress for a term of four years. Most constitutions of the State continued the district courts but provided that the judges were to be elected by the qualified voters. The exceptions were the Constitutions of 1845 and 1861 which provided for the appointment of judges by the Governor with confirmation by the Senate. All of the constitutions have provided that the judges of these courts must be chosen from defined districts (as opposed to state-wide election) and that court proceedings be conducted at the county seat of each county.

District courts are courts of general jurisdiction. The constitutional amendment (S.J.R. 14) adopted effective in November 1985 amends Article V, Section 8 of the Texas Constitution, in pertinent part, as follows:

District Court jurisdiction consists of exclusive, appellate, and original jurisdiction of all actions, proceedings, and remedies, except in cases where exclusive, appellate, or original jurisdiction may be conferred by this Constitution or other law on some other court, tribunal, or administrative body.

This provision, while it extends a district court's potential jurisdiction to "all actions," also makes such jurisdiction relative in that the court's jurisdiction excludes any matters in which exclusive, appellate, or original jurisdiction is conferred by law upon some other court. For this reason, while one can speak of the "general" jurisdiction of a district court, the actual jurisdiction of any specific court will

always be limited by the constitutional or statutory provisions which confer exclusive, original, or appellate jurisdiction on other courts serving the same county or counties.

Taking into account the various constitutional and statutory provisions which confer general jurisdiction on other levels of court, it can be said that district courts generally have the following jurisdiction: original jurisdiction in all criminal cases of the grade of felony, and misdemeanors involving official misconduct; cases of divorce; suits for title to land or enforcement of liens on land; contested elections; suits for slander or defamation; suits in behalf of the state for escheat; and all civil matters wherein the amount in controversy is \$200 or more. In those counties having statutory county courts at law, the district courts generally have exclusive jurisdiction in civil cases wherein the amount in controversy is \$5,000 or more and concurrent jurisdiction with the statutory county courts at law in cases where the amount in controversy exceeds \$200 but is less than \$5,000. The Legislature has, however, tended to increase the concurrent jurisdictional amounts of individual county courts at law above the \$5,000 general limit.

The district courts hear contested matters involved in probate cases and have general supervisory control over commissioners courts. In addition, district courts have the power to issue writs of habeas corpus, mandamus, injunction, certiorari, sequestration, attachment, garnishment, and all writs necessary to enforce their jurisdiction.

Appeals from judgments of the district courts are to the Court of Appeals having jurisdiction over the locale of the district court.

As of September 1, 1990, the Legislature had established 386 separate district-level courts, identified by separate numbers, each having its own judge elected by the voters of the judicial district. In a number of locations, the geographical jurisdiction of two or more district courts is overlapping.

The 1985 constitutional amendment (S.J.R. 14) established a Judicial Districts Board to reapportion Texas Judicial Districts, subject to legislative approval. The same amendment also allows for more than one judge per judicial district.

Most district courts exercise criminal and civil jurisdiction, but in the metropolitan areas there is a tendency for the courts to specialize in either civil, criminal, or family law matters. In some localities, the courts that exercise criminal jurisdiction exclusively are designated criminal district courts. A limited number of district courts also exercise the subject-matter jurisdiction normally exercised by county courts.

## Specialized Jurisdiction

The Supreme Court has repeatedly held that the Legislature cannot reduce the constitutional jurisdiction of a district court. *Lord v. Clayton*, 163 Tex. 62, 352 S.W.2d 718 (1961); *Ex Parte Richards*, 137 Tex. 520, 155 S.W.2d 597 (1941); *Reasonover v. Reasonover*, 122 Tex. 512, 58 S.W. 2d 817 (1933); *St. Louis S. W. Ry. v. Hall*, 98 Tex. 480, 85 S.W. 786 (1905). Accord, *Zamora v. State*, 508 S.W.2d 819 (Tex. Crim App. 1974). See also, *Ward v. State*, 523 S.W.2d 681, 682 (Tex. Crim. App. 1975); *Castro v. State*, 124 Tex. Crim. 13, 60 S.W.2d 211 (1933); and dissenting opinion in *Ex Parte Bazemore*, 430 S.W.2d 205 (Tex. Crim. App. 1968).

In *St. Louis S.W. Ry. v. Hall*, the Supreme Court stated the rule as follows: "If the Legislature did enough to bring into active existence a district court, it was at once clothed with the powers conferred by the Constitution upon such courts, and any attempts in the act to unduly limit those powers must be treated as futile." 85 S.W. at 788. In *Lord v. Clayton*, the Supreme Court held that, although the statute creating the 136th District Court of Jefferson County purportedly limited its jurisdiction to civil cases only, and other legislation purported to give exclusive jurisdiction in criminal cases to the Criminal District Court of Jefferson County, the 136th Court was nevertheless a constitutional district court with full power to impanel a grand jury, receive an indictment, and try the accused.

A new facet has been added to this jurisdictional issue by the 1985 amendment of art. V, sec. 8 of the Constitution which now grants the district courts jurisdiction over all matters "except in cases where...jurisdiction may be conferred by this constitution or other law on some other court....".

Although the Legislature has not been able to divest a regular district court of any of its constitutional jurisdiction, the Legislature may, under its constitutional authority to create "other courts" (Tex. Const. art. V, sec. 1) establish special "district-level" courts with limited jurisdiction. See *Jordan v. Crudgington*, 231 S.W.2d 641 (Tex. 1950) (regarding the Court of Domestic Relations of Potter County); *Ex Parte Richards*, 137 Tex. 520, 155 S.W.2d 597 (1941) (regarding the Criminal District Court of Willacy County).

One "Criminal District Court" was created with jurisdiction limited to criminal, divorce, dependent and delinquent children, adoption, and civil habeas corpus proceedings:

Criminal District Court of Jefferson County  
.....\$24.920 1

As will be noted later, most special "Criminal District Courts" have jurisdiction concurrent with county-level courts in criminal matters.

While the courts have ruled that the Legislature may not limit the jurisdiction of regular district courts, the statutes frequently express the intention that certain district courts give primary attention to only a portion of those matters over which they have jurisdiction.

The 65th Legislature in 1977 converted all functioning domestic relations and special juvenile courts to district courts of general jurisdiction. However, these courts have primary responsibility for cases involving family law matters. These courts are known as "Family District Courts". There are now 32 such courts:

300th Brazoria.....	\$24.601,	\$24.608
301st Dallas.....	\$24.601,	\$24.609
302nd Dallas.....	\$24.601,	\$24.610
303rd Dallas.....	\$24.601,	\$24.611
304th Dallas.....	\$24.601,	\$24.612

As of September 1, 1990, 157 statutory county courts at law and 17 probate courts had been created, largely in metropolitan areas. Six additional courts have been authorized by the Legislature but have not yet been made operational by the county commissioners courts. While the jurisdiction of these courts is generally carved out of that given to the "constitutional" county courts, the statutes specify in a few instances that certain jurisdiction normally in the district court is to be exercised concurrently by the county court at law and the district court.

One county court at law is given concurrent civil jurisdiction with the district court only in specified family law matters:

In one county, if the county judge is licensed to practice law in Texas and has practiced for at least two years, the jurisdiction of the constitutional county court is expanded to include (concurrent with district court) family law cases, eminent domain, and civil matters when the amount in controversy does not exceed \$20,000:

### County-Level Courts

The county courts were established by the Constitution of 1836. They were presided over by a chief justice, who was appointed by the Congress of the Republic of Texas for a term of four years. This continued from 1836 to 1841, when the office was made elective. The term was shortened to two years in the Constitutions of 1845 and 1861. Under the Constitution of 1866, the name of the presiding officer of the court was changed from chief justice to county judge, and the term of office was again established at four years.

The county court was abolished by the Constitution of 1869, but was re-established by the Constitution of 1876 with an elected presiding officer, the county judge, with a two-year term. The term of office was increased to four years by a constitutional amendment adopted in 1954.

Today, the Texas Constitution provides for a county court in each county. Generally, "constitutional" county courts have concurrent jurisdiction with justice of the peace courts in civil cases where the amount in controversy is \$200 or more and less than \$2,500; general jurisdiction over probate cases; and exclusive original jurisdiction over all misdemeanors where punishment for the offense, upon conviction, is by fine exceeding \$200 and/or a jail sentence not to exceed one year. However, the county courts do not have criminal jurisdiction where a criminal district court exists unless expressly authorized by statute (Tex. Const., art. V, sec. 16). County courts generally have appellate jurisdiction (usually by trial *de novo*) over cases tried originally in the justice of the peace and municipal courts. Original and appellate judgments of the county courts may be appealed to the Courts of Appeals.

The Constitution provides that the county judge "shall be well informed in the law of the State...". This has been interpreted to mean that neither formal study of the law nor a license to practice law is a necessary qualification to hold office as county judge. Presently, of the 254 county judges in the

State, approximately one-fourth are licensed to practice law.

Under its constitutional authorization to "...establish such other courts as it may deem necessary...[and to] conform the jurisdiction of the district and other inferior courts thereto," the Legislature has created statutory county courts, primarily in metropolitan counties, to provide assistance to the single "constitutional" county court. The Legislature has authorized a total of 180 of these statutory courts in 70 counties to relieve the county judge of some or all of the judicial duties of office. As of September 1, 1990, 174 of these courts were in actual operation. (See list which follows.)

Under the constitutional grant of authority the Legislature has established the following statutory county courts (the number of statutory courts in each county is shown in parentheses):

The judges of these statutory courts are elected in county-wide, partisan elections for four-year terms. Any vacancies occurring between elections are filled by appointment of the county commissioners. The statutes creating these courts uniformly require that the persons serving as judges must be licensed to practice law in Texas.

The legal jurisdiction of the special county courts varies considerably and is determined by the specific statute that establishes the particular court. As the varied names suggest, some of these courts have subject-matter jurisdiction in only limited fields, such as civil, criminal, probate, or appellate (from justice courts or municipal courts); however, even the specialized name does not always disclose the complete function of the court. The concurrent civil jurisdiction of the county courts at law with the district courts extends to a higher dollar amount in controversy than for "constitutional" county courts, but to determine the exact jurisdiction of any one of the courts, it is necessary to review the specific statute that established it.

<sup>7</sup>Effective 1/1/93.

<sup>8</sup>Effective 9/1/91, or such earlier date determined by the commissioners court.

<sup>9</sup>Effective 1/1/91, or such earlier date determined by the commissioners court.

In general, county courts at law have concurrent jurisdiction with district courts in civil matters where the amount in controversy is at least \$200.01 and not more than \$5,000. Many of these courts, however, have higher maximum jurisdictional amounts established by statute. Other jurisdiction of a county court at law is, broadly speaking, either carved out of the "constitutional" county court's regular jurisdiction or shared with it (concurrent).

The jurisdiction of county courts at law and their relation to the "constitutional" county courts take many forms. In the creation of two county courts at law, all civil, criminal, and probate jurisdiction of the county court was transferred to the county court at law:

County Court at Law of Nacogdoches County .....	\$26.274, §25.1762	46
County Court at Law of Reeves County .....	\$26.295, §25.1972	

In one county, all civil, criminal, and probate jurisdiction of the county court was transferred to the county court at law but, if the county judge is an attorney, the county court exercises concurrent jurisdiction in all matters over which county courts have jurisdiction generally. If the county judge is not an attorney, the county court exercises concurrent jurisdiction only in probate and mental health matters:

County Court at Law of Bastrop County .....	\$26.111, §25.0132	47
--	--------------------	----

In the creation of thirty-nine statutory county courts, all civil and criminal jurisdiction of the county court was transferred to the statutory county court and it was provided that the courts would have concurrent jurisdiction in probate matters:

County Court at Law No. 1 and Probate Court of Bexar County .	\$25.0172, §26.115	48

Two county courts at law exercise concurrent jurisdiction with the district court in all civil and criminal matters that had earlier been transferred from the county court to the district court. The county court at law and county court have concurrent probate jurisdiction:

County Court at Law of Comal County	.....§24.123, §25.0482, §26.146	
County Court at Law of Webb County	.....§24.151, §25.2422, §26.340	49

The Legislature provided, in the creation of two county courts at law, that all civil and criminal jurisdiction of the county court, except probate, was transferred to the county court at law, and that the judge of the county court at law could "act for" the constitutional county judge in probate matters:

County Court at Law No. 2 of Bexar County	.....§25.0172	50
County Court at Law No. 3 of Bexar County	.....§25.0172	

Similarly, another county court at law was transferred all civil and criminal jurisdiction of the county court, except probate, and the county court at law is instructed to give preference to criminal cases:

County Court of Jefferson County at Law No. 3	.....§25.1252, §26.223	51
---	------------------------	----

For seven county courts at law, all civil and criminal jurisdiction of the county court, except probate, was transferred to the statutory county courts at law:

County Court at Law No. 5 of Bexar County	.....§25.0172, §26.115	
County Court at Law No. 7 of Bexar County	.....§25.0172, §26.115

County Court at Law of Taylor County	.....§25.2232, §26.321	
County Court at Law No. 2 of Taylor County	.....§25.2232, §26.321	

Two county courts at law were transferred all civil and criminal jurisdiction of the county court, except probate, and the county courts at law were instructed to give preference to criminal matters and appeals de novo from municipal and justice courts:

County Court at Law No. 4 of Bexar County	.....§25.0172, §26.115	53
County Court at Law No. 6 of Bexar County	.....§25.0172, §26.115	

Civil jurisdiction of the county court, except probate, was transferred to six county courts at law:

--	------------------------	----

County Civil Court at Law No. 2 of Harris County	.....§25.1032, §26.201

In forty-eight instances, the "constitutional" county court and the statutory county courts have concurrent jurisdiction in all matters:

In one county, concurrent jurisdiction may be exercised by the "constitutional" county court and the county court at law in all matters except civil cases, over which the county court at law has exclusive jurisdiction. **Justice of the Peace Courts**

The position of justice of the peace was established by the Constitution of the Republic which provided for a "convenient number of Justices of the Peace" to be elected by the qualified voters of each county, for terms of two years. This office has been retained in all subsequent constitutions, although the jurisdiction of these courts has been severely restricted in later constitutions.

The justice of the peace is important in the capacity as a committing magistrate, with the authority to issue warrants for the apprehension and arrest of persons charged with the commission of

public offenses, both felonies and misdemeanors. As a magistrate, the justice of the peace may hold preliminary hearings, reduce testimony to writing, discharge the accused, or remand the accused to jail and set bail. In addition, the justice of the peace serves as the coroner in those counties where there is no provision for a medical examiner, serves as an *ex officio* notary public, and may perform marriage ceremonies.

As amended in November 1983, the Texas Constitution provides that each county is to be divided into at least one, and not more than eight, justice precincts, in each of which is to be elected a justice of the peace. If the precinct includes a city of 18,000 or more inhabitants, an additional justice of the peace is authorized. Approximately 917 justice of the peace courts are in operation today.

Justices of the peace are elected by the voters of the respective precincts of the county in partisan elections for four-year terms of office. There are no constitutional or statutory qualifications to hold this office and only about six percent of the justices of the peace in the State are lawyers.

Justice of the peace courts have original jurisdiction in misdemeanor criminal cases where punishment upon conviction may be by fine only. These courts generally have exclusive jurisdiction of civil matters when the amount in controversy does not exceed \$200, and concurrent jurisdiction with the county courts when the amount in controversy is from \$200.01 to \$2,500. By statute, they are given jurisdiction over forcible entry and detainer cases. The justice of the peace courts also function as small claims courts. Trials in justice of the peace courts are not of record. Appeals from these courts are upon trial *de novo* in the county court, the county court at law, or the district court.

In 36 counties, the county court, by special statute, has been given concurrent civil jurisdiction with justices of the peace in that county:

### Municipal Courts

Under its constitutional authority to create "...such other courts as may be provided by law," the Texas Legislature has created municipal courts in each incorporated city of the State.

Presently, municipal courts are operating in approximately 814 cities. Metropolitan cities usually have more than one municipal court. These courts have neither civil nor appellate jurisdiction, but do have original and exclusive jurisdiction over violations of city ordinances. Such ordinances are generally punishable by fines up to \$200, but fines of up to \$2,000 may be provided for violation of ordinances relating to fire safety, zoning, public health, and sanitation. The municipal courts also have concurrent jurisdiction with justice courts in misdemeanor cases resulting from violations of state laws occurring within the city limits, when punishment upon conviction may be by fine only, not to exceed \$200.

Municipal judges also serve as magistrates of the State. In this capacity, the municipal judge has authority to issue warrants for the apprehension and arrest of persons charged with the commission of public offenses, both felonies and misdemeanors. As a magistrate, the municipal judge may issue search and arrest warrants, hold preliminary hearings, reduce testimony to writing, discharge an accused, or remand the accused to jail and set bail.

Trials in the municipal courts, generally, are not of record, and appeals go to the county court, the county court at law, or the district court upon trial *de novo*.

Under the authority of special and general legislation, several municipal courts operate as "courts of record".

In the courts of record, a formal record and transcript is made of the proceedings in the trial and appeals of these cases are made on the record perfected in the municipal courts. Such appeals are generally heard in the county court or county court at law, but the Legislature has authorized the City of El Paso to create a municipal court of appeals to hear appeals from that city's municipal courts. The statutes creating these municipal courts of record uniformly require the judge to be licensed to practice law in this State. No such provision is required of the other municipal judges, and of the approximately 1,181 municipal judges in this State, about 68 percent presently are licensed as attorneys.

Selection and terms of office of municipal court judges vary from city to city. While in a few cities, municipal judges are elected at city elections, the vast number are appointed by the governing body of the city. Terms of office range from two years to an indefinite term—at the will of the governing body.

# ANNUAL SUPPLEMENTAL COMPENSATION

Chapter 31 of the Texas Government Code authorizes the counties in each Court of Appeals District to pay each justice of the Court of Appeals for that district a sum not to exceed \$15,000 per year for judicial and administrative services rendered. This compensation is in addition to the salary paid by the State. Article 6813b, Section 3, Vernon's Texas Civil Statutes, limits the total salary for a justice of a Court of Appeals to a combined sum from State and county sources of \$1,000 less than the state salary paid to a justice of the Supreme Court. This same provision limits the chief justices of the Courts of Appeals to receive a combined salary of \$500 less than the State salary paid to justices of the Supreme Court. As of September 1, 1989, the annual State salary

paid to a justice of the Supreme Court was \$89,250.

Various sections of Chapter 32, Government Code, authorize the state salaries of some district court judges to be supplemented from county funds. The 1990-1991 General Appropriations Act, Article IV, Page 33, "Special Provisions - Judiciary," Section 2, limits the total salary of district judges to \$2,000 less than the yearly salary of the Supreme Court Justices.

The following information regarding Supplemental Compensation was obtained from affidavits on file with the State Comptroller of Public Accounts.

# ASSIGNMENT OF JUDGES TO ACTIVE DUTY

## COURTS OF APPEALS

The Chief Justice of the Supreme Court is authorized by Section 74.003, Government Code, to assign a justice of a court of appeals for temporary service on another court of appeals. He also may assign a retired appellate justice or judge to active service on a court of appeals.

During the year ending August 31, 1990, the Chief Justice made 60 assignments of 17 retired appellate justices and judges to sit on the intermediate courts of appeals. While on assignment these 17 judges wrote a total of 251 appellate opinions. These included 241 original opinions on the merits, 1 concurring opinion, 4 dissenting opinions, 1 opinion refusing rehearing, 1 per curiam opinion, and 3 other opinions (See page 92).

---

## TRIAL COURTS

The state is divided into nine Administrative Judicial Regions, in each of which a Presiding Judge is designated by the Governor. These Presiding Judges are authorized by Sections 74.054 and 74.056, Government Code, to assign judges of their respective regions for service on courts other than those to which they were elected. Judges who may be assigned are regular, retired ("Senior"), and former district judges, and regular, retired, or former statutory county court judges.

The presiding judge of one administrative region may request that the presiding judge of another region furnish judges for assignment in the region of the requesting judge. The Chief Justice of the Supreme Court also is authorized by Section 74.057, Government Code, to assign judges of one administrative judicial region for service in another.

During the year ending August 31, 1990, a total of 4,450 assignments were made to the trial courts of the state and 15,234 days were served by the judges on assignment. Assuming 250 working days per year, this service was the equivalent of 61 judges being added to the trial courts of the state.

Retired and former judges who served during the year totalled 145. These judges received 3,698 assignments and served 13,593 days -- the equivalent of adding 53 judges to active service during the year.

Active judges serving a regular court were assigned to courts in other areas 752 times. These judges served 1,641 days, adding the equivalent of 7 full-time judges to service.

The highest number of assignments were made within or to the Second Administrative Region (Houston area) with 888 assignments and 4,626 days of service and the First Administrative Region (Dallas area) with 842 assignments and 3,872 days of service.

A report on the service of assigned judges on the trial courts during the year is found on page 93 and the names of senior, retired, and former judges who served on assignment are found on pages 94 and 95.

Section 74.042, Government Code, establishes nine administrative judicial regions in the State for administrative purposes. An active or retired district judge or an active or retired appellate judge with judicial experience in a district court serves as the Presiding Judge in each region, upon designation by the Governor.

The duties of a presiding judge include promulgation of regional rules of administration, advising local judges on caseload management, recommending to the Supreme Court regional changes necessary for the improvement of judicial administration, acting for local administrative judges who do not perform their duties, and implementing administrative rules adopted by the Supreme Court.

The Presiding Judge convenes an annual conference of the district and statutory county court judges in the administrative region to consult on the state of business in the courts. This conference is empowered to adopt rules for the administration of cases in the region. The Presiding

Judge may assign active, senior and former district judges and active, retired or former statutory county court judges residing within the region. The Presiding Judge of one administrative region may request the Presiding Judge of another region to assign a judge from that region to sit in a court located in the administrative region of the Presiding Judge making the request.

The Chief Justice of the Supreme Court convenes an annual conference of the nine Presiding Judges to determine the need for assignment of judges and to promote the uniform administration of the assignment of judges. The Chief Justice is empowered to assign judges of one administrative region for service in another whenever such assignments are necessary for the prompt and efficient administration of justice.

# JUDICIAL DISTRICTS IN THE NINTH ADMINISTRATIVE JUDICIAL REGION

## A JUDGE'S CREED

*I believe in the judicial system to which I belong, in its importance to our society, in the work I am doing, and in maintaining the integrity and independence of our courts.*

*I believe in being faithful to the law and maintaining competence in it, and in avoiding impropriety and the appearance of impropriety in my work and in all my activities.*

*I believe in doing my work when it should be done, neither procrastinating nor making excuses.*

*I believe in treating all who appear in my court, in any capacity, in a manner that I would like to be treated.*

*I believe that my work is important and the manner in which I accomplish it not only affects the acceptance of the end result, but also reflects upon the dignity and integrity of our entire judicial system.*

*I believe in educating the public about the merits of our judicial system, in admitting its weaknesses, and in endeavoring to improve the system.*

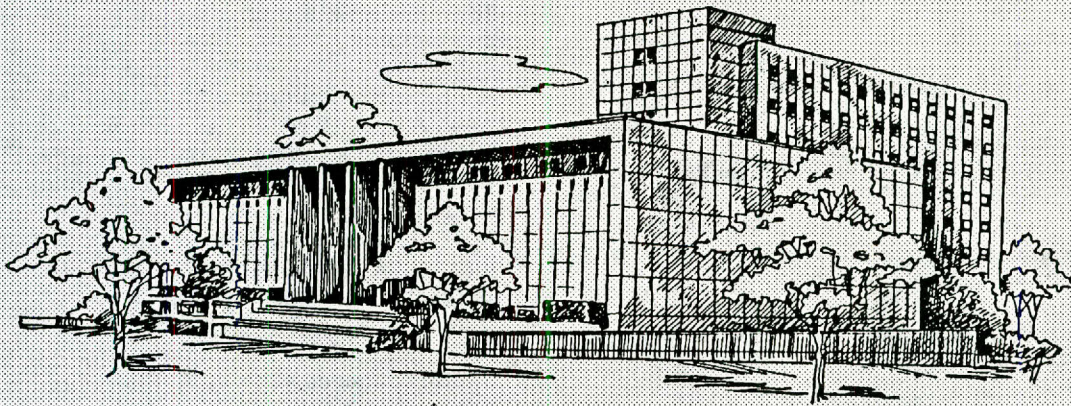

*I believe in encouraging collegiality among judicial brethren to accomplish the task at hand.*

*I believe in the future of our judicial system, the precepts upon which it is based, and the rewards that come from a duty successfully performed.*

*I pray that these beliefs remain true convictions, not mere preferences or hollow words.*

# REPORTS OF JUDICIAL AGENCIES

## *Texas Judicial Council*

The Texas Judicial Council was established in 1929 by Article 2328a, Vernon's Texas Civil Statutes, to make a "continuous study of and report upon the organization, rules, procedure and practice of the judicial system of the State of Texas, the work accomplished and the results produced by that system and its various parts and methods of its improvement". To enable the Council to fulfill these functions, the State Office of Court Administration obtains and maintains information on the docket activities of approximately 2,800 courts in the state: appellate, district, county-level, justice of the peace, and municipal. The Council conducts studies on methods to improve the administration of justice; formulates methods of simplifying judicial procedures; and submits recommendations of the Council to the Governor, the Legislature, and the Supreme Court. When the State Office of Court Administration was established in 1977, the staff of the Texas Judicial Council was merged into the newly created agency and was directed to perform all necessary staff functions for both agencies.

Former Article 2328a, now Chapter 71 of the Government Code, provides for the following specific duties of the Council:

- (1) continuously study the organization, rules, procedures and practice, work accomplished, results, and uniformity of the discretionary powers of the state courts and methods for their improvement;
- (2) receive and consider advice from judges, public officials, members of the Bar, and citizens concerning remedies for faults in the administration of justice;
- (3) design methods for simplifying judicial procedure, expediting the transactions of judicial business, and correcting faults in or improving the administration of justice;
- (4) file a complete detailed report with the Governor and the Supreme Court before December 2 of each year on Council activities, information from the Council's study, and Council recommendations; and a supplemental report on Council activities, findings, or recommendations at a time it considers advisable;
- (5) investigate and report on any matters concerning the administration of justice that the Supreme Court or the Legislature refers to the Council;
- (6) gather judicial statistics and other pertinent information from the several state

judges and other court officials of this state; and

- (7) meet at least once in each calendar year and at other times as ordered by the Council or under its authority.

### Membership of the Council

Council membership is composed of: (1) the Chief Justice of the Supreme Court and the Presiding Judge of the Court of Criminal Appeals, or their designees from among the membership of their respective courts; (2) two justices of the courts of appeals designated by the Governor; (3) two presiding judges of the administrative judicial regions selected by the Governor; (4) the chairman and immediate past chairman of the House Judiciary Committee and of the Senate Jurisprudence Committee; (5) seven members of the bar appointed by the Governor; and (6) two non-lawyer citizens, one of whom must be a journalist, each appointed by the Governor.

Hon. Joe Spurlock II, Justice of the 2nd Court of Appeals in Fort Worth, served as President of the Judicial Council during 1990. Appointed to the Court of Appeals in 1983, Justice Spurlock previously served as district judge of the 231st Judicial District in Fort Worth, Tarrant County, from 1977 to 1983. Prior to that service, he was a member of the Texas House of Representatives and later served as Counsel to the Governor.

Chief Justice Thomas R. Phillips of the Supreme Court served as Vice President of the Council during 1990.

Hon. Michael J. McCormick, Presiding Judge of the Court of Criminal Appeals, served as Secretary.

Legislative members of the council are: State Senator Kent Caperton, immediate past chairman of the Senate Jurisprudence Committee; State Senator Bob Glasgow, current chairman of the Senate Jurisprudence Committee; State Representative Harold Dutton, immediate past chairman of the House Judiciary Committee; and Representative Senfronia Thompson, chairman of the House Judiciary Committee.

Members from the Courts of Appeals serving during 1990 were Justice Spurlock and Justice Bill J. Stephens, retired from the 5th Court of Appeals, Dallas.

The two Presiding Judges of the Administrative Judicial Regions who served as members were: Ray D. Anderson, Presiding Judge of the

9th Administrative Judicial Region, Brownfield, and Judge Thomas J. Stovall, Presiding Judge of the 2nd Administrative Judicial Region, Seabrook.

Attorney members were: John L. McCraw, Jr., McKinney; Robert A. Gammage, Austin; Frank B. Davis, Houston; Ward L. Koehler, El Paso; Alan M. Sager, Austin; Nick Taylor, Midland; and Blake Tartt, Houston.

Lay members of the Council were: Ken Towery, Austin and Rae Jackson, Longview.

Two meetings of the Texas Judicial Council were held during Fiscal Year 1990, on October 20, 1989, and April 27, 1990.

### Compensation of Presiding Judges

Pursuant to Sec. 74.051(b), Texas Gov't Code, the Council set the salaries of those Presiding Judges of Administrative Judicial Regions authorized compensation under that subsection at \$10,000 for each of the fiscal years ending August 31, 1989, and August 31, 1990.

## Office of Court Administration

---

Chapter 72, Government Code, provides for the Office of Court Administration of the Texas Judicial System to operate at the direction of the Texas Supreme Court and of the Chief Justice. It is charged by this statute with the implementation of the provisions of the Court Administration Act and of any rules of administration promulgated by the Supreme Court for the efficient administration of justice in this State. The statute specifically directs the Office of Court Administration to provide the necessary staff functions for the efficient operation of the Texas Judicial Council.

In addition, the statute prescribes the following duties:

(1) assist the justices and judges in discharging their administrative duties;

(2) consult with the administrative judges and assist them in discharging duties imposed by law or by a rule adopted by the Supreme Court;

(3) recommend to the Supreme Court appropriate means to implement the act;

(4) examine the judicial dockets, practices, and procedures of the courts and the administrative and business methods or systems used in the office of a clerk of a court or in an office related to and serving a court and recommend a necessary improvement to a method or system; a form or other document used to record judicial business; or any other change that will promote the efficient administration of justice;

(5) prepare and submit an estimated budget for the appropriation of funds necessary for the maintenance and operation of the judicial system, and study and recommend expenditures of funds appropriated for the maintenance and operation of the judicial system;

(6) consult with and assist court clerks; other court officers or employees; and clerks or other officers or employees of offices related to and serving a court to provide for the efficient administration of justice;

(7) consult with and make recommendations to administrators and coordinators of the courts to provide for uniform administration of the courts and efficient administration of justice;

(8) implement rules of administration or other rules adopted by the Supreme Court for the efficient administration of justice;

(9) perform such additional duties as may be assigned by the Supreme Court and by the Chief Justice; and

(10) prepare an annual report of the activities of the Office to be published in the Annual Report of the Texas Judicial Council.

In addition to these statutorily mandated duties, the agency performs many other functions at the direction of the Supreme Court. Secretariat services are provided to the Council of Presiding Judges of the Administrative Judicial Regions, the Board of Regional Judges for Title IV-D Account [Child Support Enforcement], the Judicial Districts Board, the Judicial Committee on Court Funding, the Judicial Education Executive Committee [including the audit responsibilities over judicial grants awarded by the Supreme Court], and numerous other committees and task forces appointed by the Supreme Court in the area of judicial administration.

Under the authority of Section 71.035, Government Code, which provides for the reporting of court activity, the 14 intermediate courts of appeals and approximately 2,800 trial courts of the state (386 district courts, 254 constitutional county courts, 174 statutory county courts at law, 917 justice of the peace courts, and 814 cities with active municipal courts) provide monthly court activity information for submission to the Office of Court Administration. These monthly report forms, developed by the Office of Court Administration, include a six-page report on the activities of the 14 Courts of Appeals, a seven-page district court report submitted by the district clerk in each county (254), a six-page county court

report submitted by the county clerk in each county (254), a two-page report for the justice of the peace courts (917), and a two-page report for the municipal (814) courts. Annual reports on court activities are received from the Supreme Court and the Court of Criminal Appeals. The reports are checked for accuracy and any necessary corrections are made. The information is then entered into a computerized data system. This provides ready access to information on the current status of the dockets of the appellate and trial courts on a county-by-county basis and allows this Office to respond to numerous requests for this type of information which are received on a continuous basis.

### **Administrative Judicial Regions**

Chapter 74, Government Code, establishes nine administrative judicial regions in the state. It authorizes the governor to designate one of the district judges, active or retired, residing in each administrative judicial region to serve as presiding judge of the region and creates the Council of Presiding Judges to be chaired by the Chief Justice of the Supreme Court. The Chief Justice has directed the Office of Court Administration to provide the necessary administrative support for this Council. When sitting in supervision of the Title IV-D Masters program under Section 21.007, Government Code, the presiding judges comprise the Board of Regional Judges for Title IV-D Account, and this Office provides the necessary staff support for that board.

From the court activity reported to the Office, a monthly report of district, county, and juvenile court activity is compiled for each of the nine administrative judicial regions of the state. These reports are provided to the presiding judges of the administrative judicial regions to provide current court caseload information on all counties within their regions, to aid in the effective and efficient administration of justice.

During the period of this report, September 1, 1989, to August 31, 1990, fourteen meetings of the Board of Regional Judges for Title IV-D Account and one meeting of the Council of Presiding Judges of the Administrative Judicial Regions were held. This Office provided secretariat services for each of these meetings.

### **Equalization of Courts of Appeals Dockets**

The Supreme Court is responsible for equalizing the dockets of the Courts of Appeals [Section 73.001, Government Code]. To assist the Court in this docket equalization, this Office also maintains a monthly reporting system on the activity of the Courts of Appeals.

From the information supplied by the Courts of Appeals, the Office prepares a consolidated monthly report on the docket status of each Court of Appeals for the Supreme Court's consideration in determining the need for the transfer of cases between Courts of Appeals.

For the year ending August 31, 1990, a total of 151 cases - 26 civil and 125 criminal - were transferred under this authority.

The following transfers between the Courts of Appeals were made on orders of the Supreme Court:

#### **September 1989**

1 criminal case from the 13th (Corpus Christi) to the 14th (Houston)

#### **January 1990**

100 criminal cases from the 1st (Houston) to the 11th (Eastland)

#### **February 1990**

26 civil cases from the 1st (Houston) to the 8th (El Paso)

24 criminal cases from the 1st (Houston) to the 8th (El Paso)

### **Annual Report on the Texas Judicial System**

As provided by law, the Sixty-First Annual Report of the Texas Judicial Council and the Thirteenth Annual Report of the Office of Court Administration were published as a single report in December 1989. This report has been compiled and published on an annual basis since 1929. Prior to 1984, this report was prepared on a calendar year basis. Beginning in 1984 this report has been compiled and published on a state fiscal year basis. The 1989 report contained 808 pages on case information and analysis of court activity at all levels of courts in the State of Texas and the activities of the Texas Judicial Council. Approximately 23,500 monthly reports on court activity were compiled and validated during the year to produce this Annual Report.

The Annual Report also contains information on the variances in subject-matter jurisdiction of Texas trial courts; a thorough, descriptive analysis of the judicial system; and a comprehensive directory of judges, clerks, and other persons employed in the Texas Judicial System. Information on the assignments of visiting judges by presiding judges of the nine Administrative Judicial Regions also is included.

Approximately 2,200 copies of this Report were distributed to judges and clerks, members of the Legislature, state and federal agencies, criminal justice planning units, local officials, and libraries.

### **Legislative Services**

The Office continued its normal liaison duties with committees and members of the 71st Legislature by providing information, upon request of the

legislators and their staffs, on the Texas Judicial System.

### **State Budget Estimates for the Judiciary**

Section 72.021(a), Government Code, provides:

(a) "The director shall prepare and submit an estimated budget for the appropriation of funds necessary to the maintenance and operations of the judicial system.

(b) The director shall study and recommend expenditures and savings of funds appropriated for the maintenance and operation of the judicial system."

To fulfill this responsibility, the Supreme Court appointed a Judicial Committee on Court Funding to develop a comprehensive budget for the operations of the judicial system of the state, which met twice during the year. At the direction of the Chief Justice, the staff of the Office of Court Administration serves as Secretariat to the Committee and has coordinated the preparation of budget requests by the various courts and judicial agencies. Staff employees confer with district judges, personnel and justices of each of the Courts of Appeals, the Supreme Court and the Court of Criminal Appeals, and statewide judicial agencies, to provide technical assistance in the preparation of their budget requests.

### **Technical Assistance to Appellate Courts**

The Office of Court Administration provides development of and support for the automated case management, accounting, and payroll systems presently used by 14 of the 16 appellate courts. Personnel of this Office provide continuous training and technical assistance to the appellate courts in the daily use of these systems.

Senate Bill 222, 71st Legislature, Regular Session (1989), the General Appropriations Act, appropriated \$2,135,320 for state fiscal year 1990 to the Office of Court Administration to acquire, install, develop, and maintain automated data and word processing systems for the sixteen appellate courts and this Office. This new automated equipment will replace the obsolete Jacquard automated equipment installed in the appellate courts in 1981.

The new computer equipment authorized by the Legislature has been installed, with the assistance of data processing personnel of this Office, in 13 appellate courts, including the Supreme Court and the Court of Criminal Appeals.

This Office has developed and installed new accounting, payroll, and Case Management software programs for the new automated data and word processing systems.

This Office also continues to assist in the preparation of the Annual Financial Reports for the 16 appellate courts. In October 1989, this Office conducted a presentation on preparation of the Annual Financial Report for the year ending August 31, 1989, to the appellate court clerks. Additionally, during the fall of 1989, the personnel of this Office traveled to 5 of the 16 appellate courts to assist their personnel in the preparation of these reports. Extensive technical assistance was provided by phone to the remaining eleven appellate courts.

### **Technical Assistance to Trial Courts**

The Office of Court Administration has developed the automated Trial Court Case Management System, now referred to as the Texas Manage System, for use by the trial courts of the state. These systems are designed to provide trial courts with the necessary management information on cases currently on their dockets to aid in the management of cases on the trial docket.

The present monthly reporting system, which has been developed over the years by the Texas Judicial Council and the State Office of Court Administration, is designed to capture historical information, that is, information primarily concerning cases which have been disposed of by the court. Historical information is invaluable and needed for long range planning, in that it identifies the need for additional courts or the realignment of current judicial districts, the substantial increase or substantial decrease in particular categories of cases filed in the trial courts of this state, and other information which is necessary for the proper planning for the future needs of the judiciary.

The Texas Management System is designed to allow the individual trial court to monitor the flow of cases through the individual court and to ensure the timely and consistent setting of events in the progression of each case in the court and to notify the parties of all necessary activities in each case. This monitoring and management capability should result in the more expeditious disposition of cases pending in these courts.

The Texas Management System is comprised of a District and County Clerk's Module; a Judges and Coordinators Module, which includes a Criminal Module, a Civil Module, and a Family Law Module; and a Child Support Module, which includes a IV-D Masters Module and a Child Support Collection Module.

The automated system has been programmed in one of the most commonly used languages for this type of program and is designed to operate on a common configuration of any number of standard "P.C." computer systems. The data processing staff has reviewed automated equipment and identified the hardware presently on the market which will accommodate the caseload management system programs. In counties having multiple courts, or a larger volume of cases, the individual computers can transfer information by the

use of network capabilities which also have been tested by the Office of Court Administration.

The automated Texas Manage System has been requested by courts in numerous counties in Texas. The District and County Clerk's Module is now being used by 62 trial offices. The Judges and Coordinators Criminal Module has been requested by 111 courts, the Judges and Coordinators Civil Module has been requested by 200 courts, and the Judges and Coordinators Family Law Module has been requested by 107 courts.

The Child Support IV-D Masters Module, a special program for child support enforcement, has been developed for use by the special IV-D Masters and their assistants who are appointed by the Regional Presiding Judges to hear cases filed by the Attorney General's Office. This system is currently being used by 28 of the 29 IV-D Masters.

The Child Support Collection Module, which has been developed to track child support payments, has been requested by 62 clerks offices.

For courts in sparsely populated counties, i.e. courts having small numbers of cases filed - less than 600-700 per year - a Manual Case Management System has been designed and is made available upon request.

### **Seminars on Caseflow Management Systems**

To introduce the automated case management systems to trial judges and trial court personnel, the State Office of Court Administration has conducted a series of one day seminars. Participation at these seminars have included trial judges, district and county clerks, court coordinators, data processing personnel, and other trial court personnel from a geographical cross-section of the state including both urban and rural counties.

Since the inception of this program, 80 seminars have been conducted, with a total attendance of 1,213 persons, including 87 judges, 99 appellate court clerks and other personnel, 94 masters and assistants, 338 District and County Clerks and their deputies, 205 trial court coordinators, 51 data processing personnel, 49 judges secretaries, county auditors and other county personnel, and 290 persons at statewide professional meetings.

During the period September 1, 1989, to August 31, 1990, 13 Title IV-D Masters training seminars were held by the Office of Court Administration, with a total attendance of 63 persons, including 29 Title IV-D Masters, 32 Title IV-D Assistants, and 2 employees of the Attorney General's Office.

User manuals have been developed for each of the automated computer programs and are provided to the

users of these programs to aid the court personnel in the use of these programs.

### **Judicial and Court Personnel Training Fund**

Section 56.001, Government Code, establishes the Judicial and Court Personnel Training Fund to be administered by the Supreme Court. This program provides grants, from funds appropriated by the Legislature, for continuing legal education of judges and court personnel.

The grantees of such funds must utilize these funds to ensure that each judge can meet the minimum educational requirements. No more than one-third of the funds appropriated may be expended for each of the three indicated following classifications of judges: 1) judges of appellate courts, district courts, county courts at law, and county courts performing judicial functions; 2) justices of the peace; and 3) judges of municipal courts.

The Judicial Education Executive Committee was created by the Supreme Court to receive recommendations from advisory committees, make recommendations concerning judicial education, and to review and make recommendations concerning grant applications to the Supreme Court. The committee also receives and acts upon requests by judges for waivers of the judicial education requirements.

The members of the Judicial Education Executive Committee at the end of fiscal year 1990 were: Hon. Eugene A. Cook, Justice of the Supreme Court, as Chairman of the Committee; Hon. Charles F. (Chuck) Campbell, Judge, Court of Criminal Appeals; Hon. Robert A. Gammage, Justice, 3rd Court of Appeals; Hon. Linda B. Thomas, Justice, 5th Court of Appeals; Hon. Alice Trevathan, Judge, 151st Judicial District; Hon. Maxine Darst, Judge, Kaufman County; Hon. Victoria F. Welcome, Judge, Dallas County Court at Law No. 3; Hon. John W. Knowles, Justice of the Peace, Jefferson County; and Hon. Jane Supkis, Judge, City of El Lago.

The Supreme Court, by order dated August 21, 1985, directed the Office of Court Administration, to serve as the Secretariat to the Judicial Education Executive Committee and to provide the necessary staff and resource functions for its operations. Under this directive, it performs the necessary functions to accomplish the purposes of the programs. Some of these functions include:

1. Process and review grant applications.
2. Review requests for grants and submit reports thereon to the Judicial Education Executive Committee.
3. Disburse grant funds following action by the Supreme Court.

4. Monitor and evaluate grantee compliance, including review of periodic financial and progress reports.

5. Conduct semi-annual on-site audits of grantee financial records, internal controls and compliance with grant regulations.

6. Provide secretariat services for meetings of the Judicial Education Executive Committee.

For the year ending August 31, 1990, the Supreme Court awarded grants to the following grantees for the amounts indicated:

Texas Center for the Judiciary, Inc.	\$ 953,833
Texas Municipal Courts Association	953,833
Justices of the Peace and Constables Assn. of Texas, Inc.	<u>953,456</u>
<b>TOTAL</b>	<b>\$2,861,122</b>

For the year ending August 31, 1990, the Texas Center for the Judiciary, Inc. has provided continuing education training to 1,132 appellate, district and county judges and 277 court personnel; the Municipal Courts Training Center provided training to 1,001 municipal judges and 873 court personnel; and the Justice of the Peace Training Center provided training to 1,454 justices of the peace, 874 court personnel, and 948 constables.

### Judicial Districts Board

The adoption of Senate Joint Resolution 14 as a constitutional amendment by the voters in November 1985, established the Judicial Districts Board. The provisions of this constitutional amendment were implemented by Senate Bill 290, 69th Legislature, Regular Session (1985), now Sections 24.941-24.954, Government Code. The Judicial Districts Board is composed of the Chief Justice of the Supreme Court, who serves as Chairman, the Presiding Judge of the Court of Criminal Appeals, the Presiding Judges of the nine Administrative Judicial Regions, the President of the Texas Judicial Council, and one lawyer appointed by the Governor. Because no provisions were made to provide a staff or administrative support for this Board, the Supreme Court directed the state Office of Court Administration to provide those functions for the Board.

### Child Support Assistance

For fiscal year 1990, the Attorney General's Office allocated \$120,000 for the Regional Judges expenses in administering the Title IV-D program and additional amounts as necessary to pay the salaries and expenses of Child Support Masters employed by

various counties - all matched by Federal Title IV-D funds.

The State Board of Regional Judges for Title IV-D Account met fourteen times during the period September 1, 1989, to August 31, 1990. The Office of Court Administration, in its capacity as the secretariat of this Board, scheduled the meeting rooms, provided research material and agenda books for the meetings, and supplied the necessary administrative and support staff for these meetings.

The Office of Court Administration was appropriated \$52,136 in General Revenue Funds for Child Support Enforcement Assistance during fiscal year 1990. The focus of this program is to develop and implement an automated system to support enforcement responsibilities of the State Board of Regional Judges for Title IV-D Account, Title IV-D Masters and the individual courts. The system is designed to enable the special IV-D masters and court clerks to maintain an adequate case management system for all IV-D cases and to communicate child support enforcement information between their offices and the trial courts in their regions. Further enhancements to this system are contemplated to increase the effectiveness of the system. The office also provided training in the use of the automated systems to the Special IV-D Masters and their administrative assistants.

### Support to Other Agencies

The Office provides information on the Texas Judicial System and court activities to many other state agencies and professional organizations whose work requires a knowledge of the workings of the judiciary and to many individual citizens. It maintains contact with the state court administrative offices of other states; the American Judicature Society, the National Center for State Courts, and other national organizations, to keep abreast of new developments in the administration of justice in other states and to provide them with information on the Texas Judicial System.

### County Bail Bond Reports

The 67th Legislature enacted Senate Bill 727, relating to the regulation of bail bondsmen, which became effective August 31, 1981. Section 5 of the statute (Article 2372p-3, Vernon's Texas Criminal Statutes) automatically creates a county bail bond board in counties having a population of more than 110,000 and authorizes other counties, at their option, to create a county bail bond board. Section 5(f)(8) provides that it will be the duty of the county bail bond boards:

"To file reports and furnish information on the operation of the bonding business in the county at the request of the Texas Judicial Council which shall report annually to the Governor and the Legislature on or before December 1 of each year on the operation of the bonding business in the state."

Since the enactment of that legislation this office has developed and implemented an annual reporting system and has prepared and submitted eight Annual Reports to the Governor and Legislature as required by law during the period covered by this report. Because of the low response of counties to the request for information, a valid summa-

ization of the bonding business statewide could not be made. Because of this low response the Office of Court Administration has again recommended that either enforcement provisions be enacted to ensure compliance with the reporting request or that this statute be repealed.

# ADVISORY OPINIONS ON JUDICIAL ETHICS

Rendered by the Judicial Ethics Committee

During the Year Ending August 31, 1990

The Judicial Section of the State Bar of Texas has appointed a Committee on Judicial Ethics to render advisory opinions on the Code of Judicial Conduct. The opinions of this committee that were handed down during the fiscal year 1990 are reproduced below.

## Meeting With County Commissioners Concerning County Cases Opinion No. 133 (1990)

**FACTS ASSUMED:** A Commissioners Court developed a concern about a judge's impartiality in eminent domain cases and about behavior of the judge "which may indicate a prejudice" against the County. Two members of the Commissioners Court requested a meeting with the judge to make the judge aware of this concern before public Commissioners Court discussion or action. No pending or future case would be discussed.

**QUESTION:** Should a judge meet with County Commissioners to discuss previous decisions in cases in which the County was a party?

**ANSWER:** No. The Committee concludes that such a meeting would be inconsistent with the following provisions of the Code of Judicial Conduct:

The Canon 1 provision that an independent judiciary is indispensable to justice in our society.

The Canon 2A provision that a judge should promote public confidence in the integrity and impartiality of the judiciary. The Committee believes that the proposed private meeting, between a judge and the principal officers of one party to a series of lawsuits, would tend to impair public confidence in the impartiality of the judiciary.

The Canon 2B provision that a judge should not convey or permit others to convey the impression that they are in a special position to influence the judge.

The Canon 3A(1) provision that a judge should be unswayed by partisan interests, public clamor, or fear of criticism.

The Canon 3A(5) provision that a judge shall not directly or indirectly permit private communications concerning the merits of a pending or impending proceeding. The Committee believes that under the circumstances stated a meeting to discuss previous decisions in eminent domain cases would give the appearance of being a meeting concerning decisions in pending or future eminent domain cases.

Although the Supreme Court has abrogated the Code of Judicial Conduct provision [Canon 3A(8)] that a judge shall abstain from public comment about a pending or impending proceeding in any court, the members of this Committee agree that such comments are unethical. By attending such a meeting about previous decisions a judge would give the appear-

ance of accepting an invitation to comment on impending decisions in similar cases.

The Canon 7(2) provision that a judge shall not make pledges or promises regarding judicial duties other than the faithful and impartial performance of the duties of office. The Committee believes that by attending such a meeting a judge would give the appearance of accepting an invitation to give assurance concerning decisions in pending and future eminent domain cases.

## Meeting With Newspaper's Editorial Board Opinion No. 134 (1989)

(Opinion No. 134 was issued during State fiscal year 1989, and was printed in the 1989 Annual Report.)

## Use Of Words "Reelect" And "Keep" In Campaign Material Opinion No. 135 (1990)

**QUESTION:** May a judge, who sought reelection and was defeated, use the words "reelect" or "keep" on campaign material

in a subsequent campaign, against an incumbent, for election to another court?

**ANSWER:** No. The Committee concludes that the use of such words in campaign material would violate the Canon 7(2) provision that any statement of a judicial candidate's record should be such as can withstand the closest scrutiny as to accuracy, candor, and fairness.

## Campaign Bumper Stickers On Judges' Vehicles Opinion No. 136 (1990)

**QUESTION:** May a judge display on the judge's vehicle a bumper sticker supporting a political candidate?

**ANSWER:** No. For the reasons stated in Opinion No. 130 a judge's public endorsement of a candidate for public office violates the Code of Judicial Conduct.

After Opinion 130 was issued, the Texas Supreme Court amended Canon 7(3) so that it now expressly prohibits the public use of a judge's name endorsing another candidate. The Committee concludes that a judge displaying such a bumper sticker would also violate at least the spirit of this new Canon 7(3) provision, because a judge cannot realistically separate the prestige of judicial office from the judge's personal affairs. See opinion No. 73.

# COURT ACTIVITY: SUMMARIES AND ANALYSIS

VICTORIA COUNTY COURTHOUSE  
VICTORIA, TEXAS

## CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. These statistics do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Regarding appellate courts, temporary emergencies such as illness of a judge or unusually burdensome cases may distort the statistical picture. In addition, there is no reliable way to ascertain the time spent by appellate or trial judges in study or research in the composing of their opinions and decisions.

At least three factors are not represented in the district court statistics presented and should be borne in mind when evaluating judicial output:

1. One very complicated case may consume an inordinate amount of time compared to less complicated cases.
2. The judges of district courts in most non-metropolitan areas spend more time traveling between different counties comprising a single district than do their metropolitan counterparts, and a metropolitan complex of many judges of identical jurisdiction permits judicial efficiencies not available in non-metropolitan areas.
3. Judges have to spend many hours on administrative matters and other judicial functions not reported in this statistical report, e.g., preparing and submitting the necessary budget requests for the operation of the court to the county commissioners, impaneling grand juries, managing petit jury requirements, supervising the Adult Probation and County Auditors departments, handling juvenile board duties and responsibilities, and performing many other duties not related to their judicial functions.

The county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, as a result of their official position, many of these judges have nonjudicial responsibilities in the community which are not reflected in these statistics.

The court activity in this report contains the reported activity from all district and county level courts as reported to this office by the district and county clerks; however, not all justices of the peace and municipal courts have reported their activity. Therefore, when analyzing the court activity of these courts, it is important to note that the reported activity does not reflect all of the activity of all of the justices of the peace or municipal courts.

# TEXAS COURT ACTIVITY

## Overview of Activity for the Year Ending August 31, 1990

### APPELLATE COURTS

#### Supreme Court

The 866 applications for writs of error filed during fiscal year 1990 represented a 5.5 percent increase from the 821 applications filed in fiscal year 1989, but was 4 percent less than the 10-year average of 902.

The Court "passed on" (disposed of or otherwise acted upon) a total of 2,742 matters during fiscal year 1990, an increase of 7 percent over the 2,563 matters passed on in fiscal year 1989.

During the fiscal year 1990, the justices of the Supreme Court wrote 187 opinions (or an average of 21 opinions each), 7 percent less than the 174 opinions written in fiscal year 1989 and 3.6 percent more than the 10-year average of 177.

#### Court of Criminal Appeals

The 405 cases added to the docket of the Court of Criminal Appeals in fiscal year 1990 represent a decrease of 41 percent from the 696 cases added during fiscal year 1989, which ended August 31, 1989.

The Court disposed of 440 cases considered on their merits, compared to 981 such dispositions in fiscal year 1989. In 1990 those 440 dispositions represented 58 percent of all cases on the docket (that is, cases filed during the year or carried over from previous years). In fiscal year 1989, this disposition rate was 56 percent.

#### Courts of Appeals

The Courts of Appeals disposed of 8,134 total cases during the year, an average of 102 dispositions (51 criminal and 51 civil) per justice. The pending caseload increased from 6,198 at the beginning of the fiscal year to 6,393 at the end of the year.

A total of 8,062 cases was filed in the Courts of Appeals during the fiscal year, which included 4,080 criminal cases and 3,982 civil cases. This was an increase of 2.7 percent from the 8,281 total new cases filed in fiscal year 1989. New criminal cases decreased 7.4 percent from the 4,403 filed in fiscal year 1989 and civil cases increased 2.7 percent from the 3,878 filed in fiscal year 1989.

The average lapse of time between the filing of a civil case in a Court of Appeals and its disposition ranged from 5.7 months in the Eighth Court of Appeals in El Paso to 10.9 months in the Ninth Court of Appeals in Beaumont. The average lapse of time in the 14 courts for civil cases was 7.7 months.

The average lapse of time between the filing of a criminal case in a Court of Appeals and its disposition ranged from .6 months in the Seventh Court of Appeals in Amarillo to 4 months in the Second Court of Appeals in Fort Worth. The average lapse of time for the 14 courts was 1.8 months.

In fiscal year 1990, the justices of the Courts of Appeals wrote 7,511 opinions, 6.1 percent less than the 7,993 written in 1989.

### TRIAL COURTS

#### District Courts

Twenty-nine death sentences (compared to 39 in 1989) and 464 life sentences were assessed in the district courts during the year. Of the 188,730 criminal cases disposed by the district courts of Texas, 38 percent were disposed of in a period of less than two months from the date of indictment or information, 12 percent took two to three months, 9 percent took three to four months, and 41 percent took over four months.

New filings in criminal cases increased 5.1 percent in the ten urban counties during fiscal year 1990 as compared to 1989. This compares to an increase of 5.7 percent in criminal filings for all other counties of the State. Criminal filings increased in seven of the ten urban counties: Harris (8.5 percent), Dallas (2 percent), Bexar (11.7 percent), El Paso (18.7 percent), Travis (12 percent), Hidalgo (24.1 percent), and Jefferson (35 percent). Criminal cases filed decreased in Tarrant County (8.5 percent), Nueces (13.4 percent), and Lubbock (9.1 percent).

Civil cases accounted for 69.9 percent of all new cases filed during the fiscal year. The largest segment of civil cases filed (31 percent of new civil filings) were divorce actions.

During the fiscal year, the district courts disposed of 49.2 percent of the total cases on their dockets (added during the year or carried over from the previous year), compared to 49.7 percent in 1989.

District courts handled 2.3 percent less divorce actions during 1990 than during 1989. During the fiscal year, 118,115 divorce cases, or 26.4 percent of all disposed civil (non-juvenile) cases, were handled by district courts. Some 16.5 percent of divorce cases were dismissed.

The total number of civil cases pending in the district courts on August 31, 1990, was 517,044, or 2.7 percent more than the 503,421 pending on September 1, 1989. Criminal cases pending increased 8.4 percent, from 129,325 to 140,226.

#### County-Level Courts

During the twelve-month reporting period, the county-level courts of the State disposed of 46.4 percent of the 1,212,060 total criminal, civil, and juvenile cases on their dockets (added during the year or carried over from the previous year).

From the number of cases reported, criminal cases constituted 72.3 percent (456,966) of the 631,670 new cases filed or appealed from lower courts. Civil cases accounted for 15 percent (94,725), probate cases represented 8.8 percent (55,385), and mental health cases represented 3.4 percent (21,760). New juvenile cases filed were 0.5 percent (2,834) of the total.

Total cases pending on the dockets of the county-level courts increased 3.2 percent from 629,652 on September 1, 1989, to 649,721 on August 31, 1990.

## Analysis of Activity for the Year Ending August 31, 1990

The Supreme Court of Texas is the highest State court for civil appeals and promulgates rules of administration and civil procedure for the courts of Texas. It is comprised of the Chief Justice and eight justices.

The Court "passed on" (disposed of or otherwise acted upon) a total of 2,742 matters during fiscal year 1990, an increase of 7 percent from the 2,563 matters passed on in fiscal year 1989.

### REGULAR CAUSES

The 158 regular causes added to the Court's docket were 12 percent more than the 141 regular causes added in fiscal year 1989.

The 154 regular causes disposed of were 11.5 percent more than the 138 disposed of in fiscal year 1989 and 17.6 percent more than the 10-year average of 131. Of the regular causes disposed of during 1990, 116 came to the Court on applications for writs of error from the 14 Courts of Appeals. Of those 116 dispositions, the lower courts were reversed in whole or in part in 95 causes, or 82 percent. This compares to 89 percent reversals in fiscal year 1989.

The 64 regular causes (including motions for rehearing) left pending at the end of fiscal year 1990 represented 29 percent of the total number of regular causes added during the year or carried over from the previous year. This is 12 causes higher than the 10-year average of 52 pending causes. At the end of fiscal year 1989, 60 regular causes had been pending in the Court.

### APPLICATIONS FOR WRITS OF ERROR

The 866 applications for writs of error filed during fiscal year 1990 represented a 5.5 percent increase from the 821 applications filed in fiscal year 1989, but was 4 percent less than the 10-year average of 902.

The 876 applications for writs of error disposed of during the year was 12.2 percent more than the 781 disposed of during fiscal year 1989, but 1.2 percent lower than the 10-year average of 887. Of

the 876 applications disposed of, 84 (or 9.6 percent) were granted.

The 343 applications for writs of error left pending at the end of fiscal year 1990 represented 28 percent of the total number of such applications filed during the year or carried over from the previous year. This is 81 more pending applications than the 10-year average of 262 pending applications. At the end of fiscal year 1989, 353 applications for writs of error had been pending in the Court.

### OTHER WRITS AND MOTIONS

The 780 other writs and motions filed during fiscal year 1990 were 19.8 percent more than the 651 filed during fiscal year 1989. (This does not include miscellaneous motions such as motions for extension of time, etc., which are often not docketed as separate causes.) This is 18.2 more than the 10-year average of 660 other writs and motions filed.

The 775 other writs and motions disposed of during fiscal year 1990 were 17.2 percent more than the 661 disposed during fiscal year 1989. This is 121 more dispositions than the 10-year average of 654 dispositions.

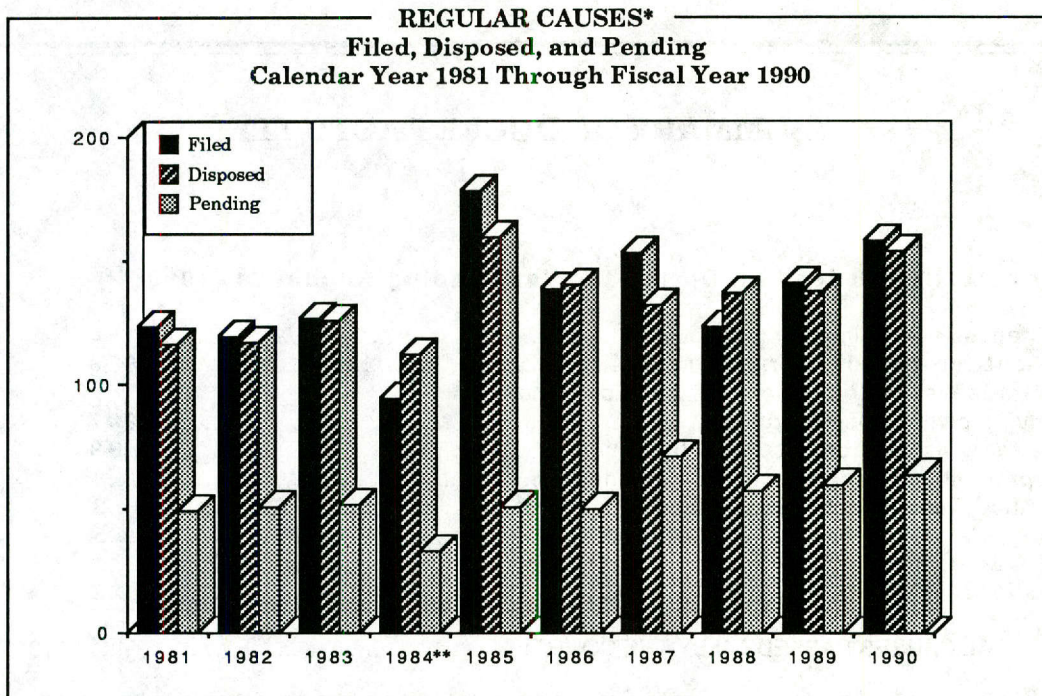

The 118 other writs and motions left pending by the Court at the end of fiscal year 1990 represented 13.7 percent of the total number of other writs and motions filed during the year or carried over from the previous year. At the end of fiscal year 1989, 113 other writs and motions had been pending in the Court.

### OPINIONS WRITTEN

During fiscal year 1990, the justices of the Supreme Court wrote 187 opinions (or an average of 21 opinions each), 7.5 percent more than the 174 opinions written in fiscal year 1989 and 5.6 percent more than the 10-year average of 177. Of the opinions written in 1990, 102 (or 55 percent) were deciding opinions which disposed of causes.

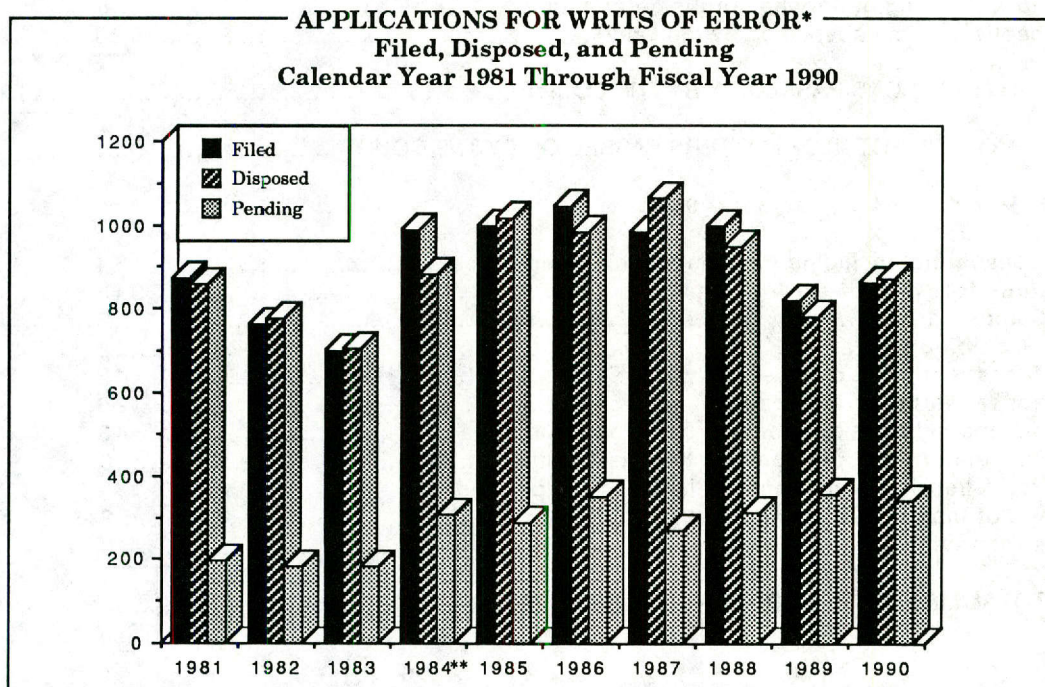

During fiscal year 1990, the Supreme Court heard oral argument of 102 causes and considered an additional 35 causes submitted on briefs.

# SUPREME COURT

\*Regular Causes are regular appeals or original actions pending before the court. Normally, they reach this status when a Writ of Error is granted in the cause. Petitions for Original Mandamus and Habeas Corpus, which are not disposed of upon initial review, and in which the petition is granted, may also become regular causes.

\*\*1984 and following are fiscal years; all previous are calendar years.

\*An Application for Writ of Error is a request filed by one of the parties, requesting the Supreme Court to review the judgment of a Court of Appeals. If four or more of the nine justices concur the writ is granted and the cause is scheduled for argument before the court.

\*\*1984 and following are fiscal years; all previous are calendar years.

\*\*"Regular Causes" are reported in a separate category because they are the cases which pass through most, if not all, of the steps of the regular appellate decision-making process. Regular causes are cases in which oral argument of counsel in open court is received (unless waived) and in which the Court's decision is usually reported in a written opinion. Most are reviewed in conference by the Supreme Court, before oral argument and decision, upon application for writ of error, with four or more of the justices voting that the decision of the Court of Appeals was erroneous and that the writ therefore should be granted. A similar procedure is followed regarding petitions for original mandamus and habeas corpus, which become "Regular Causes" only after review and vote in conference of an application for writ of error or application to file a petition for original mandamus or habeas corpus. This category is obviously larger than that of regular causes.

# COURT OF CRIMINAL APPEALS

## Analysis of Activity for the Year Ending August 31, 1990

The Court of Criminal Appeals is the highest State court for criminal appeals and is composed of a Presiding Judge and eight judges. Additionally, pursuant to Section 22.106 of the Texas Government Code, special commissioners may be designated to aid and assist the court as needed.

Until September 1, 1981, the Court of Criminal Appeals received all criminal cases appealed from the district and county-level trial courts of the State. On that date, a constitutional amendment and implementing legislation became effective

which conferred on the 14 Courts of Appeals intermediate appellate jurisdiction in all criminal cases except those in which the death penalty was assessed. Appeal of death penalty cases remains direct to the Court of Criminal Appeals.

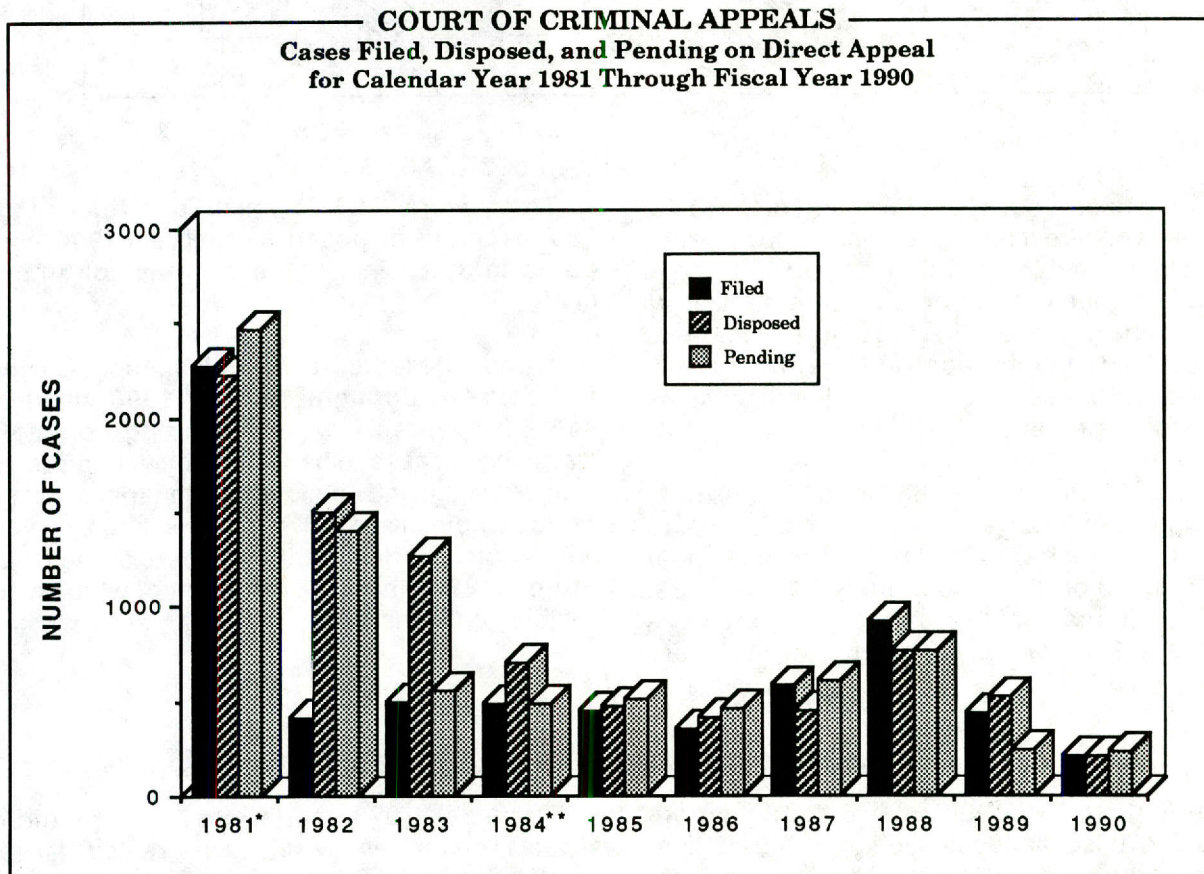

Decisions of the Courts of Appeals in criminal cases may be appealed to the Court of Criminal Appeals by petition for discretionary review, filed either by the State, or the defendant, or both. In addition, the Court may review a decision on its own motion.

### MATTERS ADDED TO THE DOCKET

During the State fiscal year 1990 which ended August 31, 1990, 405 cases were added to the docket of the Court of Criminal Appeals, of which 202 were cases where discretionary review was granted by the Court and 203 were direct appeals, death penalty appeals, writs of habeas corpus granted, and extraordinary writs. Death penalty

appeals in fiscal year 1990 numbered 42, compared to 33 in fiscal year 1989.

The 405 cases added in fiscal year 1990 represent a decrease of 42 percent from the 696 cases added during fiscal year 1989.

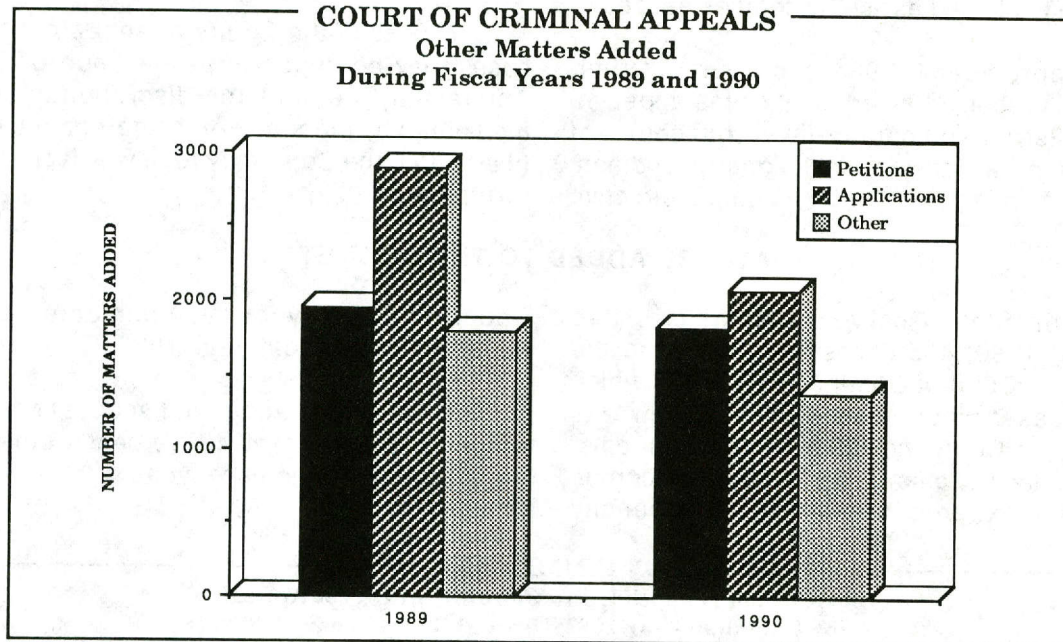

\* Includes cases transferred to the Courts of Appeals which acquired intermediate appellate criminal jurisdiction in 1981.

\*\*1984 and following are fiscal years; all previous are calendar years.

## OTHER MATTERS ADDED

The Court had 1,380 petitions for discretionary review filed during fiscal year 1990, 412 less than the number filed during the previous year. Petitions for discretionary review were received from 125 counties, with 48 percent of them originating from Harris or Dallas Counties.

Applications for writs of habeas corpus filed during the year totalled 2,078, a 30 percent decrease from the 2,985 filed in fiscal year 1989. Also, 1,824 other motions or applications were handled by the Court, a 7 percent decrease from the 1,955 considered the previous year.

## RATE OF DISPOSITIONS INCREASES

During fiscal year 1990, the Court disposed of 202 cases on direct appeal, compared to 525 such dispositions in fiscal year 1989. In 1990, those 202 dispositions represented 48 percent of all cases on the docket on direct appeal, that is, cases filed during the year or carried over from previous years. In fiscal year 1989, this disposition rate was 69 percent.

In fiscal year 1990, 1,352 petitions for discretionary review were disposed, 202 (or 15 percent) of which were granted. The remainder were refused or dismissed. In fiscal year 1989, 2,107 petitions for discretionary review were disposed, 246 (or 12 percent) of which were granted.

There were 2,285 applications for writs of habeas corpus disposed in fiscal year 1990, compared to 3,281 in 1989, a decrease of 30 percent.

Judges of the Court of Criminal Appeals wrote 561 opinions during fiscal year 1990, of which 440 (76 percent) were "deciding" opinions disposing of cases. The remainder were dissents, concurrences, and opinions on rehearings. Of the deciding opinions, 170 were signed and 270 were per curiam. During 1989, members of the Court wrote 1,133 opinions, 87 percent of which were deciding opinions.

## TOTAL PENDING CASELOAD DECREASES

On August 31, 1990, 1,278 total matters (excluding miscellaneous motions and applications) were pending in the Court of Criminal Appeals. This represented a decrease of 21 percent from the 1,615 matters pending on August 31, 1989.

Of these 1,278 matters, 224 were direct appeals, death penalty appeals, granted habeas corpus writs, and extraordinary writs, 270 were granted discretionary review cases, 466 were petitions for discretionary review, and 318 were applications for writs of habeas corpus

# COURTS OF APPEALS

## Analysis of Activity for the Year Ending August 31, 1990

There are 14 Courts of Appeals in Texas which, since September 1, 1981, have heard intermediate appeals in civil and criminal cases.

Courts of Appeals are located in Fort Worth, Austin, San Antonio, Dallas, Texarkana, Amarillo, El Paso, Beaumont, Waco, Eastland, Tyler, Corpus Christi, and Houston. Houston has two Courts of Appeals. Each court has jurisdiction over a geographical district.

The number of justices for each court ranges from 3 each in five courts to 13 in Dallas, which is the largest. There are 80 justices statewide.

### PENDING CASELOADS INCREASED AGAIN

For the fourth consecutive year, total pending caseloads of the 14 Courts of Appeals increased during the State fiscal year which ended August 31.

The pending caseload increased from 6,198 at the beginning of the fiscal year 1990 to 6,393 at the end of the fiscal year.

From calendar year 1974 through 1982, the total pending caseload of the Courts of Appeals grew larger each year as more cases than the courts were

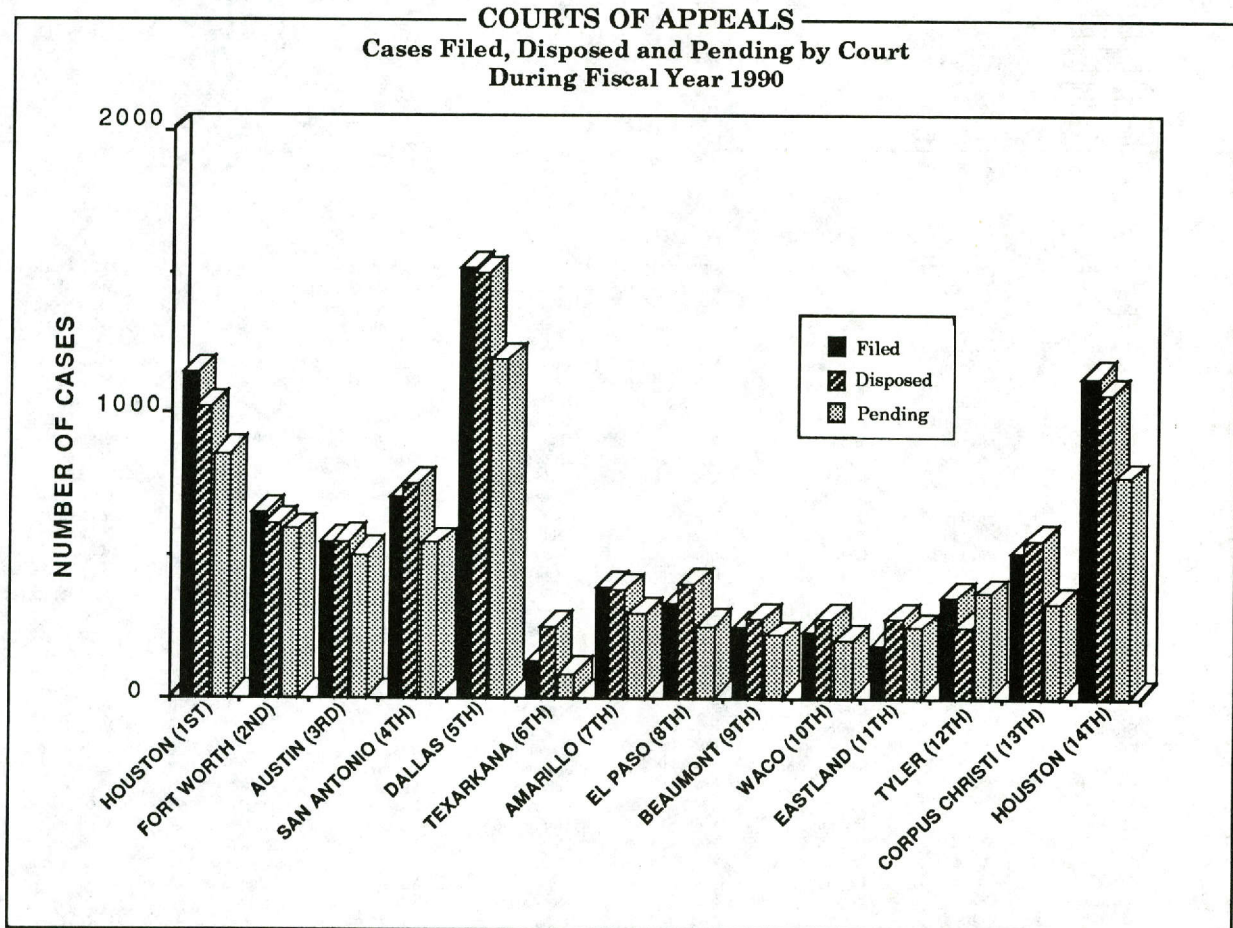

able to dispose of were added. On December 31, 1982, there were 6,816 total cases pending in the Courts of Appeals.

The trend was broken in calendar year 1983 when a surge in criminal dispositions reduced the total pending caseload by year's end. In fiscal year 1984, civil and criminal caseloads were reduced during the year.

In fiscal year 1985, the civil caseload was reduced and the criminal caseload increased slightly. In fiscal year 1986, pending civil and criminal caseloads were again reduced.

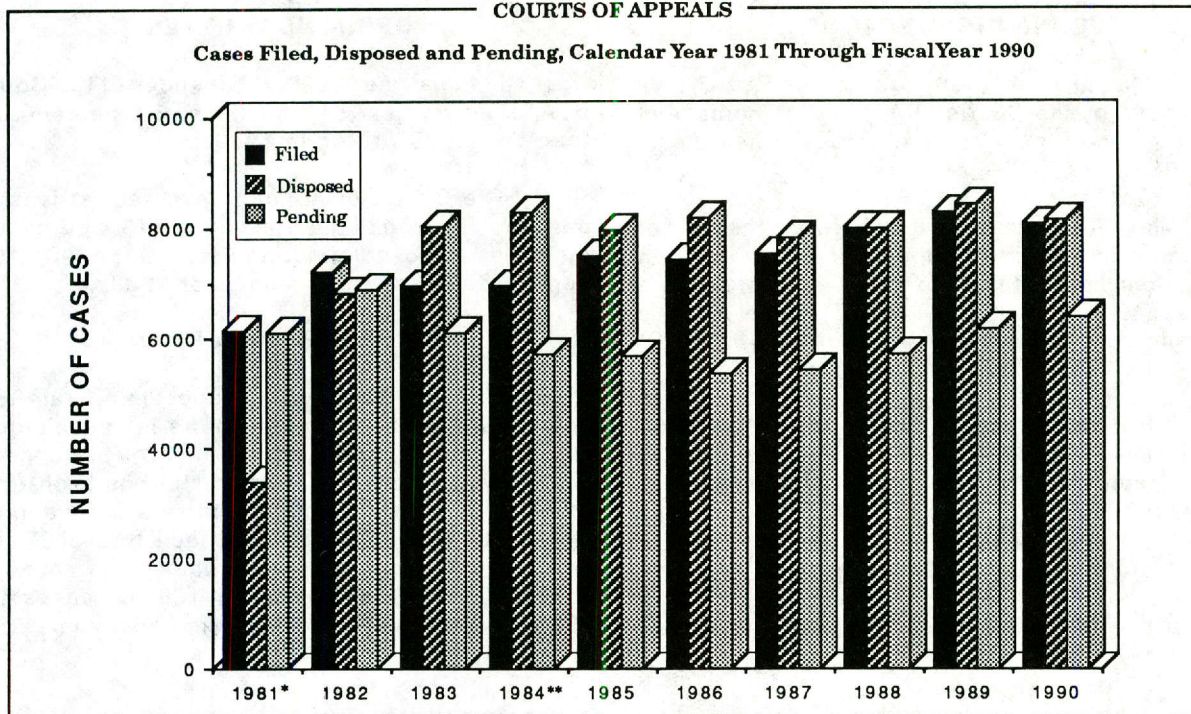

The Courts of Appeals had 3,720 criminal cases and 2,478 civil cases pending as of September 1, 1989. On August 31, 1990, 3,848 criminal cases and 2,545 civil cases were pending. The State average for pending cases at year's end was 80 per justice. This compares to the 1982 high of 86 pending cases per justice.

Of the 3,848 criminal cases pending in the Courts of Appeals at the end of fiscal year 1990, 51 percent had been on the docket less than 6 months, 33 percent from 6 to 12 months, and 16 percent more than 12 months.

## COURTS OF APPEALS

**Cases Filed, Disposed and Pending, Calendar Year 1981 Through Fiscal Year 1990**

\*Courts of Appeals acquired intermediate appellate criminal jurisdiction in 1981.

\*\*1984 and after are based on state fiscal years; prior years are calendar years.

At the end of fiscal year 1990, 2,545 civil cases were pending on the dockets of the Courts of Appeals, 3.5 percent more than the 2,459 pending on September 1, 1989. Of those civil cases pending on August 31, 1990, 55 percent had been on the docket less than 6 months, 30 percent from 6 to 12 months, and 15 percent for more than 12 months.

The largest number of pending cases per justice (119) at the end of the fiscal year was in the Twelfth Court of Appeals in Tyler. The lowest number per justice (27) was in the Sixth Court of Appeals in Texarkana.

### CASE FILINGS

A total of 8,062 cases was filed in the Courts of Appeals during the fiscal year, which included 4,080 criminal cases and 3,982 civil cases. This was an decrease of 2.7 percent from the 8,281 total new cases filed in fiscal year 1989. New criminal cases decreased 7.4 percent from the 4,403 filed in fiscal year 1989 and civil cases increased 2.7 percent from the 3,878 filed in fiscal year 1989.

Considering civil and criminal cases together, the First Court of Appeals in Houston had the highest average number of new cases filed per justice (127) during fiscal year 1990. The other courts ranged down to 42 cases per justice filed in the Sixth Court of Appeals in Texarkana. State average filings were 101 per justice.

Approximately 28 percent of all new cases filed in a Court of Appeals in Texas in fiscal year 1990 were filed in one of the two Courts located in Houston.

Approximately 19 percent of all cases filed in the State were filed in the Fifth Court of Appeals in Dallas.

### DISPOSITIONS

The Court disposed of 8,134 total cases during the year, an average of 102 dispositions (51 criminal and 51 civil) per justice.

The Fourteenth Court of Appeals in Houston disposed of the largest total number of cases per justice (119) during fiscal year 1990. The lowest number per justice (81) was in the Twelfth Court of Appeals in Tyler. State average dispositions were 102 per justice.

### CRIMINAL DISPOSITIONS

Criminal dispositions increased 11.7 percent from 4,627 dispositions in fiscal year 1989 to 4,087 dispositions in fiscal year 1990.

The average lapse of time between the filing of a criminal case in a Court of Appeals and its disposition ranged from 7.4 months in the Seventh Court of Appeals in Amarillo to 12.6 months in the Second Court of Appeals in Fort Worth. The average lapse of time for the 14 courts was 10 months.

The average lapse of time between submission of a criminal appeal and its disposition ranged from 0.6 of a month in the Seventh Court of Appeals in Amarillo to 4 months in the Second Court of Appeals in Fort Worth. The average lapse of time for the courts was 1.8 months.

## CIVIL DISPOSITIONS

In fiscal year 1990, there were 4,047 civil dispositions by the Courts of Appeal, an increase of 6.9 percent over the 3,789 civil dispositions in fiscal year 1989.

The average lapse of time between the filing of a civil case in a Court of Appeals and its disposition ranged from 5.7 months in the Eighth Court of Appeals in El Paso to 10.9 months in the Ninth Court of Appeals in Beaumont. The average lapse of time in the 14 courts for civil cases was 7.7 months.

The average lapse of time from the submission of a civil case to the court and its disposition ranged from 0.8 months in the Eighth Court of Appeals in El Paso to 3.8 months in the Third Court of Appeals in Austin. The average lapse of time for the 14 courts was 2.1 months. A case is "submitted" when the court hears oral argument or when it is referred to the justices for formal consideration if no oral argument is heard.

## OPINIONS WRITTEN

In fiscal year 1990, the justices of the Courts of Appeals wrote 7,511 opinions, 6.1 percent less than the 7,993 written in 1989.

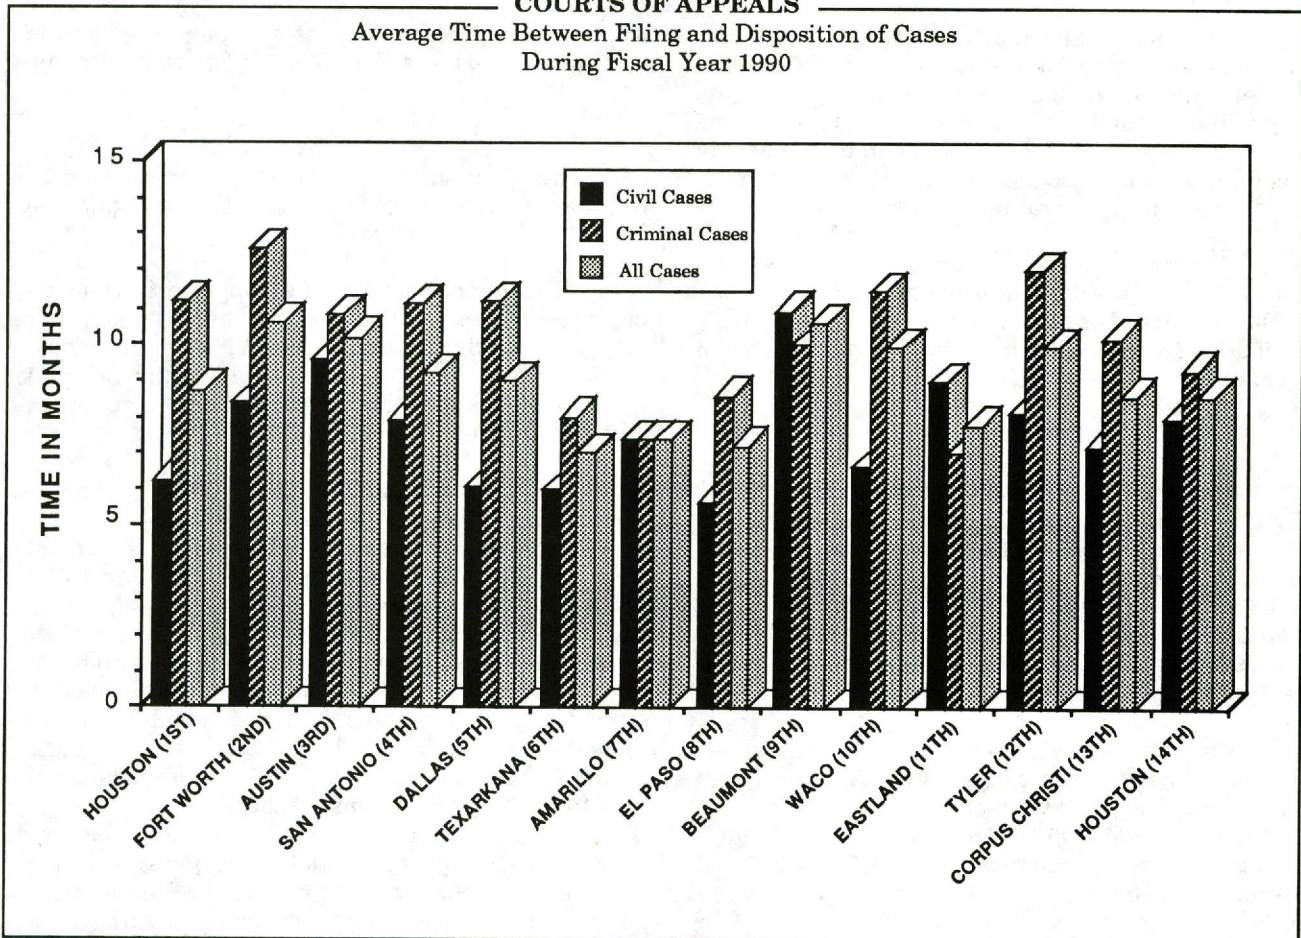

The Courts of Appeals reversed, at least in part, the decision of the trial court in 13.4 percent of the cases disposed of during fiscal year 1990, a 0.5 percent decrease from fiscal year 1989.

## CASES TRANSFERRED

While the 14 Courts of Appeals operate to a large extent as autonomous courts in specific geographic districts, some equalization of the dockets occurs by transfer of cases among the courts on order of the Supreme Court, pursuant to statutory authority. The Supreme Court transferred a total of 27 civil cases and 130 criminal cases among the courts in fiscal year 1990, compared with 188 civil cases and 276 criminal cases transferred in fiscal year 1989.

## Analysis of Activity for the Year Ending August 31, 1990

### NEW CASES FILED

The 384 district courts (386 as of September 1, 1990) in the State experienced a 3 percent increase in new cases filed during the reporting year, up to 555,105 from 538,788 in 1989. The number of new criminal cases filed increased 4.9 percent above 1989, civil cases increased 2.2 percent, and juvenile cases increased 7.3 percent.

Civil cases accounted for 387,896, or 69.9 percent of all new cases filed during the fiscal year. The largest segment of civil cases filed (31 percent of new civil filings) were divorce actions. Of the civil cases filed, damages and personal injury cases (including worker's compensation) comprised 13 percent, tax cases comprised 23 percent, and disputes over debts comprised 7.7 percent.

Juvenile cases (Title 3 of the Texas Family Code) accounted for 11,980, or 2.2 percent of the total cases filed in the district courts.

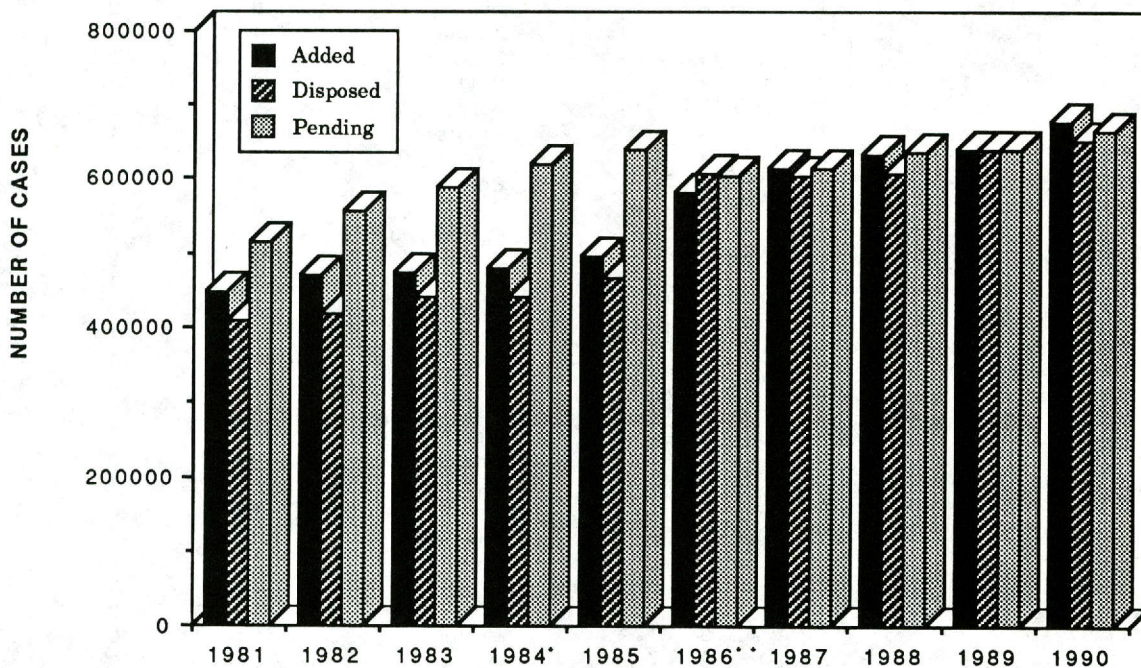

Criminal cases constituted 155,229, or 27.9 percent of the total new cases filed during the year. Of the criminal cases, 16.5 percent involved a charge of theft (including auto theft), 18 percent burglary, 4.8 percent robbery, 1.2 percent homicide (including capital murder), 10.3 percent assault (including sexual assault of a child and of an adult), 4.6 percent felony DWI, 26 percent drug offenses, and 2.8 percent were misdemeanor cases. Of the criminal cases filed in the district court, 14 percent were by information, and 86 percent were by indictment.

### URBAN FILINGS

The number of all categories of cases added to the docket in the ten Texas counties with populations over 210,000 increased 16,612 cases in State fiscal year 1990 over the number of filings during 1989. In all other counties, the number of cases filed increased 4.1 percent. These ten large-population counties (Harris, Dallas, Bexar, Tarrant, El Paso, Travis, Hidalgo, Nueces, Jefferson, and Lubbock) had ap-

proximately 54 percent of the State's population and 58.7 percent of the total cases added during the fiscal year.

Total case filings decreased in Dallas County (30 percent), Tarrant County (7.9 percent), Travis County (4.3 percent), and Nueces County (1.1 percent). Increases in total filings occurred in the counties of Harris (16.5 percent), Bexar (5.2 percent), El Paso (7.1 percent), Hidalgo (15.3 percent), Jefferson (12.2 percent), and Lubbock (1.4 percent).

New filings in criminal cases increased 5.1 percent in the ten urban counties during fiscal year 1990 as compared to 1989. This compares to an increase of 5.7 percent in criminal filings for all other counties of the State. Criminal filings increased in seven of the ten urban counties: Harris (8.5 percent), Dallas (2 percent), Bexar (11.7 percent), El Paso (18.7 percent), Travis (12 percent), Hidalgo (24.1 percent), and Jefferson (35 percent). Criminal cases filed decreased in Tarrant County (8.5 percent), Nueces (13.4 percent), and Lubbock (9.1 percent).

Civil case filings increased 4.1 percent in the most populous counties, and increased 1.5 percent in the remaining counties of the State. Seven counties reported increases in civil filings: Harris (20.6 percent), Bexar (3.3 percent), El Paso (.01 percent), Hidalgo (13.1 percent), Nueces (3.8 percent), Jefferson (6.9 percent), and Lubbock (6.8 percent).

Counties reporting decreases in civil filings were Dallas (6.3 percent), Tarrant (7.6 percent), and Travis (10 percent).

### DISPOSITIONS

During the fiscal year, the district courts disposed of 49.2 percent of the total criminal and civil cases on their dockets (added during the year or carried over from the previous year), compared to 49.7 percent in 1989. The district courts in the ten counties with populations over 210,000 disposed of 52 percent. In all other counties of the State, 46 percent were disposed. Statewide, 57.4 percent of the criminal cases and 46.4 percent of the civil cases on the dockets were disposed of during the year.

In the ten urban counties the disposition rate of criminal cases averaged 59 percent, ranging from 71 percent in Dallas County to 41.4 percent in Hidalgo County. The disposition rate of criminal cases in counties under 210,000 averaged 55 percent of those on the docket.

Comparable figures for civil cases show an average disposition rate of 49.2 percent in the ten urban counties and a 43 percent disposition rate in the rest of the state. The range in the ten urban counties was from 61 percent in Dallas County to 40 percent in Travis County.

An average of 1,666 cases per judge state-wide were disposed of during the year, compared with 1,702 per judge during 1989.

Of all civil cases disposed, 28 percent were by non-jury trials, and approximately 57.6 percent of these non-jury trials were in divorce cases. Of the civil cases disposed, 11.4 percent were family law (show cause) dispositions. Of all civil cases, 14.9 percent were dismissed for want of prosecution, and 16.1 percent were dismissed at the request of the plaintiff.

The defendant entered a plea of guilty in 45.9 percent of the criminal cases disposed. Including these pleas, the defendant was convicted in 48.1 percent of the cases and acquitted in less than one percent. In 13 percent of the criminal dispositions, the defendant was placed on deferred adjudication. Dismissals accounted for 16.3 percent of disposed cases. Of these dismissals, 12.5 percent were because of insufficient evidence, 13.2 percent were because the case was refiled, and 27.4 percent because the defendant was convicted of another case.

In the cases in which the defendant pleaded not guilty and which were disposed of by jury verdicts, the defendant was found guilty in 83 percent of the cases and was acquitted in 17 percent. In trials before the judge alone on not-guilty pleas, convictions resulted in 65.3 percent of the cases and acquittals in 34.7 percent.

Among the criminal cases, the highest rate for disposition by conviction was the category of felony driving while intoxicated (DWI) with 72 percent by convictions. The highest rate of disposition by dismissal was of capital murder with 40.6 percent. The lowest rate of dismissal was for felony DWI with 8.7 percent.

#### DISPOSITION RATES

Of the 188,730 criminal cases disposed by the district courts, 38 percent were disposed of in a period of less than two months from the date of indictment or information, 12 percent took two to three months, 9 percent took three to four months, and 41 percent took over four months.

Of juvenile cases handled by the district courts, a finding of delinquent conduct or conduct indicating a

need for supervision (CINS) was entered in 60.7 percent of the cases disposed. In 1.3 percent of the cases, the juvenile was found not to have engaged in the proscribed conduct.

District courts handled 2.3 percent less divorce actions during 1990 than during 1989. During the fiscal year, 118,115 divorce cases were disposed of — 26.4 percent of all civil (non-jvenile) cases handled by district courts. Some 16.5 percent of divorce cases were dismissed.

Tax cases tend to stay on the docket for long periods of time compared to other categories of cases. This fiscal year, 33 percent of the tax cases filed during the year or carried over from the previous year were disposed of by the district courts as compared to 35 percent in fiscal year 1989. Over 62 percent of tax case dispositions were either dismissed for want of prosecution or by the plaintiff.

District courts disposed of 1.3 percent less personal injury-type cases during 1990 than during 1989. More than 31.2 percent of the personal injury-type ended in agreed judgments, and 21.5 percent were dismissed by the plaintiff.

Of the 448,360 civil dispositions during the year, the courts disposed of 30.1 percent of the cases in under three months, 17.9 percent in three to six months, 16.5 percent in six to twelve months, 10.7 percent in twelve to eighteen months, and 24.8 percent over eighteen months. Please note that the aging of civil cases is somewhat skewed, because 16,920 show cause motions from Harris county are lumped into the "under three months" category. Harris county has not aged these motions by category since 1985.

#### CASES PENDING

The 517,044 civil cases pending in the district courts on August 31, 1990, were 2.7 percent more than the 503,421 pending on September 1, 1989. Criminal cases pending increased 8.4 percent, from 129,325 to 140,226.

#### DEATH SENTENCES IMPOSED

Twenty-nine death sentences (compared to 39 in 1989) and 464 life sentences were assessed in the district courts during the year.

#### IMPOSITION OF SANCTIONS UNDER RULE 13, T.R.C.P.

Rule 13 of the Texas Rules of Civil Procedure authorizes the imposition of monetary sanctions for the filing of a groundless or fictitious suit or one brought in bad faith or for the purposes of harrassment. In a special survey of district judges, the use of this rule during 1990 was measured. Responding to the survey were 219 of the State's 384 district judges (57%). During the year, these judges reported imposing sanctions in 157 cases, with a total amount charged of \$183,400. The judges estimated that the availability of the sanctions caused parties to abandon an additional 166 suits.

When asked if Rule 13 was serving its purpose of reducing frivolous cases in the courts, 157 (72%) responded that in their opinion it did.

# COUNTY-LEVEL COURTS

## Analysis of Activity for the Year Ending August 31, 1990

The county clerk in each of the 254 counties of Texas is supplied forms by the Judicial Council for reporting the judicial activity in the county-level courts ("constitutional" county courts, county courts at law, and probate courts). For the State fiscal year ending August 31, 1990, the clerks in all 254 counties reported activity all twelve months, for a 100 percent reporting rate.

From the number of cases reported, criminal cases constituted 72.3 percent (456,966) of the 631,670 new cases filed or appealed from lower courts. This figure includes criminal, civil, and juvenile new cases filed and appeals from lower courts, as well as cases filed under probate and mental health. Civil cases accounted for 15 percent (94,725), probate cases represented 8.8 percent (55,385), mental health cases represented 3.4 percent (21,760), and juvenile cases represented 0.5 percent (2,834) of the total.

### DWI CASES TOP CRIMINAL DOCKETS

Concerning the criminal cases only, 22.8 percent of those filed in or appealed to the county-level courts were for driving while intoxicated or under the influence of drugs (DWI/DUID), 21.5 percent were for theft, 4.7 percent for violations of drug laws, 18.9 percent for traffic offenses (71.5 percent of which were cases appealed from justice of the peace or

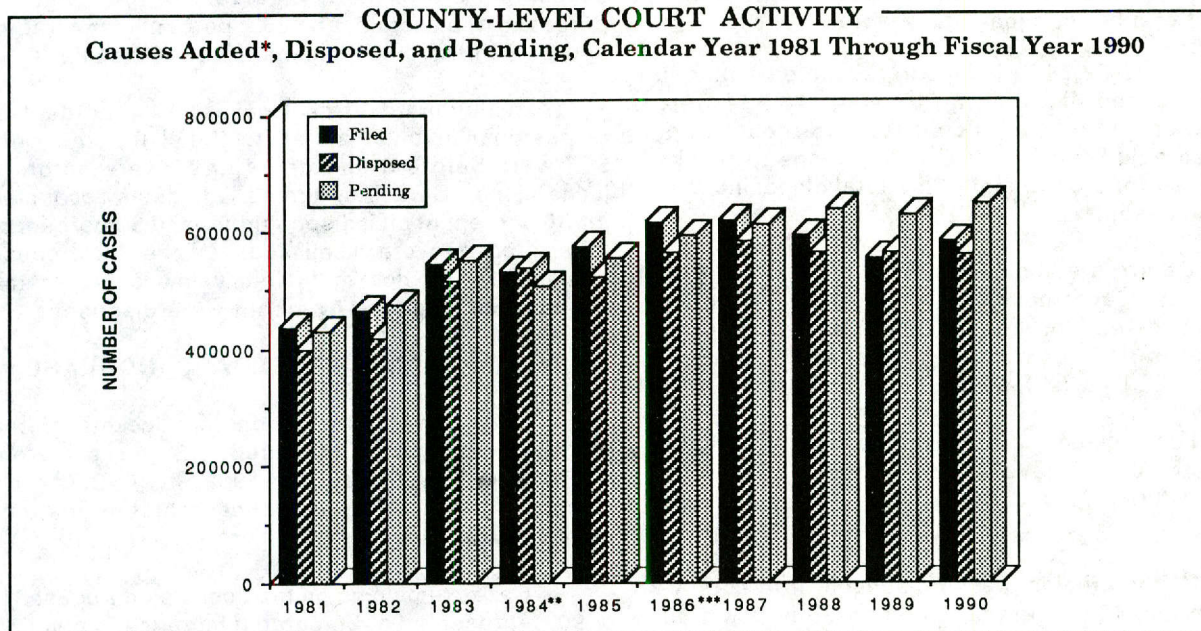

municipal courts), 4.7 percent were for simple assault, and 27.4 percent were for other criminal offenses.

Only 15.2 percent of the total criminal cases added to the county-level court dockets came by way of appeal from justice of the peace or municipal courts rather than being filed originally in the county-level courts or added in another manner.

### DEBT SUITS DOMINATE CIVIL DOCKETS

Of the civil cases filed in or appealed to the county-level courts during the year ending, 52 percent were classified as suits on debt, 13 percent concerned personal injury/damage suits, 5.4 percent were divorce suits, .8 percent were tax suits, 2.7 percent concerned other family matters, and 26.1 percent were other civil cases.

During the twelve-month reporting period, the county-level courts of the State disposed of 46.4 percent of the 1,212,060 total criminal, civil, and juvenile cases on their dockets (added during the year or carried over from the previous year). No statistics on the disposition of probate or mental health cases are recorded. The disposition rate was highest for juvenile cases, with 67 percent. Forty-nine percent of the criminal cases and 36 percent of the civil cases on the docket were disposed.

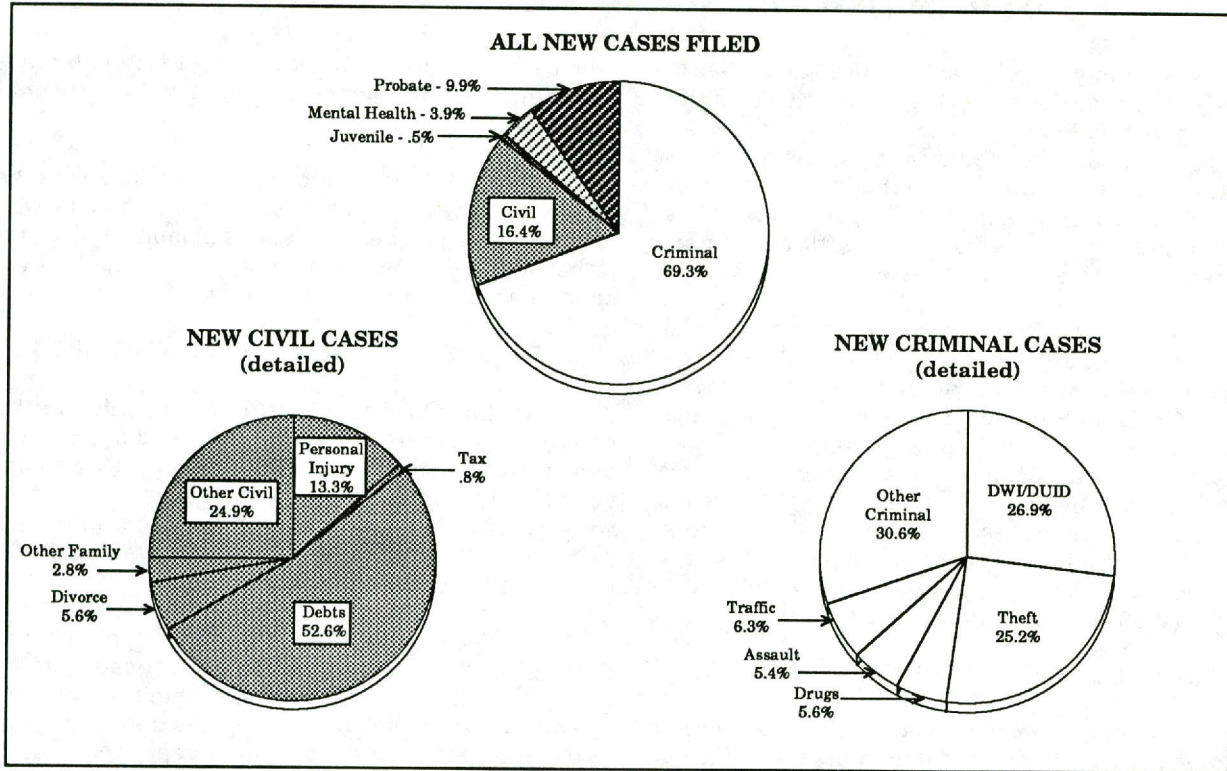

\*Cases added include new criminal, civil and juvenile cases, appeals from lower courts, all motions, and other cases added.

\*\*1984 and following are fiscal years; all previous are calendar years.

\*\*\*Fiscal year 1986 includes, for the first time, show cause motions in civil activity (family law), deferred adjudications in criminal activity, and motions to revoke probation in criminal and juvenile activity.

## COUNTY-LEVEL COURTS

### Categories of Cases Filed\*, Year Ending August 31, 1990

Of the criminal cases on the docket, 56 percent of the drug charges, 52 percent of the DWI/DUID charges, 34 percent of theft charges, 54 percent of assault charges, 58 percent of traffic cases, and 57 percent of other criminal cases were disposed.

Of the 32,816 motions to revoke probation in criminal cases filed during the year, 13,534 were granted and 11,403 were continued on probation or deferred adjudication. Disposed motions to revoke accounted for 5.3 percent of the total dispositions in criminal cases.

Looking at all cases except probate and mental health, the county-level courts disposed of 562,333 cases, while 586,070 cases were added to their dockets.

Of the criminal cases disposed of in county-level courts, 48 percent of the dispositions followed a plea of guilty or nolo contendere. Trials were held in 2.5 percent of the criminal cases disposed of: 9,346 were before the judge alone, and 2,259 were before a jury.

Thirty percent of all criminal dispositions were by dismissal. Within each case category, dismissals accounted for 10.4 percent of the DWI/DUID, 29 percent of the theft, 4 percent of the drug, 5.6 percent of the assault, and 25.4 percent of the traffic, and 25.6 of the other criminal case dispositions.

With regard to civil cases, 14.4 percent of dispositions involved a trial. Of the civil cases tried, 507 were before a jury and 12,496 were before a judge alone. Default or agreed judgments accounted for 36 percent of civil dispositions, and 39 percent of all civil cases were dismissed. Of the show cause motions on the docket in family law cases in the county-level courts, 57 percent were disposed.

#### TOTAL PENDING CASELOADS INCREASE

# JUVENILE COURT ACTIVITY

## Analysis of Activity for the Year Ending August 31, 1990

Section 51.04 of the Texas Family Code provides for the designation of a court or courts in each county as the juvenile court, to hear proceedings under Title 3 of the Family Code. The court designated must be either a district court, criminal district court, county court at law, or constitutional county court. The designation is to be made by the juvenile board in each county, or if there is none, by the judges of the above-mentioned types of courts in the county.

The total statewide activity indicates that during the State fiscal year, about 83 percent of the juvenile cases in the State were handled by district courts and 17 percent were handled by county-level courts (county courts at law or constitutional county courts).

### JUVENILE DISPOSITIONS INCREASE

Statewide, 14,814 new juvenile cases were filed during fiscal year 1990. Motions to revoke probation totaled 1,809. Of the new filings, 14,288 were allegations of delinquent conduct and 526 were for allegations of conduct indicating a need for supervision. The courts disposed of 17,586 cases — 11.8 percent more than in 1989.

Findings of delinquent conduct or conduct indicating a need for supervision (C.I.N.S.) were entered

in 62 percent of the disposed cases. Findings of no delinquent conduct or conduct indicating a need for supervision were entered in 1.1 percent. The remaining juvenile cases were either dismissed or otherwise disposed.

### JUVENILE PROBATIONS INCREASE

Of those children found to be delinquent or in need of supervision, 91.2 percent were placed on formal probation, as compared to 90.7 percent in 1989. Where probations were granted, 8,277 (or 82.5 percent) of the children were placed in the care of their parents; 1,673 (or 16.7 percent) were placed in residential care facilities; and 72 (or .7 percent) were placed with foster parents.

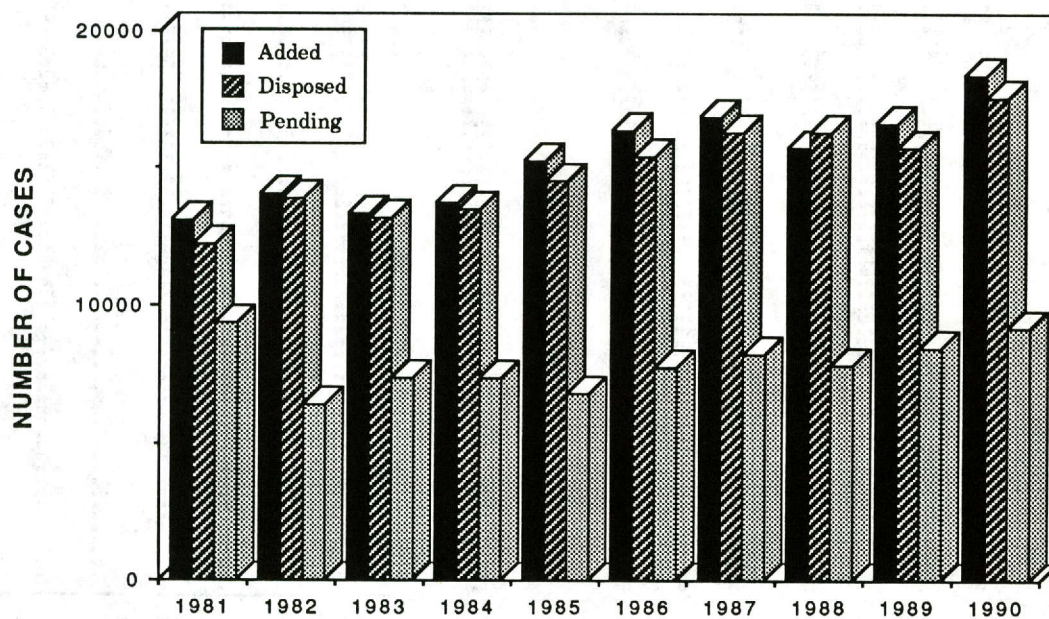

Children found to be delinquent were ordered confined to a Texas Youth Commission facility in 18.5 percent of the cases.

During fiscal year 1990, 154 children were certified to be tried as adults, down from 169 children in 1989.

Other actions taken by juvenile courts during the fiscal year included the holding of 20,653 detention hearings and 1,337 hearings on motions to modify court orders.

# JUSTICE OF THE PEACE COURTS

## Analysis of Activity for the Year Ending August 31, 1990

The Judicial Council determined from various sources that there were 917 justices of the peace in Texas during the State fiscal year ending August 31, 1990. Each justice was asked to submit a one-page report each month to the Council on activity in that court. Statewide, the Council received 9,312 reports out of a possible 11,004 for the year (an 85 percent reporting rate).

### SIXTY-EIGHT PERCENT OF ALL FILINGS ARE TRAFFIC CASES

Criminal misdemeanor cases comprised 90 percent of the cases filed in the reporting courts. Of these misdemeanor filings, 75 percent were traffic cases (68 percent of all cases filed). During the fiscal year, 1,692,681 traffic cases were reported filed. Non-traffic criminal cases comprised 25 percent of the criminal cases filed. Civil cases provided 10 percent of the new cases filed. Thirty percent of all civil filings were small claims suits, 43 percent were forcible entry and detainer suits, and 27 percent were other civil actions.

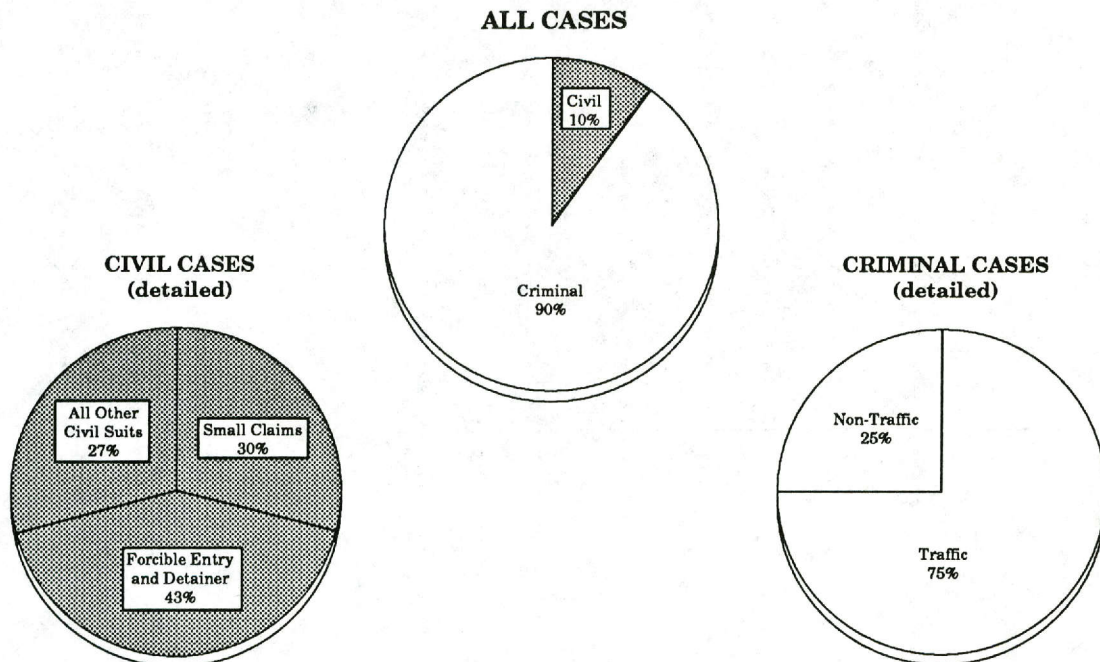

In addition to cases filed, the reporting courts held 8,023 hearings to determine if a peace bond should be issued. In their capacity as a State magistrate, the reporting justices of the peace accepted

55,383 complaints within the jurisdiction of the county courts and 49,899 within the jurisdiction of the district courts (felonies). There were 2,755 examining trials held (preliminary hearings of district or county court cases) and 16,012 inquests conducted. Drivers license suspension hearings totaled 35,380. Arrest warrants were issued for 508,120 persons. Also, 4,720 search warrants were issued, and 147,828 defendants charged with county or district court offenses were given statutory warnings. Emergency mental commitment hearings were conducted on 6,140 occasions, and 16,092 matters relating to juveniles were transacted.

### DISPOSITIONS

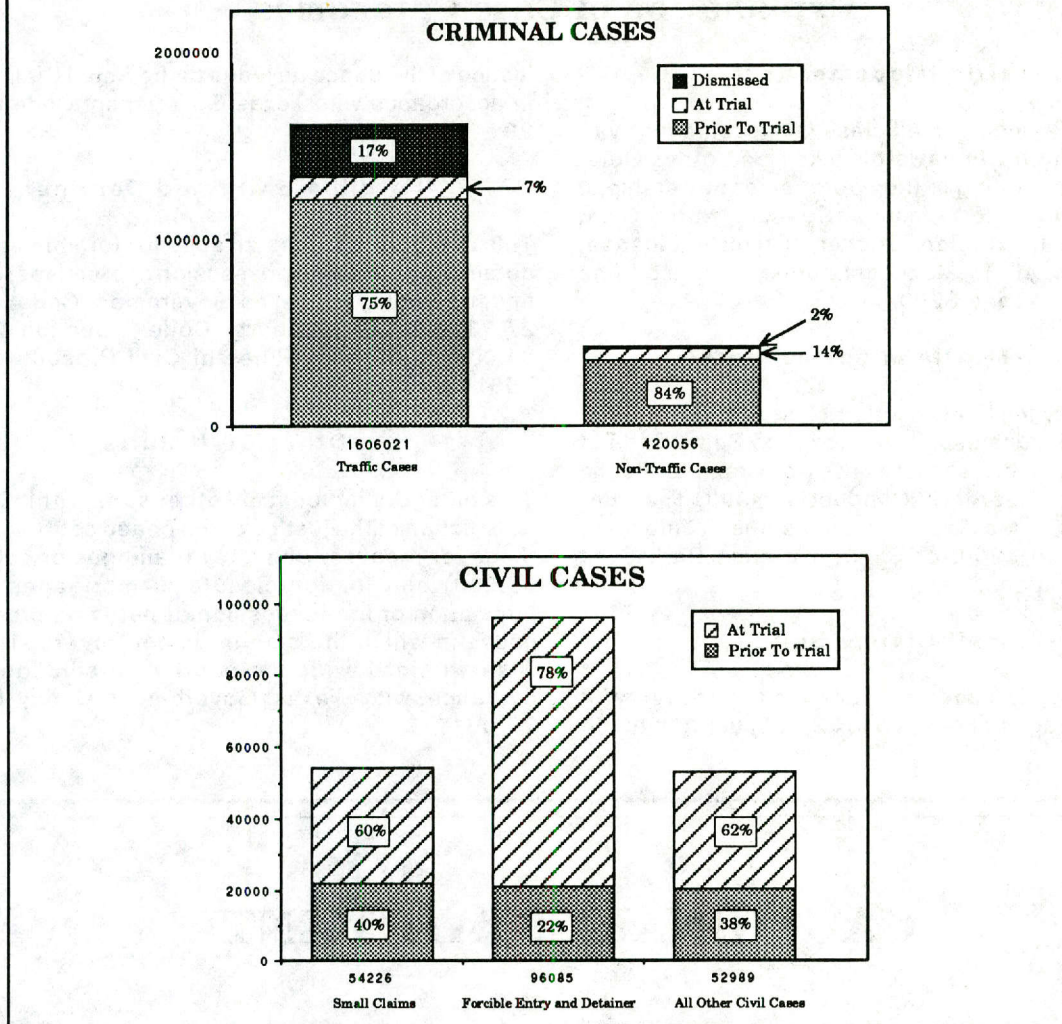

Justices of the peace reported the disposition of all cases in three major categories: prior to trial, including dismissals (other than those granted after completing a driving safety course, deferred disposition, or proof of financial responsibility), at trial, and cases dismissed. Seventy-three percent of all cases were disposed of before trial, 14 percent at trial, and 13 percent were dismissed after the defendant completed a driving safety course, a period of deferred disposition, or provided proof of financial responsibility for the operation of a motor vehicle.

## JUSTICE OF THE PEACE COURTS

### Types of dispositions of cases, year ending August 31, 1990

Analyzing at traffic cases only, 17 percent were dismissed and 8 percent were disposed of by trial. The remaining 75 percent were disposed of prior to trial, 99.2 percent of those by payment of fine. Of the 8 percent that went to trial, 98.5 percent of the cases were tried before the judge alone and the remaining cases were tried before a jury. When traffic cases went to trial, the defendant was found guilty in 93 percent of the cases tried before the judge alone and in 77 percent of the cases tried before a jury.

Concerning non-traffic criminal cases, 84 percent were disposed of prior to trial by payment of fine, forfeiture of deposit made to insure appearance, or by dismissal. Fourteen percent went to trial, and 2 percent were dismissed after deferred disposition. Of those that went to trial, 99 percent were before the judge without a jury. Guilty findings were made in 91 percent of the trials before a judge alone and in 74 percent of the jury trials.

A much higher percentage (69 percent) of all disposed civil suits went to trial than did criminal cases (8 percent). Thirty-one percent of the disposed civil suits were dismissed before trial. Of the cases

that went to trial, 99 percent were before the judge alone and the remainder before a jury.

The courts reported the disposition of 2,229,377 cases, which is 89 percent of the 2,511,048 filed, up from 86 percent during the previous year. Appeals were filed in 24,124 cases tried in the justice of the peace courts, or a little less than one percent of the cases disposed.

Finally, justices of the peace reported holding 37,310 conferences prior to any legal action being filed in their courts. These conferences resulted in 37,125 cases not being filed as formal cases. Information on such conferences is not compiled by all reporting justices.

#### REPORTED REVENUES TOP \$112 MILLION

Total revenue collected by the reporting courts during the year was \$112,774,251, an increase of approximately \$13.2 million over the previous year. This revenue is deposited in the treasury of the county where the court has jurisdiction; however, certain court costs on each case are remitted to special funds of the State.

## Explanation of Case Categories

### Traffic Misdemeanors

This category includes all class C misdemeanor violations of the traffic laws of Texas and other violations of laws relating to the operation or ownership of a motor vehicle (for example, Speeding, Stop Sign, Red Light, Inspection Sticker, Driver's License, Registration, etc.). Maximum punishment is by fine only, not to exceed \$200.

### Non-Traffic Misdemeanors

This category includes all other class C misdemeanor criminal violations usually found in the Penal Code of Texas and associated state laws (for example, Public Intoxication, Disorderly Conduct, Assault, Theft under \$20, etc.). Maximum punishment is by fine only, not to exceed \$200, or \$500 in certain Parks and Wildlife Violations.

### Small Claims Suits

This category includes all suits for the recovery of money (damages or debt up to \$2,500) brought to the

justice of the peace as judge of the Small Claims Court in accordance with Texas Government Code Chapter 29.

### Forcible Entry and Detainer

This category includes all suits for forcible entry and detainer (recovery of possession of premises) brought under authority of Texas Government Code, Section 27.031, Texas Property Code, Section 24.001-24.008, and Texas Rules of Civil Procedures 738-755.

### Other Civil Suits

This category includes all other suits within the civil jurisdiction of the justice of the peace court, including those for recovery of money (damages or debt up to \$2,500) and for foreclosure of mortgages and of liens upon or for possession of personal property in cases in which the amount in controversy is otherwise within the justice court's jurisdiction in accordance with Texas Government Code, Section 27.031.

## CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, as a result of their official position, many of these judges have non-judicial responsibilities in the community which are not reflected in these statistics.

It is important to note that reported totals for justice of the peace and municipal courts do not reflect 100% of the activity of those courts, because all courts did not submit reports on the activity of their courts to this office.

Finally, because of the large number of courts in Texas and the huge volume of court activity, reporting errors are bound to occur. The staff of the Texas Judicial Council and the clerks of the court work closely to keep such reporting errors to a minimum. When errors are found after publication of an Annual Report, adjustments are made in pending case figures at the beginning of the following year.

## Analysis of Activity for the Year Ending August 31, 1990

Each of the 814 municipal courts operating in Texas cities during the year ending August 31, 1990, was asked to submit a one-page report each month to the Texas Judicial Council on activity in the court. Statewide, the Council received 8,787 reports out of a possible 9,768 for the year (90 percent).

### TRAFFIC CASES DOMINATE DOCKETS

Traffic cases comprised 88 percent, or 5,388,397, of the 6,156,958 total cases filed in the reporting courts during the year. Non-traffic criminal cases accounted for the other 12 percent of the cases filed.

Of the traffic cases filed, 77 percent were for non-parking violations with the remaining 23 percent for parking-related offenses. Eighty percent of non-traffic cases filed were for state law violations with 20 percent related to local ordinances.

In the municipal judges' capacity as a State magistrate, the reporting judges accepted 57,140 complaints within the jurisdiction of the county court and 24,498 complaints within the jurisdiction of the district courts (felonies). Examining trials (preliminary hearings of district or county court cases) held totaled 385, inquests conducted totaled 172, and drivers license suspension hearings totaled 9,422.

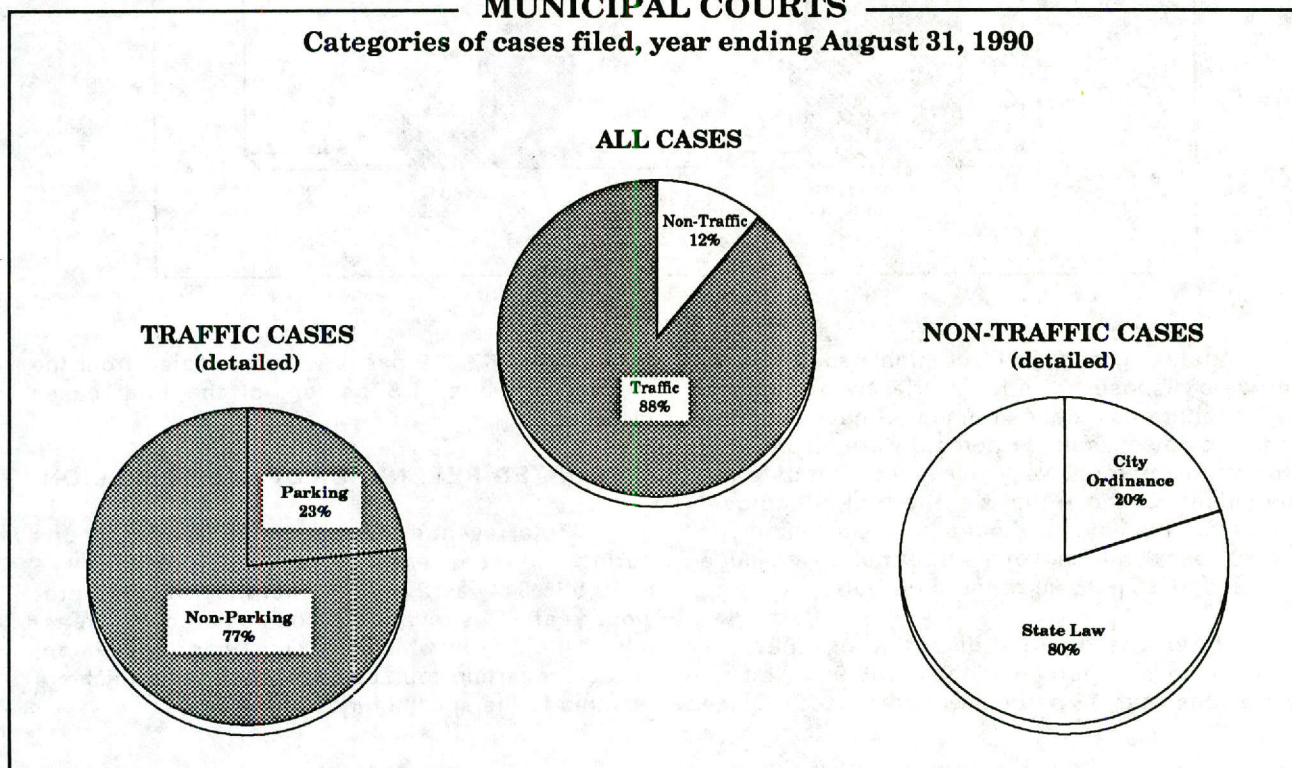

There were 7,868 search warrants issued, 1,155,523 arrest warrants issued, and 156,168 defendants charged with county or district court offenses were given statutory warnings. In addition, 653 emergency mental commitment hearings were held and 8,780 matters relating to juveniles were conducted.

Municipal courts reported the disposition of cases in three major categories: prior to trial, including dismissals (other than those dismissed after completing a driving safety course, completion of deferred disposition, or providing proof of financial responsibility), at trial, and cases dismissed. Sixty-six percent of all cases were disposed of before trial; 19 percent at trial (after appearance before the judge); and 15 percent were driving safety course dismissals, completion of deferred disposition, or dismissals following proof of financial responsibility.

Analyzing traffic cases only, 17 percent were dismissed and 17 percent went to trial. The remaining 66 percent were disposed of prior to trial, 70 percent of which were by payment of fine. Of the 17 percent that went to trial, 99 percent of the cases were tried before the judge alone and the rest before a jury. When traffic cases went to trial, the defendant was found guilty in 93 percent of the cases tried before the judge alone and in 31 percent of the cases tried before a jury.

#### Parking

This includes those offenses, by state law or city ordinance, which involve the improper standing of a vehicle (for example, Parking on Highway Right of Way, Within an Intersection, Overparking, etc.).

### NON-TRAFFIC MISDEMEANORS

This category includes all other class C misdemeanor criminal violations:

#### State Law

Violations are those usually found in the Penal Code of Texas and associated state laws (for example, Public Intoxication, Disorderly Conduct, Assault, Theft under \$20, etc.). Maximum punishment is by fine only, not to exceed \$200.

#### City Ordinance

Violations are those non-traffic offenses found in the ordinances of the city (for example, Dog Running at Large, Plumbing Code Violation, etc.). # ALTERNATIVE DISPUTE RESOLUTION CENTERS

## Summary of Reported Activity for Year Ending August 31, 1990

The Alternative Dispute Resolution Centers of Texas were reauthorized and expanded in scope in 1987 by the 70th Legislature "to encourage the peaceable resolution of disputes, with special consideration given to disputes involving the parent-child relationship, . . . and the early settlement of pending litigation through voluntary settlement procedures." (Acts 1987, 70th Legislature, chapter 1121, section 1.) ADRCs provide an opportunity to resolve conflicts creatively and effectively outside the courtroom using a variety of mechanisms including mediation, arbitration, negotiation, and moderated settlement conferences.

Twelve of the thirteen centers in operation during fiscal year 1990 submitted reports for the period September 1, 1989, through August 31, 1990. Of the activity reported, 26,404 cases were received during the reporting period, 25,722 were closed, and 1,162 cases were pending at the end of the reporting period.

## Explanation of Case Categories

### CRIMINAL DOCKET

A criminal case is defined as one defendant per indictment or information. For example, if an indictment names more than one defendant, there is more than one case; three defendants named in one indictment equals three cases. If the same defendant receives more than one indictment, even if for the same criminal episode, there is more than one case: the same person named in four indictments equals four cases.

Finally, if an indictment contains more than one count (Article 21.24, Code of Criminal Procedure) only one case per person named in the indictment is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

1. **CAPITAL MURDER:**  
An offense under Penal Code Section 19.03 (Capital Murder).
2. **MURDER OR VOLUNTARY MANSLAUGHTER:**  
An offense under Penal Code Sections 19.02 (Murder) or 19.04 (Voluntary Manslaughter).
3. **ASSAULT OR ATTEMPTED MURDER:**

# COUNTY-LEVEL COURTS

## Explanation of Case Categories

### CRIMINAL DOCKET

A criminal case is defined as one defendant per information. For example, if an information names more than one defendant, there is more than one case; three defendants named in one information equal three cases. If the same defendant receives more than one information, even if for the same criminal episode, there is more than one case: the same person named in four informations equals four cases.

Finally, if an information contains more than one count (Article 21.24, Code of Criminal Procedure) only one case per person named in the information is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

1. **D.W.I. OR D.U.I.D.:**  
An offense under Article 67011-1, Vernon's Texas Criminal Statutes, (Driving While Intoxicated) or Art. 6701d, Section 50, Vernon's Texas Criminal Statutes, (Driving Under the Influence of Drugs).
2. **THEFT OR WORTHLESS CHECKS:**  
An offense under Penal Code Section 31.03 (Theft) or Section 31.04 (Theft of Service) or any offense of theft or theft of service if the defendant obtained property or secured performance of service by issuing or passing a check or similar sight order for the payment of money, when the issuer did not have sufficient funds in or on deposit with the bank or other drawer for the payment in full of the check or order as well as all other checks or orders then outstanding (Section 31.06, Penal Code). Also included are appeals of cases brought under Penal Code Section 32.41—issuance of Bad Checks.
3. **DRUG OFFENSES:**  
An offense under the Controlled Substances Act (Article 4476-15, Vernon's Texas Criminal Statutes) or the Dangerous Drug Act (Article 4476-14).
4. **ASSAULT:**  
An offense under Penal Code 22.01 (Assault) or 22.05 (Reckless Conduct).
5. **TRAFFIC:**  
Violations of the provisions of Article 6701d, Vernon's Texas Criminal Statutes (Uniform Act Regulating Traffic on Highways) and related statutes, except D.W.I. (Article 67011-1) and D.U.I.D. (Article 6701d, Section 50).
6. **OTHER CRIMINAL:**  
An offense not clearly identifiable as belonging in one of the preceding categories.

1. **INJURY OR DAMAGE INVOLVING MOTOR VEHICLE:**  
All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases. Any type of driver's license suspension case, however, is not included in this category.

2. **INJURY OR DAMAGE OTHER THAN MOTOR VEHICLE:**  
Cases for personal injury or damages not arising out of an event involving a motor vehicle. Examples include "slip-and-fall" cases.
3. **TAX CASES:**  
Suits brought by governmental taxing entities for the collection of taxes.
4. **SUITS ON DEBT:**  
Suits based on enforcing the terms of a certain and express agreement, usually for the purpose of recovering a specific sum of money.
5. **DIVORCE:**  
(Applicable only for some County Courts at Law.) Suits brought by a party to a marriage to dissolve that marriage pursuant to Family Code Chapter 3. (Annulments are not reported here, but under All Other Family Law Matters.)
6. **ALL OTHER FAMILY LAW MATTERS:**  
This category includes all family law matters other than divorce proceedings and those juvenile matters which are reported in the Juvenile Section, including:
  - a. Motions to modify previously granted divorce decrees, or other judgment or decrees, in such matters as amount of child support, child custody orders, and other similar motions which are filed under the original cause number;

  - h. Removal of disability of minority for marriage;
  - i. Voluntary legitimation (Section 13.01, Texas Family Code); and
  - j. All other matters filed under the Family Code which are not reported elsewhere.
7. **OTHER CIVIL:**  
All civil cases not clearly identifiable as belonging in one of the preceding categories.

### JUVENILE DOCKET

Juvenile cases are based upon petitions for adjudication of a child alleged to have engaged in delinquent conduct or conduct indicating a need for supervision (C.I.N.S.) as governed by Title 3 of the Texas Family Code.

### PROBATE AND MENTAL HEALTH

#### PROBATE CASES:

These are governed by the Texas Probate Code, and include matters involving the probate of wills, the administration of estates, and guardianships. A single probate case may involve more than one person.

#### MENTAL HEALTH CASES:

These are governed by the Revised Texas Mental Health Code and other mental health statutes, and include the commitment of mentally ill or alcoholic persons.
