SB 7 - ADOPTION OF CONFERENCE COMMITTEE REPORT

Representative Zerwas submitted the conference committee report on **SB 7**.

SB 7 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE WOOLLEY: The bill you bring before us today for concurrence contains an amendment by Mr. Hardcastle that creates an autologous stem cell bank. Is that correct?

REPRESENTATIVE ZERWAS: That's correct.

WOOLLEY: I would like to establish some legislative intent pertaining to the creation of this bank. Do you agree that autologous stem cells are blood-forming cells (cells from which all blood cells develop), are removed from an individual, stored, and later given back to the same individual, and that no other stem cells fall in this category?

ZERWAS: Yes, I do.

WOOLLEY: Do you recognize that Texas remains a national leader in breaking new ground in treatment and cure of horrible diseases and injuries with autologous stem cells?

ZERWAS: Texas has made great strides with the use of autologous stem cells.

WOOLLEY: Do you recognize that the state has made significant investments in this area of stem cell research because we know that this is a promising and hopeful therapy for health concerns such as heart disease, stroke, and repair of brain injury to children?

ZERWAS: Yes, there's been some great early advancements in the use of autologous cells for brain injury in children, as well as heart disease.

WOOLLEY: Given the nature of these treatments, do you recognize that there is currently significant regulation by at least the Federal Drug Administration which guards the safety interest of the patient and the public?

ZERWAS: Correct. There is, I think, significant regulation at the federal level in that regard.

WOOLLEY: Is it your intent to delay or impede the promising research in Texas?

ZERWAS: No, absolutely not. If anything, we want to continue to promote Texas as a great place for autologous stem cell research to occur.

WOOLLEY: Is it your intent to further support the physicians and researchers in Texas who are leading discoveries by not including them in any potential rulemaking requirements?

ZERWAS: Our intent would be to include all the individuals, the appropriate stake holders in order to develop a robust amount of research on autologous stem cells.

REPRESENTATIVE THOMPSON: Is it your intent that the commissioner look carefully at the practices of an autologous stem cell bank that would be subject to rulemaking under this chapter to ensure that any potential regulation does not impede the hope that treatments developed throughout Texas are bringing to patients in need?

ZERWAS: The intent is to continue to include the stake holders in any rulemaking that might be involved in the advancement of autologous stem cell research. And so, if I understand the question correctly, it's not the intent to box out anybody who has a stake in terms of the research that goes in autologous stem cells.

THOMPSON: So your answer would be yes?

ZERWAS: I believe that's yes.

THOMPSON: Do you agree that the bill has no effect on umbilical cord blood banks that operate in Texas?

ZERWAS: It has no effect.

REASONS FOR VOTE

While I support the withholding of state resources from being used to perform abortions, I oppose the health care compact and the HMO (managed care) expansion in South Texas measures in **SB 7**.

Guillen

While I fully support the pro-life part of the bill and my record fully reflects my pro-life platform, I voted against **SB 7** because of the managed care part of the bill which will reduce the quality of medical care in South Texas.

(by Eissler)

The following privileged resolution was laid before the house:

HR 199

BE IT RESOLVED by the House of Representatives of the State of Texas, 82nd Legislature, 1st Called Session, 2011, That House Rule 13, Section 9(a), be suspended in part as provided by House Rule 13, Section 9(f), to enable the conference committee appointed to resolve the differences on **SB 8** (the flexibility of the board of trustees of a school district in the management and operation of public schools in the district) to consider and take action on the following matters:

(1) House Rule 13, Sections 9(a)(3) and (4), are suspended to permit the committee to add text on a matter not in disagreement and not included in either the house or senate version of the bill by adding the following new SECTIONS to the bill:

SECTION 2. Section 21.051, Education Code, is amended to read as follows:

Sec. 21.051. RULES REGARDING FIELD-BASED EXPERIENCE AND OPTIONS FOR FIELD EXPERIENCE AND INTERNSHIPS. (a) In this section, "teacher of record" means a person employed by a school district who teaches the majority of the instructional day in an academic instructional setting and is responsible for evaluating student achievement and assigning grades.

(b) Before a school district may employ a candidate for certification as a teacher of record, the candidate must complete at least 15 hours of field-based experience in which the candidate is actively engaged in instructional or educational activities under supervision at:

(1) a public school campus accredited or approved for the purpose by the agency; or

(2) a private school recognized or approved for the purpose by the agency.

(c) Subsection (b) applies only to an initial certification issued on or after September 1, 2012. Subsection (b) does not affect:

(1) the validity of a certification issued before September 1, 2012; or

(2) the eligibility of a person who holds a certification issued before September 1, 2012, to obtain a subsequent renewal of the certification in accordance with board rule.

(d) Subsection (b) does not affect the period within which an individual must complete field-based experience hours as determined by board rule if the individual is not accepted into an educator preparation program before the deadline prescribed by board rule and is hired for a teaching assignment by a school district after the deadline prescribed by board rule.

(e) The board shall propose rules relating to the field-based experience required by Subsection (b). The commissioner by rule shall adopt procedures and standards for recognizing a private school under Subsection (b)(2).

(f) The board shall propose rules providing flexible options for persons for any field-based [field] experience or internship required for certification.

SECTION 22. On or before January 1, 2012, the State Board for Educator Certification shall propose rules relating to educator certification as prescribed by Section 21.051, Education Code, as amended by this Act.

Explanation: The addition is necessary to establish requirements for field-based experience that a candidate for certification must meet before a school district may employ the candidate as a teacher of record.

(2) House Rule 13, Sections 9(a)(3) and (4), are suspended to permit the committee to add text on a matter not in disagreement and not included in either the house or senate version of the bill by adding the following at the end of proposed Section 21.4021(e), Education Code, in SECTION 16 of the bill:
A furlough day does not constitute a day of service for purposes of the Teacher Retirement System of Texas.

SB 8 - ADOPTION OF CONFERENCE COMMITTEE REPORT

Representative Eissler submitted the conference committee report on **SB 8**.

SB 8 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE HANCOCK: Mr. Eissler, just for clarification purposes, there's some provisions in the law regarding contracts. We can already change procedural things, such as timelines within a contract, but would you agree with me that the legislature by statute cannot impair substantive rights that are vested under the existing contracts?

REPRESENTATIVE EISSLER: That's correct. It's prospective, not looking to invade current contracts.

REPRESENTATIVE PATRICK: Chairman Eissler, thank you for your work on this bill. I would like to clarify legislative intent on page 13, line 19 of the conference committee report. It states, "The board of trustees may not implement a furlough program or salary reduction until a district has complied with this section." And it's my understanding that the intent is that the district shall comply with this section before. In other words, this is not permissive for the district board, is that correct?

EISSLER: Yes, as long as they conform with it, that's correct.

PATRICK: So in other words, they "may" not, or they "shall" not, is the intent?

EISSLER: Right.

PATRICK: So, it's not a choice for them to do, or not to do, the following steps if they do implement a furlough program?

EISSLER: Right. There are requirements for a furlough to occur, among them being a level of funding equal to 1011 and a public hearing, I believe. I think that's what you are looking for, right?

PATRICK: Right. Well, what I am referring to specifically includes the involvement of the district professional staff and provides district employees with the opportunity to express opinions. That's the section I'm referring to.

EISSLER: Yes, and also, you are looking at a couple of amendments you yourself added.

PATRICK: Yes. But I just wanted to clarify, because "may" or "shall" is troubling. We do mean shall, there is not a choice?

EISSLER: Yes, that's correct.

REMARKS ORDERED PRINTED

Representative Patrick moved to print remarks between Representative Eissler and Representative Hancock and between Representative Eissler and Representative Patrick.

The motion prevailed.

MESSAGE FROM THE SENATE

A message from the senate was received at this time (see the addendum to the daily journal, Messages from the Senate, Message No. 1).

LEAVE OF ABSENCE GRANTED

The following member was granted leave of absence for the remainder of today because of illness in the family:

Bohac on motion of Madden.

SB 8 - (consideration continued)**SB 8 - POINT OF ORDER**

Representative Farrar raised a point of order against further consideration of the conference committee report on **SB 8** under Rule 13, Section 3(b), Rule 13, Section 9(a), and Rule 13, Section 11(a) of the House Rules on the grounds that the text of the bill that was not in disagreement between the two houses was changed and the conference committee report was filed less than 24 hours before it was taken up for consideration.

The speaker overruled the point of order.

SB 8 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE GARZA: Members, I just want to take a moment to talk in support of **SB 8**. I want to really congratulate my superintendents in my district that came and met with me in Austin. And Chairman Eissler was so gracious to come in and speak with them when we met here just a few weeks ago. And I will tell you, Chairman Thompson, that the people I talk to every day in my district have taken pay cuts. I've taken a pay cut of close to 50 percent over two years ago. The people I talk to everyday in my district—I love teachers. My sister is a teacher. I have a niece that's a teacher that says she's going to come up to my house and protest me if I vote for **SB 8** because she doesn't understand that the superintendents have asked us for these reforms, for these abilities to control their own budgets, to run their business in the district.

Because it is a business. The business of educating our children is that each and every one of the constituents in my district pay taxes, hard-earned money to feed their kids and children. My children, I have five children, and two grandchildren, and I've educated each and every one of them in public schools.

And I hold my school boards, and my superintendents, and each teacher—and every teacher I've talked to is excellent, and they want to do the best job. But we're in tough times in Texas and in this nation right now, and we have to rely on leadership in the districts themselves. And each and every one of those superintendents told me these are things that we need to bring things in line, to be able to control our own budgets, and to not be mandated in these areas that Chairman Eissler brought into consideration under this bill.

Now, they didn't admit that to their constituents during the politicizing of these issues. But when it came down not one of my districts—Southwest Independent School District, I met and went out to Medina Valley Independent School District, and they showed me how much they're getting funded versus what they did. They improved their school district from a recognized school district to an exemplary, one of the few in Texas, on the low budgets they received because they took time to control their budgets, to control their expenditures, and they paid their teachers some of the highest salaries compared to districts in their same rating. Southwest Independent School District, Northside Independent School District, Southside Independent School District, every school district in my District 117 did not lay off one school teacher, not one school teacher. But, they're making—and they've told me, "John, we can get

through this session, but we need help next session. We can get through." They have rainy day funds. They have reserves, but they want to keep those reserves intact, as well, for the future.

We have to have confidence in the districts' abilities and the leadership ability that they're running our business of educating our children. And we have to give them the ability, and the confidence, and the vote, that we expect them to do the right thing, make the right decisions. And they did. They did not lay off one school teacher in my district. So I want to support my superintendents in my District 117 for the job they're doing. I want to thank the students and the parents.

REPRESENTATIVE TURNER: Representative Garza, you're saying that your local school district did not have to lay off any school teachers?

GARZA: As of this date.

TURNER: Okay, that being the case. If that being the case, then there is no need for your district to need **SB 8**, correct? Why would you vote for a bill that is not needed in your district?

GARZA: Again, chairman, this is giving them the ability to run the business of educating our children, which I think they can do better than me and you.

TURNER: I understand that. I understand that, and—

GARZA: If they asked for this, then why wouldn't we give it to them?

TURNER: But if your district did not have to lay off one single school teacher, there is no reason for your district to need **SB 8**. And if your district does not need **SB 8**, then why would you inflict **SB 8** on the rest of us? I applaud you for your district, but if your district doesn't need it, then I would appreciate you not inflicting it on the rest of us who don't need it.

GARZA: Mr. Chairman, I would invite the superintendents of your school district to come and talk and with our superintendents. And we need to look at best practices of the different districts and see who's doing the better job on expenditures in building the new schools, in spending the money that is already appropriated. Not all, very little has to do with school teachers. It has to do with budgeting. It has to do with expenditures. It has to do with the district being able to spend their monies the way they see fit. And no one in my district, and none of my superintendents, say that any teachers are getting a pay cut. In fact, they are some of the best paid teachers in their—

TURNER: Representative Garza?

GARZA: Yes, sir?

TURNER: Do you believe that teachers are being paid too much? Do you believe that local school teachers, public school teachers, are being paid too much?

GARZA: No, I don't.

TURNER: Okay. If you don't believe they are being paid too much, then why would you support a bill that has the potential of lowering their pay?

GARZA: I don't believe they're being paid too low, either.

TURNER: But, do you believe that their pay should be reduced?

GARZA: I believe that they should be paid for the job that they do, the effectiveness of what they do in the classroom, and what they achieve as a school, as a group, because that's how we do it in business.

AMENDMENT NO. 2 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE BRANCH: Is it your understanding, based on a conversation we had a few minutes ago, that this is the position of the final change requested by the Texas Association of District and County Attorneys?

REPRESENTATIVE FLETCHER: Yes, sir, it is.

BRANCH: And by putting this reasonable suspicion language in, and the additional words that you read out that are now in the bill, that they're now agreed to this language?

FLETCHER: Yes, sir, they are.

Amendment No. 2 was adopted.

HB 41 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE BRANCH: Mr. Simpson, your amendment as amended by Mr. Fletcher includes not only now the earlier comments of May 21, but also today's comments by the Association of District and County Attorneys, as well as a letter we've received from the Office of the Attorney General, today, this afternoon.

REPRESENTATIVE SIMPSON: Yes, sir.

BRANCH: Were they signed off on all the changes you have made to the bill since Friday?

SIMPSON: Yes. Most of these were made before then, but yes.

BRANCH: And so now, you've walked through the bill, and cleaned up the language, and amended it from what we had before us on Friday, Thursday and Friday of last week?

SIMPSON: There are some changes, yes.

BRANCH: At least in the terms of the Office of the Attorney General, and the Association of District and County Attorneys, that these were significant, important changes, legal changes, that will make your bill easier to defend in court, is that correct?

SIMPSON: Yes, all those changes were basically in there Friday, and we added one thing, Representative Fletcher's amendment, that they just requested.

BRANCH: I want to thank you for working with those two groups to improve this legislation.

SIMPSON: Thank you, Representative Branch, for all your assistance and guidance in getting this to this point.

REPRESENTATIVE LEWIS: I think it's clear, but I just want to make sure of this, also. The part of your original bill that if one intentionally, knowingly, or directly causes physical contact with a person when the actor knew that it would be perceived as offensive or provocative, that's out now, correct?

SIMPSON: No, that's both specific language and general language in the bill.

LEWIS: All right, sir. Well, let me ask this. Is it still part of the offense if one intentionally, knowingly, or directly causes physical contact with the other person when the actor knows, or should reasonably believe, that the other person regards the contact as offensive or provocative? Is that still in the bill? I thought that was amended out.

SIMPSON: No, that's in the bill, and that's what has been reviewed by the attorney general, by the DA and CA association.

LEWIS: In what degree of crime is this to do that?

SIMPSON: This is a Class A misdemeanor.

Amendment No. 3

Representative Gallego offered the following amendment to **HB 41**:

Amend **HB 41** (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering the remaining SECTIONS of the bill accordingly:

SECTION _____. The legislature recognizes the tremendous role of law enforcement agencies in protecting the public. It is the intent of the legislature that the people of this state and each law enforcement agency serving this state have access to the highest and best technology so that each search performed for the purpose of granting access to a publicly accessible building or form of transportation is accomplished in the most efficient and least intrusive manner possible while maintaining the safety of the public and the integrity of the building or form of transportation.

Amendment No. 3 was adopted.

AMENDMENT NO. 1 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE LEWIS: Just to go back to this again for clarification purposes—the amendment that you have does take out that language that just the physical contact that might be considered as offensive, that part is now deleted by the amendment, is that correct?

REPRESENTATIVE SIMPSON: By the amendment, that's correct.
