(a) A person with a legal or equitable ownership or security interest in well-site equipment or hydrocarbons disposed of under Section 89.085 [~~of this code~~] may make a claim against the oil and gas regulation and [oil-field] cleanup fund unless an element of the transaction giving rise to the interest occurs after the commission forecloses its statutory lien under Section 89.083.

(h) The commission shall suspend an amount of money in the oil and gas regulation and [oil-field] cleanup fund equal to the amount of the claim until the claim is finally resolved. If the provisions of Subsection (k) [~~of this section~~] prevent suspension of the full amount of the claim, the commission shall treat the claim as two consecutively filed claims, one in the amount of funds available for suspension and the other in the remaining amount of the claim.

(i) A claim made by or on behalf of the operator or a nonoperator of a well or a successor to the rights of the operator or nonoperator is subject to a ratable deduction from the proceeds or credit received for the well-site equipment to cover the costs

incurred by the commission in removing the equipment or hydrocarbons from the well or in transporting, storing, or disposing of the equipment or hydrocarbons. A claim made by a person who is not an operator or nonoperator is subject to a ratable deduction for the costs incurred by the commission in removing the equipment from the well. If a claimant is a person who is responsible under law or commission rules for plugging the well or cleaning up pollution originating on the lease or if the claimant owes a penalty assessed by the commission or a court for a violation of a commission rule or order, the commission may recoup from or offset against a valid claim an expense incurred by the oil and gas regulation and [oil-field] cleanup fund that is not otherwise reimbursed or any penalties owed. (j) If the commission finds that a claim is valid in whole or in part, the commission shall pay the valid portion of the claim from the suspended amount in the oil and gas regulation and [oil-field] cleanup fund not later than the 30th day after the date of the commission's decision. If the commission finds that a claim is invalid in whole or in part, the commission shall continue to suspend in the oil and gas regulation and [oil-field] cleanup fund an amount equal to the invalid portion of the claim until the period during which the commission's decision may be appealed has expired or, if appealed, during the period the case is under judicial review. If on appeal the district court finds the claim valid in whole or in part, the commission shall pay the valid portion of the claim from the suspended amount in the oil and gas regulation and [oil-field] cleanup fund not later than 30 days after the date the court's judgment becomes unappealable. On the date the commission's decision is not subject to judicial review, the commission shall release from the suspended amount in the oil and gas regulation and [oil-field] cleanup fund the amount of the claim held to be invalid.

(k) If the aggregate of claims paid and money suspended that relates to well-site equipment or hydrocarbons from a particular well equals the total of the actual proceeds and credit realized from the disposition of that equipment or those hydrocarbons, the oil and gas regulation and [oil-field] cleanup fund is not liable for any subsequently filed claims that relate to the same equipment or hydrocarbons unless and until the commission releases from the suspended amount money derived from the disposition of that equipment or those hydrocarbons. If the commission releases money, then the commission shall suspend money in the amount of subsequently filed claims in the order of filing.

(a) A person applying for or acting under a commission permit to store, handle, treat, reclaim, or dispose of oil and gas waste may be required by the commission to maintain a performance bond or other form of financial security conditioned that the permittee will operate and close the storage, handling, treatment, reclamation, or disposal site in accordance with state law, commission rules, and the permit to operate the site. However, this section does not authorize the commission to require a bond or other form of financial security for saltwater disposal pits, emergency saltwater storage pits (including blow-down pits), collecting pits, or skimming pits provided that such pits are used in conjunction with the operation of an individual oil or gas lease. Subject to the refund provisions of Section 91.1091 [~~of this code~~], proceeds from any bond or other form of financial security required by this section shall be placed in the oil and gas regulation and [oil-field] cleanup fund. (1) the responsible person has failed or refused to control or clean up the oil and gas wastes or other substances or materials after notice and opportunity for hearing;

For component parts held in bulk, the chief appraiser may use the average length of time a component part was held by the owner of the component parts during the preceding year at a location in this state that was not owned by or under the control of the owner of the component parts in determining whether the component parts were transported to another location in this state or outside this state before the expiration of 175 days.

(h) The chief appraiser by written notice delivered to a property owner who claims an exemption under this section may require the property owner to provide copies of property records so the chief appraiser can determine the amount and value of goods-in-transit and that the location in this state where the goods-in-transit were detained for storage [~~assembling, storing, manufacturing, processing, or fabricating purposes~~] was not owned by or under the control of the owner of the goods-in-transit. If the property owner fails to deliver the information requested in the notice before the 31st day after the date the notice is delivered to the property owner, the property owner forfeits the right to claim or receive the exemption for that year.

(j-1) Notwithstanding Subsection (j) or official action that was taken under that subsection before October 1, 2011, to tax goods-in-transit exempt under Subsection (b) and not exempt under other law, a taxing unit may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the governing body of the taxing unit takes action on or after October 1, 2011, in the manner required for official action by the governing body, to provide for the taxation of the goods-in-transit. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the governing body proposes to tax goods-in-transit. Before acting to tax the exempt property, the governing body of the taxing unit must conduct a public hearing as required by Section 1-n(d), Article VIII, Texas Constitution. If the governing body of a taxing unit provides for the taxation of the goods-in-transit as provided by this subsection, the exemption prescribed by Subsection (b) does not apply to that unit. The goods-in-transit remain subject to taxation by the taxing unit until the governing body of the taxing unit, in the manner required for official action, rescinds or repeals its previous action to tax goods-in-transit or otherwise determines that the exemption prescribed by Subsection (b) will apply to that taxing unit.

(j-2) Notwithstanding Subsection (j-1), if under Subsection (j) the governing body of a taxing unit, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the taxing unit, the tax officials of the taxing unit may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

SECTION 47.03. Subdivision (2), Subsection (a), Section 11.253, Tax Code, as amended by this article, applies only to an ad valorem tax year that begins on or after January 1, 2012.

(1) require the commissioner to determine, as if this section did not exist, the effect under Chapter 41 and this chapter of a school district's action described by Subsection (f-1)(1), (2), (3), or (4) on the total state revenue to which the district would be entitled or the cost to the district of purchasing sufficient attendance credits to reduce the district's wealth per student to the equalized wealth level; and

(2) require an increase or reduction in the amount of state revenue to which a school district is entitled under Subsection (b)(1) ~~(b)~~ that is substantially equivalent to any change in total state revenue or the cost of purchasing attendance credits that would apply to the district if this section did not exist.

(h) If the amount appropriated for the Foundation School Program for the second year of a state fiscal biennium is less than the amount to which school districts are entitled for that year, the commissioner shall certify the amount of the difference to the Legislative Budget Board not later than January 1 of the second year of the state fiscal biennium. The Legislative Budget Board shall propose to the legislature that the certified amount be transferred to the foundation school fund from the economic stabilization fund and appropriated for the purpose of increases in allocations under this subsection. If the legislature fails during the regular session to enact the proposed transfer and appropriation and there are not funds available under Subsection (j), the commissioner shall adjust [reduce] the total amounts due to each school district under this chapter and the total amounts necessary for each school district to comply with the requirements of Chapter 41 [amount of state funds allocated to each district] by an amount determined by applying to each district, including a district receiving funds under Section 42.2516, the same percentage adjustment so that the total amount of the adjustment to all districts [a method under which the application of the same number of cents of increase in tax rate in all districts applied to the taxable value of property of each district, as determined under Subchapter M, Chapter 403, Government Code,] results in an amount [a total levy] equal to the total adjustment necessary. A school district is not entitled to reimbursement in a subsequent fiscal year of the amount resulting from the adjustment authorized by this subsection [reduction. The following fiscal year, a district's entitlement under this section is increased by an amount equal to the reduction made under this subsection].

(i) Not later than March 1 each year, the commissioner shall determine the actual amount of state funds to which each school district is entitled under the allocation formulas in this chapter for the current school year, as adjusted in accordance with Subsection (h), if applicable, and shall compare that amount with the amount of the warrants issued to each district for that year. If the amount of the warrants differs from the amount to which a district is entitled because of variations in the district's tax rate, student enrollment, or taxable value of property, the commissioner shall adjust the district's entitlement for the next fiscal year accordingly.

SECTION 56.17. Effective September 1, 2017, Subsection (h), Section 42.253, Education Code, is amended to read as follows:

(h) If the amount appropriated for the Foundation School Program for the second year of a state fiscal biennium is less than the amount to which school districts are entitled for that year, the commissioner shall certify the amount of the difference to the Legislative Budget Board not later than January 1 of the second year of the state fiscal biennium. The Legislative Budget Board shall propose to the legislature that the certified amount be transferred to the foundation school fund from the economic stabilization fund and appropriated for the purpose of increases in allocations under this subsection. If the legislature fails during the regular session to enact the proposed transfer and appropriation and there are not funds available under Subsection (j), the commissioner shall adjust [reduce] the total amounts due to each school district under this chapter and the total amounts necessary for each school district to comply with the requirements of Chapter 41 [amount of state funds allocated to each district] by an

A school district is not entitled to reimbursement in a subsequent fiscal year of the amount resulting from the adjustment authorized by this subsection [reduction. The following fiscal year, a district's entitlement under this section is increased by an amount equal to the reduction made under this subsection].~~

(a-1) Notwithstanding Subsection (a), the agency may recover an overallocation of state funds over a period not to exceed the subsequent five school years if the commissioner determines that the overallocation was the result of exceptional circumstances reasonably caused by statutory changes to Chapter 41 or 46 or this chapter and related reporting requirements.

SECTION 56.19. Subsection (b), Section 42.260, Education Code, is amended to read as follows:

(b) For each year, the commissioner shall certify to each school district or participating charter school the amount of[:

~~(2) [(B)] the guaranteed level of state and local funds per weighted student per cent of tax effort under Section 42.302[; or~~

The tax rate consists of two components, each of which must be approved separately. The components are:

(1) for a taxing unit other than a school district, the rate that, if applied to the total taxable value, will impose the total amount published under Section 26.04(e)(3)(C), less any amount of additional sales and use tax revenue that will be used to pay debt service, or, for a school district, the rate calculated ~~published~~ under Section 44.004(c)(5)(A)(ii)(b), Education Code; and

(2) the rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the unit for the next year.

SECTION 56.22. Effective September 1, 2017, Subsection (i), Section 26.08, Tax Code, is amended to read as follows:

(i) For purposes of this section, the effective maintenance and operations tax rate of a school district is the tax rate that, applied to the current total value for the district, would impose taxes in an amount that, when added to state funds that would be distributed to the district under Chapter 42, Education Code, for the school year beginning in the current tax year using that tax rate, ~~[including state funds that will be distributed to the district in that school year under Section 42.2516, Education Code,]~~ would provide the same amount of state funds distributed under Chapter 42, Education Code, ~~[including state funds distributed under Section 42.2516, Education Code,]~~ and maintenance and operations taxes of the district per student in weighted average daily attendance for that school year that would have been available to the district in the preceding year if the funding elements for Chapters 41 and 42, Education Code, for the current year had been in effect for the preceding year.

(n) This subsection applies only to a school district whose taxable value computed under Section 403.302(d), Government Code, is reduced in accordance with Subdivision (4) of that subsection. In addition to the amount otherwise required to be paid into the tax increment fund, the district shall pay into the fund an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the school district receives in state aid for the current tax year under Section 42.2514, Education Code. The school district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Section 42.2514, Education Code.

ARTICLE _____. **GUARANTEE OF OPEN-ENROLLMENT CHARTER SCHOOL BONDS BY PERMANENT SCHOOL FUND**

SECTION _____.01. Subchapter D, Chapter 12, Education Code, is amended by adding Section 12.135 to read as follows:

Sec. 12.135. **DESIGNATION AS CHARTER DISTRICT FOR PURPOSES OF BOND GUARANTEE.** (a) On the application of the charter holder, the commissioner may grant designation as a charter district to an open-enrollment charter school that meets financial standards adopted by the commissioner. The financial standards must require an open-enrollment charter school to have an investment grade credit rating as specified by Section 45.0541.

(b) A charter district may apply for bonds issued under Chapter 53 for the open-enrollment charter school to be guaranteed by the permanent school fund as provided by Chapter 45.

SECTION _____.02. Section 45.051, Education Code, is amended by adding Subdivision (1-a) and amending Subdivision (2) to read as follows:

(1-a) "Charter district" means an open-enrollment charter school designated as a charter district under Section 12.135.

(b) Notwithstanding any amendment of this subchapter or other law, the guarantee under this subchapter of school district or charter district bonds remains in effect until the date those bonds mature or are defeased in accordance with state law.

SECTION _____.04. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0532 to read as follows:

Sec. 45.0532. **LIMITATION ON GUARANTEE OF CHARTER DISTRICT BONDS.** (a) In addition to the general limitation under Section 45.053, the commissioner may not approve charter district bonds for guarantee under this subchapter in a total amount that exceeds the percentage of the total available capacity of the guaranteed bond program that is equal to the percentage of the number of

students enrolled in open-enrollment charter schools in this state compared to the total number of students enrolled in all public schools in this state, as determined by the commissioner.

(b) For purposes of Subsection (a), the total available capacity of the guaranteed bond program is the limit established by the board under Sections 45.053(d) and 45.0531 minus the total amount of outstanding guaranteed bonds. Each time the board increases the limit under Section 45.053(d), the total amount of charter district bonds that may be guaranteed increases accordingly under Subsection (a).

(c) Notwithstanding Subsections (a) and (b), the commissioner may not approve charter district bonds for guarantee under this subchapter if the guarantee will result in lower bond ratings for school district bonds for which a guarantee is requested under this subchapter.

(d) The commissioner may request that the comptroller place the portion of the permanent school fund committed to the guarantee of charter district bonds in a segregated account if the commissioner determines that a separate account is needed to avoid any negative impact on the bond ratings of school district bonds for which a guarantee is requested under this subchapter.

(e) A guarantee of charter district bonds must be made in accordance with this chapter and any applicable federal law.

SECTION ____05. Section 45.054, Education Code, is amended to read as follows:

(a) A school district or charter district seeking guarantee of eligible bonds under this subchapter shall apply to the commissioner using a form adopted by the commissioner for the purpose. (b) An application under Subsection (a) must include:

(1) the name of the school district or charter district and the principal amount of the bonds to be issued;

(2) the name and address of the district's paying agent for those bonds; and

(3) the maturity schedule, estimated interest rate, and date of the bonds.

- (1) the status of the district's accreditation; and
- (2) the total amount of outstanding guaranteed bonds.

(b) If following the investigation the commissioner is satisfied that the school district's bonds should be guaranteed under this subchapter or provided credit enhancement under Subchapter I, as applicable, or the charter district's bonds should be guaranteed under this subchapter, the commissioner shall endorse the bonds.

SECTION _____.09. Subsection (b), Section 45.057, Education Code, is amended to read as follows:

(b) The guarantee is not effective unless the attorney general approves the bonds under Section 45.005 or 53.40, as applicable.

SECTION _____.10. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0571 to read as follows:

- (1) money due from a charter district as provided by Subsection (b); and
- (2) interest earned on balances in the fund.

(b) A charter district that has a bond guaranteed as provided by this subchapter must annually remit to the commissioner, for deposit in the charter district bond guarantee reserve fund, an amount equal to 10 percent of the savings to the charter district that is a result of the lower interest rate on the bond due to the guarantee by the permanent school fund. The amount due under this section shall be amortized and paid over the duration of the bond. Each payment is due on the anniversary of the date the bond was issued. The commissioner shall adopt rules to determine the total and annual amounts due under this section.

(c) The commissioner may direct the comptroller to annually withhold the amount due to the charter district bond guarantee reserve fund under Subsection (b) for that year from the state funds otherwise payable to the charter district.

(d) Each year, the commissioner shall:

(b) If money in the charter district bond guarantee reserve fund is insufficient to pay the amount due on a bond under Subsection (a), the commissioner shall instruct the comptroller to transfer from the appropriate account in the permanent school fund to the district's paying agent the amount necessary to pay the balance of the unpaid maturing or matured principal or interest.

ARTICLE _____. TEACHER RETIREMENT SYSTEM OF TEXAS: SUPPLEMENTAL PAYMENT

SECTION _____.01. This article is not intended to supplant the power or discretion of the legislature to provide supplemental payments to annuitants of the Teacher Retirement System of Texas. This article provides an additional tool by which the legislature, in enacting this law, may provide those annuitants with a much-needed one-time supplemental payment without requesting additional funds from general revenue.

SECTION _____.02. Section 821.006, Government Code, is amended by adding Subsections (c), (d), and (e) to read as follows:

(c) Notwithstanding Subsections (a) and (b), the retirement system may provide a one-time supplemental payment to an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4);

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3); or

(5) an alternate payee annuity payment under Section 804.005.

(d) A one-time supplemental payment under Subsection (c) is authorized, even if the amortization period for the unfunded actuarial liabilities of the retirement system exceeds 30 years by one or more years, only if the board of trustees determines that at the time of the supplemental payment the payment can be made while preserving the ability of the retirement system to meet at least 80 percent of the system's pension obligations.

(e) The funding for a one-time supplemental payment under Subsection (c) must come from the earnings the retirement system makes on its investments as provided by this subsection. The supplemental payment may be made at any time during the period beginning October 1, 2011, and ending December 31, 2013, only if, during the preceding fiscal year, the return on investments, as provided by the actuarial valuation on August 31 of that year, exceeds eight percent by an amount sufficient to pay for the supplemental payment. Subsections (c) and (d) and this subsection expire January 1, 2014.

SECTION _____.03. Section 825.402, Government Code, is amended by adding Subsection (c-1) to read as follows:

(b) The supplemental payment is payable not later than December 31, 2013, and, to the extent practicable, on a date or dates that coincide with the regular annuity payment payable to each eligible annuitant.

(c) The amount of the supplemental payment is equal to the lesser of:

(1) the gross amount of the regular annuity payment to which the eligible annuitant is otherwise entitled for the month of August 2011; or

(2) \$2,400.

(d) The supplemental payment is payable without regard to any forfeiture of benefits under Section 824.601, Government Code. The Teacher Retirement System of Texas shall make applicable tax withholding and other legally required deductions before disbursing the supplemental payment. A supplemental payment under this section is in addition to and not in lieu of the regular monthly annuity payment to which the eligible annuitant is otherwise entitled.

(e) Subject to Subsection (f) of this section, to be eligible for the supplemental payment, a person must be, for the month of August 2011, and disregarding any forfeiture of benefits under Section 824.601, Government Code, an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4), Government Code;

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3), Government Code; or

(5) an alternate payee annuity payment under Section 804.005, Government Code.

(f) If the annuitant is a retiree or a beneficiary under an optional retirement payment plan, to be eligible for the supplemental payment, the effective date of the retirement of the member of the Teacher Retirement System of Texas must have been on or before December 31, 2008. If the annuitant is a beneficiary under Section 824.402(a)(3) or (4), Government Code, to be eligible for the supplemental payment, the date of death of the member of the retirement system must have been on or before December 31, 2008. The supplemental payment shall be made to an alternate payee who is an annuitant under Section 804.005, Government Code, only if the annuity payment to the alternate payee commenced on or before December 31, 2008. The supplemental payment is in addition to the guaranteed number of payments under Section 824.402(a)(3), 824.204(c)(3) or (4), or 824.308(c)(3) or (4), Government Code, and may not be counted as one of the guaranteed monthly payments.

(g) The supplemental payment does not apply to payments under:

(1) Section 824.304(a), Government Code, relating to disability retirees with less than 10 years of service credit;

(2) Section 824.804(b), Government Code, relating to participants in the deferred retirement option plan with regard to payments from their deferred retirement option plan accounts;

(4) Section 824.404(a), Government Code, relating to active member survivor beneficiaries who receive a survivor annuity in an amount fixed by statute.

(h) Except as provided by this section, the board of trustees of the Teacher Retirement System of Texas shall determine the eligibility for and the amount and timing of a supplemental payment and the manner in which the payment is made.

(a) If cost-effective, the executive commissioner by rule shall establish a physician incentive program designed to reduce the use of hospital emergency room services for non-emergent conditions by recipients under the medical assistance program.

(b) In establishing the physician incentive program under Subsection (a), the executive commissioner may include only the program components identified as cost-effective in the study conducted under Section 531.086.

(c) If the physician incentive program includes the payment of an enhanced reimbursement rate for routine after-hours appointments, the executive commissioner shall implement controls to ensure that the after-hours services billed are actually being provided outside of normal business hours.

(b) Section 32.0641, Human Resources Code, is amended to read as follows:

Sec. 32.0641. RECIPIENT ACCOUNTABILITY PROVISIONS; COST-SHARING REQUIREMENT TO IMPROVE APPROPRIATE UTILIZATION OF ~~[COST SHARING FOR CERTAIN HIGH COST MEDICAL]~~ SERVICES.

(a) ~~To [If the department determines that it is feasible and cost-effective, and to]~~ the extent permitted under and in a manner that is consistent with Title XIX, Social Security Act (42 U.S.C. Section 1396 et seq.) and any other applicable law or regulation or under a federal waiver or other authorization, the executive commissioner of the Health and Human Services Commission shall adopt, after consulting with the Medicaid and CHIP Quality-Based Payment Advisory Committee established under Section 536.002, Government Code, cost-sharing provisions that encourage personal accountability and appropriate utilization of health care services, including a cost-sharing provision applicable to ~~[require]~~ a recipient who chooses to receive a nonemergency ~~[a high cost]~~ medical service ~~[provided]~~ through a hospital emergency room ~~[to pay a copayment, premium payment, or other cost-sharing payment for the high-cost medical service if:~~

[1) the hospital from which the recipient seeks service:

~~[(A) performs an appropriate medical screening and determines that the recipient does not have a condition requiring emergency medical services;~~

~~[(B) informs the recipient:~~

~~(i) that the recipient does not have a condition requiring emergency medical services;~~

~~(ii) that, if the hospital provides the nonemergency service, the hospital may require payment of a copayment, premium payment, or other cost sharing payment by the recipient in advance; and~~

~~(iii) of the name and address of a nonemergency Medicaid provider who can provide the appropriate medical service without imposing a cost sharing payment; and~~

~~[(C) offers to provide the recipient with a referral to the nonemergency provider to facilitate scheduling of the service; and~~

~~[(2) after receiving the information and assistance described by Subdivision (1) from the hospital, the recipient chooses to obtain emergency medical services despite having access to medically acceptable, lower cost medical services].~~

(b) The department may not seek a federal waiver or other authorization under this section ~~[Subsection (a)]~~ that would:

(1) prevent a Medicaid recipient who has a condition requiring emergency medical services from receiving care through a hospital emergency room; or

(2) waive any provision under Section 1867, Social Security Act (42 U.S.C. Section 1395dd).

~~[(e) If the executive commissioner of the Health and Human Services Commission adopts a copayment or other cost sharing payment under Subsection (a), the commission may not reduce hospital payments to reflect the potential receipt of a copayment or other payment from a recipient receiving medical services provided through a hospital emergency room.]~~

(c) If H.B. No. 2245, Acts of the 82nd Legislature, Regular Session, 2011, becomes law, Sections 531.086 and 531.0861, Government Code, as added by that Act, are repealed.

SECTION 1.10. Subchapter B, Chapter 531, Government Code, is amended by adding Section 531.024131 to read as follows:

Sec. 531.024131. EXPANSION OF BILLING COORDINATION AND INFORMATION COLLECTION ACTIVITIES. (a) If cost-effective, the commission may:

(1) contract to expand all or part of the billing coordination system established under Section 531.02413 to process claims for services provided through other benefits programs administered by the commission or a health and human services agency;

(2) expand any other billing coordination tools and resources used to process claims for health care services provided through the Medicaid program to process claims for services provided through other benefits programs administered by the commission or a health and human services agency; and

(3) expand the scope of persons about whom information is collected under Section 32.042, Human Resources Code, to include recipients of services provided through other benefits programs administered by the commission or a health and human services agency.

(b) Notwithstanding any other state law, each health and human services agency shall provide the commission with any information necessary to allow the commission or the commission's designee to perform the billing coordination and information collection activities authorized by this section.

SECTION 1.11. (a) Subsections (b), (c), and (d), Section 531.502, Government Code, are amended to read as follows:

(b) The executive commissioner may include the following federal money in the waiver:

(4) any other money available for that purpose, including:

(A) federal money and money identified under Subsection (c);

(B) gifts, grants, or donations for that purpose;

(C) local funds received by this state through intergovernmental transfers; and

(D) if approved in the waiver, federal money obtained through the use of certified public expenditures.

(c) The commission shall seek to optimize federal funding by:

(1) identifying health care related state and local funds and program expenditures that, before September 1, 2011 ~~[2007]~~, are not being matched with federal money; and

(2) exploring the feasibility of:

(A) certifying or otherwise using those funds and expenditures as state expenditures for which this state may receive federal matching money; and

(B) depositing federal matching money received as provided by Paragraph (A) with other federal money deposited as provided by Section 531.504, or substituting that federal matching money for federal money that otherwise would be received under the disproportionate share hospitals and upper payment limit supplemental payment programs as a match for local funds received by this state through intergovernmental transfers.

(d) The terms of a waiver approved under this section must:

(1) include safeguards to ensure that the total amount of federal money provided under the disproportionate share hospitals or ~~and~~ upper payment limit supplemental payment program ~~[programs]~~ that is deposited as provided by Section 531.504 is, for a particular state fiscal year, at least equal to the greater of the annualized amount provided to this state under those supplemental payment programs

during state fiscal year 2011 [2007], excluding amounts provided during that state fiscal year that are retroactive payments, or the state fiscal years during which the waiver is in effect; and

(2) allow for the development by this state of a methodology for allocating money in the fund to:

(A) be used to supplement Medicaid hospital reimbursements under a waiver that includes terms that are consistent with, or that produce revenues consistent with, disproportionate share hospital and upper payment limit principles [~~offset, in part, the uncompensated health care costs incurred by hospitals~~];

(B) reduce the number of persons in this state who do not have health benefits coverage; and

(C) maintain and enhance the community public health infrastructure provided by hospitals.

(b) Section 531.504, Government Code, is amended to read as follows:

(1) ~~all~~ federal money provided to this state under the disproportionate share hospitals supplemental payment program or ~~and~~ the hospital upper payment limit supplemental payment program, or both, other than money provided under those programs to state-owned and operated hospitals, and all other non-supplemental payment program federal money provided to this state that is included in the waiver authorized by Section 531.502; and

(2) state money appropriated to the fund.

(b) The commission and comptroller may accept gifts, grants, and donations from any source, and receive intergovernmental transfers, for purposes consistent with this subchapter and the terms of the waiver. The comptroller shall deposit a gift, grant, or donation made for those purposes in the fund. Any intergovernmental transfer received, including associated federal matching funds, shall be used, if feasible, for the purposes intended by the transferring entity and in accordance with the terms of the waiver.

(c) Section 531.508, Government Code, is amended by adding Subsection (d) to read as follows:

(d) Money from the fund may not be used to finance the construction, improvement, or renovation of a building or land unless the construction, improvement, or renovation is approved by the commission, according to rules adopted by the executive commissioner for that purpose.

(d) Subsection (g), Section 531.502, Government Code, is repealed.

SECTION 1.12. (a) Subtitle I, Title 4, Government Code, is amended by adding Chapter 536, and Section 531.913, Government Code, is transferred to Subchapter D, Chapter 536, Government Code, redesignated as Section 536.151, Government Code, and amended to read as follows:

(9) "Health care provider" means any person, partnership, professional association, corporation, facility, or institution licensed, certified, registered, or chartered by this state to provide health care. The term includes an employee, independent contractor, or agent of a health care provider acting in the course and scope of the employment or contractual relationship.

A part of the plan must consist of arranging for or providing health care services as distinguished from

indemnification against the cost of those services on a prepaid basis through insurance or otherwise. The term does not include a plan that indemnifies a person for the cost of health care services through insurance.

(13) "Medicaid program" means the medical assistance program established under Chapter 32, Human Resources Code.

(14) "Physician" means a person licensed to practice medicine in this state under Subtitle B, Title 3, Occupations Code.

(A) occurs after the person's admission to a hospital or long-term care facility; and

(B) may have resulted from the care, lack of care, or treatment provided during the hospital or long-term care facility stay rather than from a natural progression of an underlying disease.

(18) "Potentially preventable event" means a potentially preventable admission, a potentially preventable ancillary service, a potentially preventable complication, a potentially preventable emergency room visit, a potentially preventable readmission, or a combination of those events.

(19) "Potentially preventable emergency room visit" means treatment of a person in a hospital emergency room or freestanding emergency medical care facility for a condition that may not require emergency medical attention because the condition could be, or could have been, treated or prevented by a physician or other health care provider in a nonemergency setting.

(20) "Potentially preventable readmission" means a return hospitalization of a person within a period specified by the commission that may have resulted from deficiencies in the care or treatment provided to the person during a previous hospital stay or from deficiencies in post-hospital discharge follow-up. The term does not include a hospital readmission necessitated by the occurrence of unrelated events after the discharge. The term includes the readmission of a person to a hospital for:

(A) the same condition or procedure for which the person was previously admitted;

(B) an infection or other complication resulting from care previously provided;

(C) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome; or

(D) another condition or procedure of a similar nature, as determined by the executive commissioner after consulting with the advisory committee.

(21) "Quality-based payment system" means a system for compensating a physician or other health care provider, including an alternative payment system, that provides incentives to the physician or other health care provider for providing high-quality, cost-effective care and bases some portion of the payment made to the physician or other health care provider on quality of care outcomes, which may include the extent to which the physician or other health care provider reduces potentially preventable events.

Sec. 536.002. MEDICAID AND CHIP QUALITY-BASED PAYMENT ADVISORY COMMITTEE. (a) The Medicaid and CHIP Quality-Based Payment Advisory Committee is established to advise the commission on establishing, for purposes of the child health plan and Medicaid programs administered by the commission or a health and human services agency:

(1) reimbursement systems used to compensate physicians or other health care providers under those programs that reward the provision of high-quality, cost-effective health care and quality performance and quality of care outcomes with respect to health care services;

(2) standards and benchmarks for quality performance, quality of care outcomes, efficiency, and accountability by managed care organizations and physicians and other health care providers;

(3) programs and reimbursement policies that encourage high-quality, cost-effective health care delivery models that increase appropriate provider collaboration, promote wellness and prevention, and improve health outcomes; and

(4) outcome and process measures under Section 536.003.

(b) The executive commissioner shall appoint the members of the advisory committee. The committee must consist of physicians and other health care providers, representatives of health care facilities, representatives of managed care organizations, and other stakeholders interested in health care services provided in this state, including:

(1) at least one member who is a physician with clinical practice experience in obstetrics and gynecology;

(2) at least one member who is a physician with clinical practice experience in pediatrics;

(3) at least one member who is a physician with clinical practice experience in internal medicine or family medicine;

(4) at least one member who is a physician with clinical practice experience in geriatric medicine;

(5) at least one member who is or who represents a health care provider that primarily provides long-term care services;

(6) at least one member who is a consumer representative; and

(7) at least one member who is a member of the Advisory Panel on Health Care-Associated Infections and Preventable Adverse Events who meets the qualifications prescribed by Section 98.052(a)(4), Health and Safety Code.

(c) The executive commissioner shall appoint the presiding officer of the advisory committee.

Sec. 536.003. DEVELOPMENT OF QUALITY-BASED OUTCOME AND PROCESS MEASURES. (a) The commission, in consultation with the advisory committee, shall develop quality-based outcome and process measures that promote the provision of efficient, quality health care and that can be used in the child health plan and Medicaid programs to implement quality-based payments for acute and long-term care services across all delivery models and payment systems, including fee-for-service and managed care payment systems. The commission, in developing outcome measures under this section, must consider measures addressing potentially preventable events.

(b) To the extent feasible, the commission shall develop outcome and process measures:

(1) consistently across all child health plan and Medicaid program delivery models and payment systems;

(2) in a manner that takes into account appropriate patient risk factors, including the burden of chronic illness on a patient and the severity of a patient's illness;

(3) that will have the greatest effect on improving quality of care and the efficient use of services; and

(4) that are similar to outcome and process measures used in the private sector, as appropriate.

(c) The commission shall, to the extent feasible, align outcome and process measures developed under this section with measures required or recommended under reporting guidelines established by the federal Centers for Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, or another federal agency.

(d) The executive commissioner by rule may require managed care organizations and physicians and other health care providers participating in the child health plan and Medicaid programs to report to the commission in a format specified by the executive commissioner information necessary to develop outcome and process measures under this section.

(e) If the commission increases physician and other health care provider reimbursement rates under the child health plan or Medicaid program as a result of an increase in the amounts appropriated for the programs for a state fiscal biennium as compared to the preceding state fiscal biennium, the commission shall, to the extent permitted under federal law and to the extent otherwise possible considering other relevant factors, correlate the increased reimbursement rates with the quality-based outcome and process measures developed under this section.

Sec. 536.004. DEVELOPMENT OF QUALITY-BASED PAYMENT SYSTEMS. (a) Using quality-based outcome and process measures developed under Section 536.003 and subject to this section, the commission, after consulting with the advisory committee, shall develop quality-based payment systems for compensating a physician or other health care provider participating in the child health plan or Medicaid program that:

(1) align payment incentives with high-quality, cost-effective health care;

(2) reward the use of evidence-based best practices;

(3) promote the coordination of health care;

(4) encourage appropriate physician and other health care provider collaboration;

(5) promote effective health care delivery models; and

(6) take into account the specific needs of the child health plan program enrollee and Medicaid recipient populations.

(b) The commission shall develop quality-based payment systems in the manner specified by this chapter. To the extent necessary, the commission shall coordinate the timeline for the development and implementation of a payment system with the implementation of other initiatives such as the Medicaid Information Technology Architecture (MITA) initiative of the Center for Medicaid and State Operations, the ICD-10 code sets initiative, or the ongoing Enterprise Data Warehouse (EDW) planning process in order to maximize the receipt of federal funds or reduce any administrative burden.

(c) In developing quality-based payment systems under this chapter, the commission shall examine and consider implementing:

(1) an alternative payment system;

(2) any existing performance-based payment system used under the Medicare program that meets the requirements of this chapter, modified as necessary to account for programmatic differences, if implementing the system would:

(A) reduce unnecessary administrative burdens; and

(B) align quality-based payment incentives for physicians and other health care providers with the Medicare program; and

(3) alternative payment methodologies within the system that are used in the Medicare program, modified as necessary to account for programmatic differences, and that will achieve cost savings and improve quality of care in the child health plan and Medicaid programs.

(d) In developing quality-based payment systems under this chapter, the commission shall ensure that a managed care organization or physician or other health care provider will not be rewarded by the system for withholding or delaying the provision of medically necessary care.

(e) The commission may modify a quality-based payment system developed under this chapter to account for programmatic differences between the child health plan and Medicaid programs and delivery systems under those programs.

Sec. 536.005. CONVERSION OF PAYMENT METHODOLOGY. (a) To the extent possible, the commission shall convert hospital reimbursement systems under the child health plan and Medicaid programs to a diagnosis-related groups (DRG) methodology that will allow the commission to more accurately classify specific patient populations and account for severity of patient illness and mortality risk.

(b) Subsection (a) does not authorize the commission to direct a managed care organization to compensate physicians and other health care providers providing services under the organization's managed care plan based on a diagnosis-related groups (DRG) methodology.

Sec. 536.006. TRANSPARENCY. The commission and the advisory committee shall:

(1) ensure transparency in the development and establishment of:

(A) quality-based payment and reimbursement systems under Section 536.004 and Subchapters B, C, and D, including the development of outcome and process measures under Section 536.003; and

(B) quality-based payment initiatives under Subchapter E, including the development of quality of care and cost-efficiency benchmarks under Section 536.204(a) and efficiency performance standards under Section 536.204(b);

(2) develop guidelines establishing procedures for providing notice and information to, and receiving input from, managed care organizations, health care providers, including physicians and experts in the various medical specialty fields, and other stakeholders, as appropriate, for purposes of developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1); and

(3) in developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1), consider that as the performance of a managed care organization or physician or other health care provider improves with respect to an outcome or process measure, quality of care and cost-efficiency benchmark, or efficiency performance standard, as applicable, there will be a diminishing rate of improved performance over time.

Sec. 536.007. PERIODIC EVALUATION. (a) At least once each two-year period, the commission shall evaluate the outcomes and cost-effectiveness of any quality-based payment system or other payment initiative implemented under this chapter.

(b) The commission shall:

(1) present the results of its evaluation under Subsection (a) to the advisory committee for the committee's input and recommendations; and

(2) provide a process by which managed care organizations and physicians and other health care providers may comment and provide input into the committee's recommendations under Subdivision (1).

Sec. 536.008. ANNUAL REPORT. (a) The commission shall submit an annual report to the legislature regarding:

(1) the quality-based outcome and process measures developed under Section 536.003; and

(2) the progress of the implementation of quality-based payment systems and other payment initiatives implemented under this chapter.

(b) The commission shall report outcome and process measures under Subsection (a)(1) by health care service region and service delivery model.

[Sections 536.009-536.050 reserved for expansion]

SUBCHAPTER B. QUALITY-BASED PAYMENTS RELATING TO MANAGED CARE ORGANIZATIONS

Sec. 536.051. DEVELOPMENT OF QUALITY-BASED PREMIUM PAYMENTS; PERFORMANCE REPORTING. (a) Subject to Section 1903(m)(2)(A), Social Security Act (42 U.S.C. Section 1396b(m)(2)(A)), and other applicable federal law, the commission shall base a percentage of the premiums paid to a managed care organization participating in the child health plan or Medicaid

program on the organization's performance with respect to outcome and process measures developed under Section 536.003, including outcome measures addressing potentially preventable events.

(b) The commission shall make available information relating to the performance of a managed care organization with respect to outcome and process measures under this subchapter to child health plan program enrollees and Medicaid recipients before those enrollees and recipients choose their managed care plans.

Sec. 536.052. PAYMENT AND CONTRACT AWARD INCENTIVES FOR MANAGED CARE ORGANIZATIONS. (a) The commission may allow a managed care organization participating in the child health plan or Medicaid program increased flexibility to implement quality initiatives in a managed care plan offered by the organization, including flexibility with respect to financial arrangements, in order to:

- (1) achieve high-quality, cost-effective health care;
- (2) increase the use of high-quality, cost-effective delivery models; and
- (3) reduce potentially preventable events.

(b) The commission, after consulting with the advisory committee, shall develop quality of care and cost-efficiency benchmarks, including benchmarks based on a managed care organization's performance with respect to reducing potentially preventable events and containing the growth rate of health care costs.

(c) The commission may include in a contract between a managed care organization and the commission financial incentives that are based on the organization's successful implementation of quality initiatives under Subsection (a) or success in achieving quality of care and cost-efficiency benchmarks under Subsection (b).

(d) In awarding contracts to managed care organizations under the child health plan and Medicaid programs, the commission shall, in addition to considerations under Section 533.003 of this code and Section 62.155, Health and Safety Code, give preference to an organization that offers a managed care plan that successfully implements quality initiatives under Subsection (a) as determined by the commission based on data or other evidence provided by the organization or meets quality of care and cost-efficiency benchmarks under Subsection (b).

(e) The commission may implement financial incentives under this section only if implementing the incentives would be cost-effective.

[Sections 536.053-536.100 reserved for expansion]

SUBCHAPTER C. QUALITY-BASED HEALTH HOME PAYMENT SYSTEMS

Sec. 536.101. DEFINITIONS. In this subchapter:

(1) "Health home" means a primary care provider practice or, if appropriate, a specialty care provider practice, incorporating several features, including comprehensive care coordination, family-centered care, and data management, that are focused on improving outcome-based quality of care and increasing patient and provider satisfaction under the child health plan and Medicaid programs.

(2) "Participating enrollee" means a child health plan program enrollee or Medicaid recipient who has a health home.

6

Sec. 536.102. QUALITY-BASED HEALTH HOME PAYMENTS. (a) Subject to this subchapter, the commission, after consulting with the advisory committee, may develop and implement quality-based payment systems for health homes designed to improve quality of care and reduce the provision of unnecessary medical services. A quality-based payment system developed under this section must:

(1) base payments made to a participating enrollee's health home on quality and efficiency measures that may include measurable wellness and prevention criteria and use of evidence-based best practices, sharing a portion of any realized cost savings achieved by the health home, and ensuring quality of care outcomes, including a reduction in potentially preventable events; and

(2) allow for the examination of measurable wellness and prevention criteria, use of evidence-based best practices, and quality of care outcomes based on the type of primary or specialty care provider practice.

(b) The commission may develop a quality-based payment system for health homes under this subchapter only if implementing the system would be feasible and cost-effective.

Sec. 536.103. PROVIDER ELIGIBILITY. To be eligible to receive reimbursement under a quality-based payment system under this subchapter, a health home provider must:

(1) provide participating enrollees, directly or indirectly, with access to health care services outside of regular business hours;

(2) educate participating enrollees about the availability of health care services outside of regular business hours; and

(3) provide evidence satisfactory to the commission that the provider meets the requirement of Subdivision (1).

SUBCHAPTER D. QUALITY-BASED HOSPITAL REIMBURSEMENT SYSTEM

Sec. 536.151 [534.913]. COLLECTION AND REPORTING OF CERTAIN [HOSPITAL HEALTH] INFORMATION [EXCHANGE]. (a) [~~In this section, "potentially preventable readmission" means a return hospitalization of a person within a period specified by the commission that results from deficiencies in the care or treatment provided to the person during a previous hospital stay or from deficiencies in post-hospital discharge follow up. The term does not include a hospital readmission necessitated by the occurrence of unrelated events after the discharge. The term includes the readmission of a person to a hospital for:~~

(1) the same condition or procedure for which the person was previously admitted;

(2) an infection or other complication resulting from care previously provided;

(3) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome; or

(4) another condition or procedure of a similar nature, as determined by the executive commissioner.

~~(b)~~ The executive commissioner shall adopt rules for identifying potentially preventable readmissions of child health plan program enrollees and Medicaid recipients and potentially preventable complications experienced by child health plan program enrollees and Medicaid recipients. The ~~and the~~ commission shall collect ~~exchange~~ data from ~~with~~ hospitals on present-on-admission indicators for purposes of this section.

~~(b)~~ ~~(e)~~ The commission shall establish a ~~health information exchange~~ program to provide a ~~exchange~~ confidential report to ~~information with~~ each hospital in this state that participates in the child health plan or Medicaid program regarding the hospital's performance with respect to potentially preventable readmissions and potentially preventable complications. To the extent possible, a report provided under this section should include potentially preventable readmissions and potentially preventable complications information across all child health plan and Medicaid program payment systems. A hospital shall distribute the information contained in the report ~~received from the commission~~ to physicians and other health care providers providing services at the hospital.

~~(c)~~ A report provided to a hospital under this section is confidential and is not subject to Chapter 552.

Sec. 536.152. REIMBURSEMENT ADJUSTMENTS. (a) Subject to Subsection (b), using the data collected under Section 536.151 and the diagnosis-related groups (DRG) methodology implemented under Section 536.005, the commission, after consulting with the advisory committee, shall to the extent feasible adjust child health plan and Medicaid reimbursements to hospitals, including payments made under the disproportionate share hospitals and upper payment limit supplemental payment programs, in a manner that may reward or penalize a hospital based on the hospital's performance with respect to exceeding, or failing to achieve, outcome and process measures developed under Section 536.003 that address the rates of potentially preventable readmissions and potentially preventable complications.

~~(b)~~ The commission must provide the report required under Section 536.151(b) to a hospital at least one year before the commission adjusts child health plan and Medicaid reimbursements to the hospital under this section.

~~[Sections 536.153-536.200 reserved for expansion]~~

SUBCHAPTER E. QUALITY-BASED PAYMENT INITIATIVES

Sec. 536.201. DEFINITION. In this subchapter, "payment initiative" means a quality-based payment initiative established under this subchapter.

Sec. 536.202. PAYMENT INITIATIVES; DETERMINATION OF BENEFIT TO STATE. (a) The commission shall, after consulting with the advisory committee, establish payment initiatives to test the effectiveness of quality-based payment systems, alternative payment methodologies, and high-quality, cost-effective health care delivery models that provide incentives to physicians and other health care providers to develop health care interventions for child health plan program enrollees or Medicaid recipients, or both, that will:

- (1) improve the quality of health care provided to the enrollees or recipients;
- (2) reduce potentially preventable events;
- (3) promote prevention and wellness;
- (4) increase the use of evidence-based best practices;

(5) increase appropriate physician and other health care provider collaboration; and

(6) contain costs.

(b) The commission shall:

(1) establish a process by which managed care organizations and physicians and other health care providers may submit proposals for payment initiatives described by Subsection (a); and

(2) determine whether it is feasible and cost-effective to implement one or more of the proposed payment initiatives.

Sec. 536.203. PURPOSE AND IMPLEMENTATION OF PAYMENT INITIATIVES. (a) If the commission determines under Section 536.202 that implementation of one or more payment initiatives is feasible and cost-effective for this state, the commission shall establish one or more payment initiatives as provided by this subchapter.

(b) The commission shall administer any payment initiative established under this subchapter. The executive commissioner may adopt rules, plans, and procedures and enter into contracts and other agreements as the executive commissioner considers appropriate and necessary to administer this subchapter.

(c) The commission may limit a payment initiative to:

(1) one or more regions in this state;

(2) one or more organized networks of physicians and other health care providers; or

(3) specified types of services provided under the child health plan or Medicaid program, or specified types of enrollees or recipients under those programs.

(b) In addition to the benchmarks and goals under Subsection (a), the executive commissioner may approve efficiency performance standards that may include the sharing of realized cost savings with physicians and other health care providers who provide health care services that exceed the efficiency performance standards. The efficiency performance standards may not create any financial incentive for or involve making a payment to a physician or other health care provider that directly or indirectly induces the limitation of medically necessary services.

Sec. 536.205. PAYMENT RATES UNDER PAYMENT INITIATIVES. The executive commissioner may contract with appropriate entities, including qualified actuaries, to assist in determining appropriate payment rates for a payment initiative implemented under this subchapter.

(b) The Health and Human Services Commission shall convert the hospital reimbursement systems used under the child health plan program under Chapter 62, Health and Safety Code, and medical assistance program under Chapter 32, Human Resources Code, to the diagnosis-related groups (DRG) methodology to the extent possible as required by Section 536.005, Government Code, as added by this section, as soon as practicable after the effective date of this Act, but not later than:

Subject to Subsection (f), the program may provide incentive payments in accordance with this section to encourage facilities to participate in the program.

(c) In establishing an incentive payment [a quality of care health information exchange] program under this section, the executive commissioner shall, subject to Subsection (d), adopt common [exchange information with participating nursing facilities regarding] performance measures to be used in evaluating nursing facilities that are related to structure, process, and outcomes that positively correlate to nursing facility quality and improvement. The common performance measures:

(c) The Department of Aging and Disability Services shall conduct a study to evaluate the feasibility of expanding any incentive payment program established for nursing facilities under Section 531.912, Government Code, as amended by this section, by providing incentive payments for the following types of providers of long-term care services, as defined by Section 22.0011, Human Resources Code, under the medical assistance program:

receipt of federal funds under the medical assistance program established under Chapter 32, Human Resources Code, and to fund provider reimbursement payments as provided by Subsection (j).

(j) Money in the account described by Subsection (a)(2) may be appropriated only to the Health and Human Services Commission to fund provider reimbursement payments under the medical assistance program established under Chapter 32, Human Resources Code, including reimbursement enhancements to the statewide dollar amount (SDA) rate used to reimburse designated trauma hospitals under the program.

SECTION 1.15. Subchapter B, Chapter 531, Government Code, is amended by adding Section 531.0697 to read as follows:

(c) A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

(a) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b) If, at the time of application for benefits, a person stated that the person is a sponsored alien, the commission may, to the extent allowed by federal law, verify information relating to the sponsorship, using an automated system or systems where available, after the person is determined eligible for and begins receiving benefits under any of the following benefits programs:

- (1) the child health plan program under Chapter 62, Health and Safety Code;
- (2) the financial assistance program under Chapter 31, Human Resources Code;

(f) Nothing in this section adds to or changes the eligibility requirements for any of the benefits programs listed in Subsection (b).

SECTION 1.18. Subchapter B, Chapter 32, Human Resources Code, is amended by adding Section 32.0314 to read as follows:

SECTION 1.19. (a) Subchapter A, Chapter 531, Government Code, is amended by adding Section 531.0025 to read as follows:

Sec. 531.0025. RESTRICTIONS ON AWARDS TO FAMILY PLANNING SERVICE PROVIDERS. (a) Notwithstanding any other law, money appropriated to the Department of State Health Services for the purpose of providing family planning services must be awarded:

(1) to eligible entities in the following order of descending priority:

(A) public entities that provide family planning services, including state, county, and local community health clinics;

(B) nonpublic entities that provide comprehensive primary and preventive care services in addition to family planning services; and

(C) nonpublic entities that provide family planning services but do not provide comprehensive primary and preventive care services; or

(2) as otherwise directed by the legislature in the General Appropriations

Act.

(b) Notwithstanding Subsection (a), the Department of State Health Services shall, in compliance with federal law, ensure distribution of funds for family planning services in a manner that does not severely limit or eliminate access to those services in any region of the state.

(b) Section 32.024, Human Resources Code, is amended by adding Subsection (c-1) to read as follows:

(c-1) The department shall ensure that money spent for purposes of the demonstration project for women's health care services under former Section 32.0248, Human Resources Code, or a similar successor program is not used to perform or promote elective abortions, or to contract with entities that perform or promote elective abortions or affiliate with entities that perform or promote elective abortions.

SECTION 1.20. If before implementing any provision of this article a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the waiver or authorization is granted.

ARTICLE 2. LEGISLATIVE FINDINGS AND INTENT; COMPLIANCE WITH ANTITRUST LAWS

SECTION 2.01. (a) The legislature finds that it would benefit the State of Texas to:

(1) explore innovative health care delivery and payment models to improve the quality and efficiency of health care in this state;

(2) improve health care transparency;

(3) give health care providers the flexibility to collaborate and innovate to improve the quality and efficiency of health care; and

(4) create incentives to improve the quality and efficiency of health care.

(b) The legislature finds that the use of certified health care collaboratives will increase pro-competitive effects as the ability to compete on the basis of quality of care and the furtherance of the quality of care through a health care collaborative will overcome any anticompetitive effects of joining competitors to create the health care collaboratives and the payment mechanisms that will be used to encourage the furtherance of quality of care. Consequently, the legislature finds it appropriate and necessary to authorize health care collaboratives to promote the efficiency and quality of health care.

(c) The legislature intends to exempt from antitrust laws and provide immunity from federal antitrust laws through the state action doctrine a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act, and that collaborative's negotiations of contracts with payors. The legislature does not intend or authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of federal antitrust laws.

(d) The legislature intends to permit the use of alternative payment mechanisms, including bundled or global payments and quality-based payments, among physicians and other health care providers participating in a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act. The legislature intends to authorize a health care collaborative to contract for and accept payments from governmental and private payors based on alternative payment mechanisms, and intends that the receipt and distribution of payments to participating physicians and health care providers is not a violation of any existing state law.

Amend **CSSB 7** (house committee printing) by adding the following appropriately numbered ARTICLE to the bill and renumbering subsequent ARTICLES accordingly:

ARTICLE ____ INTERSTATE HEALTH CARE COMPACT

SECTION ____ .01. Title 15, Insurance Code, is amended by adding Chapter 5002 to read as follows:

CHAPTER 5002. INTERSTATE HEALTH CARE COMPACT

Sec. 5002.001. EXECUTION OF COMPACT. This state enacts the Interstate Health Care Compact and enters into the compact with all other states legally joining in the compact in substantially the following form:

Whereas, the separation of powers, both between the branches of the Federal government and between Federal and State authority, is essential to the preservation of individual liberty;

Whereas, the Constitution creates a Federal government of limited and enumerated powers, and reserves to the States or to the people those powers not granted to the Federal government;

Whereas, the Federal government has enacted many laws that have preempted State laws with respect to Health Care, and placed increasing strain on State budgets, impairing other responsibilities such as education, infrastructure, and public safety;

Whereas, the Member States seek to protect individual liberty and personal control over Health Care decisions, and believe the best method to achieve these ends is by vesting regulatory authority over Health Care in the States;

Whereas, by acting in concert, the Member States may express and inspire confidence in the ability of each Member State to govern Health Care effectively; and

Whereas, the Member States recognize that consent of Congress may be more easily secured if the Member States collectively seek consent through an interstate compact;

NOW THEREFORE, the Member States hereto resolve, and by the adoption into law under their respective State Constitutions of this Health Care Compact, agree, as follows:

Sec. I. Definitions. As used in this Compact, unless the context clearly indicates otherwise:

"Commission" means the Interstate Advisory Health Care Commission.

"Effective Date" means the date upon which this Compact shall become effective for purposes of the operation of State and Federal law in a Member State, which shall be the later of:

a) the date upon which this Compact shall be adopted under the laws of the Member State, and

b) the date upon which this Compact receives the consent of Congress pursuant to Article I, Section 10, of the United States Constitution, after at least two Member States adopt this Compact.

"Health Care" means care, services, supplies, or plans related to the health of an individual and includes but is not limited to:

(a) preventive, diagnostic, therapeutic, rehabilitative, maintenance, or palliative care and counseling, service, assessment, or procedure with respect to the physical or mental condition or functional status of an individual or that affects the structure or function of the body, and

(b) sale or dispensing of a drug, device, equipment, or other item in accordance with a prescription, and

(c) an individual or group plan that provides, or pays the cost of, care, services, or supplies related to the health of an individual, except any care, services, supplies, or plans provided by the United States Department of Defense and United States Department of Veteran Affairs, or provided to Native Americans.

"Member State" means a State that is signatory to this Compact and has adopted it under the laws of that State.

"Member State Base Funding Level" means a number equal to the total Federal spending on Health Care in the Member State during Federal fiscal year 2010. On or before the Effective Date, each Member State shall determine the Member State Base Funding Level for its State, and that number shall be binding upon that Member State.

"Member State Current Year Funding Level" means the Member State Base Funding Level multiplied by the Member State Current Year Population Adjustment Factor multiplied by the Current Year Inflation Adjustment Factor.

"Member State Current Year Population Adjustment Factor" means the average population of the Member State in the current year less the average population of the Member State in Federal fiscal year 2010, divided by the average population of the Member State in Federal fiscal year 2010, plus 1. Average population in a Member State shall be determined by the United States Census Bureau.

"Current Year Inflation Adjustment Factor" means the Total Gross Domestic Product Deflator in the current year divided by the Total Gross Domestic Product Deflator in Federal fiscal year 2010. Total Gross Domestic Product Deflator shall be determined by the Bureau of Economic Analysis of the United States Department of Commerce.

Sec. 2. Pledge. The Member States shall take joint and separate action to secure the consent of the United States Congress to this Compact in order to return the authority to regulate Health Care to the Member States consistent with the goals and principles articulated in this Compact. The Member States shall improve Health Care policy within their respective jurisdictions and according to the judgment and discretion of each Member State.

Sec. 3. Legislative Power. The legislatures of the Member States have the primary responsibility to regulate Health Care in their respective States.

Sec. 4. State Control. Each Member State, within its State, may suspend by legislation the operation of all federal laws, rules, regulations, and orders regarding Health Care that are inconsistent with the laws and regulations adopted by the Member State pursuant to this Compact. Federal and State laws, rules, regulations, and orders regarding Health Care will remain in effect unless a Member State expressly suspends them pursuant to its authority under this Compact. For any federal law, rule, regulation, or order that remains in effect in a Member State after the Effective Date, that Member State shall be responsible for the associated funding obligations in its State.

Sec. 5. Funding.

(a) Each Federal fiscal year, each Member State shall have the right to Federal monies up to an amount equal to its Member State Current Year Funding Level for that Federal fiscal year, funded by Congress as mandatory spending and not subject to annual appropriation, to support the exercise of Member State authority under this Compact. This funding shall not be conditional on any action of or regulation, policy, law, or rule being adopted by the Member State.

(b) By the start of each Federal fiscal year, Congress shall establish an initial Member State Current Year Funding Level for each Member State, based upon reasonable estimates. The final Member State Current Year Funding Level shall be calculated, and funding shall be reconciled by the United States Congress based upon information provided by each Member State and audited by the United States Government Accountability Office.

Sec. 6. Interstate Advisory Health Care Commission.

(a) The Interstate Advisory Health Care Commission is established. The Commission consists of members appointed by each Member State through a process to be determined by each Member State. A Member State may not appoint more than two members to the Commission and may withdraw membership from the Commission at any time. Each Commission member is entitled to one vote. The Commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the Commission's total membership.

(b) The Commission may elect from among its membership a Chairperson. The Commission may adopt and publish bylaws and policies that are not inconsistent with this Compact. The Commission shall meet at least once a year, and may meet more frequently.

(c) The Commission may study issues of Health Care regulation that are of particular concern to the Member States. The Commission may make non-binding recommendations to the Member States. The legislatures of the Member States may consider these recommendations in determining the appropriate Health Care policies in their respective States.

(d) The Commission shall collect information and data to assist the Member States in their regulation of Health Care, including assessing the performance of various State Health Care programs and compiling information on the prices of Health Care. The Commission shall make this information and data available to the legislatures of the Member States. Notwithstanding any other provision in this Compact, no Member State shall disclose to the Commission the health information of any individual, nor shall the Commission disclose the health information of any individual.

(e) The Commission shall be funded by the Member States as agreed to by the Member States. The Commission shall have the responsibilities and duties as may be conferred upon it by subsequent action of the respective legislatures of the Member States in accordance with the terms of this Compact.

(f) The Commission shall not take any action within a Member State that contravenes any State law of that Member State.

Sec. 7. Congressional Consent. This Compact shall be effective on its adoption by at least two Member States and consent of the United States Congress. This Compact shall be effective unless the United States Congress, in consenting to this Compact, alters the fundamental purposes of this Compact, which are:

(a) To secure the right of the Member States to regulate Health Care in their respective States pursuant to this Compact and to suspend the operation of any conflicting federal laws, rules, regulations, and orders within their States; and
(b) To secure Federal funding for Member States that choose to invoke their authority under this Compact, as prescribed by Section 5 above.

Sec. 8. Amendments. The Member States, by unanimous agreement, may amend this Compact from time to time without the prior consent or approval of Congress and any amendment shall be effective unless, within one year, the Congress disapproves that amendment. Any State may join this Compact after the date on which Congress consents to the Compact by adoption into law under its State Constitution.

Sec. 9. Withdrawal; Dissolution. Any Member State may withdraw from this Compact by adopting a law to that effect, but no such withdrawal shall take effect until six months after the Governor of the withdrawing Member State has given notice of the withdrawal to the other Member States. A withdrawing State shall be liable for any obligations that it may have incurred prior to the date on which its withdrawal becomes effective. This Compact shall be dissolved upon the withdrawal of all but one of the Member States.

SECTION ____ .02. This article takes effect immediately if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this article takes effect on the 91st day after the last day of the legislative session.

REMARKS ORDERED PRINTED

On motion of Senator Watson and by unanimous consent, the remarks by Senator Estes regarding Graham B. Purcell, Jr., were ordered reduced to writing and printed in the *Senate Journal* as follows:

I rise now and ask you to join me in honoring the life of a great statesman, while extending condolences to his family. Graham Boynton Purcell, Jr., born May 5, 1919, died June 11, 2011, a former United States Congressman, passed away Saturday at the age of 92 in his home in Wichita Falls. Graham Purcell was a native of Archer City, Texas, and an alumni of Texas A&M University and Baylor Law School. He bravely served our country in World War II, where he earned a Silver Star for his gallantry in action. After the war, he practiced law in Wichita Falls until he was appointed as a District Judge in 1955. In 1961, he was elected to the United States House of Representatives, where he served until 1973. His many accomplishments while serving in Washington included restarting the Congressional Prayer Breakfast and bringing the NATO Pilot Training Program to Sheppard Air Force Base in Wichita Falls. After his distinguished political career, Graham Purcell practiced law in Washington for 15 years, where he founded a prestigious law firm. In 1988, he returned to Wichita Falls, where he continued to live an exemplary life full of devotion to his family, his country, and God. Congressman Graham Purcell

was a dear friend and a true inspiration to everyone he met. He was a dedicated public servant and a great statesman. I will sorely miss my friend and the guidance he often shared.

REMARKS ORDERED PRINTED

On motion of Senator Wentworth and by unanimous consent, the remarks by Senators Watson, Huffman, and Wentworth were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Watson: Members, I ask that we adjourn today in memory of Courtney Paige Griffin. Courtney passed away as a result of a tragic accident on May 27, 2011. Courtney was a native Austinite who loved this great city. Her family has deep roots in Austin and here in the Texas Senate. Her grandmother, Billie Leach, served as the head of Senate Purchasing for many years and later was a Senate greeter for many sessions, and her mother, Laurie Griffin, is a former Senate employee, having worked for former Senator Ted B. Lyon and Senate E&E.

Senator Huffman: Mr. President, I'd also like to request that we adjourn today in memory of another great Texan. And that is Ramsay Gillman, who sadly we lost earlier this month. Ramsay was a native of Houston and a sixth generation Texan. He was a successful businessman in the auto industry, and I know many of you in this room knew him. He was here just a few short weeks ago helping us negotiate the auto dealers bill, in the Ramsey Room, coincidentally. He was a passionate philanthropist and a devoted family man. He certainly lived his life to the fullest, and he was a vital member of our community, and we will surely miss his leadership and his friendship. Thank you.

Senator Wentworth: Mr. President, I'd like us to adjourn today also in memory of Sergeant Thomas Andrew Bohall, who was only 25 years old. He was killed in action in Kandahar province, Afghanistan, on May 26th. Sergeant Bohall, a 2004 graduate of Ronald Reagan High School in San Antonio, was a member of the 101st Airborne Division. He served two terms in Iraq and was on his second assignment in Afghanistan. Although his parents recently moved to Florida, he always considered San Antonio his home, and that is why he was buried at Fort Sam Houston National Cemetery because of all the friends and family still there.

MOTION TO RECESS

On motion of Senator Whitmire and by unanimous consent, the Senate at 3:01 p.m. agreed to recess, in memory of Graham B. Purcell, Jr., Courtney Paige Griffin, Ramsay Gillman, and Thomas Andrew Bohall, upon completion of the introduction of bills and resolutions on first reading, the receipt of messages, and the receipt of committee reports, until 3:00 p.m. Tuesday, June 14, 2011.

REMARKS ORDERED PRINTED

On motion of Senator Van de Putte and by unanimous consent, the remarks by Senators Williams and Van de Putte regarding Floor Amendment No. 12 to **CSSB 9** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Van de Putte: Thank you, Mr. President. Mr. President and Members, this deals with our law enforcement training for anybody that is certified through TCLEOSE. Members, as you know that our law enforcement officers go through extensive training, and I had been familiar with the types of training that has been prepared by TCLEOSE, by the Commission because of my work in human trafficking. There were several legislative sessions that I tried to have TCLEOSE have a voluntary-type training available for our municipal police and our county police, so that if they wanted to, that they could do that. Now, of course, as a part of the recommendations of the anti-human trafficking task force that's housed under the Attorney General's office, that training now is mandatory. Senator Williams stated that he was not aware of any specific training provided to law enforcement regarding immigration and immigration-related laws. But, Members, I can tell you that if a city or a county, on any entity, signs up to be part of the federal 287(g) program, they do receive the training. However, many of our law enforcement agencies are not part of that 287(g) program. Training does exist right now, and it's provided to individuals involved with the booking, with, at the time of charging, which has been up to now, the issue where immigration status is raised. Under Senator Williams' bill, individuals will now be entitled—law enforcement—to raise the issue of immigration at the point of detainment. And, it would seem also prudent to provide them with the same or similar

training that their discretion can be really an educated one, an informed one. This amendment would have the Commission establish a training program on the enforcement of federal law relating to immigrants and immigration, but it does not make the training mandatory. I want to reiterate, all this amendment does is have TCLEOSE do—prepare a training program, because of the lack of resources and the testimony that was given. This is not a mandate, and I did not want to put this as a mandate to require more, that officers must go through training, but I do hope that some of the cities and municipalities and other entities that have TCLEOSE officers would have their officers make use of this training program. We believe that TCLEOSE can do this, they do this already for human trafficking, but at least this would give our communities that are going to be having a very different public policy the opportunity to have training. I hope that this is acceptable. On the first page of the amendment, on line 14, it cites Article 2.252 of the Code of Criminal Procedure. Members, that is the Secure Communities Act and that's what's referenced to. Again, this is not a mandate, this just makes sure that TCLEOSE establishes the type of training that, hopefully, our municipalities and our law enforcement personnel from regular districts can take advantage of. It is not, like I said is, it's voluntary that they make use of it, but this would have the Commission, which is most suitable to do, at least prepare the type of training that would be needed.

Senator Williams: Members, this bill doesn't require enforcement of federal immigration law, I don't believe there's any training, additional training that's necessary. Additionally, I would point out that this, I'd raise a point of order against further consideration of this amendment in that I don't believe it's germane to the bill that's before us.

President: Senator Williams, if you'd bring your, your point of order forward. Members, Senator Williams withdraws his point of order, and the Chair recognizes Senator Williams.

Senator Williams: I withdraw my point of order, and I think that Senator Van de Putte is going to withdraw her amendment, and we're going to offer some language about legislative intent here.

President: The Chair recognizes Senator Van de Putte.

Senator Van de Putte: Thank you, and, Mr. President, I do withdraw my amendment in that it might violate the two-subject rule in the House. But I believe that Senator Williams has indicated that he thinks it's probably a good idea for TCLEOSE to try to prepare the type of training that would be used, and so I'd like to yield to Senator Williams for some legislative intent on this particular aspect of training of officers.

Senator Williams: Senator Van de Putte, as I said earlier at the podium, I don't believe that this bill requires the enforcement of federal immigration law, and so, as I said, I have some concerns about whether any, mandating any training would be necessary, but having said that, I know that this is a huge concern for you and others on the floor, and out of respect for you and the other Members who've expressed a concern, I would like to state my legislative intent, that I think it would be a good idea if TCLEOSE came up with a training program that was related to the enforcement of

federal law relating to immigrants or immigration for an officer that's licensed under the chapter, and that not be a mandate on any community that they have to have that training. It is my firm belief that that training is being provided now, but out of respect to your concerns on this, I'm happy for TCLEOSE to develop a program, and if we can do that through legislative intent, I think that would be appropriate that they make this available for those communities where there're concerns that the training is inadequate.

Senator Van de Putte: Thank you, Senator Williams. I appreciate your desire to work with us on this, and I think it's especially important, particularly in light of the discussions done earlier today, with regard to officers assuring victims of crime, and particularly children, of the availability of certain visas. They have to be able to know that immigration law to be able to transmit the information properly to victims of crime and or witnesses of crime that would need to have that information so that they feel secure in coming forth to the police. I appreciate your concern and I do withdraw the amendment.

CSSB 9, Relating to the enforcement of state and federal laws governing immigration by certain governmental entities and the administration of certain documentation of citizenship status and other lawful admittance by the Department of Public Safety of the State of Texas.

The bill was read third time and was passed by the following vote: Yeas 19, Nays 12.

Yeas: Birdwell, Carona, Deuell, Duncan, Eltife, Estes, Fraser, Harris, Hegar, Huffman, Jackson, Nelson, Nichols, Ogden, Patrick, Seliger, Shapiro, Wentworth, Williams.

REASON FOR VOTE

Senator Lucio submitted the following reason for vote on **CSSB 9**:

I am against Senate Bill 9 primarily because of Section 1 which deals with so called "sanctuary cities."

Sanctuary cities legislation is a solution in search of a problem and has more to do with report cards than border security. Lawmakers should instead be focusing on the structural deficit and properly funding education and healthcare. I oppose any legislation that turns human beings into crime scenes.

Anti-immigrant legislation ignores the fact that many family relationships along the border are complicated. A father might be undocumented while the mother is a legal resident and the children are citizens. Those children have a constitutional right to life, liberty, and the pursuit of happiness.

Our immigration system is broken, however, reform needs to be driven from the federal level and must put families first.

relating to the administration, quality, and efficiency of health care, health and human services, and health benefits programs in this state; creating an offense; providing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

ARTICLE 1. ADMINISTRATION OF AND EFFICIENCY, COST-SAVING, AND FRAUD PREVENTION MEASURES FOR CERTAIN HEALTH AND HUMAN SERVICES AND HEALTH BENEFITS PROGRAMS

SECTION 1.01. (a) Subchapter B, Chapter 531, Government Code, is amended by adding Sections 531.02417, 531.024171, and 531.024172 to read as follows:

Sec. 531.02417. MEDICAID NURSING SERVICES ASSESSMENTS. (a) In this section, "acute nursing services" means home health skilled nursing services, home health aide services, and private duty nursing services.

(b) If cost-effective, the commission shall develop an objective assessment process for use in assessing a Medicaid recipient's needs for acute nursing services. If the commission develops an objective assessment process under this section, the commission shall require that:

(1) the assessment be conducted:

(A) by a state employee or contractor who is a registered nurse who is licensed to practice in this state and who is not the person who will deliver any necessary services to the recipient and is not affiliated with the person who will deliver those services; and

(B) in a timely manner so as to protect the health and safety of the recipient by avoiding unnecessary delays in service delivery; and

(2) the process include:

(A) an assessment of specified criteria and documentation of the assessment results on a standard form;

(B) an assessment of whether the recipient should be referred for additional assessments regarding the recipient's needs for therapy services, as defined by Section 531.024171, attendant care services, and durable medical equipment; and

(C) completion by the person conducting the assessment of any documents related to obtaining prior authorization for necessary nursing services.

(c) If the commission develops the objective assessment process under Subsection (b), the commission shall:

(1) implement the process within the Medicaid fee-for-service model and the primary care case management Medicaid managed care model; and

(2) take necessary actions, including modifying contracts with managed care organizations under Chapter 533 to the extent allowed by law, to implement the process within the STAR and STAR + PLUS Medicaid managed care programs.

(d) Unless the commission determines that the assessment is feasible and beneficial, an assessment under Subsection (b)(2)(B) of whether a recipient should be referred for additional therapy services shall be waived if the recipient's need for therapy services has been established by a recommendation from a therapist providing care prior to discharge of the recipient from a licensed hospital or nursing home. The assessment may not be waived if the recommendation is made by a therapist who will deliver any services to the recipient or is affiliated with a person who will deliver those services when the recipient is discharged from the licensed hospital or nursing home.

(e) The executive commissioner shall adopt rules providing for a process by which a provider of acute nursing services who disagrees with the results of the assessment conducted under Subsection (b) may request and obtain a review of those results.

Sec. 531.024171. THERAPY SERVICES ASSESSMENTS. (a) In this section, "therapy services" includes occupational, physical, and speech therapy services.

(b) After implementing the objective assessment process for acute nursing services in accordance with Section 531.02417, the commission shall consider whether implementing age- and diagnosis-appropriate objective assessment processes for assessing the needs of a Medicaid recipient for therapy services would be feasible and beneficial.

(c) If the commission determines that implementing age- and diagnosis-appropriate processes with respect to one or more types of therapy services is feasible and would be beneficial, the commission may implement the processes within:

(1) the Medicaid fee-for-service model;

(2) the primary care case management Medicaid managed care model; and

(3) the STAR and STAR + PLUS Medicaid managed care programs.

(d) An objective assessment process implemented under this section must include a process that allows a provider of therapy services to request and obtain a review of the results of an assessment conducted as provided by this section that is comparable to the process implemented under rules adopted under Section 531.02417(e).

Sec. 531.024172. ELECTRONIC VISIT VERIFICATION SYSTEM. (a) In this section, "acute nursing services" has the meaning assigned by Section 531.02417.

(b) If it is cost-effective and feasible, the commission shall implement an electronic visit verification system to electronically verify and document, through a telephone or computer-based system, basic information relating to the delivery of Medicaid acute nursing services, including:

(1) the provider's name;

(2) the recipient's name; and

(3) the date and time the provider begins and ends each service delivery

visit.

(b) Not later than September 1, 2012, the Health and Human Services Commission shall implement the electronic visit verification system required by Section 531.024172, Government Code, as added by this section, if the commission determines that implementation of that system is cost-effective and feasible.

SECTION 1.02. (a) Subsection (e), Section 533.0025, Government Code, is amended to read as follows:

(e) The commission shall determine the most cost-effective alignment of managed care service delivery areas. The commissioner may consider the number of lives impacted, the usual source of health care services for residents in an area, and other factors that impact the delivery of health care services in the area. [Notwithstanding Subsection (b)(1), the commission may not provide medical assistance using a health maintenance organization in Cameron County, Hidalgo County, or Maverick County.]

(b) Subchapter A, Chapter 533, Government Code, is amended by adding Sections 533.0027, 533.0028, and 533.0029 to read as follows:

Sec. 533.0027. PROCEDURES TO ENSURE CERTAIN RECIPIENTS ARE ENROLLED IN SAME MANAGED CARE PLAN. The commission shall ensure that all recipients who are children and who reside in the same household may, at the family's election, be enrolled in the same managed care plan.

Sec. 533.0028. EVALUATION OF CERTAIN STAR + PLUS MEDICAID MANAGED CARE PROGRAM SERVICES. The external quality review organization shall periodically conduct studies and surveys to assess the quality of care and satisfaction with health care services provided to enrollees in the STAR + PLUS Medicaid managed care program who are eligible to receive health care benefits under both the Medicaid and Medicare programs.

Sec. 533.0029. PROMOTION AND PRINCIPLES OF PATIENT-CENTERED MEDICAL HOMES FOR RECIPIENTS. (a) For purposes of this section, a "patient-centered medical home" means a medical relationship:

(1) between a primary care physician and a child or adult patient in which the physician:

(A) provides comprehensive primary care to the patient; and

(B) facilitates partnerships between the physician, the patient, acute care and other care providers, and, when appropriate, the patient's family; and

(2) that encompasses the following primary principles:

(A) the patient has an ongoing relationship with the physician, who is trained to be the first contact for the patient and to provide continuous and comprehensive care to the patient;

(B) the physician leads a team of individuals at the practice level who are collectively responsible for the ongoing care of the patient;

(C) the physician is responsible for providing all of the care the patient needs or for coordinating with other qualified providers to provide care to the patient throughout the patient's life, including preventive care, acute care, chronic care, and end-of-life care;

(D) the patient's care is coordinated across health care facilities and the patient's community and is facilitated by registries, information technology, and health information exchange systems to ensure that the patient receives care when and where the patient wants and needs the care and in a culturally and linguistically appropriate manner; and

(E) quality and safe care is provided.

(b) The commission shall, to the extent possible, work to ensure that managed care organizations:

(1) promote the development of patient-centered medical homes for recipients; and

(2) provide payment incentives for providers that meet the requirements of a patient-centered medical home.

(A) is locally owned, managed, and operated, if one exists; or

(B) is in compliance with the requirements of Section 533.004.

(b) The commission, in considering approval of a subcontract between a managed care organization and a pharmacy benefit manager for the provision of prescription drug benefits under the Medicaid program, shall review and consider whether the pharmacy benefit manager has been in the preceding three years:

(1) convicted of an offense involving a material misrepresentation or an act of fraud or of another violation of state or federal criminal law;

established under Section 536.002, Government Code, cost-sharing provisions that encourage personal accountability and appropriate utilization of health care services, including a cost-sharing provision applicable to [require] a recipient who chooses to receive a nonemergency [a high cost] medical service [provided] through a hospital emergency room [to pay a copayment, premium payment, or other cost sharing payment for the high cost medical service if:

~~[(A) performs an appropriate medical screening and determines that the recipient does not have a condition requiring emergency medical services;~~

~~[(B) informs the recipient:~~

~~[(i) that the recipient does not have a condition requiring emergency medical services;~~

~~[(ii) that, if the hospital provides the nonemergency service, the hospital may require payment of a copayment, premium payment, or other cost sharing payment by the recipient in advance; and~~

~~[(iii) of the name and address of a nonemergency Medicaid provider who can provide the appropriate medical service without imposing a cost sharing payment; and~~

(1) prevent a Medicaid recipient who has a condition requiring emergency medical services from receiving care through a hospital emergency room; or

(2) waive any provision under Section 1867, Social Security Act (42 U.S.C. Section 1395dd).

~~[(e) If the executive commissioner of the Health and Human Services Commission adopts a copayment or other cost sharing payment under Subsection (a), the commission may not reduce hospital payments to reflect the potential receipt of a copayment or other payment from a recipient receiving medical services provided through a hospital emergency room.]~~

(c) If H.B. No. 2245, Acts of the 82nd Legislature, Regular Session, 2011, becomes law, Sections 531.086 and 531.0861, Government Code, as added by that Act, are repealed.

(2) exploring the feasibility of:

(A) certifying or otherwise using those funds and expenditures as state expenditures for which this state may receive federal matching money; and

(B) depositing federal matching money received as provided by Paragraph (A) with other federal money deposited as provided by Section 531.504, or substituting that federal matching money for federal money that otherwise would be received under the disproportionate share hospitals and upper payment limit supplemental payment programs as a match for local funds received by this state through intergovernmental transfers.

(d) The terms of a waiver approved under this section must:

(1) include safeguards to ensure that the total amount of federal money provided under the disproportionate share hospitals or ~~and~~ upper payment limit supplemental payment program ~~programs~~ that is deposited as provided by Section

531.504 is, for a particular state fiscal year, at least equal to the greater of the annualized amount provided to this state under those supplemental payment programs during state fiscal year 2011 [2007], excluding amounts provided during that state fiscal year that are retroactive payments, or the state fiscal years during which the waiver is in effect; and

(2) allow for the development by this state of a methodology for allocating money in the fund to:

(A) be used to supplement Medicaid hospital reimbursements under a waiver that includes terms that are consistent with, or that produce revenues consistent with, disproportionate share hospital and upper payment limit principles [offset, in part, the uncompensated health care costs incurred by hospitals];

(2) state money appropriated to the fund.

(b) The commission and comptroller may accept gifts, grants, and donations from any source, and receive intergovernmental transfers, for purposes consistent with this subchapter and the terms of the waiver. The comptroller shall deposit a gift, grant, or donation made for those purposes in the fund. Any intergovernmental transfer received, including associated federal matching funds, shall be used, if feasible, for the purposes intended by the transferring entity and in accordance with the terms of the waiver.

(c) Section 531.508, Government Code, is amended by adding Subsection (d) to read as follows:

(d) Money from the fund may not be used to finance the construction, improvement, or renovation of a building or land unless the construction, improvement, or renovation is approved by the commission, according to rules adopted by the executive commissioner for that purpose.

Sec. 536.002. MEDICAID AND CHIP QUALITY-BASED PAYMENT ADVISORY COMMITTEE. (a) The Medicaid and CHIP Quality-Based Payment Advisory Committee is established to advise the commission on establishing, for purposes of the child health plan and Medicaid programs administered by the commission or a health and human services agency:

(1) reimbursement systems used to compensate physicians or other health care providers under those programs that reward the provision of high-quality, cost-effective health care and quality performance and quality of care outcomes with respect to health care services;

(2) standards and benchmarks for quality performance, quality of care outcomes, efficiency, and accountability by managed care organizations and physicians and other health care providers;

(3) programs and reimbursement policies that encourage high-quality, cost-effective health care delivery models that increase appropriate provider collaboration, promote wellness and prevention, and improve health outcomes; and

(4) outcome and process measures under Section 536.003.

(b) The executive commissioner shall appoint the members of the advisory committee. The committee must consist of physicians and other health care providers, representatives of health care facilities, representatives of managed care organizations, and other stakeholders interested in health care services provided in this state, including:

(c) The executive commissioner shall appoint the presiding officer of the advisory committee.

Sec. 536.003. DEVELOPMENT OF QUALITY-BASED OUTCOME AND PROCESS MEASURES. (a) The commission, in consultation with the advisory committee, shall develop quality-based outcome and process measures that promote the provision of efficient, quality health care and that can be used in the child health plan and Medicaid programs to implement quality-based payments for acute and long-term care services across all delivery models and payment systems, including fee-for-service and managed care payment systems. The commission, in developing outcome measures under this section, must consider measures addressing potentially preventable events.

(b) To the extent feasible, the commission shall develop outcome and process measures:

(1) consistently across all child health plan and Medicaid program delivery models and payment systems;

(2) in a manner that takes into account appropriate patient risk factors, including the burden of chronic illness on a patient and the severity of a patient's illness;

(3) that will have the greatest effect on improving quality of care and the efficient use of services; and

(4) that are similar to outcome and process measures used in the private sector, as appropriate.

(c) The commission shall, to the extent feasible, align outcome and process measures developed under this section with measures required or recommended under reporting guidelines established by the federal Centers for Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, or another federal agency.

(d) The executive commissioner by rule may require managed care organizations and physicians and other health care providers participating in the child health plan and Medicaid programs to report to the commission in a format specified by the executive commissioner information necessary to develop outcome and process measures under this section.

(e) If the commission increases physician and other health care provider reimbursement rates under the child health plan or Medicaid program as a result of an increase in the amounts appropriated for the programs for a state fiscal biennium as compared to the preceding state fiscal biennium, the commission shall, to the extent permitted under federal law and to the extent otherwise possible considering other relevant factors, correlate the increased reimbursement rates with the quality-based outcome and process measures developed under this section.

Sec. 536.004. DEVELOPMENT OF QUALITY-BASED PAYMENT SYSTEMS. (a) Using quality-based outcome and process measures developed under Section 536.003 and subject to this section, the commission, after consulting with the

advisory committee, shall develop quality-based payment systems for compensating a physician or other health care provider participating in the child health plan or Medicaid program that:

- (1) align payment incentives with high-quality, cost-effective health care;
- (2) reward the use of evidence-based best practices;
- (3) promote the coordination of health care;
- (4) encourage appropriate physician and other health care provider

collaboration;

- (5) promote effective health care delivery models; and
- (6) take into account the specific needs of the child health plan program

enrollee and Medicaid recipient populations.

(b) The commission shall develop quality-based payment systems in the manner specified by this chapter. To the extent necessary, the commission shall coordinate the timeline for the development and implementation of a payment system with the implementation of other initiatives such as the Medicaid Information Technology Architecture (MITA) initiative of the Center for Medicaid and State Operations, the ICD-10 code sets initiative, or the ongoing Enterprise Data Warehouse (EDW) planning process in order to maximize the receipt of federal funds or reduce any administrative burden.

(c) In developing quality-based payment systems under this chapter, the commission shall examine and consider implementing:

- (1) an alternative payment system;
- (2) any existing performance-based payment system used under the Medicare program that meets the requirements of this chapter, modified as necessary to account for programmatic differences, if implementing the system would:

(A) reduce unnecessary administrative burdens; and

(B) align quality-based payment incentives for physicians and other health care providers with the Medicare program; and

(3) alternative payment methodologies within the system that are used in the Medicare program, modified as necessary to account for programmatic differences, and that will achieve cost savings and improve quality of care in the child health plan and Medicaid programs.

(d) In developing quality-based payment systems under this chapter, the commission shall ensure that a managed care organization or physician or other health care provider will not be rewarded by the system for withholding or delaying the provision of medically necessary care.

(e) The commission may modify a quality-based payment system developed under this chapter to account for programmatic differences between the child health plan and Medicaid programs and delivery systems under those programs.

Sec. 536.005. CONVERSION OF PAYMENT METHODOLOGY. (a) To the extent possible, the commission shall convert hospital reimbursement systems under the child health plan and Medicaid programs to a diagnosis-related groups (DRG) methodology that will allow the commission to more accurately classify specific patient populations and account for severity of patient illness and mortality risk.

(b) Subsection (a) does not authorize the commission to direct a managed care organization to compensate physicians and other health care providers providing services under the organization's managed care plan based on a diagnosis-related groups (DRG) methodology.

Sec. 536.006. TRANSPARENCY. The commission and the advisory committee shall:

(1) ensure transparency in the development and establishment of:

(A) quality-based payment and reimbursement systems under Section 536.004 and Subchapters B, C, and D, including the development of outcome and process measures under Section 536.003; and

(B) quality-based payment initiatives under Subchapter E, including the development of quality of care and cost-efficiency benchmarks under Section 536.204(a) and efficiency performance standards under Section 536.204(b);

(2) develop guidelines establishing procedures for providing notice and information to, and receiving input from, managed care organizations, health care providers, including physicians and experts in the various medical specialty fields, and other stakeholders, as appropriate, for purposes of developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1); and

(3) in developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1), consider that as the performance of a managed care organization or physician or other health care provider improves with respect to an outcome or process measure, quality of care and cost-efficiency benchmark, or efficiency performance standard, as applicable, there will be a diminishing rate of improved performance over time.

Sec. 536.007. PERIODIC EVALUATION. (a) At least once each two-year period, the commission shall evaluate the outcomes and cost-effectiveness of any quality-based payment system or other payment initiative implemented under this chapter.

(b) The commission shall:

(1) present the results of its evaluation under Subsection (a) to the advisory committee for the committee's input and recommendations; and

(2) provide a process by which managed care organizations and physicians and other health care providers may comment and provide input into the committee's recommendations under Subdivision (1).

Sec. 536.008. ANNUAL REPORT. (a) The commission shall submit an annual report to the legislature regarding:

(1) the quality-based outcome and process measures developed under Section 536.003; and

(2) the progress of the implementation of quality-based payment systems and other payment initiatives implemented under this chapter.

(b) The commission shall report outcome and process measures under Subsection (a)(1) by health care service region and service delivery model.

Sec. 536.051. DEVELOPMENT OF QUALITY-BASED PREMIUM PAYMENTS; PERFORMANCE REPORTING. (a) Subject to Section 1903(m)(2)(A), Social Security Act (42 U.S.C. Section 1396b(m)(2)(A)), and other applicable federal law, the commission shall base a percentage of the premiums paid to a managed care organization participating in the child health plan or Medicaid program on the organization's performance with respect to outcome and process measures developed under Section 536.003, including outcome measures addressing potentially preventable events.

(b) The commission shall make available information relating to the performance of a managed care organization with respect to outcome and process measures under this subchapter to child health plan program enrollees and Medicaid recipients before those enrollees and recipients choose their managed care plans.

Sec. 536.052. PAYMENT AND CONTRACT AWARD INCENTIVES FOR MANAGED CARE ORGANIZATIONS. (a) The commission may allow a managed care organization participating in the child health plan or Medicaid program increased flexibility to implement quality initiatives in a managed care plan offered by the organization, including flexibility with respect to financial arrangements, in order to:

- (1) achieve high-quality, cost-effective health care;
- (2) increase the use of high-quality, cost-effective delivery models; and
- (3) reduce potentially preventable events.

(b) The commission, after consulting with the advisory committee, shall develop quality of care and cost-efficiency benchmarks, including benchmarks based on a managed care organization's performance with respect to reducing potentially preventable events and containing the growth rate of health care costs.

(c) The commission may include in a contract between a managed care organization and the commission financial incentives that are based on the organization's successful implementation of quality initiatives under Subsection (a) or success in achieving quality of care and cost-efficiency benchmarks under Subsection (b).

(d) In awarding contracts to managed care organizations under the child health plan and Medicaid programs, the commission shall, in addition to considerations under Section 533.003 of this code and Section 62.155, Health and Safety Code, give preference to an organization that offers a managed care plan that successfully implements quality initiatives under Subsection (a) as determined by the commission based on data or other evidence provided by the organization or meets quality of care and cost-efficiency benchmarks under Subsection (b).

(e) The commission may implement financial incentives under this section only if implementing the incentives would be cost-effective.

SUBCHAPTER C. QUALITY-BASED HEALTH HOME PAYMENT SYSTEMS

Sec. 536.101. DEFINITIONS. In this subchapter:

(1) "Health home" means a primary care provider practice or, if appropriate, a specialty care provider practice, incorporating several features, including comprehensive care coordination, family-centered care, and data management, that are focused on improving outcome-based quality of care and increasing patient and provider satisfaction under the child health plan and Medicaid programs.

(2) "Participating enrollee" means a child health plan program enrollee or Medicaid recipient who has a health home.

Sec. 536.102. QUALITY-BASED HEALTH HOME PAYMENTS. (a) Subject to this subchapter, the commission, after consulting with the advisory committee, may develop and implement quality-based payment systems for health homes designed to improve quality of care and reduce the provision of unnecessary medical services. A quality-based payment system developed under this section must:

(1) base payments made to a participating enrollee's health home on quality and efficiency measures that may include measurable wellness and prevention criteria and use of evidence-based best practices, sharing a portion of any realized cost savings achieved by the health home, and ensuring quality of care outcomes, including a reduction in potentially preventable events; and

(2) allow for the examination of measurable wellness and prevention criteria, use of evidence-based best practices, and quality of care outcomes based on the type of primary or specialty care provider practice.

(b) The commission may develop a quality-based payment system for health homes under this subchapter only if implementing the system would be feasible and cost-effective.

Sec. 536.103. PROVIDER ELIGIBILITY. To be eligible to receive reimbursement under a quality-based payment system under this subchapter, a health home provider must:

(1) provide participating enrollees, directly or indirectly, with access to health care services outside of regular business hours;

(2) educate participating enrollees about the availability of health care services outside of regular business hours; and

(3) provide evidence satisfactory to the commission that the provider meets the requirement of Subdivision (1).

SUBCHAPTER D. QUALITY-BASED HOSPITAL REIMBURSEMENT SYSTEM

Sec. 536.151 [534.943]. COLLECTION AND REPORTING OF CERTAIN [HOSPITAL HEALTH] INFORMATION [EXCHANGE]. (a) [In this section, "potentially preventable readmission" means a return hospitalization of a person within a period specified by the commission that results from deficiencies in the care or treatment provided to the person during a previous hospital stay or from deficiencies in post-hospital discharge follow-up. The term does not include a hospital readmission necessitated by the occurrence of unrelated events after the discharge. The term includes the readmission of a person to a hospital for:

(1) the same condition or procedure for which the person was previously admitted;

(2) an infection or other complication resulting from care previously provided;

~~[(3) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome; or~~

~~[(4) another condition or procedure of a similar nature, as determined by the executive commissioner.~~

~~[(b)] The executive commissioner shall adopt rules for identifying potentially preventable readmissions of child health plan program enrollees and Medicaid recipients and potentially preventable complications experienced by child health plan program enrollees and Medicaid recipients. The ~~[and the]~~ commission shall collect [exchange] data from [with] hospitals on present-on-admission indicators for purposes of this section.~~

~~(b) [(e)] The commission shall establish a [health information exchange] program to provide a [exchange] confidential report to [information with] each hospital in this state that participates in the child health plan or Medicaid program regarding the hospital's performance with respect to potentially preventable readmissions and potentially preventable complications. To the extent possible, a report provided under this section should include potentially preventable readmissions and potentially preventable complications information across all child health plan and Medicaid program payment systems. A hospital shall distribute the information contained in the report [received from the commission] to physicians and other health care providers providing services at the hospital.~~

~~(c) A report provided to a hospital under this section is confidential and is not subject to Chapter 552.~~

Sec. 536.152. REIMBURSEMENT ADJUSTMENTS. (b) The commission must provide the report required under Section 536.151(b) to a hospital at least one year before the commission adjusts child health plan and Medicaid reimbursements to the hospital under this section.

SUBCHAPTER E. QUALITY-BASED PAYMENT INITIATIVES

Sec. 536.201. DEFINITION. In this subchapter, "payment initiative" means a quality-based payment initiative established under this subchapter.

Sec. 536.202. PAYMENT INITIATIVES; DETERMINATION OF BENEFIT TO STATE. (a) The commission shall, after consulting with the advisory committee, establish payment initiatives to test the effectiveness of quality-based payment systems, alternative payment methodologies, and high-quality, cost-effective health

care delivery models that provide incentives to physicians and other health care providers to develop health care interventions for child health plan program enrollees or Medicaid recipients, or both, that will:

- (1) improve the quality of health care provided to the enrollees or recipients;
- (2) reduce potentially preventable events;
- (3) promote prevention and wellness;
- (4) increase the use of evidence-based best practices;
- (5) increase appropriate physician and other health care provider

collaboration; and

- (6) contain costs.

(b) The commission shall:

(1) establish a process by which managed care organizations and physicians and other health care providers may submit proposals for payment initiatives described by Subsection (a); and

(2) determine whether it is feasible and cost-effective to implement one or more of the proposed payment initiatives.

Sec. 536.203. PURPOSE AND IMPLEMENTATION OF PAYMENT INITIATIVES. (a) If the commission determines under Section 536.202 that implementation of one or more payment initiatives is feasible and cost-effective for this state, the commission shall establish one or more payment initiatives as provided by this subchapter.

(b) The commission shall administer any payment initiative established under this subchapter. The executive commissioner may adopt rules, plans, and procedures and enter into contracts and other agreements as the executive commissioner considers appropriate and necessary to administer this subchapter.

(c) The commission may limit a payment initiative to:

- (1) one or more regions in this state;

(2) one or more organized networks of physicians and other health care providers; or

(d) A payment initiative implemented under this subchapter must be operated for at least one calendar year.

Sec. 536.204. STANDARDS; PROTOCOLS. (a) The executive commissioner shall:

(1) consult with the advisory committee to develop quality of care and cost-efficiency benchmarks and measurable goals that a payment initiative must meet to ensure high-quality and cost-effective health care services and healthy outcomes; and

(2) approve benchmarks and goals developed as provided by Subdivision (1).

(b) In addition to the benchmarks and goals under Subsection (a), the executive commissioner may approve efficiency performance standards that may include the sharing of realized cost savings with physicians and other health care providers who provide health care services that exceed the efficiency performance standards. The

efficiency performance standards may not create any financial incentive for or involve making a payment to a physician or other health care provider that directly or indirectly induces the limitation of medically necessary services.

Sec. 536.205. PAYMENT RATES UNDER PAYMENT INITIATIVES. The executive commissioner may contract with appropriate entities, including qualified actuaries, to assist in determining appropriate payment rates for a payment initiative implemented under this subchapter.

(b) The Health and Human Services Commission shall convert the hospital reimbursement systems used under the child health plan program under Chapter 62, Health and Safety Code, and medical assistance program under Chapter 32, Human Resources Code, to the diagnosis-related groups (DRG) methodology to the extent possible as required by Section 536.005, Government Code, as added by this section, as soon as practicable after the effective date of this Act, but not later than:

- (1) September 1, 2013, for reimbursements paid to children's hospitals; and
- (2) September 1, 2012, for reimbursements paid to other hospitals under those programs.

(c) Not later than September 1, 2012, the Health and Human Services Commission shall begin providing performance reports to hospitals regarding the hospitals' performances with respect to potentially preventable complications as required by Section 536.151, Government Code, as designated and amended by this section.

(d) Subject to Section 536.004(b), Government Code, as added by this section, the Health and Human Services Commission shall begin making adjustments to child health plan and Medicaid reimbursements to hospitals as required by Section 536.152, Government Code, as added by this section:

- (1) not later than September 1, 2012, based on the hospitals' performances with respect to reducing potentially preventable readmissions; and
- (2) not later than September 1, 2013, based on the hospitals' performances with respect to reducing potentially preventable complications.

(f) The commission may make incentive payments under the program only if money is [~~specifically~~] appropriated for that purpose.

(c) The Department of Aging and Disability Services shall conduct a study to evaluate the feasibility of expanding any incentive payment program established for nursing facilities under Section 531.912, Government Code, as amended by this section, by providing incentive payments for the following types of providers of long-term care services, as defined by Section 22.0011, Human Resources Code, under the medical assistance program:

and
- (2) if applicable, allow the pharmacy providers of recipients who are to receive the communication access to the communication.

SECTION 1.16. (a) Subchapter A, Chapter 61, Health and Safety Code, is amended by adding Section 61.012 to read as follows:

Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b) A public hospital or hospital district that provides health care services to a sponsored alien under this chapter may recover from a person who executed an affidavit of support on behalf of the alien the costs of the health care services provided to the alien.

(c) A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

(B) nonpublic entities that provide comprehensive primary and preventive care services in addition to family planning services; and

(C) nonpublic entities that provide family planning services but do not provide comprehensive primary and preventive care services; or

(2) as otherwise directed by the legislature in the General Appropriations Act.

(b) Notwithstanding Subsection (a), the Department of State Health Services shall, in compliance with federal law, ensure distribution of funds for family planning services in a manner that does not severely limit or eliminate access to those services in any region of the state.

(b) Section 32.024, Human Resources Code, is amended by adding Subsection (c-1) to read as follows:

(c-1) The department shall ensure that money spent for purposes of the demonstration project for women's health care services under former Section 32.0248, Human Resources Code, or a similar successor program is not used to perform or promote elective abortions, or to contract with entities that perform or promote elective abortions or affiliate with entities that perform or promote elective abortions.

If before implementing any provision of this article a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the waiver or authorization is granted.

ARTICLE 2. LEGISLATIVE FINDINGS AND INTENT; COMPLIANCE WITH
ANTITRUST LAWS

SECTION 2.01. (a) The legislature finds that it would benefit the State of Texas to:

(1) explore innovative health care delivery and payment models to improve the quality and efficiency of health care in this state;

(2) improve health care transparency;

(3) give health care providers the flexibility to collaborate and innovate to improve the quality and efficiency of health care; and

(4) create incentives to improve the quality and efficiency of health care.

(b) The legislature finds that the use of certified health care collaboratives will increase pro-competitive effects as the ability to compete on the basis of quality of care and the furtherance of the quality of care through a health care collaborative will overcome any anticompetitive effects of joining competitors to create the health care collaboratives and the payment mechanisms that will be used to encourage the furtherance of quality of care. Consequently, the legislature finds it appropriate and necessary to authorize health care collaboratives to promote the efficiency and quality of health care.

(c) The legislature intends to exempt from antitrust laws and provide immunity from federal antitrust laws through the state action doctrine a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act, and that collaborative's negotiations of contracts with payors. The legislature does not intend or authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of federal antitrust laws.

(d) The legislature intends to permit the use of alternative payment mechanisms, including bundled or global payments and quality-based payments, among physicians and other health care providers participating in a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act. The legislature intends to authorize a health care collaborative to contract for and accept payments from governmental and private payors based on alternative payment mechanisms, and intends that the receipt and distribution of payments to participating physicians and health care providers is not a violation of any existing state law.

CHAPTER 5002. INTERSTATE HEALTH CARE COMPACT

Sec. 5002.001. EXECUTION OF COMPACT. This state enacts the Interstate Health Care Compact and enters into the compact with all other states legally joining in the compact in substantially the following form:

Whereas, the separation of powers, both between the branches of the Federal government and between Federal and State authority, is essential to the preservation of individual liberty;

Whereas, the Constitution creates a Federal government of limited and enumerated powers, and reserves to the States or to the people those powers not granted to the Federal government;

Whereas, the Federal government has enacted many laws that have preempted State laws with respect to Health Care, and placed increasing strain on State budgets, impairing other responsibilities such as education, infrastructure, and public safety;

Whereas, the Member States seek to protect individual liberty and personal control over Health Care decisions, and believe the best method to achieve these ends is by vesting regulatory authority over Health Care in the States;

Whereas, by acting in concert, the Member States may express and inspire confidence in the ability of each Member State to govern Health Care effectively; and

Whereas, the Member States recognize that consent of Congress may be more easily secured if the Member States collectively seek consent through an interstate compact;

NOW THEREFORE, the Member States hereto resolve, and by the adoption into law under their respective State Constitutions of this Health Care Compact, agree, as follows:

Sec. 1. Definitions. As used in this Compact, unless the context clearly indicates otherwise:

"Commission" means the Interstate Advisory Health Care Commission.

"Effective Date" means the date upon which this Compact shall become effective for purposes of the operation of State and Federal law in a Member State, which shall be the later of:

- a) the date upon which this Compact shall be adopted under the laws of the Member State, and
- b) the date upon which this Compact receives the consent of Congress pursuant to Article I, Section 10, of the United States Constitution, after at least two Member States adopt this Compact.

"Health Care" means care, services, supplies, or plans related to the health of an individual and includes but is not limited to:

- (a) preventive, diagnostic, therapeutic, rehabilitative, maintenance, or palliative care and counseling, service, assessment, or procedure with respect to the physical or mental condition or functional status of an individual or that affects the structure or function of the body, and
- (b) sale or dispensing of a drug, device, equipment, or other item in accordance with a prescription, and
- (c) an individual or group plan that provides, or pays the cost of, care, services, or supplies related to the health of an individual, except any care, services, supplies, or plans provided by the United States Department of Defense and United States Department of Veteran Affairs, or provided to Native Americans.

"Member State" means a State that is signatory to this Compact and has adopted it under the laws of that State.

"Member State Base Funding Level" means a number equal to the total Federal spending on Health Care in the Member State during Federal fiscal year 2010. On or before the Effective Date, each Member State shall determine the Member State Base Funding Level for its State, and that number shall be binding upon that Member State.

"Member State Current Year Funding Level" means the Member State Base Funding Level multiplied by the Member State Current Year Population Adjustment Factor multiplied by the Current Year Inflation Adjustment Factor.

"Member State Current Year Population Adjustment Factor" means the average population of the Member State in the current year less the average population of the Member State in Federal fiscal year 2010, divided by the average population of the Member State in Federal fiscal year 2010, plus 1. Average population in a Member State shall be determined by the United States Census Bureau.

"Current Year Inflation Adjustment Factor" means the Total Gross Domestic Product Deflator in the current year divided by the Total Gross Domestic Product Deflator in Federal fiscal year 2010. Total Gross Domestic Product Deflator shall be determined by the Bureau of Economic Analysis of the United States Department of Commerce.

Sec. 2. Pledge. The Member States shall take joint and separate action to secure the consent of the United States Congress to this Compact in order to return the authority to regulate Health Care to the Member States consistent with the goals and principles articulated in this Compact. The Member States shall improve Health Care policy within their respective jurisdictions and according to the judgment and discretion of each Member State.

Sec. 3. Legislative Power. The legislatures of the Member States have the primary responsibility to regulate Health Care in their respective States.

Sec. 4. State Control. Each Member State, within its State, may suspend by legislation the operation of all federal laws, rules, regulations, and orders regarding Health Care that are inconsistent with the laws and regulations adopted by the Member State pursuant to this Compact. Federal and State laws, rules, regulations, and orders regarding Health Care will remain in effect unless a Member State expressly suspends them pursuant to its authority under this Compact. For any federal law, rule, regulation, or order that remains in effect in a Member State after the Effective Date, that Member State shall be responsible for the associated funding obligations in its State.

Sec. 5. Funding.

(a) Each Federal fiscal year, each Member State shall have the right to Federal monies up to an amount equal to its Member State Current Year Funding Level for that Federal fiscal year, funded by Congress as mandatory spending and not subject to annual appropriation, to support the exercise of Member State authority under this Compact. This funding shall not be conditional on any action of or regulation, policy, law, or rule being adopted by the Member State.

(b) By the start of each Federal fiscal year, Congress shall establish an initial Member State Current Year Funding Level for each Member State, based upon reasonable estimates. The final Member State Current Year Funding Level shall be calculated, and funding shall be reconciled by the United States Congress based upon information provided by each Member State and audited by the United States Government Accountability Office.

Sec. 6. Interstate Advisory Health Care Commission.

(a) The Interstate Advisory Health Care Commission is established. The Commission consists of members appointed by each Member State through a process to be determined by each Member State. A Member State may not appoint more than two members to the Commission and may withdraw membership from the Commission at any time. Each Commission member is entitled to one vote. The Commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the Commission's total membership.

(b) The Commission may elect from among its membership a Chairperson. The Commission may adopt and publish bylaws and policies that are not inconsistent with this Compact. The Commission shall meet at least once a year, and may meet more frequently.

(c) The Commission may study issues of Health Care regulation that are of particular concern to the Member States. The Commission may make non-binding recommendations to the Member States. The legislatures of the Member States may consider these recommendations in determining the appropriate Health Care policies in their respective States.

(d) The Commission shall collect information and data to assist the Member States in their regulation of Health Care, including assessing the performance of various State Health Care programs and compiling information on the prices of Health Care. The Commission shall make this information and data available to the legislatures of the Member States. Notwithstanding any other provision in this Compact, no Member State shall disclose to the Commission the health information of any individual, nor shall the Commission disclose the health information of any individual.

(e) The Commission shall be funded by the Member States as agreed to by the Member States. The Commission shall have the responsibilities and duties as may be conferred upon it by subsequent action of the respective legislatures of the Member States in accordance with the terms of this Compact.

(f) The Commission shall not take any action within a Member State that contravenes any State law of that Member State.

Sec. 7. Congressional Consent. This Compact shall be effective on its adoption by at least two Member States and consent of the United States Congress. This Compact shall be effective unless the United States Congress, in consenting to this Compact, alters the fundamental purposes of this Compact, which are:

(a) To secure the right of the Member States to regulate Health Care in their respective States pursuant to this Compact and to suspend the operation of any conflicting federal laws, rules, regulations, and orders within their States; and

(b) To secure Federal funding for Member States that choose to invoke their authority under this Compact, as prescribed by Section 5 above.

Sec. 8. Amendments. The Member States, by unanimous agreement, may amend this Compact from time to time without the prior consent or approval of Congress and any amendment shall be effective unless, within one year, the Congress disapproves that amendment. Any State may join this Compact after the date on which Congress consents to the Compact by adoption into law under its State Constitution.

Sec. 9. Withdrawal; Dissolution. Any Member State may withdraw from this Compact by adopting a law to that effect, but no such withdrawal shall take effect until six months after the Governor of the withdrawing Member State has given notice of the withdrawal to the other Member States. A withdrawing State shall be liable for any obligations that it may have incurred prior to the date on which its withdrawal becomes effective. This Compact shall be dissolved upon the withdrawal of all but one of the Member States.

SECTION 12.02. This article takes effect immediately if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this article takes effect on the 91st day after the last day of the legislative session.

SENATE JOURNAL

EIGHTY-SECOND LEGISLATURE — FIRST CALLED SESSION

AUSTIN, TEXAS

PROCEEDINGS

ADDENDUM

SIXTH DAY

(Tuesday, June 14, 2011)

The following remarks regarding **CSSB 9** on third reading and final passage were ordered reduced to writing and printed in the *Senate Journal*.

President: The Chair lays out on third reading and final passage Senate Bill 9. The Secretary will read the caption.

Secretary of the Senate: Committee Substitute Senate Bill 9, relating to the enforcement of state and federal laws governing immigration by certain governmental entities and the administration of certain documentation of citizenship status.

President: Members, before I recognize Senator Williams, I'm going to call on Members who wish to speak against the bill. Senator Zaffirini, I'm sorry, the Dean wanted to speak first. The Chair recognizes the Dean of the Senate.

Senator Whitmire: Thank you, Mr. President and Members. Senator Williams, I guess I could say I'm glad I wasn't in your shoes tonight, but you've done a fine job of representing your perspective. And I can't think of a piece of legislation that we've considered this session, or really in recent history, that I believe will be judged to be so unfair and so inequitable as this piece of legislation. And it was so glaring to me when I was watching Senator Hinojosa and you have exchanges, because it became so apparent that you will never, ever be confronted with the provisions of this legislation. Neither will I, neither will our Anglo Members of this body and the Anglos we represent. It just would be unheard of for someone in Houston, on a traffic violation, to ask me to prove that I'm a U.S. citizen. We have to slow down and think about what we're about to do if this legislation is approved. Senator Hinojosa, going to Corpus, in a traffic violation, a veteran of the Vietnam War, an honorable Member of this body, for the first time in our history, under state law, will have to prove that he's a U.S. citizen. I should be able to sit down right now, and that's enough said to stop this bad legislation. We must stop and consider what we're doing. I'll repeat it, Tommy, you and I, our family, our children will never, ever have this law used against us, regardless of the probable cause for pulling us over. Senator Hinojosa will. And I'll discuss more what it will do to our Hispanic colleagues before I conclude. We have spent practically no time this afternoon, Senator Williams, talking about border security, practically none. We have border cities under attack, can't even cross the border as we used to for tourism. This legislation will do nothing to make our border

safer. Juarez, Reynosa, Brownsville, Matamoros, they're all going to still be in fear, as long as you have crime south of the border, drug trafficking. Yesterday, the Mexican authorities arrested, or apprehended 193 people in an 18-wheeler at the Guatemala-Mexican border. We haven't discussed those conditions at all. If I and all of us thought that your legislation would improve border security, we would unite. But we've spent practically none of the last half a dozen hours talking about border security, the cartel, the arms trafficking. What we have talked about are the streets and cities of Texas. It is amazing to me, Senator Williams, that you trust, in your dialogue with Senators, that you trust the police officers to ask the right questions. You put great confidence that they will implement and carry out the legislative intent of asking the right questions. Members, you didn't put the same trust in those officers and their chiefs in the department, administration, that said, please, don't pass this legislation. You can't have it both ways. You can't trust them to implement a bad law when they're against the law in the first place. They said it will damage public safety. We must slow down, Members. I had Members today say, why do y'all want to talk when you know the outcome? Because it's our moral duty. Very seldom, Members, do we see a piece of legislation that will impact our citizens, documented and undocumented, like this piece of legislation will. It's our moral duty to stand up against discrimination. I can't think in my career of something that is close to this—maybe hate crimes—and perhaps you can remind me of one. We're fixing to impact every Hispanic citizen of the State of Texas, documented and undocumented. We've spent most of our time on the undocumented, but what about the Mexican-Americans, what about the Cuban-Americans? Any Hispanic in the State of Texas, a citizen of the United States, is going to have to prove for the first time in our history, under state law, that they're a citizen of the United States. I must comment briefly on some of the discussion in the Committee. Some of the witnesses were challenged because they spoke Spanish, a proud language. U.S. citizens have been speaking it since the battle of San Jacinto, and they were fighting on the Texas side. I go to Chappell Hill, a small community near Brenham where they still have Catholic services in Polish to honor the seniors there. Been U.S. citizens for 60, 70, 80 years, Senator Williams, and they worship in Polish. You go to Fredericksburg, it's German. If you go to West Texas, just north of Hillsboro, it's Czechoslovakia, they speak Czech in their services. It must be clarified that if you speak Spanish, just means you're proud of your heritage. Let me quickly tell you why I'm emotional. I represent The Heights. My office is in The Heights. Young lady named Rosa was taking care of a family's children behind the office. The baby she's caring for, American family, and her four-year-old would walk by the office, Tommy, try to cross Yale Street, and I couldn't stand to watch them cross a busy boulevard on their tricycle. So, I ran out finally, and said, Ma'am, I'm Senator Whitmire, this is my office, you got to pick up the tricycle and walk these kids across. I struck up a conversation. I found out that Rosa came to the United States 10 years ago from Mexico illegally, married a U.S. citizen from Peru, Peruvian-American. He had left her, and she knew I was a government official. I gained her confidence, and she asked for help. She's undocumented. The sorry husband has left, and she's got a four-year-old. She can't work. She's parking cars at night and doing the babysitting. I think, how can I help her, Tommy? I'll get her child support. I know the Attorney General's office. Guess

what? She's afraid to access the courts to get child support that she's entitled to because she's undocumented. She's got a U.S. citizen, four-year-old Richard, and a sorry husband. And I have to advise her on the tough decision, can we chance going to court and seek child support because she's undocumented. What if he shows up, says, oh, that's my U.S. citizen son, I'll take care of him. She's illegal, return her. Think about this law, Tommy and Members. She'd be afraid to go to court now. We're actually trying to get her child support as I talk to you. Rosa came here when we welcomed immigrants. She's taking care of a U.S. family's baby, just as if it was hers. Sorry U.S. American husband left her, and she can't seek child support and does part-time jobs. Fast forward to Maria. People brought Maria to my office. Maria came 12 years ago with her husband, got three sons, all attending public schools in Houston. Maria cleans houses. Maria pays taxes, never files for a return on her IRS payment. I alluded to Maria this afternoon, but I didn't go in detail. A year ago last May, Members, she owns a home. She's a leader in her church, Senator Patrick. She and her husband work, pay taxes, property taxes, sales taxes. Guess what? A year ago last May she's turning left at a construction site, is pulled over, doesn't have a valid license, goes to jail, Harris County jail, fingerprinted, determined to be undocumented. Last Mother's Day a year ago, she was in the detention center near Bush airport and went six weeks without seeing her children. And you wondered, Senator Shapiro, why they compare it with the atrocities in history that would never reach the level that you and I know have been perpetrated. That's their atrocity. She was kept for six weeks, and she doesn't understand except she couldn't prove that she's a U.S. citizen. I spoke to her the other day. She's got a hearing in October to see whether she and her family will be deported. I could go on and on. That's the face and the dilemma that we face tonight. I could cite Ana Hernandez's most moving speech in the House where she says, as an undocumented child, her family would never leave the house together. The mother and father always made one stay behind in case one is apprehended. We just enhanced that 100 percent of the time. Families are going to be afraid to leave the house. They will always, in the morning, make provisions for who's going to pick up the kids. But if you're a single mom like Rosa, she's picked up during the day, who's going to pick up Richard at night? It is a mess, Senator Williams. And I understand the politics of it, but sometime you just got to do the moral thing and, as Sam Houston would say, do the right thing and suffer the consequences. This is one of these times. If I can't persuade you—and I understand you don't swing a lot of votes with the talk in the Senate, but that don't mean you don't try—if I can't persuade you on the sound policy, the fairness, the equity of the issue, let me appeal to you on our religious convictions. I know we have believers on this Senate floor. And, you know, I don't like to put mine in public, but First John, fourth chapter, 20 and 21st verse says, if you say you love God who you cannot see and you hate your brother who you can see, then you're a liar, for how can you love someone who you can't see and hate someone you can see. Senator Estes, I would appeal to our faith at this moment to remember documented and undocumented are our brothers and sisters. They're children of God. We're fixing to make a dramatic decision in each and every one of their lives. Let me close in opposition by putting a real, real face on this legislation. We spent most of the afternoon talking about the undocumented citizens, and I will quickly mention, before I forget it, the tragedy of the two Houston police

officers, Senator Williams, that you properly paid respect to. Both Officer Johnson and Kevin Will were shot, one shot, one run over by a DWI driver, both undocumented. Both had already been deported, one twice. Getting back to my discussion about border security, as long as there's criminals and disrespect for the law, you can pass all the laws you want to, these two criminals would pay no attention to your statute. In closing, we spent most of our time about the undocumented, let's put a face on the U.S. citizens, the Mexican-Americans. For the first time in Texas history, the people we represent, when they're pulled over, they're going to have to prove that they're U.S. citizens. It will not affect me, will not affect the Anglo Members of this body but, Senator Van de Putte, will you stand up? Senator Rodriguez, Uresti, Hinojosa, would you please stand? Lucio, Zaffirini? Take a look at our colleagues, Members. Mario Gallegos, retired firefighter, put his life on the line for all of us. Look at these Members of the Senate. The first time one of them is pulled over, the traffic, or any probable cause, they're going to for the first time in their life, a Vietnam War veteran, county official, I can go on and on, honorable, U.S. citizens, Uresti, a Marine. This legislation will force them to prove that they are U.S. citizens, and they're honorable Members of this body, proud U.S. citizens, Texans. Members, we can do better. This is a sad day. Please, realize what you're doing, and vote no on this legislation.

President: The Chair recognizes Senator Zaffirini to speak against the bill.

Senator Zaffirini: Thank you, Mr. President. Mr. President and Members, I, too, rise in opposition to Senate Bill 9, the so-called sanctuary cities bill. Abraham Lincoln urged us to be guided by the better angels of our nature, and this is one of those times when we should listen to those better angels. We also should listen to the Hispanic Senators. If we truly want to improve public safety, the first thing we need to do is to listen to the men and women charged with protecting the public. Law enforcement leaders do not want this bill and have spoken against it repeatedly, though respectfully. Do we really want to tell them how to do their jobs, tell them that we know best? Law enforcement leaders from across the state, including the Dallas County sheriff, police chiefs of Houston, El Paso, San Antonio, Fort Worth, and Austin, all have stated their belief that this bill will harm, will harm public safety. I believe them, Members, and I wish all of you would. Members, you know that 911 response times are critical and can mean the difference between life and death. If your family is facing an emergency and you call the police, you want them to get there fast. Yet, clearly, if law enforcement officials spend time determining a person's legal status after a traffic violation or other small problem, they may not be able to respond to critical emergencies timely. I know because when one of my staff members and I were in a rural county in our district and we had an accident, we called for help. No one could respond. No one from the neighboring county could respond. And we asked, what is the problem? They said, they're chasing fugitives. And I said, was there a bank robbery? And they said, the answer was, no. They're chasing illegals, which, of course, to me is an offensive word. But here they were, the law enforcement officials who should come to our aid were chasing undocumented workers, undocumented persons across two counties, and could not do their job. This bill will exacerbate that problem. Experience and research have shown that the best policies for controlling crime are those that reduce fear and establish trust between law

enforcement and the communities they serve. Policies that are based on fear, like Senate Bill 9, are the wrong approach. They not only create more fear but also are ineffective at reducing crime. Do you think that a victim or a witness to a crime will call the police if he or she is worried about being deported? Senate Bill 9 will make people afraid to do the right thing. Mr. President and Members, this bill only creates unnecessary fears, fear of law enforcement and the fear experienced by undocumented persons. It breaks bonds of trust between the communities and creates more fear by furthering the false perception that undocumented persons are responsible for the majority of crimes in this state. During floor debate, Senator Williams said repeatedly that Senate Bill 9 does not create a new offense. Perhaps that is true, however, it does create a new weapon and forces law enforcement to use it. This new weapon, obviously, is the inquiry of citizenship status. The possibility that there will be mistakes in the judicious and careful use of this weapon is a legitimate and serious concern. To assume that it will not result in discrimination against American citizens, especially against those of us who are of Hispanic descent or who look Hispanic, is wrong. I don't doubt your sincere belief, those of you who intend to vote for this bill, that Senate Bill 9 would prohibit sanctuary cities, require the use of the Secure Communities Program, and authenticate lawful presence when issuing state IDs and driver licenses. However, please understand my belief, the belief of every Hispanic Senator, that Senate Bill 9 inevitably will result in American citizens being harassed and targeted. This is unacceptable and, because of it, I stand in opposition to Senate Bill 9. When it comes to public safety in Texas, we should listen to our law enforcement leaders who oppose Senate Bill 9. They oppose it, and so do I. We should listen to the seven Hispanic Senators and to those who represent Hispanic districts. We oppose Senate Bill 9, and so should you. We also should listen, as President Lincoln advised, to our better angels. Failure to do so will result in discrimination against Hispanic Americans. Members, I ask you to listen to your better angels, to vote against Senate Bill 9. Truly, failure to do so will result in your discriminating against us. Thank you, Mr. President and Members.

President: Chair recognizes Senator Rodriguez to speak against the bill.

Senator Rodriguez: Thank you, Mr. President and Members. There is no question Senate Bill 9 is bad legislation, as Senator Whitmire said. At a time when Hispanics are making their mark as the fastest-growing population, as the youngest population, as the future labor force of Texas and the nation, as Steve Murdock and others have told us, this body is passing a law that threatens their progress and harms not only their prosperity, but the State of Texas as well. Make no mistake about it, I heard Governor Perry say that Texas was not Arizona when House Bill 1070 was passed in Arizona. I heard Senator Williams say in El Paso that as long as he was Chair of the Transportation and Homeland Security Committee, he would not allow Arizona-style legislation to pass through his Committee. I repeat, make no mistake about it, Senate Bill 9 is Arizona-style legislation which will cause local law enforcement to be perceived, if nothing else, to be perceived as immigration agents, and it will create fear, as we heard the testimony yesterday, in the community and potential economic chaos in this state, as we heard from the business witnesses yesterday. Yesterday, we heard overwhelming opposition to this legislation from law enforcement, from the religious community, from cities, from counties, from elected officials, from

advocates, and from ordinary citizens. This legislation, Members, will have unintended consequences. Communities will become less safe and more insecure according to our experts, the law enforcement officers. Crime will increase as trust is broken between immigrants and law enforcement. We will have less public safety and more insecurity rather than security. Racial profiling of Hispanics and civil rights violations will occur, precipitating civil rights lawsuits, expensive civil rights lawsuits. Local taxpayers will foot the bill for police training, for jail costs, as the sheriff from Dallas, and the sheriff from, or the chief of police from Houston pointed out as well, yesterday in testimony. There will be the expense of lawsuits and other unfunded mandates on local government. And I have to add this, as happened in California when the anti-immigrant Proposition 187 passed, there will be political backlash in future elections. These are the unintended consequences, and there are others. Do we really need to have 50 sets of state immigration laws to address our broken national immigration system? This is a piecemeal piece of legislation. It will contribute nothing, as has already been stated, to solve our immigration problem. In fact, it will only worsen it by driving our immigrant community further and deeper into the shadows. Unfortunately, this legislation will brand Texas as worse than Arizona. Texas will be viewed as an unwelcoming place for all immigrants, legal and illegal, documented and undocumented, and an unwelcoming place for Hispanics at a time when the Hispanics are recognized, as I said earlier, as the future labor force for maintaining the state and nation's competitiveness in the world economy. Members, let's make no mistake like Arizona. Let's build Texas' legacy as a state for opportunity for everyone. Let's vote against Senate Bill 9. Thank you.

President: Thank you, Senator. Chair recognizes Senator Uresti to speak against the bill.

Senator Uresti: Thank you, Mr. President, Members. Good evening. I don't get emotional very often, and I did earlier because when it comes to our children, they simply are my weakness, but we need to slow down, Members, just for a moment and really think about this bill. Why is it being brought, and what is it designed to accomplish, and the effects that it would have and will have, not only on local law enforcement but on the fastest-growing demographic in our state. The first two questions are the toughest for advocates to answer. There are no sanctuary cities in Texas. You heard my dialogue with Senator Williams earlier. He could not name one city, and I asked him no less than three times. No one has yet to cite a municipality in this state where undocumented immigrants are sheltered or nurtured or otherwise protected by any ordinance or code. And we've heard a lot of rhetoric and grandstanding about drug cartels and so-called criminal aliens. We've all heard the anecdotes that this undocumented person killed someone who was drunk driving and that undocumented immigrant did this or that. Members, I enlisted in the United States Marine Corps when I was 18 years old to defend our country. I represent two-thirds of the Texas-Mexico border, more border than most of y'all put together. There's nobody that I know on this Senate floor that doesn't want to protect our Texas-Mexico border. But while these isolated incidents might make a good story, the simple fact is that the numbers and the statistics tell another story. So, why do we need this bill, and why is this an emergency? Beyond the divisive, political ideology that's at work and beyond the fact that some people think that they need this to garner votes

in a primary election, there is no good reason. And I've heard some Members tell me that, well, because we fought for more funding for our children in public ed, now we have to deal with this bill. That's mean, and that's vindictive, and it's wrong. And I will tell you right now, I will never compromise my values when it comes to fighting for the children of Texas. So, the fact that we're here today, and if you're using this bill to get back at us for fighting for children, that's not on us, it's on those that believe this bill should be used for payback. Indeed, just this weekend we got a bitter taste of the ideology at work of the minds of some of the folks that support this bill. There was a rally in support of this bill, and the cofounder of the Immigration Reform Coalition of Texas bemoaned the presence of too many Hispanics in the Legislature. She said, that's part of our problem and we need to change those numbers. We need to do something about that. And though her words were condemned, we were also told that this bill is not about race or politics, it's not about the color of anyone's skin. Members, that's exactly what this bill is about. As your colleague and as your friend, I do not want to believe that that is your intention. I don't want to believe that most of, in fact, I don't believe that most of you would've brought this bill forward on your own. But intentional or not, regardless of the motivation, this bill and your vote strikes at the hearts and the souls of the Latino people in Texas. It threatens their freedom and their independence. Any encounter with law enforcement, any fervent glance or misstatement could result in suspicion. And suddenly, it doesn't matter where you were born, it doesn't matter where you live, how you make your living, it doesn't matter if you serve our country, all that matters all of a sudden is the color of your skin and if you have an accent, perhaps. And all of a sudden, a new burden of proof is imposed. Members, don't fool yourselves about how this bill would have to be enforced. It opens the door to discrimination against legal immigrants, American citizens, tourists, travelers, anyone who looks like me, Senator Lucio, Senator Hinojosa, Senator Gallegos, anyone who is a member of the fastest-growing population in Texas. And I know a little bit about being discriminated against because of the color of my skin. When I was just in Pre-K, five years old, we were not allowed to speak Spanish in school. My name is Carlos, obviously, so my teacher said, we're not allowed to say Carlos, because that's a Spanish name, so we're going to nickname you Charlie. To this day, my family calls me Charlie because we were not allowed to speak Spanish in school, meaning I couldn't even say my own name, Carlos, in school. When I was a young teenager, I had friends, female friends that wouldn't date me because they told me, their fathers told them they couldn't date a Mexican. When I was a second lieutenant in the United States Marine Corps back in 1986 at basic school, other second lieutenants would come in from, we would come in from the field, we were sweaty, taking off our packs, and they'd say, look, there goes a real wetback, talking about me. There were 150 second lieutenants in our class, only three Hispanics, and they would point to me and say, there goes a real wetback. They thought it was funny. I didn't think it was funny. It was pure ignorance. And quite frankly, I shouldn't have to prove I'm an American citizen. When I was born on September the 12th of 1963, Santa Rosa Hospital in San Antonio, Texas, I proved then I was an American citizen. When I enlisted in the United States Marine Corps at the age of 18, I proved then that I was an American citizen. And when I took the oath to defend our Constitution against all enemies, foreign and domestic, I proved then

that I was an American citizen. Yes, I love the color of my skin, don't get me wrong, but I shouldn't have to prove my citizenship simply because my skin is a little darker than yours. So, what are we doing here, Members? Why is this body so aggressively pursuing a policy that runs counter to the best interest of our state and all its people? This bill is hurtful, it's ignorant, and it's offensive. I'm going to close, Members. I've tried to reach y'all this evening talking about legal issues, emotional issues, and as Senator, as Dean Whitmire did, I want to try to reach you spiritually. A few sessions ago, Senator Patrick, with all of us in agreement, put those four words up there above Lieutenant Governor Dewhurst that read, in God we trust. Every morning we have a prayer and we ask for God to watch over us as we deliberate and as we vote. Just a few minutes ago, Senator Birdwell said we should have the courage to do what's right. And so, I'm going to ask you, Members, to pray before you vote. And I'll ask you to ask yourself one question before you vote, what would Jesus do? Thank you.

President: The Chair recognizes Senator Lucio to speak in opposition.

Senator Lucio: Thank you, Mr. President. Members, I, too, rise on this very sad occasion, somewhat angry but forgiving because at my age, I guess, and practicing my faith, I've come to a conclusion of being as forgiving as I can to my fellowman. I've lived on the border all my life, actually, fourth generation in that area of the state, my son, fifth generation. We're very proud. We didn't have an opportunity, I was pulled off the bus, Senator Uresti, when I was drafted to the Vietnam War because there was a tremendous shortage of teachers then. So, I had to stay back to teach our children. And I took pride, and I passed on to them what I had learned growing up. As a matter of fact, at the end of each class I would take five minutes to lecture them on being a good citizen, being a good American because that's what I was taught at home. My dad would preach patriotism and Americanism, Senator, and my mom would pitch in with citizenship. I've made a lot of friends over the years on both sides of the border. I can remember one time when I was in Mexico, right across from Brownsville, Matamoros, and all my friends there were congratulating me for my service as a public official and that I was a great Mexican, a great Mexican, a great Mexican, that's all I heard from them. Except one guy at the end of the table, he was eyeing me and he said, after a little bit of conversation, he says, Lucio's not a Mexican. He said, he's an American. So they all turned to me to see how I would respond, Senator, and I said, he's right. I'm very proud to be an American. I love my country just like you love your country. But I can assure you that as I serve in public office, no matter whether I'm a county treasurer, county commissioner, state representative, or a state senator, you can always count on my positions that hopefully will *va a afectar ambos lados de la frontera*, which means, hopefully will impact both sides of the border, in terms of our relationship with you all because we are, hopefully, good neighbors. We want to understand and appreciate one another. We're part of a culture that's extremely, you know, strong in this area of both countries. And we celebrate a lot of important holidays together. I've had a lot of experiences over my years. I'm a senior now. And I talk to my grandchildren and I try to teach them to be good neighbors and to be understanding and to never discriminate no matter what because we're the majority down there. There's 95, 96 kids in our public schools that are Hispanic down there, 95 to 96 percent of the kids are Hispanic. And in this state, the majority of those going into public schools are Hispanic. We know that. And we

need to educate them so they can become good Texans, good Americans, productive citizens, and we need to send the right messages on whatever public policy we pass on this floor. You know, I have to prove that I'm an American citizen twice a week, Senator Shapiro. I have to go through a checkpoint. And I don't like it because their line of questioning is just horrible, and I get after them, and I'm hoping the camera's on. They say, where you going? I say, I'm going, I'm going to go work. Where? Well, I'm going to Austin. What do you do? I mean, I should just have to prove, Senator Williams, that I am an American, period, and they should let me go about my business. They don't even look at my license plates, they look at me, they look at the person inside the car. Anybody else in there? Well, no, no, the door's unlocked, take a look. Line of questioning is horrid. Now, that comes from our federal officials, and I'll restate that anytime, anywhere, including Washington, and my intentions are to do so whenever I get that opportunity. Somewhere along the line, they're not teaching, they're not going to charm school, I'd say. What is going to happen now to the other levels of law enforcement with this piece of legislation? Where are we going from here? I cannot hang my faith outside the door, Senator Ogden. I can't. It's impossible for me to separate my faith and my duties on this floor. And that means that I have to be very considerate before I vote on a piece of legislation that I think or I know will impact somebody negatively, whether he's a stranger in this land or whether he's a citizen. You know, a lot of the strangers here, all those documented, undocumented workers, they struggle, quite frankly, to get here. I don't condone doing anything illegal, but you got to understand what's happening on that border. Thousands of people are getting killed every day. Every day I pick up the newspaper, and I'm afraid to read my computer because another 172 graves were dug up and two of them were Americans this morning. There are real problems out there without creating more divisiveness, more dissention with legislation such as this. And I will say this, that all of this is going to be reversed someday. They are going to look back and they are going to see what happened here, and the people on this floor will probably, you know, grow in terms of Hispanic Members, and they're going to, including the leadership, and all of this is going to be reversed. But I don't want it to be in a hateful mood. And that's what, hopefully, I will be speaking against, hate, divisiveness. You know, we're one Texas family, regardless of our cultural background. I've always talked about that in our public schools, even down south where I'm from. And I'm sitting here throughout this whole debate, and I'm thinking back of the experiences that we've had, similar to some of those that were discussed and shared with us here tonight. I remember my son as a college student at Texas Tech being pushed against the wall. Pushed against the wall! I came so close in hurting somebody because they pushed my son against the wall because they wanted to know if he was an American citizen. Can you imagine that? Having your son pushed against the wall, or your daughter, or having your father being questioned to death because he's on his way back from a fishing trip at Boca Chica Beach, right close to where we've lived all our lives, by somebody who just got into town from up north? What about him, after questioning those in the car, well, that guy, he's to us an American hero, stable American, veteran, veteran of foreign wars, questioning his citizenship. This is going to make it ugly, very ugly in many communities. Senator Whitmire kicked it off perfectly tonight. I've never been so proud in listening to some of you stand up for

what you believe is right. You're right, Senator, that's enough, I'll stop, I'll stop here. But when we listen, and I listen to our prayer, I'm very attentive. You might laugh at this, but I prayed three rosaries last night, three, for a reason, because I love my Texas and everyone that lives here. And I love the people I work with, but we're just, at times, we don't feel for the person next to us, and I just want you to know that this is really the lowest point of my 24 years of service on this floor.

President: Chair recognizes Senator Gallegos to speak against the bill.

Senator Gallegos: Thank you, Mr. President. Members, you know, I rise to speak against the bill. Senator Whitmire, I appreciate you putting what's before us here in your words, and I've never had anybody, really, I mean, I've had a lot of people talk for me and all that, but in the way you put it, you, I mean, you put a face with it. You made us stand up, and I hope that everybody was sitting at their desk and watched that because I'd never seen that done, ever, you know, that the Latino Members of this body just get up and then, this is who it's going to affect. And Whitmire said it, not me. John Whitmire said it. It's going to affect the Latino Members on this floor. You know, Members, illegal immigrants have been coming to this country for over a century and probably even more than that. You know, they been coming from all walks of life and all walks of this nation, of this Earth. And, you know, Senator Ellis, a lot of them, you know, they come from the south, they come from the east and west, but a lot of them came through Ellis Island in those days when they were fleeing communism, terrorism, tyranny, dictatorship, and, yes, genocide. That's why they were coming to America. And, Senator Ellis, you know, when they came in, in the line, they came there at Ellis Island, and did we turn them away, did we ask for their papers, did we ask for their citizenship? Were they told, hey, you got to get on the boat and go right back where you came from? No, we welcomed them with open arms. We knew why they were fleeing. You know, they were fleeing the terror and murder and heaven knows what else over there on the other side. That's why they came here, and a lot of them are our grandparents, your grandparents, great-grandparents, the very roots of, probably, who sits here on this Senate floor. We never asked, that I know of, none of them were ever asked, hey, you got to get on the boat and go right back, we're sorry, or show us your papers, show us your citizenship. Never was that asked. You know, Members, I know Senator Lucio said that he had to, every time he goes home, he has to show that he's a citizen, that he's an American citizen. And, you know, during session, there was an incident, and I've talked to it with a couple of my colleagues, not everybody knows, but I'll tell you it tonight because I think it's appropriate. You know, there was one night we were debating 'til about, I want to say it was nine o'clock at night. And the President let us go the next day. I had a meeting at one o'clock in Houston, so I decided to go home and I took a nap for a couple of hours, and then I just decided, you know what, I'm going to go home, be there for that meeting, at least rest in the morning and be there for that one o'clock meeting. So, I packed up, drove, I'm not going to tell you where I drove to and the city that I stopped, but you know, I didn't have gas, so I had to stop. And I gassed up, then went inside at this city that will go unnamed, and I walked in and went to the bathroom. And there was two police cars out front, and I went to the bathroom, and one of the police officers kind of nonchalantly followed me to the door, and the other one, I couldn't tell what the other one was doing, but I went to the

bathroom. And, you know, those of us that come from the barrio that I was born and raised, you know, I was dressed in blue jeans, and I like to wear a *guayabera*. You know, I like to wear *guayaberas*, and this is the very shirt I was wearing. You know, and a lot of us, and even, I've seen Whitmire wear *guayaberas* and a lot of you because with 100 degree heat outside, these are real cool, really, real cool, and I know a lot of y'all wear them. This is what I was wearing. So, when I walked out, there was a police officer right outside the door. I mean, he didn't approach me, but I walked out, went and got a Sprite, but I could see the other officer was outside by my truck with a pad, and he looked close. And unlike you, Senator Lucio, and he looked at me, but they also looked at my truck and, yes, they did look at the drivers, at the license tag, thank God. You know, because when he, once he saw it, he didn't see me come out of the bathroom. When he saw it, he turned around to the other officer and started waving like this, no, you know. So, I can only, my perception is what they were going to do to me, I mean, were they going to ask me for my ID or ask if I was a American citizen? I don't know. I don't know, but that was, Members, number one, I learned one lesson, I will have a full tank of gas before I leave Austin, Texas, I can guarantee you that. But, number two, you know, I mean, it was racial profiling to the max. I mean racial profiling, even before Senate Bill 9 goes into effect, if we pass that bill. And, you know, I started wondering, well, if I wear these kind of shirts, because I wear other shirts, too. You know, I like to wear this shirt. I'm from the barrio. I like to wear this shirt, and it shows Our Lady of Guadalupe on the back. And I'm sure, Senator Davis, in Fort Worth you've seen this, here in Austin, in Dallas, especially in the Valley. And if you look at pickup trucks, this symbol is all on a bunch of trucks, Senator Uresti. I don't mind telling you, I do like to wear this shirt, you know, and I'm proud to wear this shirt. And then, I also wear other shirts, too, when I try to relax. And this is one of my favorites, this is Emiliano Zapata, and, Senator Davis, you've seen these, too. You know, and these are what you wear, you know, really, in my neighborhood. And I'm proud to wear this shirt. I couldn't find, I tried to find *Viva Villa*, but they're all sold out. And I also tried to find, you know, the Mexican soccer shirts. I see a gentleman upstairs wearing it, you know, but they were sold out. You can't find one in Austin, because I looked today. Sold out, this T-shirt sold out. You know, Members, and then my little encounter in that small town, been listening in Senator Williams' Committee, you know, on this officer that testified. And Senator Williams said, well, he misunderstood, and he really didn't know the language in the bill. Well, if that police officer misunderstood, I wonder how many other police officers are not going to understand Senate Bill 9 and the way it works. You know, and then it reminded me of our good friend in Maricopa, Arizona, our good sheriff, Senator Ellis. And let me tell you about his current status. He's currently the subject of an FBI, United States Department of Justice, and federal grand jury investigations for civil rights violation and abuse of power, and is a defendant in the federal class action suit for racial profiling. And this is a letter from the Phoenix mayor about the good sheriff: Over the past few weeks, Sheriff Arpaio's actions have infringed on the civil rights of our residents. They have put our residents' well-being and the well-being of our law enforcement officers at risk. And then, Arpaio, the sheriff has always said that he, always maintained that his deputies never profile people during his crime sweeps. But then he said this, he said, there are certain criteria that we go by,

no ID, looking like they just came from Mexico and they admit it, that's enough. That's our good sheriff in Arizona. And it reminded me of that testimony that I heard in Senator Williams' Committee. You know, and I was looking at all the witnesses, Senator Williams, and, I mean, there's a lot. I'm not going to go through all of them, there's too many, especially against. It's like five to one against. And I saw a lot of the clergy. There's a lot of clergy in here, a lot of police chiefs, and the folks that we heard personal stories from. You know, I just, you know, hearing this bill tonight, it's just, I'm struck by the question, you know, why? I mean, what's the point? Why are we spending more time on this bill? What issues are we hoping to solve? You know, and I heard, Senator Williams, that it's not his intent, and I believe him. It's not his intent on this issue. It's not my intent on this other issue. And a lot of the good amendments that went down, you already said it's covered in the bill, but it's not my intent to do this. But the word I always heard coming up was, unintended consequences. Unintended consequences. Now, you know, I've got Senate Bill 1070 in Arizona, you know, and I look at the language. Then I also have the language of Prop. 187, and I look at the language. And then I look at Senate Bill 9, and I look at the language, and this bill shouldn't be called the sanctuary cities bill. It should be called the unintended consequences bill because, I promise you, it might not be the same language, but once the unintended consequences are formulated in, you would get the same results as Prop. 187. You will get the same results as Senate Bill 1070 in Arizona. You will get those results, I promise you that's what's going to happen under this bill. You know, I think everybody on this floor would agree with me that our country needs immigration reform. In fact, Senator Williams, I supported your resolution during the Regular Session calling on Congress. I agreed with you then, and you asked a while ago about, you know, making Congress come up with some kind of immigration reform. I agree with you, and I voted with you, but our state, more than some others, as Senator Lucio pointed out, feels the effects of a broken immigration system in our country. And this legislation tonight is really, I believe, going backwards. We're going back to the '50s. You know, back in those days, Senator West, you know, I hate to even say it, you know, the Jim Crow days. You know, the fire hoses, the German Shepherds, why don't we just bring those out? Might as well add an amendment and bring this in. That's what all this is about when Senator Whitmire told us to stand up. I mean, I'd rather take that, at least I know it's coming. Why try to hide it in unintended consequences in Senate Bill 9? You know, the police and the sheriff's department, especially the sheriff in Dallas County, Senator West, said, and she, excuse me, she testified that she was against the bill and said it was going to bring unfunded mandates and it was going to cost the City of Dallas, excuse me, the County of Dallas. And I mean, police chiefs and sheriffs coming before the Committee said this was an unfunded mandate. And even more so, what was pointed out during the earlier debate with Senator Uresti, and him going to the fiscal note and showing that it's going to affect not only our big cities but small cities also. They don't have the force to pay for this. And I believe that they came to testify for a reason. They don't have the troops. Just like I told Senator Williams earlier, that our police chief, Senator Patrick, was given a certain amount of money and the mayor told him, here, you've got to work with this, you can't work with it, we're going to lay off police officers. That's exactly what he was given. So, he knows, when he testified,

going to cost \$4 million to the City of Houston Police Department to implement if Senate 9 goes into effect. He knows that that's what it's going to cost. And I believe that this is an unfunded mandate on police departments, sheriff's departments that came to testify that day. You know, Members, I could go a long time, but I think we've gotten our point across, at least I have. And I wanted to point that out. It's not only the fact of the matter that people are going to be asked to show their citizenship. But I mean, look at the Census, of the people that came here, the majority was all Latino. You know, I believe you're going to have consequences like Senator Rodriguez said, you know, you're going to have those that don't want to come over here. You'll probably, you know, and I would venture to say, you're going to have some boycotts, just like they did in Arizona. They boycotted and the City of Phoenix lost a lot of money. But if you look at the buying power, I mean, just look at the H-E-Bs, the Payless stores, especially in your Latino communities, they're the highest in sales. They're the highest in sales. And at one time, the Capital Bank in my district, in my community, in a Latino district, was the highest single depositor bank, single deposit bank in this state, all Latino, 100 percent Latino. You know, that's really what you're dealing with here. We're talking about economic opportunities that Hispanics come here for, their buying power. I mean, their money is just as good as anybody else's. I mean, it shows up, and the sales tax is just as good as anybody else's, because they're at the stores. You can see them. They're at the stores buying and buying and buying and paying that sales tax. And I think this bill's going to have that effect on them. They're not going to want to come outside like was mentioned, or like was mentioned about Ana Hernandez. They had to shuttle so if one of them got apprehended they, at least, somebody would be having to take care of the kids. That's what they are going to do here, after your bill goes into effect. You know, let me close by saying, I think this bill will be an open season, and I see my friends up there from Houston, this will be an open season on Latinos. I mean, just, hey, we're going to stop them, I mean, just go in my district or any other districts here, but you know, I'm going to tell you that if you look at the demographics of my colleagues from the other aisle, your districts are at least 20 to 30 percent Latino, too. And I think that this bill will only breed racial profiling, hate mongering, and fear. Yes, fear. And it will not serve, it's not going to serve to solve any problems. This bill, Senator Lucio said, this is the saddest day of his 24 years. This is a sad day for all of us that look like me. This bill is the most racist, Latino-bashing, anti-immigrant bill that I've ever seen, and that includes California in Prop. 187 and that includes Senate Bill 1070 in Arizona. That's why I will vote against this racist bill.

President: The Chair recognizes Senator Van de Putte to speak against the bill.

Senator Van de Putte: Thank you, Mr. President. Mr. President and Members, I rise to speak against passage of the Committee Substitute to Senate Bill 9. Members, we've heard a lot about why we really need this bill. It's about border security. It's about public safety. But I really believe it's about fear. It's about fear and politics. Nowhere in the discussions have we really focused on the core problems. All of us agree we wouldn't even be having this debate if it were not for the abject failure of our federal government to do long-term immigration reform and secure our borders. It's the abject failure of Democratic administrations. It's the abject failure of past Republican administrations. Members, we treasure that we have a free market and a

free market society that makes our economy strong, but there's one part about the free market that's very difficult, and that is to interrupt and to interfere into the relationship between a willing buyer and a willing seller. And nowhere tonight have we mentioned the fact that although the United States only makes up a little over 7 percent of the world's population, we consume, as Americans, 70 percent of the illicit drugs in the world. Think about the willing buyer. The violence and what we see in the cartels is because we are the purchasers of that product that destroys our families. Today, news reports suggested and verified that we sell, that Americans sell to Mexico 70 percent of their arms, 70 percent of their weapons comes from the United States. It's an awful trade. Americans buy the drugs and we sell them the guns. I don't know that this bill does anything about that trade injustice. We should be focusing on that and we're not. In fact, we've heard repeated pleas from our police officers and those in charge of law enforcement that this will, in fact, set them back. It will harm their ability to keep communities safe. Texas has a very proud tradition and maybe some of you do not know our history as well. We have the portrait of Stephen F. Austin. If you walk over to the archives, you will never see a signature of Stephen F. Austin, because he never signed it that way. In all the documents he signed were Estefan Austin. We've prided ourselves on being different from Arizona. We have a collective history. In fact, we were Mexico, we were Texas and Coahuila. And sometimes when people still speak Spanish, they do so because of the comfort level of being in the native tongue, much like my husband's grandmother, who preferred to speak French with her children and grandchildren because she was so fearful of her broken English. And in her home and around her family, she spoke French. Senator Uresti, my name is Leticia Rosa Magdelana Aguillar San Miguel. But in school, I was called Rosie. Leticia wasn't allowed. And so, when the phone calls come in to our office and they ask for Rosie, my staff jokes that this is somebody who knew me in school. And my family called me Rosie to not call attention to the fact. I was sent home three times during elementary for speaking Spanish accidentally on the playground, but if you were a boy, you got whipped. If you were a girl, you got sent home. Luckily, those days are behind us. Members, let's focus on the injustice of the economic consequences. I know that we are doing this today. It didn't happen during the Regular Session, and it didn't because of the willingness of this body to realize that we could do a lot better, and we supported Senator Williams' original SB 9. The times have changed, rules have changed. So, the economic side of this, and I'm not talking about the trade of guns and drugs, I'm talking about agriculture. Today in Georgia, the Commissioner of Agriculture has joined the Governor and the Chief of the Department of Corrections to try to sign a memorandum of understanding. The Commissioner of Agriculture has stated that there are \$300 million in crops that will be ruined. The farmers have said that there are 40,000 jobs right now, and there are nobody to go get those crops. And so, today they've come across a solution. They're going to have criminals pick those crops, much to the dismay of those farmers. They're going to have to pay them or pay the Department, but instead of having people willing to do very hard work, who other than being here without documentation, do not break any laws, now they will have hardened criminals on their farms. Is this the economic consequence we want for our state? The economic injustice is one thing, and that is but one example. When Arizona tried to get stronger this year, the business community pleaded with them not to

because of the hundreds of millions of dollars already lost. And when an attempt like SB 9 was made in Florida, it was the Florida Republican business leadership who led the fight against, and the Disney Corporation, to defeat similar legislation based on the argument that it would be an economic injustice. And they recognized the problem was at the federal level. I'd like to speak about the personal injustices. We have a friend named Rudy who lives, or at the time, lived around the corner from us. And Rudy loved to do his own yard work, even though he could afford someone to do it for him. One day he borrowed a piece of garden equipment from us. We didn't think anything of it. Imagine my surprise several hours later when there was a knock at the door and there was a San Antonio police officer there with Rudy. And as I opened the door, the officer said, Ma'am, do you know this gentleman? And I looked, and Rudy had this combination look of indignation and yet fear. You see, he was doing his yard and wasn't really dressed for anything like he would in his everyday job. And he was returning that piece of garden equipment. And since he was doing his yard, he didn't have any ID on him. And when the officer stopped him, he related the story that he was coming to return the piece of garden equipment. Rudy was a fine man, had the gorgeous dark brown skin color of Senator Rodriguez or Senator Lucio. And when the officer asked, do you know this man, for a moment I thought about saying, hell no, but that's my Weed Eater. But I said, officer, what's the problem, and Rudy started to speak, and the officer reprimanded him and said, you're not allowed, I'm asking this lady. And I said, officer, this is Chief Justice Rudy Esquivel, the Chief Justice of the Fourth Court of Appeals of the State of Texas. I said, I can vouch for him, and I'm sure if you will travel with him to his house a block and a half away, he can show you proper identification. So, Members, if you don't think it'll happen, it will, and it does. Let's talk about what our faith leaders have said. Why is it that we take their words of advice on certain pieces of legislation, but when the Texas Baptist Life Commission, the Federation of Jewish Women, when the Methodist ministers, the Catholic bishops, and *la Alianza de Pastores Cristiana*, which is the alliance of evangelical Spanish-speaking churches, all are opposed. It brings great sadness. The faith injustice is when Senate Bill in Arizona was about to go into effect, when 1070 was about to go into effect, the Catholic bishops told their flock, remove your crucifixes and your saints from your cars, take the *Virgen de Guadalupe* off of your windows. Do not subject yourself. When your faith leaders tell you to remove the objects of your faith, then what type of injustice is there? When the evangelical Christian Spanish-speaking pastors said, remove any articles in your car because you may have noticed, Members, that sometimes Latinos put their family names on their cars. Well, for evangelical Latinos, they put *El Templo de la Vida Buena* on their car. They will put the name of their evangelical church and big fishes, the Christian symbol. When those pastors said remove anything like that that identifies you as a Spanish-speaking Christian from your car, then what does it say about the religious injustice? So, we did not listen to our faith-based leaders on this. And finally, I want to speak at a very personal level. My grandmother was the most wonderful person in our family. And although she only had a third-grade education, she had a wisdom beyond most people I've ever met. She was born in Muzquiz, Coahuila, and, yes, came here illegally, and, yes, never became a citizen. She married an American citizen. She was a woman of her church, and her faith and her whole life revolved around her children and her grandchildren, the pride

of her garden, in growing lavender roses that were sought after by every floral shop in the San Antonio area. She was beloved. She never drove. She was so skilled as a seamstress, she made all of the curtains and the drapes. She made my mother's wedding dress. She made all of my prom dresses. She never became a citizen, and for whatever reason, we'll never know. But when she was a little girl, she always knew that she would come back and forth at the beginning from that border, and she was so wise. She would tell us as giving us advice, and we call this in Spanish the *consejos*, the little bits of wisdom. When we were getting off track in our life, she would come to us and she'd say, checkpoint. You see, because when you go through a checkpoint, they ask you four questions. The first question at the checkpoint that they ask you is, who are you, *¿quién eres?* That's what they ask. And for my grandmother, that meant, who are you, who are you as a person? The second question they ask is, what do you have? The checkpoint officers of immigration, that means what do you, what are you carrying with you? But for my grandmother, what do you have means *¿qué traes?* What sort of qualities do you possess? Are you a person of character? Are you honest? Are you an asset to this family? Are you an asset to your employer? Are you an asset to this community? What have you got, *¿qué traes?* The third question of the checkpoint is, where are you going? And my grandma always said, you've got to know where you're going, you've got to have a life plan, you've got to have set your goals. Fourth question at the checkpoint is, what are you going to do when you get there, *¿qué vas a hacer cuando llegues ahí?* And what my grandmother meant was, what are you going to do with the gifts that God gave you? What are you going to do with the education that you have? What are you going to do with the love and support of this family? What are you going to do at the end of your life? What are you going to be proud of? Where are you going and what are you going to do when you get there, when you get all the skill sets of everything that this beautiful country has to offer you? What are you going to do, what are you going to do when you get there? Members, if the State of Texas right now was going through the checkpoint, what would we say on this particular piece of legislation? Texas, who are you? We're a state rich in history and legacy and a proud people who have overcome obstacles, who are blessed by our creator with the best natural resources, and we've exploited them all to get a great economy. Who are we? We're Texans and we're proud of it. Second question at the checkpoint, what do you have? Texas has a burgeoning population, so much so that we are the envy of the country, that we get four new congressional seats, that our economy is the strongest, that we have weathered it. Have we weathered it because we have had the people? We've weathered it because we've been strong. What do we got? The third question is, where we're going. You see, my fears are overcome by the sense of hope that we are headed as a state with this rich demographic, and I don't see it as a problem, I see it as an opportunity, we're headed to success. We are blessed with a vibrancy of people and family of faith and people who love their communities, and they love this state. But with this bill, we go backwards. We don't move forward, Members. And the fourth question for our state, what are you going to do when you get there? If public policy like this is passed, where the future majority of the citizens of this state are treated differently because of their skin color, because of their language accent, then we will have economic failure. We won't have the promise of Texas. How can we treat her upcoming majority in

such a different fashion? Members, I want you to look around this room. It's not just about the Senators who stood up when Dean Whitmire called us out. I want you to look at your staffs around this room, and I want you to think about what their families, and who will be questioned, who will be suspect? I want you to look at our Senate staff right here and our Sergeant-at-Arms. Who is going to be stopped here? I want you to look at this media table. Who do you think is going to be stopped? Who do you think will be treated differently? Is this the checkpoint that we want for our state, is this the type of injustice? Members, the only thing that I can tell you is that I am heartbroken that today we are going to pass legislation that would treat my children differently. Because I have children with blue eyes and sandy hair and they look like their Belgian ancestors, and I have sons with the proud brown skin and eyes and hair and they look Mexican, they look Mexican-American. And if we're passing legislation that treats brothers so very differently, how can that be right? We don't pass this checkpoint, we go backwards. And if those of you who would say that I'm pulling the race card, it's not about my race, it's about my ethnicity. And I wish I had the grace of Senator Lucio. I wish I could be as forgiving. And insult me all you can, tear and jab at me because I can survive. But when you tear and jab at my children, I am not so forgiving. And when you rip apart families in my community and my constituents, I am not forgiving. I will speak out every day. And if you think that the Members on this Senate floor will be quiet so that we don't make you feel bad about what you think you have to do, then think again. I haven't yet been blessed with the grace of forgiveness of Senator Lucio. I'm just a very mad *abuelita*. I will vote no on this bill.

President: Are there any other Members that wish to speak against the bill? Senator Ogden, for what purpose do you rise?

Senator Ogden: To speak in support of the bill.

President: You're recognized.

Senator Ogden: I've always been ambivalent about this subject. One of the things I thought about when Senator Lucio was speaking and Senator Van de Putte was speaking was a comment I made, I think it was two sessions ago, about Hispanic Texans and the one place that they were not underrepresented in this state was in our military cemeteries, not a more patriotic group of citizens in the whole country than Hispanic Texans, I know that. So, I never want to be for a bill that, basically, impugned their patriotism. My own daughter-in-law, who's Cuban-American, will not drive through Arizona. My grandchildren are light-skinned. She is darker complexioned, and she says when she goes to Arizona, the police hassle her because they think she's a nanny. So, she won't even drive through the state. So, I have some personal experience with the fears and the outrage that many of the speakers addressed today. But there still is a problem, and that is that most of the criticism of this bill doesn't make sense to me. This bill doesn't do what its opponents accuse it of doing. All it says is that you cannot prevent law enforcement officers from asking a question when they have lawfully detained a citizen or noncitizen. You cannot prevent them from asking a question, that's all it says. It also says that if you've been booked in the local jail, they have to check immigration status before they let you out. And it also says that our drivers' licenses need to be reliable forms of identification. That's

all this bill says. It doesn't say to racially profile, it doesn't say to the Laredo Police Department or the McAllen Police Department or the Brownsville Police Department, go out there and start hassling all the citizens, turn yourself into a gestapo force, start making everybody's life miserable. It doesn't say that. It's not going to happen. Most of the, at least in my ears, Members, most of the complaints about this bill sound preposterous to me. This is not going to happen. The examples that people have used in opposition to this bill have occurred before this legislation even passed. I think about something else, and that is what happened on 9-11-2001, and how almost 4,000 Americans have lost their lives because of that act. And what happened? There were 21 people involved, foreign nationals, most of whom were here illegally, that ran around this country for two or three years preparing to knock down the World Trade Center. And we act like improving our ability to identify people who are here illegally and are trying to do us harm is somehow bad public policy. It's not. The first obligation of government is to provide order and to protect the citizenry. This bill may not do a whole lot, but I think it could provide some additional protection for our citizenry against those people who are here to harm us. And nobody's talked about that. I don't like standing in the lines and the hassle of going to the airports. It's a necessary evil in this time. But here's the real reason why I think I have to vote for this bill. And this reason, didn't ask to be here, I didn't ask to be in Special Session to consider this, but now that I'm here, you know, it's sort of like an umpire, you're going to have to make the call. All of us on this floor, Democrats and Republicans, Hispanic Texans and Anglo Texans took the same oath. It said, we will, to the best of our ability, preserve, protect, and defend the Constitution and laws of the United States and of this state, so help me God. The laws of the United States and this state, it doesn't say, except for the ones that we find inconvenient or the ones that we happen to disagree with. It says, to the best of our ability, to preserve, protect, and defend the Constitution and laws of the United States and this state, so help me God. And I cannot reconcile this oath that I took with opposition to this bill, which is simply an effort to make sure that our law enforcement agencies and our drivers' license issuing authorities do a better job of identifying who is an American citizen and, if they are committing a violation of our laws, to at least ask the question, are you here legally, or not? And so, Members, I will be voting in support of this bill, not because I particularly want to, but because of the oath that I took compels me to do so.

President: There's one additional Member on the screen. Senator Deuell, for what purpose do you rise?

Senator Deuell: Speak for the bill.

President: You're recognized.

Senator Deuell: Thank you, Mr. President, Members. I wasn't going to speak, and sometimes the way it's been, being in the majority when we know we have the votes, we just sit and listen to the opposition, and then with the confidence of numbers, we stay silent. But I'd like to bring a little perspective to the bill. I think that what some people, perhaps, don't recognize in listening to the testimony in the Committee, was that there's not an illegal immigration problem, and I think there is. It's probably not as bad as some people think, but I also think that it's worse than other people think. And, yes, the federal government is not doing its job, and it's not this particular

administration, it goes back. And we've had to deal with it from a state level. I think we appropriated over \$200 million this year for border security, 9-11 changed a lot of things, more specifically to one of our Members, but also to this nation. And I understand the opposition, and a lot of wounds from times past have been opened in terms of racial discrimination and ethnicity discrimination, and I appreciate that. And we are a nation of immigrants, and we had many European immigrants come over to Ellis Island. But they were asked questions about where they were from, and they were screened and given health tests. But they were here legally. There was a system, and we still have that, and we're a nation of laws. And some of the icons of justice is a lady blindfolded because justice is blind, meaning that it doesn't discriminate. And we have this illegal immigration problem, and that's what we're trying to address. It just so happens that in this state, particularly, a lot of the illegal immigrants are Hispanic. But the things that we do to address that are not because they're Hispanic, it's because they're illegal. And I have many Hispanics in my district, even in the northeast part of Texas. Many more was, when I started practice in '86, had a federally qualified health center, Hispanic patients were fairly rare. Now, I'm in private practice, and I have a lot of Hispanic patients. I assume most are legal, perhaps some are not. I don't ask, that's not the place at a medical office, but what some of the Hispanics have told me, and some are not immigrants, some have been here a lot longer than many of us have, certainly me, they resent the ones that, of any nationality, that are here illegally, because it stigmatizes them to a certain degree. I think tonight's an example of that, and the ones that have immigrated here have done so legally, and they feel like people are competing unfairly, not playing by the rules. And one of the reasons that they wanted to come to this country was because we are a nation of law and rules. And you know what's happening at the border and other places, not only in Mexico, but Central and South America. My mother and single mom, brother, and I came to Texas in 1960, came to Dallas, South Oak Cliff, Senator West. We came from a small town in West Virginia in an integrated neighborhood. The kids that I grew up with were, there were no Hispanics, but there were Black and White, and we played together, fought together, called each other names that would get you in trouble now. And moving to South Oak Cliff, Senator West and I didn't live that far apart. We weren't particularly comfortable with the environment. In fact, we were asked to leave a church because my grandmother pointed out in a Sunday school class, she didn't see any reason why African Americans couldn't come to our church. People disagreed, they thought we might be happier, they looked at us as Yankees and asked us to find another church. We found another church. And it's not the same type of discrimination, but try driving around Texas with hair about the length of Senator Huffman in a Volkswagen bus like I did in the late '60s and early '70s, and you'll find a certain type of discrimination. So, but we do have this problem, and Senator Ogden, I think, expressed why some of us are uncomfortable and yet are going to vote for this bill. And I'll leave you with a story I heard Paul Harvey tell once, and I think it, you can think of this bill as being sort of the moral of this story. There was a young boy who found a little baby bird that was still alive and he had it in his hand. And he walked up to a man and said, well, do you know if the bird's alive or it's dead? Well, the man knew what was going to happen, that if he told the boy he thought the bird was dead, he would open his hand, and show him that it's alive. But if he said the

bird's alive, the little boy would squeeze the bird, open the hand, and show him that it's dead. And I think this bill is what we make of it in this state. I think the state has heard the debate. I think this bill's going to pass. I think law enforcement testified against it. Some were for it. I think our law enforcement officers in this state are just as varied as we are in this body, just as varied as we are throughout the state. I think they will listen to this debate, and I think I trust them to act accordingly and show the world that justice is blind and is administered equally. The man's answer to the little boy was, is the bird alive or dead is, it's as you want it to be. And I think this bill will be as we collectively want it to be. I tend to be an optimist, and I look for the best in things, and I think that this bill, if applied in the proper way, will be of a benefit to Texas, accomplish its goal, and not bring out the worst in all of Texas. Thank you.

President: Senator Patrick, for what purpose do you rise?

Senator Patrick: I stand to support the bill, Mr. President, speak in support.

President: You're recognized.

Senator Patrick: Members, like Dr. Deuell just said, I was not planning to speak, and I've listened to each and every word from Senator Whitmire to Lucio to Senator Uresti and Van de Putte and Gallegos and everyone who spoke against the bill. And I've been listening to where my Christian heart is, since that has been brought up. And there is a passage also, Senator Whitmire, that says do not judge lest you be judged. And each of us have to make those personal decisions. There have been other issues on this floor this session where the church wanted us to vote a certain way, and some Members did, some Members didn't. I never looked at others and judged how they voted on, were they more or less of a Christian than I was, or believer. We all answer that question to our God when we meet Him one day. For our lives we have to be held accountable, and for our votes we will be held accountable. As Senator Ogden said, we have a Constitutional duty. And so, that's why I'm voting for this bill. But I also look at this a little bit differently because I want there to be a day when people can come to this country and not have to be afraid to go out together as a mother and father, as someone mentioned. I want people to come to this country and be able to work without hiding in the shadows and worrying if they're going to go home that night because they were rounded up. I want there to be an immigration policy on the federal level that allows people to come here without being stuffed in the back of an 18-wheeler, that allows young girls to come here without being raped by coyotes on the border, allows people to come to this country without being part of a human trafficking ring, and have to pay a bounty back to the human smugglers, otherwise their families will be hurt. It is proven, sadly, that under all administrations, and under both parties, the federal government has abdicated its responsibility. Not just to the border states and to the country at large but, really, to those people who want to come to this country. And so, my hope, Senator Whitmire, is that this bill and other states who take action, and we can agree or disagree, do some states go too far, not far enough, that's an issue for another day, but if the states stand up and speak out that we have to protect our border and protect our Constitution, and we have to defend the laws, that maybe the federal government will finally act, whether the same President returns for four more years or a new President arrives, that finally the federal government will act as it sees states act. I don't want people to come here and hide. I

want them to come in here and to be proud Americans, or to come here, and their family is back home, and they send their money home, and they work here, and they go back to rebuild their own country. But to not pass this law would be to throw up our hands and do nothing. And I think our citizens are crying out, our Latino citizens, our Anglo citizens, our Black citizens, all of our citizens are asking us to help. And I think, in a certain way, Members who oppose this bill, those who are here illegally are crying out for help. And will there be unintended consequences? We would all like to hope not, but there will be. And most of the people who come to this country, even though they break the law coming here, they come here for the right reasons. But there is a criminal element that comes here. And I would say, Members, that there are not unintended consequences, but intended consequences by those criminals who come in here and prey on our citizens, Black, White, and Brown. So, will there be unintended consequences if the bill passes? Yes, sadly. And hopefully we can address those, and correct those if they happen. But if we do nothing, there are American citizens today of all colors who will be the victims of crime, who will turn to us as their Senators and say, why didn't you do something to save the life of my husband who was an officer, or my wife who was injured, or my child who was hurt? Why did you do nothing when you had the opportunity to stand up for the State of Texas and for my safety? So, with a heavy heart for a lot of people, those who hide in the shadows, those who come here across the border in fear, this is a bill that I can support because I feel I have an obligation to our state, our Constitution, and, quite frankly, my fellow brothers and sisters, no matter what country they come from. They have a right to come to this country in a safe manner, live safely, and live proudly. So, I support the bill, thank you.

President: Thank you, Senator. Senator Ellis, for what purpose do you rise?

Senator Ellis: Briefly speak on the bill, Mr. President.

President: You're recognized.

Senator Ellis: I will be brief. I was listening to the debate today. I wasn't on the floor all of the day. I had a little minor surgery this morning, so you'll be glad to know it's going to be a brief speech before the painkillers kick in again. I think, Members, we have learned a lot during the Regular Session and this Special Session on this subject. I think we've learned to change our language a bit. I haven't heard people refer to people who are in this country illegally as "aliens" as much as I used to hear it. Sometimes all of us may slip and do that, but that's not happening nearly as much. I think all of us have tried to ratchet up the level of this discussion, but we still got a long ways to go. I think there are always unintended consequences of any legislation that passes out of any body, any body that passes laws. A major unintended consequence out of this legislation, I think, is going to be, Senator Patrick, it's not going to keep more people from coming into this country, and I don't think this bill as it is written and is going to pass is going to keep more people from being in the shadows. I think it'll be the reverse of that. I think it's going to be more people are going to go into the shadows. And we're going to have more instances where people are having to live on the margins because they will be so afraid of being detected. They're going to even work cheaper and take more abuses. I suspect the legislation will be challenged in court, and we'll see what happens with that, but the biggest

consequence of this law, I think, is that instead of prodding the federal government to give us comprehensive immigration reform, this patchwork in the various states and jurisdictions really makes it more difficult to get there because a lot of the energy that is being used on both sides of the political equation for these efforts in various stages really detracts from finding a consensus on the federal level. You take a decent human being on this issue, Senator John McCain, he was for a reason to compromise before he ran for President, and then decided he had to be against it because he had to work his base. I don't think bills like this move us toward that consensus. Hey, this is a big state, and it's a trendsetter, state with another governor who may end up running for President, state with a presiding officer who may well be one of those people making the decision on what happens on this issue in, on the federal level when it gets on the plate. I don't think this makes it easier. I think it makes it harder. Other point that I want to make to you, I heard a lot of references about Ellis Island tonight, and I think it's interesting for all of us to go back and get a little quick history lesson. The ancestors of everybody in this Chamber, not just the 32 of us who are elected to be here, ancestors of everybody in this Chamber probably came here as an illegal immigrant unless they'd been masquerading as something other than a Native American. You know history is written by she or he who writes it, and it's interesting, each year when we discuss and celebrate the independence of Texas, as an example, very rarely do we go back and look at just what the commitments Moses Austin had to make to the Spanish government to get that decree for the empresarios to settle here in this land. And then, Leticia, what it took for Stephen F. Austin to move to Mexico, become very much accepted, very much a part of the society in Mexico, to get the land grant again that had expired because his father didn't use it. Now, one read of history, not necessarily my read, but one read of history was that the Mexican government, when they got their independence from Spain, among other things, declared slavery to be illegal, put it in the Constitution. And they said to the empresarios, you've got to make a number of commitments, a lot of commitments. Three big commitments were, for people who advocate English-only might I add, they said, you've got to learn Spanish, you've got to speak Spanish, or you've got to fake it. At least when we show up, you've got to at least decide, if you can't say hello, know how to say *adios* when we leave. They said, for people who are very much part of the religious right, you've got to adopt our religion, their religion being Catholicism. And the third one, a major one, was they said, you couldn't have slaves. Now most reasonable folks could fake a little Spanish. You could say, as difficult as this land is, I don't think we're going to be going to church every Sunday. But that issue of the slave trade was a major source of frustration. All of our ancestors came here as immigrants. Some over 12 million crossed Ellis Island. The only reason that name stands is probably because Ellis' ancestors, probably not mine, I'm not part of that family, probably came here as immigrants as well. I guess that's a good Scottish or a good Irish name. But initially, the Native Americans called that land, they called it, I think, Gull Island because of the seagulls that were settling there. And then at some point, they named it after whatever the tree was that they hung people from. And then when Sam Ellis got the land from the colonial powers, he was so slick, he tried to sell it. He was a real estate speculator, among other things, and that name Ellis Island stuck. Florence, over 12 million people crossed that little 3.5 acres of land,

which is now maybe somewhat in the neighborhood of 20 something. Some of that landfill from establishing the Port Authority of New York went over to expand that island so the tourist trap would go on today. I wanted to give you this little history lesson to just make a basic point. Immigrants have been the lifeblood of this land, whether they were White, whether they were Hispanic, whether they were, Royce, African slaves who came here, and pretty much built the great western empires that have existed all this time. It's amazing what you can do with free labor. A lot of people, I think, don't really want comprehensive immigration reform because they want people living in the shadows. In a lot of ways it's a new form of slavery. They want people who work cheap. They want people that they can push around, and they can't do anything about it. And them not willing to draw the line between what is politically right, but morally wrong. I don't question anybody's personal beliefs or desires, regardless of how you vote for this bill tonight, but all of us who've gotten to this level in government, you know it's not just what's written on paper, it's how it is enforced. And our state has historically had an ignoble history when it comes to dealing with issues of race and ethnicity. Only four majority-minority states in the country, first one was Hawaii, second was New Mexico, third's California, and the fourth one is Texas. And that, to me, is why passing this legislation in Texas is so bad. Our population is a reflection of what this great nation's population will be in the not-too-distant future, and that, my friends, is why with all of the great things that were said tonight by previous speakers, starting with you, Dean, far better than I could say it. The emotion that I felt in Senator Zaffirini's voice, and Uresti's voice, Senator Hinojosa, I saw him on the news earlier tonight talking about his personal story of being deported although he was in this country legally. It says to me that there only have to be 16 votes to pass this bill, and I hope some of you will rethink your position and decide when the roll is called, do you want to be on the wrong side of history. Thank you.

SEVENTH DAY

SECTION 1. In this Act, "tract," "block group," and "block" mean the geographic areas identified by those terms on the 2010 Census TIGER/Line Shapefiles, prepared by the federal Bureau of the Census for the Twenty-third Decennial Census of the United States, enumerated as of April 1, 2010.

SECTION 2. It is the intention of the Texas Legislature that, if any county, tract, block group, block, or other geographic area has erroneously been left out of this Act, a court reviewing this Act should include that area in the appropriate district in accordance with the intent of the legislature, using any available evidence of that intent, including evidence such as that used by the Supreme Court of Texas in Smith v. Patterson, 111 Tex. 535, 242 S.W. 749 (1922).

SECTION 3. (a) This Act supersedes all previous enactments or orders adopting congressional districts for the State of Texas.

(b) Chapter 2 (H.B. 3), Acts of the 78th Legislature, 3rd Called Session, 2003 (Article 197i, Vernon's Texas Civil Statutes), is repealed.

The districts set out in Article II of this Act apply to the election of the members of the United States House of Representatives from Texas beginning with the primary and general elections in 2012 for members of the 113th Congress. This Act does not affect the membership or congressional districts of the 112th Congress.

Amend **SB 6** (house committee report) by inserting into the bill the following appropriately numbered new SECTIONS and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Section 39.023(c), Education Code, is amended to read as follows:

(c) The agency shall also adopt end-of-course assessment instruments for secondary-level courses in Algebra I, Algebra II, geometry, biology, chemistry, physics, English I, English II, English III, world geography, world history, and United States history. The Algebra I, Algebra II, and geometry end-of-course assessment instruments must be administered with the aid of technology. A school district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this subsection. A district ~~and~~ shall adopt a policy addressing whether ~~that requires~~ a student's performance on an end-of-course assessment instrument for a course listed in this subsection in which the student is enrolled will be used by the district in determining ~~to account for 15 percent of~~ the student's final grade for the course and, if so, the manner in which the student's performance on an end-of-course assessment instrument will be used in determining the student's final grade for the course. If a student retakes an end-of-course assessment instrument for a course listed in this subsection, as provided by Section 39.025, a ~~school~~ district shall act in accordance with district policy concerning whether ~~is not required~~ to use and, if so, the manner in which to use the student's performance on the subsequent administration or administrations of the assessment instrument in determining ~~to determine~~ the student's final grade for the course. If a student is in a special education program under Subchapter A, Chapter 29, the student's admission, review, and dismissal committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this subsection. The State Board of Education shall administer the assessment instruments. The State Board of Education shall adopt a schedule for the administration of end-of-course assessment instruments that complies with the requirements of Subsection (c-3).

SECTION _____. Subchapter B, Chapter 39, Education Code, is amended by adding Section 39.0236 to read as follows:

Sec. 39.0236. REDUCED ASSESSMENT REQUIREMENTS PILOT PROGRAM. (a) In this section, "pilot program" means the reduced assessment requirements pilot program established under this section.

(b) The commissioner by rule shall establish a pilot program in which certain students in grades three through eight at a participating campus have reduced assessment requirements, as provided by this section.

(c) A campus may apply to the commissioner to participate in the pilot program.

(d) The commissioner shall select at least 20 campuses to participate in the pilot program. In selecting campuses for participation in the pilot program, the commissioner shall ensure that, to the greatest extent practicable, the diverse demographic, geographic, socioeconomic, and academic characteristics found in this state are represented and that elementary and middle or junior high schools are represented.

(e) Notwithstanding Section 39.023, a student attending a campus participating in the pilot program, other than a student administered assessment instruments under Section 39.023(b) or (l) or granted an exemption from administration of an assessment instrument under Section 39.027, shall be assessed using assessment instruments adopted or developed under Section 39.023(a) in:

(1) mathematics:

(A) in grades three and five without the aid of technology; and

(B) in grade eight with the aid of technology on any assessment instrument that includes algebra;

(2) reading, in grades three, five, and eight;

(3) writing, including spelling and grammar, in grades four and seven;

(4) social studies, in grade eight; and

(5) science, in grades five and eight.

(f) A student shall be assessed in grade four in mathematics or reading using an assessment instrument administered under Subsection (e) in grade three if, on the final assessment instrument in that subject administered to the student in grade three during the preceding school year, the student did not achieve a score determined through the analysis of previous years' testing data to predict with a high level of statistical confidence that a student will pass the following year.

(g) A student shall be assessed in grade six in mathematics or reading using an assessment instrument administered under Subsection (e) in grade five if, on the final assessment instrument in that subject administered to the student in grade five during the preceding school year, the student did not achieve a score determined through the analysis of previous years' testing data to predict with a high level of statistical confidence that a student will pass the following year.

(h) A student shall be assessed in grade seven in mathematics or reading using an assessment instrument administered under Subsection (g) in grade six if, on the final assessment instrument in that subject administered to the student in grade six during the preceding school year, the student did not achieve a score determined through the analysis of previous years' testing data to predict with a high level of statistical confidence that a student will pass the following year.

(i) A participating campus may, for its own use in determining whether students are performing at a satisfactory level, administer to a student at the appropriate grade level, other than a student required to be assessed under this section, an assessment instrument. At the request of a participating campus, the agency shall provide, allow for the administration of, and score each assessment instrument administered under this subsection in the same manner and at the same cost as for assessment instruments required to be administered under the applicable subsection. The results of an assessment instrument administered under this subsection may not be included as an indicator of student achievement under Section 39.054 or any other provision.

(j) If there is a conflict between this section and federal law as a result of forgoing under this section certain administration of assessment instruments to students who have recently performed successfully on assessment instruments assessing the same subject, the commissioner shall seek a waiver from the application of conflicting federal law for a campus participating in the pilot program.

(k) The commissioner shall adopt rules as necessary to administer this section.

(l) The commissioner shall conduct a study to determine whether the pilot program has been successful. The study must compare the achievements in mathematics and reading of students at participating and nonparticipating campuses in similar geographic areas that have students of similar demographic, socioeconomic, and academic characteristics. The study must evaluate the differences between mathematics and reading performance of students at campuses participating in the pilot program and those in matched nonparticipating campuses. Not later than September 1, 2014, the commissioner shall submit the results of the study to the legislature.

(m) The commissioner by rule shall establish the pilot program for the 2012-2013 and 2013-2014 school years.

(n) This section expires December 31, 2014.

SECTION ____. Section 39.025, Education Code, is amended by amending Subsections (a), (a-1), (a-2), (a-3), (b), (b-2), (e), (f), and (g) and adding Subsections (a-4) and (a-5) to read as follows:

(a) The commissioner shall adopt rules requiring a student participating in the recommended or advanced high school program to be administered each end-of-course assessment instrument listed in Section 39.023(c) and requiring a student participating in the minimum high school program to be administered an end-of-course assessment instrument listed in Section 39.023(c) only for a course in which the student is enrolled and for which an end-of-course assessment instrument is administered. ~~[A student is required to achieve, in each subject in the foundation curriculum under Section 28.002(a)(1), a cumulative score that is at least equal to the product of the number of end of course assessment instruments administered to the student in that subject and a scale score that indicates satisfactory performance, as determined by the commissioner under Section 39.0241(a). A student must achieve a minimum score as determined by the commissioner to be within a reasonable range of the scale score under Section 39.0241(a) on an end of course assessment instrument for the score to count towards the student's cumulative score. For purposes of this subsection, a student's cumulative score is determined using the student's highest score on each end of course assessment instrument administered to the student. A~~

~~student may not receive a high school diploma until the student has performed satisfactorily on the end-of-course assessment instruments in the manner provided under this subsection. This subsection does not require a student to demonstrate readiness to enroll in an institution of higher education.]~~

(a-1) The commissioner by rule shall determine a method by which a student's satisfactory performance on an advanced placement test, international baccalaureate examination, an SAT Subject Test, or another assessment instrument determined by the commissioner to be at least as rigorous as an end-of-course assessment instrument adopted under Section 39.023(c) may be used as a factor in determining whether the student satisfies the requirements of Subsection (a) and Subsection (a-2), (a-3), or (a-4), as applicable to the student ~~[, including the cumulative score requirement of that subsection]~~. The commissioner by rule may determine a method by which a student's satisfactory performance on a Preliminary Scholastic Assessment Test (PSAT) assessment or a preliminary American College Test (ACT) assessment may be used as a factor in determining whether the student satisfies the requirements of Subsection (a) and Subsection (a-2), (a-3), or (a-4), as applicable to the student.

(a-2) To graduate under the recommended high school program ~~[In addition to the cumulative score requirements under Subsection (a)]~~, a student must achieve a score that meets or exceeds the score determined by the commissioner under Section 39.0241(a) on end-of-course assessment instruments for the following:

- (1) English III;
- (2) ~~and~~ Algebra II;
- (3) biology, chemistry, or physics; and
- (4) world geography, world history, or United States history ~~[end-of-course assessment instruments to graduate under the recommended high school program]~~.

(a-3) To graduate under the advanced high school program ~~[In addition to the cumulative score requirements under Subsection (a)]~~, a student must:

(1) achieve a score that meets or exceeds the score determined by the commissioner under Section 39.0241(a-1) on end-of-course assessment instruments for the following:

- (A) English III; and
- (B) Algebra II; and

(2) achieve a score that meets or exceeds the score determined by the commissioner under Section 39.0241(a) on end-of-course assessment instruments for the following:

- (A) biology, chemistry, or physics; and
- (B) world geography, world history, or United States history ~~[in order to graduate under the advanced high school program]~~.

(a-4) To graduate under the minimum high school program, a student must achieve a score that meets or exceeds the score determined by the commissioner under Section 39.0241(a) on end-of-course assessment instruments for the following:

- (1) English III;
- (2) Algebra I;
- (3) biology, chemistry, or physics; and
- (4) world geography, world history, or United States history.

(a-5) The admission, review, and dismissal committee of a student in a special education program under Subchapter A, Chapter 29, shall determine whether, to receive a high school diploma, the student is required to achieve satisfactory performance on end-of-course assessment instruments.

(b) Each time an end-of-course assessment instrument is administered, a student who failed to achieve the [a minimum] score requirement under this section may ~~[Subsection (a) shall]~~ retake the assessment instrument. A student who fails to perform satisfactorily on an Algebra II or English III end-of-course assessment instrument under the college readiness performance standard, as provided under Section 39.024(b), may retake the assessment instrument. ~~[Any other student may retake an end-of-course assessment instrument for any reason.]~~ A student is not required to retake a course as a condition of retaking an end-of-course assessment instrument.

(b-2) If a school district determines that a student, on completion of grade 11, is unlikely to achieve the [cumulative] score requirement under this section [requirements] for one or more end-of-course assessment instruments as necessary ~~[subjects prescribed by Subsection (a)]~~ for receiving a high school diploma, the district shall require the student to enroll in a corresponding content-area college preparatory course for which an end-of-course assessment instrument has been adopted, if available. A student who enrolls in a college preparatory course described by this subsection shall be administered an end-of-course assessment instrument for the course, with the end-of-course assessment instrument scored on a scale as determined by the commissioner ~~[not to exceed 20 percent of the cumulative score requirements required to graduate as determined under Subsection (a)].~~ A student may use the student's score on the end-of-course assessment instrument for the college preparatory course towards satisfying the [cumulative] score requirement under this section [requirements prescribed by Subsection (a)].

(e) The commissioner shall establish a required performance level for an assessment instrument adopted under Subsection (d) that is at least as rigorous as the performance level required to be met under Subsection (a-2), (a-3), or (a-4), as applicable to the student [(a)].

(f) The commissioner shall by rule adopt a transition plan to implement the amendments made by Chapter 1312 (**SB 1031**), Acts of the 80th Legislature, Regular Session, 2007, replacing general subject assessment instruments administered at the high school level with end-of-course assessment instruments. During the period under which the transition to end-of-course assessment instruments is made:

(1) for students entering a grade above the ninth grade during the 2011-2012 school year and to the extent necessary for purposes of Subdivisions (5) and (6), the commissioner shall retain, administer, and use for purposes of accreditation and other campus and district accountability measures under this chapter the assessment instruments required by Section 39.023(a) or (c), as that section existed before amendment by Chapter 1312 (**SB 1031**), Acts of the 80th Legislature, Regular Session, 2007;

(2) a student subject to Subdivision (1) may not receive a high school diploma unless the student has performed satisfactorily on each required assessment instrument administered under Section 39.023(c) as that section existed before amendment by Chapter 1312 (**SB 1031**), Acts of the 80th Legislature, Regular Session, 2007; ~~and~~

(5) a student subject to Subdivision (4) may not receive a high school diploma under the recommended high school program unless the student:

(A) achieves a score that meets or exceeds the score determined by the commissioner under Section 39.0241(a) on end-of-course assessment instruments for the following:

(i) English III;

(7) a student entering ninth grade during the 2013-2014 school year or a later school year may not receive a high school diploma unless the student has satisfied the requirements of Subsection (a) and Subsection (a-2), (a-3), or (a-4), as applicable to the student.

SUBCHAPTER J. FINANCIAL EXIGENCY AND SCHOOL DISCIPLINE TASK
FORCE

Sec. 37.401. FINDINGS. (a) The legislature finds that:

(1) Section 1, Article VII, Texas Constitution, provides for the support and maintenance of an efficient system of public free schools because a general diffusion of knowledge is essential to the preservation of the liberties and rights of people;

(2) to serve the purpose described by Subdivision (1):

(A) public schools should be safe, welcoming, and engaging places for children to learn; and

(B) school discipline policies and practices should be designed to:

(i) protect students from harm;

(ii) create healthy and productive learning environments;

(iii) assist students in learning from their mistakes; and

(iv) maximize students' opportunities to learn;

(3) in public schools across the state, financial exigencies have caused changes in the management and operation of public schools that affect the administration of district and classroom discipline policies, creating an environment in which students are removed from school through out-of-school suspension, expulsion, and removals to disciplinary alternative education programs and juvenile justice alternative education programs for minor incidents of misbehavior that could be more appropriately dealt with using more effective strategies;

(4) students are being cited, arrested, or otherwise referred to law enforcement officials for minor misbehavior that could be dealt with using more effective school disciplinary methods; and

(5) these disciplinary problems exist and contribute to high dropout rates, low graduation rates, achievement gaps, and long-term costs to the community in the form of less educated and less productive citizens.

(b) As a result of the finding in Subsection (a), the legislature determines that it is necessary and appropriate to create a legislative task force to assess:

(1) changes in the administration of district and classroom disciplinary policies caused by financial exigencies;

(2) changes in the management and operation of public schools caused by financial exigencies;

(3) changes in the implementation of school discipline strategies, as they relate to the juvenile justice system, caused by financial exigencies; and

(4) evidence-based solutions that promote discipline strategies to keep students in school, reduce the criminalization of school-based behaviors, and address financial exigency changes in the management and operation of public schools.

Sec. 37.402. FINANCIAL EXIGENCY AND SCHOOL DISCIPLINE TASK FORCE. (a) The Financial Exigency and School Discipline Task Force is created to study and assess:

(1) changes to current school discipline practices and statutes relating to discipline practices in elementary and secondary public schools attributable to financial exigencies;

(2) the use of law enforcement citations, arrests, and other juvenile justice sanctions for school-based behaviors in elementary and secondary public schools; and

(3) the interaction of school discipline practices with the state juvenile justice system.

(b) The task force shall consist of six legislative members appointed as follows:

(1) three members of the senate, two of whom are appointed by the lieutenant governor and one of whom is appointed by the chair of the caucus of the minority party of the senate; and

(2) three members of the house of representatives, two of whom are appointed by the speaker of the house of representatives and one of whom is appointed by the chair of the caucus of the minority party of the house of representatives.

(c) The lieutenant governor shall select a task force member to serve as the chair of the task force, and the speaker of the house of representatives shall select a task force member to serve as vice chair of the task force.

(d) The chair and vice chair of the task force shall jointly select not more than 10 persons to serve as nonvoting members of the task force and assist the task force members in reviewing the issues described by Subsection (a).

(e) Nonvoting members appointed under Subsection (d) must include persons who have knowledge and experience in the areas of school discipline and juvenile justice and who represent the following constituencies:

(1) school districts;

(2) teachers and administrators employed by public schools;

(3) students and parents of students enrolled in public schools;

(4) law enforcement agencies;

(5) district attorneys;

(6) criminal defense attorneys;

(7) restorative justice practitioners; and

(8) community organizations.

(f) The nonvoting task force members shall serve without compensation and without reimbursement for expenses.

Sec. 37.403. MEETINGS. (a) The Financial and Exigency School Discipline Task Force shall hold at least four public meetings and may hold additional public meetings as determined necessary by the chair.

(b) At each meeting, the task force:

(1) shall take testimony on and discuss the issues described by Section 37.402(a); and

(2) may solicit and receive written comments from members of the public.

Sec. 37.404. DUTY AND AUTHORITY TO COMPILE RELEVANT INFORMATION. In addition to taking testimony under Section 37.403, the Financial Exigency and School Discipline Task Force:

(1) shall review any available, non-identifying data collected by the agency, school districts, or law enforcement agencies in studying issues relating to disciplinary policies and practices and the use of juvenile justice sanctions for school-based adolescent behaviors; and

(2) may solicit information from the National Conference of State Legislatures, other national research organizations, and other states or organizations that have studied or introduced legislation concerning evidence-based practices for addressing school discipline issues.

Sec. 37.405. STAFF SUPPORT. The Texas Legislative Council shall provide staff support to the Financial Exigency and School Discipline Task Force.

Sec. 37.406. REPORT. Not later than December 1, 2012, the Financial Exigency and School Discipline Task Force shall deliver to the lieutenant governor, the speaker of the house of representatives, and the clerks of the standing committees of the senate and the house of representatives with primary jurisdiction over public education a report that includes:

(1) the findings of the task force relating to the issues described by Section 37.402(a) studied and assessed under this subchapter; and

(2) a summary of any recommended legislation.

Sec. 37.407. EXPIRATION. This subchapter expires September 1, 2013.

PERSONAL PRIVILEGE STATEMENT

Senator West submitted the following personal privilege statement regarding the lives of former Dallas Councilman Albert "Al" Lipscomb and Rev. Dr. Charles A. Hunter:

It is with a saddened heart and the utmost respect that I stand to recognize and ask for the adjournment today of the Senate in memory of political and community maverick and former Dallas Councilman Albert "Al" Lipscomb and a true religious, educational, and civil rights icon, Rev. Dr. Charles A. Hunter. Both of these servant leaders transitioned on last week. Dr. Hunter was funeralized on this past Saturday and Councilman Lipscomb will be buried this Saturday. They both were true coalition builders who broke down walls of segregation and discrimination. Finding the city that they both loved separated and segregated, they sought about confronting racism, classism, discrimination, and disenfranchisement wherever they saw it. Councilman Lipscomb, known as the "godfather" of Dallas politics, was the lead plaintiff in the lawsuit that challenged Dallas' city-wide election of councilmembers that led to more Hispanic and African American representation in Dallas' current single-member districts. In 1971, he became the first Black mayoral candidate for Dallas and finished third among 10 candidates. He was first elected to the Dallas City Council in 1984 and served seven terms and was elected by his peers as Mayor Pro Tempore in 1991. His very vocal and visible presence and style of leadership helped to re-energize and revitalize South Dallas and Oak Cliff. He transformed the community of Dallas one citizen at a time. Another icon who worked and walked alongside Councilman Lipscomb was Rev. Dr. Charles A. Hunter who utilized his academic background and religious

calling to seek out and mitigate those practices that would decrease the educational, housing, and economic opportunities of his fellowman. In some of his studies as a college professor, he depicted housing segregation by posing as a renter or buyer and then allowing a White colleague to attempt to rent/purchase the same property to analyze the differences in treatment. In 1966, Dr. Hunter was one of the first African Americans to run for Dallas school board trustee. He retired from teaching in 1988 from Bishop College but continued to work in the community and preach the gospel until his health failed. Both of their counsels will be missed by their families, friends, and the leagues of community and elected officials that counted on them for their direct and candid opinions. How different my path and those of countless residents of Dallas would have been if Councilman Lipscomb and Rev. Dr. Hunter had not walked this Earth and left a legacy of positive race relations. They, like me, didn't build coalitions based on race, but on interests. As we memorialize their lives and legacies, let us not forget that the works they undertook must be continued. Whether you sit in a boardroom, a classroom, a living room, or this Senate floor, let thoughts of their unselfish contributions implore you to look out for those less fortunate, stand up against those who oppress, and leave footprints that those yet unborn will follow.

MOTION TO RECESS

REMARKS ORDERED PRINTED

On motion of Senator Watson and by unanimous consent, the remarks by Senator Lucio regarding **CSHB 3** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Members, I have the distinct honor and pleasure of representing Texas where the coast and the border meet. Perhaps that gives me a more immediate understanding of how and why coastal security is homeland security. Homeland security is ultimately about securing our way of life through safeguarding our critical infrastructure. The coast is the primary economic engine of Texas. It is home to much of our critical infrastructure. If you are a Texan living away from the coast, you can thank the coast for making your way of life possible. Texas handles the second most amount of

foreign and domestic cargo in the United States, generating nearly one million jobs to Texans and over \$48 billion in personal income for Texans. Annually, ports bring in almost \$5 billion in local and state tax revenue. Most of our imports pass through coastal ports and much of our exports pass out of them. So, when you stand up for the coast, you stand up for Texas. When you stand up for the people who live and work on the coast, for those who have to deal with TWIA, you are standing up for those who make Texas possible, day in and day out. In my opinion, the current version of this bill ultimately says to coastal policyholders: It doesn't matter that TWIA is increasing your rates so they will be actuarially sound. It doesn't matter that this bill will increase the money coming out of your pocket by requiring flood insurance. You still don't deserve the same level of protections and rights as statewide policyholders. I don't support that message, which is why I voted against this bill in Committee. I am, however, going to support this bill on the Senate floor. My floor vote represents a strategic consideration; I believe that the Senate version of the bill better serves coastal policyholders than the House version. By sending this legislation to conference with the full weight of the Senate behind it, it is my belief and hope that Senate conferees will fight for the Senate's version of the bill or better. This legislation was formed through months of negotiation, and the Senate needs to stand by its work product in conference. I will say one final thing. When we went to conference during the Regular Session, not a single Senate conferee was from a coastal district. I sincerely hope this time will be different. So, I'm asking you at this point, Senator Carona, that you would consider recommending a couple of coastal Senators to the conference committee. The reason I say a couple is this, just like issues are different when you talk about the border of Texas compared to West Texas from North Texas, issues could be different and are different when you talk about issues dealing with the Texas coast and the southern part of it as compared to the north, so I'm asking you for your consideration to that. And, by the way, before you answer that, I would be remiss if I didn't also say that the amendments that were presented earlier were good amendments, and I hope they are considered in the conference committee, as well.

REASON FOR VOTE

Senator Lucio submitted the following reason for vote on **CSHB 3**:

As I see it; this bill serves two purposes. First, to improve the operations of TWIA so it more effectively handles claims after a catastrophe and, second, to discourage lawsuits against TWIA. I believe that if we achieve the first goal, we will meet the second. If TWIA does its job, policyholders will not have a reason to sue the association.

There are quite a few provisions in this bill that I support and believe will bring us closer to our goal of a better functioning association. TWIA should be subject to the Open Meetings Act, as this bill requires. They should be required to publish their

salary information online. It's reasonable that policyholders must file a claim within one year of the date of loss and that any lawsuits against TWIA must be filed within two years of a claims decision.

I believe that the removal of the 18% penalty moves us away from our goal. This bill recognizes that TWIA does not have the same capacity as private insurance companies by giving TWIA more flexibility to address disputes with policyholders. This bill even says that if TWIA does not have sufficient cash on hand, it can delay payment to policyholders for up to 4 months.

If we are giving TWIA this additional flexibility, why would we want to remove the one mechanism in place to incentivize the association to comply with prompt payment of claims? The 18% provision exists in statute for a reason; because it is an effective tool to make sure that policyholders are treated right and get their claims paid within a reasonable amount of time.

So, in my opinion, this bill ultimately says to coastal policyholders: It doesn't matter that TWIA is systematically increasing your rates so they will be actuarially sound. It doesn't matter that this bill will increase the money coming out of your pocket by authorizing the issuance of pre-event bonds and requiring flood insurance. You still don't deserve the same level of protections and rights as statewide policyholders.

I don't support that message, which is why I voted against this bill in Committee.

I am, however, going to support this bill on the Senate floor. This vote represents a strategic consideration; I believe that the Senate version of the bill better serves coastal policyholders than the House version. By sending this legislation to conference with the full weight of the Senate behind it, it is my belief and hope that Senate conferees will fight for the Senate's version of the bill. This legislation was formed through months of negotiation, and the Senate needs to stand by its work product in conference.

SENATE BILL 22 ON SECOND READING

The President laid before the Senate **SB 22** by Senator Wentworth at this time on its second reading:

SB 22, Relating to the reapportionment of congressional districts and the creation, function, and duties of the Texas Congressional Redistricting Commission.

The bill was read second time and was passed to engrossment by the following vote: Yeas 16, Nays 13.

Absent-excused: Duncan, Uresti.

REMARKS ORDERED PRINTED

On motion of Senator Estes and by unanimous consent, his remarks regarding **SB 22** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Members, I rise to speak against this bill. My reason has nothing to do with partisanship. It has nothing to do with which party controls a majority in the Legislature. I have one simple reason to oppose this bill. It is unconstitutional under the Texas Constitution. The United States Supreme

Court held in 1932 that congressional redistricting, which is delegated to the states under Article I, Section 2 of the United States Constitution, is to be carried out under the general lawmaking authority of each state. That case was *Smiley v. Holm*. Section 30 of Article III of the Texas Constitution clearly states that "no law shall be passed, except by bill." So, while the Texas Constitution does not specifically describe how redistricting should be done, the combination of the Supreme Court's holding in *Smiley v. Holm* and Article III, Section 30, makes it clear that congressional redistricting must be accomplished by a bill. This reasoning is supported by our precedent. This Legislature has consistently used bills to redistrict State Senate, State House, congressional, and State Board of Education seats. Some of you might be wondering, what about the Legislative Redistricting Board? How is it able to redistrict State House and State Senate seats without passing a bill? The answer is that the Texas Constitution specifically authorizes the LRB to do so. The Constitution gives the LRB limited lawmaking authority to pass redistricting maps for the State House and State Senate when the Legislature fails to do so during the regular session. The Constitution contains no such authorization for anybody other than the Legislature to redistrict congressional seats. Therefore, under Article III, Section 30, congressional redistricting must be done by a bill. Accordingly, I believe that Senate Bill 22 creates an unconstitutional delegation of legislative authority in its current form. Without a constitutional amendment granting lawmaking authority to the proposed Texas Congressional Redistricting Commission, I do not believe it would withstand judicial scrutiny. I respectfully urge all of you to join me in voting against this bill.

relating to the administration, quality, and efficiency of health care, health and human services, and health benefits programs in this state; creating an offense; providing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

ARTICLE 1. ADMINISTRATION OF AND EFFICIENCY, COST-SAVING, AND
FRAUD PREVENTION MEASURES FOR CERTAIN HEALTH AND HUMAN
SERVICES AND HEALTH BENEFITS PROGRAMS

SECTION 1.01. (a) Subchapter B, Chapter 531, Government Code, is amended by adding Sections 531.02417, 531.024171, and 531.024172 to read as follows:

Sec. 531.02417. MEDICAID NURSING SERVICES ASSESSMENTS. (a) In this section, "acute nursing services" means home health skilled nursing services, home health aide services, and private duty nursing services.

(b) If cost-effective, the commission shall develop an objective assessment process for use in assessing a Medicaid recipient's needs for acute nursing services. If the commission develops an objective assessment process under this section, the commission shall require that:

(1) the assessment be conducted:

(A) by a state employee or contractor who is a registered nurse who is licensed to practice in this state and who is not the person who will deliver any necessary services to the recipient and is not affiliated with the person who will deliver those services; and

(B) in a timely manner so as to protect the health and safety of the recipient by avoiding unnecessary delays in service delivery; and

(2) the process include:

(A) an assessment of specified criteria and documentation of the assessment results on a standard form;

(B) an assessment of whether the recipient should be referred for additional assessments regarding the recipient's needs for therapy services, as defined by Section 531.024171, attendant care services, and durable medical equipment; and

(C) completion by the person conducting the assessment of any documents related to obtaining prior authorization for necessary nursing services.

(c) If the commission develops the objective assessment process under Subsection (b), the commission shall:

(1) implement the process within the Medicaid fee-for-service model and the primary care case management Medicaid managed care model; and

(2) take necessary actions, including modifying contracts with managed care organizations under Chapter 533 to the extent allowed by law, to implement the process within the STAR and STAR + PLUS Medicaid managed care programs.

(d) Unless the commission determines that the assessment is feasible and beneficial, an assessment under Subsection (b)(2)(B) of whether a recipient should be referred for additional therapy services shall be waived if the recipient's need for therapy services has been established by a recommendation from a therapist providing care prior to discharge of the recipient from a licensed hospital or nursing home. The assessment may not be waived if the recommendation is made by a therapist who will deliver any services to the recipient or is affiliated with a person who will deliver those services when the recipient is discharged from the licensed hospital or nursing home.

(e) The executive commissioner shall adopt rules providing for a process by which a provider of acute nursing services who disagrees with the results of the assessment conducted under Subsection (b) may request and obtain a review of those results.

Sec. 531.024171. THERAPY SERVICES ASSESSMENTS. (a) In this section, "therapy services" includes occupational, physical, and speech therapy services.

(b) After implementing the objective assessment process for acute nursing services in accordance with Section 531.02417, the commission shall consider whether implementing age- and diagnosis-appropriate objective assessment processes for assessing the needs of a Medicaid recipient for therapy services would be feasible and beneficial.

(c) If the commission determines that implementing age- and diagnosis-appropriate processes with respect to one or more types of therapy services is feasible and would be beneficial, the commission may implement the processes within:

- (1) the Medicaid fee-for-service model;
- (2) the primary care case management Medicaid managed care model; and
- (3) the STAR and STAR + PLUS Medicaid managed care programs.

(d) An objective assessment process implemented under this section must include a process that allows a provider of therapy services to request and obtain a review of the results of an assessment conducted as provided by this section that is comparable to the process implemented under rules adopted under Section 531.02417(e).

Sec. 531.024172. ELECTRONIC VISIT VERIFICATION SYSTEM. (a) In this section, "acute nursing services" has the meaning assigned by Section 531.02417.

(b) If it is cost-effective and feasible, the commission shall implement an electronic visit verification system to electronically verify and document, through a telephone or computer-based system, basic information relating to the delivery of Medicaid acute nursing services, including:

- (1) the provider's name;
- (2) the recipient's name; and
- (3) the date and time the provider begins and ends each service delivery

visit.

(b) Not later than September 1, 2012, the Health and Human Services Commission shall implement the electronic visit verification system required by Section 531.024172, Government Code, as added by this section, if the commission determines that implementation of that system is cost-effective and feasible.

SECTION 1.02. (a) Subsection (e), Section 533.0025, Government Code, is amended to read as follows:

(e) The commission shall determine the most cost-effective alignment of managed care service delivery areas. The commissioner may consider the number of lives impacted, the usual source of health care services for residents in an area, and other factors that impact the delivery of health care services in the area. [Notwithstanding Subsection (b)(1), the commission may not provide medical assistance using a health maintenance organization in Cameron County, Hidalgo County, or Maverick County.]

(b) Subchapter A, Chapter 533, Government Code, is amended by adding Sections 533.0027, 533.0028, and 533.0029 to read as follows:

Sec. 533.0028. EVALUATION OF CERTAIN STAR + PLUS MEDICAID MANAGED CARE PROGRAM SERVICES. The external quality review organization shall periodically conduct studies and surveys to assess the quality of care and satisfaction with health care services provided to enrollees in the STAR + PLUS Medicaid managed care program who are eligible to receive health care benefits under both the Medicaid and Medicare programs.

Sec. 533.0029. PROMOTION AND PRINCIPLES OF PATIENT-CENTERED MEDICAL HOMES FOR RECIPIENTS. (a) For purposes of this section, a "patient-centered medical home" means a medical relationship:

(1) between a primary care physician and a child or adult patient in which the physician:

(A) provides comprehensive primary care to the patient; and

(B) facilitates partnerships between the physician, the patient, acute care and other care providers, and, when appropriate, the patient's family; and

(B) the physician leads a team of individuals at the practice level who are collectively responsible for the ongoing care of the patient;

(C) the physician is responsible for providing all of the care the patient needs or for coordinating with other qualified providers to provide care to the patient throughout the patient's life, including preventive care, acute care, chronic care, and end-of-life care;

(D) the patient's care is coordinated across health care facilities and the patient's community and is facilitated by registries, information technology, and health information exchange systems to ensure that the patient receives care when and where the patient wants and needs the care and in a culturally and linguistically appropriate manner; and

(E) quality and safe care is provided.

(b) The commission shall, to the extent possible, work to ensure that managed care organizations:

(1) promote the development of patient-centered medical homes for recipients; and

(2) provide payment incentives for providers that meet the requirements of a patient-centered medical home.

(b) The commission, in considering approval of a subcontract between a managed care organization and a pharmacy benefit manager for the provision of prescription drug benefits under the Medicaid program, shall review and consider whether the pharmacy benefit manager has been in the preceding three years:

(1) convicted of an offense involving a material misrepresentation or an act of fraud or of another violation of state or federal criminal law;

(1) the provider's name;

(2) the recipient's name;

(3) the date and time the provider begins and ends the delivery of services;

Each physician incentive program evaluated in the study must:

(1) be administered by a health maintenance organization participating in the STAR or STAR + PLUS Medicaid managed care program; and

(2) provide incentives to primary care providers who attempt to reduce emergency room use for non-emergent conditions by recipients.

(b) The study conducted under Subsection (a) must evaluate:

(1) the cost-effectiveness of each component included in a physician incentive program; and

(2) any change in statute required to implement each component within the Medicaid fee-for-service payment model.

(b) In establishing the physician incentive program under Subsection (a), the executive commissioner may include only the program components identified as cost-effective in the study conducted under Section 531.086.

(c) If the physician incentive program includes the payment of an enhanced reimbursement rate for routine after-hours appointments, the executive commissioner shall implement controls to ensure that the after-hours services billed are actually being provided outside of normal business hours.

(b) Section 32.0641, Human Resources Code, is amended to read as follows:

Sec. 32.0641. RECIPIENT ACCOUNTABILITY PROVISIONS; COST-SHARING REQUIREMENT TO IMPROVE APPROPRIATE UTILIZATION OF ~~[COST SHARING FOR CERTAIN HIGH COST MEDICAL]~~ SERVICES.

Section 1396 et seq.) and any other applicable law or regulation or under a federal waiver or other authorization, the executive commissioner of the Health and Human Services Commission shall adopt, after consulting with the Medicaid and CHIP Quality-Based Payment Advisory Committee established under Section 536.002, Government Code, cost-sharing provisions that encourage personal accountability and appropriate utilization of health care services, including a cost-sharing provision applicable to ~~[require]~~ a recipient who chooses to receive a nonemergency ~~[a high cost]~~ medical service ~~[provided]~~ through a hospital emergency room ~~[to pay a copayment, premium payment, or other cost-sharing payment for the high cost medical service if:~~

~~[(1) the hospital from which the recipient seeks service:~~

~~[(A) performs an appropriate medical screening and determines that the recipient does not have a condition requiring emergency medical services;~~

~~[(B) informs the recipient:~~

~~[(i) that the recipient does not have a condition requiring emergency medical services;~~

~~[(ii) that, if the hospital provides the nonemergency service, the hospital may require payment of a copayment, premium payment, or other cost-sharing payment by the recipient in advance; and~~

~~[(iii) of the name and address of a nonemergency Medicaid provider who can provide the appropriate medical service without imposing a cost-sharing payment; and~~

~~[(C) offers to provide the recipient with a referral to the nonemergency provider to facilitate scheduling of the service; and~~

~~[(2) after receiving the information and assistance described by Subdivision (1) from the hospital, the recipient chooses to obtain emergency medical services despite having access to medically acceptable, lower cost medical services].~~

(b) The department may not seek a federal waiver or other authorization under this section ~~[Subsection (a)]~~ that would:

(1) prevent a Medicaid recipient who has a condition requiring emergency medical services from receiving care through a hospital emergency room; or

(2) waive any provision under Section 1867, Social Security Act (42 U.S.C. Section 1395dd).

~~[(e) If the executive commissioner of the Health and Human Services Commission adopts a copayment or other cost-sharing payment under Subsection (a), the commission may not reduce hospital payments to reflect the potential receipt of a copayment or other payment from a recipient receiving medical services provided through a hospital emergency room.]~~

(c) If H.B. No. 2245, Acts of the 82nd Legislature, Regular Session, 2011, becomes law, Sections 531.086 and 531.0861, Government Code, as added by that Act, are repealed.

(2) expand any other billing coordination tools and resources used to process claims for health care services provided through the Medicaid program to process claims for services provided through other benefits programs administered by the commission or a health and human services agency; and

(3) expand the scope of persons about whom information is collected under Section 32.042, Human Resources Code, to include recipients of services provided through other benefits programs administered by the commission or a health and human services agency.

(b) Notwithstanding any other state law, each health and human services agency shall provide the commission with any information necessary to allow the commission or the commission's designee to perform the billing coordination and information collection activities authorized by this section.

SECTION 1.11. (a) Subsections (b), (c), and (d), Section 531.502, Government Code, are amended to read as follows:

(1) identifying health care related state and local funds and program expenditures that, before September 1, 2011 ~~[2007]~~, are not being matched with federal money; and

(2) exploring the feasibility of:

(A) certifying or otherwise using those funds and expenditures as state expenditures for which this state may receive federal matching money; and

(B) depositing federal matching money received as provided by Paragraph (A) with other federal money deposited as provided by Section 531.504, or substituting that federal matching money for federal money that otherwise would be received under the disproportionate share hospitals and upper payment limit supplemental payment programs as a match for local funds received by this state through intergovernmental transfers.

(d) The terms of a waiver approved under this section must:

(1) include safeguards to ensure that the total amount of federal money provided under the disproportionate share hospitals or ~~and~~ upper payment limit supplemental payment program ~~[programs]~~ that is deposited as provided by Section 531.504 is, for a particular state fiscal year, at least equal to the greater of the annualized amount provided to this state under those supplemental payment programs during state fiscal year 2011 ~~[2007]~~, excluding amounts provided during that state fiscal year that are retroactive payments, or the state fiscal years during which the waiver is in effect; and

(2) allow for the development by this state of a methodology for allocating money in the fund to:

(A) be used to supplement Medicaid hospital reimbursements under a waiver that includes terms that are consistent with, or that produce revenues consistent with, disproportionate share hospital and upper payment limit principles ~~[offset, in part, the uncompensated health care costs incurred by hospitals]~~;

(B) reduce the number of persons in this state who do not have health benefits coverage; and

(2) state money appropriated to the fund.

(b) The commission and comptroller may accept gifts, grants, and donations from any source, and receive intergovernmental transfers, for purposes consistent with this subchapter and the terms of the waiver. The comptroller shall deposit a gift, grant, or donation made for those purposes in the fund. Any intergovernmental transfer received, including associated federal matching funds, shall be used, if feasible, for the purposes intended by the transferring entity and in accordance with the terms of the waiver.

(c) Section 531.508, Government Code, is amended by adding Subsection (d) to read as follows:

(d) Money from the fund may not be used to finance the construction, improvement, or renovation of a building or land unless the construction, improvement, or renovation is approved by the commission, according to rules adopted by the executive commissioner for that purpose.

(d) Subsection (g), Section 531.502, Government Code, is repealed.

SECTION 1.12. (a) Subtitle I, Title 4, Government Code, is amended by adding Chapter 536, and Section 531.913, Government Code, is transferred to Subchapter D, Chapter 536, Government Code, redesignated as Section 536.151, Government Code, and amended to read as follows:

(A) the same condition or procedure for which the person was previously admitted;

(B) an infection or other complication resulting from care previously provided;

(C) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome; or

(21) "Quality-based payment system" means a system for compensating a physician or other health care provider, including an alternative payment system, that provides incentives to the physician or other health care provider for providing high-quality, cost-effective care and bases some portion of the payment made to the physician or other health care provider on quality of care outcomes, which may include the extent to which the physician or other health care provider reduces potentially preventable events.

Sec. 536.002. MEDICAID AND CHIP QUALITY-BASED PAYMENT ADVISORY COMMITTEE. (a) The Medicaid and CHIP Quality-Based Payment Advisory Committee is established to advise the commission on establishing, for purposes of the child health plan and Medicaid programs administered by the commission or a health and human services agency:

(1) reimbursement systems used to compensate physicians or other health care providers under those programs that reward the provision of high-quality, cost-effective health care and quality performance and quality of care outcomes with respect to health care services;

(2) standards and benchmarks for quality performance, quality of care outcomes, efficiency, and accountability by managed care organizations and physicians and other health care providers;

(3) programs and reimbursement policies that encourage high-quality, cost-effective health care delivery models that increase appropriate provider collaboration, promote wellness and prevention, and improve health outcomes; and

(4) outcome and process measures under Section 536.003.

(b) The executive commissioner shall appoint the members of the advisory committee. The committee must consist of physicians and other health care providers, representatives of health care facilities, representatives of managed care organizations, and other stakeholders interested in health care services provided in this state, including:

(1) at least one member who is a physician with clinical practice experience in obstetrics and gynecology;

(c) The executive commissioner shall appoint the presiding officer of the advisory committee.

Sec. 536.003. DEVELOPMENT OF QUALITY-BASED OUTCOME AND PROCESS MEASURES. (a) The commission, in consultation with the advisory committee, shall develop quality-based outcome and process measures that promote the provision of efficient, quality health care and that can be used in the child health plan and Medicaid programs to implement quality-based payments for acute and long-term care services across all delivery models and payment systems, including fee-for-service and managed care payment systems. The commission, in developing outcome measures under this section, must consider measures addressing potentially preventable events.

(b) To the extent feasible, the commission shall develop outcome and process measures:

(1) consistently across all child health plan and Medicaid program delivery models and payment systems;

(2) in a manner that takes into account appropriate patient risk factors, including the burden of chronic illness on a patient and the severity of a patient's illness;

(3) that will have the greatest effect on improving quality of care and the efficient use of services; and

(4) that are similar to outcome and process measures used in the private sector, as appropriate.

(c) The commission shall, to the extent feasible, align outcome and process measures developed under this section with measures required or recommended under reporting guidelines established by the federal Centers for Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, or another federal agency.

(d) The executive commissioner by rule may require managed care organizations and physicians and other health care providers participating in the child health plan and Medicaid programs to report to the commission in a format specified by the executive commissioner information necessary to develop outcome and process measures under this section.

(e) If the commission increases physician and other health care provider reimbursement rates under the child health plan or Medicaid program as a result of an increase in the amounts appropriated for the programs for a state fiscal biennium as compared to the preceding state fiscal biennium, the commission shall, to the extent permitted under federal law and to the extent otherwise possible considering other relevant factors, correlate the increased reimbursement rates with the quality-based outcome and process measures developed under this section.

Sec. 536.004. DEVELOPMENT OF QUALITY-BASED PAYMENT SYSTEMS. (a) Using quality-based outcome and process measures developed under Section 536.003 and subject to this section, the commission, after consulting with the advisory committee, shall develop quality-based payment systems for compensating a physician or other health care provider participating in the child health plan or Medicaid program that:

(1) align payment incentives with high-quality, cost-effective health care;

(2) reward the use of evidence-based best practices;

(3) promote the coordination of health care;

(4) encourage appropriate physician and other health care provider collaboration;

(5) promote effective health care delivery models; and

(6) take into account the specific needs of the child health plan program enrollee and Medicaid recipient populations.

(b) The commission shall develop quality-based payment systems in the manner specified by this chapter. To the extent necessary, the commission shall coordinate the timeline for the development and implementation of a payment system with the implementation of other initiatives such as the Medicaid Information Technology Architecture (MITA) initiative of the Center for Medicaid and State Operations, the

ICD-10 code sets initiative, or the ongoing Enterprise Data Warehouse (EDW) planning process in order to maximize the receipt of federal funds or reduce any administrative burden.

(c) In developing quality-based payment systems under this chapter, the commission shall examine and consider implementing:

(1) an alternative payment system;

(2) any existing performance-based payment system used under the Medicare program that meets the requirements of this chapter, modified as necessary to account for programmatic differences, if implementing the system would:

(A) reduce unnecessary administrative burdens; and

(B) align quality-based payment incentives for physicians and other health care providers with the Medicare program; and

(3) alternative payment methodologies within the system that are used in the Medicare program, modified as necessary to account for programmatic differences, and that will achieve cost savings and improve quality of care in the child health plan and Medicaid programs.

(d) In developing quality-based payment systems under this chapter, the commission shall ensure that a managed care organization or physician or other health care provider will not be rewarded by the system for withholding or delaying the provision of medically necessary care.

(e) The commission may modify a quality-based payment system developed under this chapter to account for programmatic differences between the child health plan and Medicaid programs and delivery systems under those programs.

Sec. 536.005. CONVERSION OF PAYMENT METHODOLOGY. (a) To the extent possible, the commission shall convert hospital reimbursement systems under the child health plan and Medicaid programs to a diagnosis-related groups (DRG) methodology that will allow the commission to more accurately classify specific patient populations and account for severity of patient illness and mortality risk.

(b) Subsection (a) does not authorize the commission to direct a managed care organization to compensate physicians and other health care providers providing services under the organization's managed care plan based on a diagnosis-related groups (DRG) methodology.

Sec. 536.006. TRANSPARENCY. The commission and the advisory committee shall:

(1) ensure transparency in the development and establishment of:

(A) quality-based payment and reimbursement systems under Section 536.004 and Subchapters B, C, and D, including the development of outcome and process measures under Section 536.003; and

(B) quality-based payment initiatives under Subchapter E, including the development of quality of care and cost-efficiency benchmarks under Section 536.204(a) and efficiency performance standards under Section 536.204(b);

(2) develop guidelines establishing procedures for providing notice and information to, and receiving input from, managed care organizations, health care providers, including physicians and experts in the various medical specialty fields,

and other stakeholders, as appropriate, for purposes of developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1); and

(3) in developing and establishing the quality-based payment and reimbursement systems and initiatives described under Subdivision (1), consider that as the performance of a managed care organization or physician or other health care provider improves with respect to an outcome or process measure, quality of care and cost-efficiency benchmark, or efficiency performance standard, as applicable, there will be a diminishing rate of improved performance over time.

Sec. 536.007. PERIODIC EVALUATION. (a) At least once each two-year period, the commission shall evaluate the outcomes and cost-effectiveness of any quality-based payment system or other payment initiative implemented under this chapter.

(b) The commission shall:

(1) present the results of its evaluation under Subsection (a) to the advisory committee for the committee's input and recommendations; and

(2) provide a process by which managed care organizations and physicians and other health care providers may comment and provide input into the committee's recommendations under Subdivision (1).

Sec. 536.008. ANNUAL REPORT. (a) The commission shall submit an annual report to the legislature regarding:

(1) the quality-based outcome and process measures developed under Section 536.003; and

(2) the progress of the implementation of quality-based payment systems and other payment initiatives implemented under this chapter.

(b) The commission shall report outcome and process measures under Subsection (a)(1) by health care service region and service delivery model.

[Sections 536.009-536.050 reserved for expansion]

SUBCHAPTER B. QUALITY-BASED PAYMENTS RELATING TO MANAGED CARE ORGANIZATIONS

Sec. 536.051. DEVELOPMENT OF QUALITY-BASED PREMIUM PAYMENTS; PERFORMANCE REPORTING. (a) Subject to Section 1903(m)(2)(A), Social Security Act (42 U.S.C. Section 1396b(m)(2)(A)), and other applicable federal law, the commission shall base a percentage of the premiums paid to a managed care organization participating in the child health plan or Medicaid program on the organization's performance with respect to outcome and process measures developed under Section 536.003, including outcome measures addressing potentially preventable events.

(b) The commission shall make available information relating to the performance of a managed care organization with respect to outcome and process measures under this subchapter to child health plan program enrollees and Medicaid recipients before those enrollees and recipients choose their managed care plans.

Sec. 536.052. PAYMENT AND CONTRACT AWARD INCENTIVES FOR MANAGED CARE ORGANIZATIONS. (a) The commission may allow a managed care organization participating in the child health plan or Medicaid program increased flexibility to implement quality initiatives in a managed care plan offered by the organization, including flexibility with respect to financial arrangements, in order to:

- (1) achieve high-quality, cost-effective health care;
- (2) increase the use of high-quality, cost-effective delivery models; and
- (3) reduce potentially preventable events.

(b) The commission, after consulting with the advisory committee, shall develop quality of care and cost-efficiency benchmarks, including benchmarks based on a managed care organization's performance with respect to reducing potentially preventable events and containing the growth rate of health care costs.

(c) The commission may include in a contract between a managed care organization and the commission financial incentives that are based on the organization's successful implementation of quality initiatives under Subsection (a) or success in achieving quality of care and cost-efficiency benchmarks under Subsection (b).

(d) In awarding contracts to managed care organizations under the child health plan and Medicaid programs, the commission shall, in addition to considerations under Section 533.003 of this code and Section 62.155, Health and Safety Code, give preference to an organization that offers a managed care plan that successfully implements quality initiatives under Subsection (a) as determined by the commission based on data or other evidence provided by the organization or meets quality of care and cost-efficiency benchmarks under Subsection (b).

(e) The commission may implement financial incentives under this section only if implementing the incentives would be cost-effective.

[Sections 536.053-536.100 reserved for expansion]

SUBCHAPTER C. QUALITY-BASED HEALTH HOME PAYMENT SYSTEMS

Sec. 536.101. DEFINITIONS. In this subchapter:

(1) "Health home" means a primary care provider practice or, if appropriate, a specialty care provider practice, incorporating several features, including comprehensive care coordination, family-centered care, and data management, that are focused on improving outcome-based quality of care and increasing patient and provider satisfaction under the child health plan and Medicaid programs.

(2) "Participating enrollee" means a child health plan program enrollee or Medicaid recipient who has a health home.

Sec. 536.102. QUALITY-BASED HEALTH HOME PAYMENTS. (a) Subject to this subchapter, the commission, after consulting with the advisory committee, may develop and implement quality-based payment systems for health homes designed to improve quality of care and reduce the provision of unnecessary medical services. A quality-based payment system developed under this section must:

(1) base payments made to a participating enrollee's health home on quality and efficiency measures that may include measurable wellness and prevention criteria and use of evidence-based best practices, sharing a portion of any realized cost savings achieved by the health home, and ensuring quality of care outcomes, including a reduction in potentially preventable events; and

(2) allow for the examination of measurable wellness and prevention criteria, use of evidence-based best practices, and quality of care outcomes based on the type of primary or specialty care provider practice.

SUBCHAPTER D. QUALITY-BASED HOSPITAL REIMBURSEMENT SYSTEM

Sec. 536.151 [531.913]. COLLECTION AND REPORTING OF CERTAIN [HOSPITAL HEALTH] INFORMATION [EXCHANGE]. (a) [In this section, "potentially preventable readmission" means a return hospitalization of a person within a period specified by the commission that results from deficiencies in the care or treatment provided to the person during a previous hospital stay or from deficiencies in post hospital discharge follow up. The term does not include a hospital readmission necessitated by the occurrence of unrelated events after the discharge. The term includes the readmission of a person to a hospital for:

(1) the same condition or procedure for which the person was previously admitted;

(2) an infection or other complication resulting from care previously provided;

(3) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome; or

(4) another condition or procedure of a similar nature, as determined by the executive commissioner.

(b) The executive commissioner shall adopt rules for identifying potentially preventable readmissions of child health plan program enrollees and Medicaid recipients and potentially preventable complications experienced by child health plan program enrollees and Medicaid recipients. The [and the] commission shall collect [exchange] data from [with] hospitals on present-on-admission indicators for purposes of this section.

(b) [(e)] The commission shall establish a [health information exchange] program to provide a [exchange] confidential report to [information with] each hospital in this state that participates in the child health plan or Medicaid program regarding the hospital's performance with respect to potentially preventable readmissions and potentially preventable complications. To the extent possible, a report provided under this section should include potentially preventable readmissions

and potentially preventable complications information across all child health plan and Medicaid program payment systems. A hospital shall distribute the information contained in the report [received from the commission] to physicians and other health care providers providing services at the hospital.

(c) A report provided to a hospital under this section is confidential and is not subject to Chapter 552.

Sec. 536.152. REIMBURSEMENT ADJUSTMENTS. (a) Subject to Subsection (b), using the data collected under Section 536.151 and the diagnosis-related groups (DRG) methodology implemented under Section 536.005, the commission, after consulting with the advisory committee, shall to the extent feasible adjust child health plan and Medicaid reimbursements to hospitals, including payments made under the disproportionate share hospitals and upper payment limit supplemental payment programs, in a manner that may reward or penalize a hospital based on the hospital's performance with respect to exceeding, or failing to achieve, outcome and process measures developed under Section 536.003 that address the rates of potentially preventable readmissions and potentially preventable complications.

(b) The commission must provide the report required under Section 536.151(b) to a hospital at least one year before the commission adjusts child health plan and Medicaid reimbursements to the hospital under this section.

SUBCHAPTER E. QUALITY-BASED PAYMENT INITIATIVES

Sec. 536.201. DEFINITION. In this subchapter, "payment initiative" means a quality-based payment initiative established under this subchapter.

Sec. 536.202. PAYMENT INITIATIVES; DETERMINATION OF BENEFIT TO STATE. (a) The commission shall, after consulting with the advisory committee, establish payment initiatives to test the effectiveness of quality-based payment systems, alternative payment methodologies, and high-quality, cost-effective health care delivery models that provide incentives to physicians and other health care providers to develop health care interventions for child health plan program enrollees or Medicaid recipients, or both, that will:

- (1) improve the quality of health care provided to the enrollees or recipients;
- (2) reduce potentially preventable events;
- (3) promote prevention and wellness;
- (4) increase the use of evidence-based best practices;
- (5) increase appropriate physician and other health care provider

collaboration; and

- (6) contain costs.

(b) The commission shall:

(1) establish a process by which managed care organizations and physicians and other health care providers may submit proposals for payment initiatives described by Subsection (a); and

(2) determine whether it is feasible and cost-effective to implement one or more of the proposed payment initiatives.

Sec. 536.203. PURPOSE AND IMPLEMENTATION OF PAYMENT INITIATIVES. (a) If the commission determines under Section 536.202 that implementation of one or more payment initiatives is feasible and cost-effective for this state, the commission shall establish one or more payment initiatives as provided by this subchapter.

(b) The commission shall administer any payment initiative established under this subchapter. The executive commissioner may adopt rules, plans, and procedures and enter into contracts and other agreements as the executive commissioner considers appropriate and necessary to administer this subchapter.

(c) The commission may limit a payment initiative to:

(1) one or more regions in this state;

(2) one or more organized networks of physicians and other health care providers; or

(3) specified types of services provided under the child health plan or Medicaid program, or specified types of enrollees or recipients under those programs.

(d) A payment initiative implemented under this subchapter must be operated for at least one calendar year.

Sec. 536.204. STANDARDS; PROTOCOLS. (a) The executive commissioner shall:

(1) consult with the advisory committee to develop quality of care and cost-efficiency benchmarks and measurable goals that a payment initiative must meet to ensure high-quality and cost-effective health care services and healthy outcomes; and

(2) approve benchmarks and goals developed as provided by Subdivision (1).

(b) In addition to the benchmarks and goals under Subsection (a), the executive commissioner may approve efficiency performance standards that may include the sharing of realized cost savings with physicians and other health care providers who provide health care services that exceed the efficiency performance standards. The efficiency performance standards may not create any financial incentive for or involve making a payment to a physician or other health care provider that directly or indirectly induces the limitation of medically necessary services.

Sec. 536.205. PAYMENT RATES UNDER PAYMENT INITIATIVES. The executive commissioner may contract with appropriate entities, including qualified actuaries, to assist in determining appropriate payment rates for a payment initiative implemented under this subchapter.

(b) The Health and Human Services Commission shall convert the hospital reimbursement systems used under the child health plan program under Chapter 62, Health and Safety Code, and medical assistance program under Chapter 32, Human Resources Code, to the diagnosis-related groups (DRG) methodology to the extent possible as required by Section 536.005, Government Code, as added by this section, as soon as practicable after the effective date of this Act, but not later than:

(1) September 1, 2013, for reimbursements paid to children's hospitals; and

(2) September 1, 2012, for reimbursements paid to other hospitals under those programs.

(c) Not later than September 1, 2012, the Health and Human Services Commission shall begin providing performance reports to hospitals regarding the hospitals' performances with respect to potentially preventable complications as required by Section 536.151, Government Code, as designated and amended by this section.

(1) not later than September 1, 2012, based on the hospitals' performances with respect to reducing potentially preventable readmissions; and

(2) not later than September 1, 2013, based on the hospitals' performances with respect to reducing potentially preventable complications.

SECTION 1.13. (a) The heading to Section 531.912, Government Code, is amended to read as follows:

The common performance measures:

(1) must be:

(A) recognized by the executive commissioner as valid indicators of the overall quality of care received by medical assistance recipients; and

(F) regulatory compliance;

(G) level of person-centered care; and

(f) The commission may make incentive payments under the program only if money is [~~specifically~~] appropriated for that purpose.

(c) The Department of Aging and Disability Services shall conduct a study to evaluate the feasibility of expanding any incentive payment program established for nursing facilities under Section 531.912, Government Code, as amended by this section, by providing incentive payments for the following types of providers of long-term care services, as defined by Section 22.0011, Human Resources Code, under the medical assistance program:

and

(2) if applicable, allow the pharmacy providers of recipients who are to receive the communication access to the communication.

SECTION 1.16. (a) Subchapter A, Chapter 61, Health and Safety Code, is amended by adding Section 61.012 to read as follows:

Sec. 61.012. REIMBURSEMENT FOR SERVICES. (a) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b) A public hospital or hospital district that provides health care services to a sponsored alien under this chapter may recover from a person who executed an affidavit of support on behalf of the alien the costs of the health care services provided to the alien.

(c) A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

(B) nonpublic entities that provide comprehensive primary and preventive care services in addition to family planning services; and

(C) nonpublic entities that provide family planning services but do not provide comprehensive primary and preventive care services; or

(2) as otherwise directed by the legislature in the General Appropriations

Act.

(b) Notwithstanding Subsection (a), the Department of State Health Services shall, in compliance with federal law, ensure distribution of funds for family planning services in a manner that does not severely limit or eliminate access to those services in any region of the state.

(b) Section 32.024, Human Resources Code, is amended by adding Subsection (c-1) to read as follows:

(c-1) The department shall ensure that money spent for purposes of the demonstration project for women's health care services under former Section 32.0248, Human Resources Code, or a similar successor program is not used to perform or promote elective abortions, or to contract with entities that perform or promote elective abortions or affiliate with entities that perform or promote elective abortions.

ARTICLE 2. LEGISLATIVE FINDINGS AND INTENT; COMPLIANCE WITH ANTITRUST LAWS

SECTION 2.01. (a) The legislature finds that it would benefit the State of Texas to:

- (1) explore innovative health care delivery and payment models to improve the quality and efficiency of health care in this state;
- (2) improve health care transparency;
- (3) give health care providers the flexibility to collaborate and innovate to improve the quality and efficiency of health care; and
- (4) create incentives to improve the quality and efficiency of health care.

(b) The legislature finds that the use of certified health care collaboratives will increase pro-competitive effects as the ability to compete on the basis of quality of care and the furtherance of the quality of care through a health care collaborative will overcome any anticompetitive effects of joining competitors to create the health care

collaboratives and the payment mechanisms that will be used to encourage the furtherance of quality of care. Consequently, the legislature finds it appropriate and necessary to authorize health care collaboratives to promote the efficiency and quality of health care.

(c) The legislature intends to exempt from antitrust laws and provide immunity from federal antitrust laws through the state action doctrine a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act, and that collaborative's negotiations of contracts with payors. The legislature does not intend or authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of federal antitrust laws.

(d) The legislature intends to permit the use of alternative payment mechanisms, including bundled or global payments and quality-based payments, among physicians and other health care providers participating in a health care collaborative that holds a certificate of authority under Chapter 848, Insurance Code, as added by Article 4 of this Act. The legislature intends to authorize a health care collaborative to contract for and accept payments from governmental and private payors based on alternative payment mechanisms, and intends that the receipt and distribution of payments to participating physicians and health care providers is not a violation of any existing state law.

ARTICLE 12. INTERSTATE HEALTH CARE COMPACT

CHAPTER 5002. INTERSTATE HEALTH CARE COMPACT

Sec. 5002.001. EXECUTION OF COMPACT. This state enacts the Interstate Health Care Compact and enters into the compact with all other states legally joining in the compact in substantially the following form:

Whereas, the separation of powers, both between the branches of the Federal government and between Federal and State authority, is essential to the preservation of individual liberty;

Whereas, the Constitution creates a Federal government of limited and enumerated powers, and reserves to the States or to the people those powers not granted to the Federal government;

Whereas, the Federal government has enacted many laws that have preempted State laws with respect to Health Care, and placed increasing strain on State budgets, impairing other responsibilities such as education, infrastructure, and public safety;

Whereas, the Member States seek to protect individual liberty and personal control over Health Care decisions, and believe the best method to achieve these ends is by vesting regulatory authority over Health Care in the States;

Whereas, by acting in concert, the Member States may express and inspire confidence in the ability of each Member State to govern Health Care effectively; and

Whereas, the Member States recognize that consent of Congress may be more easily secured if the Member States collectively seek consent through an interstate compact;

NOW THEREFORE, the Member States hereto resolve, and by the adoption into law under their respective State Constitutions of this Health Care Compact, agree, as follows:

Sec. 1. Definitions. As used in this Compact, unless the context clearly indicates otherwise:

"Commission" means the Interstate Advisory Health Care Commission.

"Effective Date" means the date upon which this Compact shall become effective for purposes of the operation of State and Federal law in a Member State, which shall be the later of:

- a) the date upon which this Compact shall be adopted under the laws of the Member State, and
- b) the date upon which this Compact receives the consent of Congress pursuant to Article I, Section 10, of the United States Constitution, after at least two Member States adopt this Compact.

"Health Care" means care, services, supplies, or plans related to the health of an individual and includes but is not limited to:

(a) preventive, diagnostic, therapeutic, rehabilitative, maintenance, or palliative care and counseling, service, assessment, or procedure with respect to the physical or mental condition or functional status of an individual or that affects the structure or function of the body, and

(b) sale or dispensing of a drug, device, equipment, or other item in accordance with a prescription, and

(c) an individual or group plan that provides, or pays the cost of, care, services, or supplies related to the health of an individual, except any care, services, supplies, or plans provided by the United States Department of Defense and United States Department of Veteran Affairs, or provided to Native Americans.

"Member State" means a State that is signatory to this Compact and has adopted it under the laws of that State.

"Member State Base Funding Level" means a number equal to the total Federal spending on Health Care in the Member State during Federal fiscal year 2010. On or before the Effective Date, each Member State shall determine the Member State Base Funding Level for its State, and that number shall be binding upon that Member State.

"Member State Current Year Funding Level" means the Member State Base Funding Level multiplied by the Member State Current Year Population Adjustment Factor multiplied by the Current Year Inflation Adjustment Factor.

"Member State Current Year Population Adjustment Factor" means the average population of the Member State in the current year less the average population of the Member State in Federal fiscal year 2010, divided by the average population of the Member State in Federal fiscal year 2010, plus 1. Average population in a Member State shall be determined by the United States Census Bureau.

"Current Year Inflation Adjustment Factor" means the Total Gross Domestic Product Deflator in the current year divided by the Total Gross Domestic Product Deflator in Federal fiscal year 2010. Total Gross Domestic Product Deflator shall be determined by the Bureau of Economic Analysis of the United States Department of Commerce.

Sec. 2. Pledge. The Member States shall take joint and separate action to secure the consent of the United States Congress to this Compact in order to return the authority to regulate Health Care to the Member States consistent with the goals and principles articulated in this Compact. The Member States shall improve Health Care policy within their respective jurisdictions and according to the judgment and discretion of each Member State.

Sec. 3. Legislative Power. The legislatures of the Member States have the primary responsibility to regulate Health Care in their respective States.

Sec. 4. State Control. Each Member State, within its State, may suspend by legislation the operation of all federal laws, rules, regulations, and orders regarding Health Care that are inconsistent with the laws and regulations adopted by the Member State pursuant to this Compact. Federal and State laws, rules, regulations, and orders regarding Health Care will remain in effect unless a Member State expressly suspends them pursuant to its authority under this Compact. For any federal law, rule, regulation, or order that remains in effect in a Member State after the Effective Date, that Member State shall be responsible for the associated funding obligations in its State.

Sec. 5. Funding.

(a) Each Federal fiscal year, each Member State shall have the right to Federal monies up to an amount equal to its Member State Current Year Funding Level for that Federal fiscal year, funded by Congress as mandatory spending and not subject to annual appropriation, to support the exercise of Member State authority under this Compact. This funding shall not be conditional on any action of or regulation, policy, law, or rule being adopted by the Member State.

(b) By the start of each Federal fiscal year, Congress shall establish an initial Member State Current Year Funding Level for each Member State, based upon reasonable estimates. The final Member State Current Year Funding Level shall be calculated, and funding shall be reconciled by the United States Congress based upon information provided by each Member State and audited by the United States Government Accountability Office.

Sec. 6. Interstate Advisory Health Care Commission.

(a) The Interstate Advisory Health Care Commission is established. The Commission consists of members appointed by each Member State through a process to be determined by each Member State. A Member State may not appoint more than two members to the Commission and may withdraw membership from the Commission at any time. Each Commission member is entitled to one vote. The Commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the Commission's total membership.

(b) The Commission may elect from among its membership a Chairperson. The Commission may adopt and publish bylaws and policies that are not inconsistent with this Compact. The Commission shall meet at least once a year, and may meet more frequently.

(c) The Commission may study issues of Health Care regulation that are of particular concern to the Member States. The Commission may make non-binding recommendations to the Member States. The legislatures of the Member States may consider these recommendations in determining the appropriate Health Care policies in their respective States.

(d) The Commission shall collect information and data to assist the Member States in their regulation of Health Care, including assessing the performance of various State Health Care programs and compiling information on the prices of Health Care. The Commission shall make this information and data available to the legislatures of the Member States. Notwithstanding any other provision in this Compact, no Member State shall disclose to the Commission the health information of any individual, nor shall the Commission disclose the health information of any individual.

(e) The Commission shall be funded by the Member States as agreed to by the Member States. The Commission shall have the responsibilities and duties as may be conferred upon it by subsequent action of the respective legislatures of the Member States in accordance with the terms of this Compact.

(f) The Commission shall not take any action within a Member State that contravenes any State law of that Member State.

Sec. 7. Congressional Consent. This Compact shall be effective on its adoption by at least two Member States and consent of the United States Congress. This Compact shall be effective unless the United States Congress, in consenting to this Compact, alters the fundamental purposes of this Compact, which are:

(a) To secure the right of the Member States to regulate Health Care in their respective States pursuant to this Compact and to suspend the operation of any conflicting federal laws, rules, regulations, and orders within their States; and

(b) To secure Federal funding for Member States that choose to invoke their authority under this Compact, as prescribed by Section 5 above.

Sec. 8. Amendments. The Member States, by unanimous agreement, may amend this Compact from time to time without the prior consent or approval of Congress and any amendment shall be effective unless, within one year, the Congress disapproves that amendment. Any State may join this Compact after the date on which Congress consents to the Compact by adoption into law under its State Constitution.

Sec. 9. Withdrawal; Dissolution. Any Member State may withdraw from this Compact by adopting a law to that effect, but no such withdrawal shall take effect until six months after the Governor of the withdrawing Member State has given notice of the withdrawal to the other Member States. A withdrawing State shall be liable for any obligations that it may have incurred prior to the date on which its withdrawal becomes effective. This Compact shall be dissolved upon the withdrawal of all but one of the Member States.

SECTION 12.02. This article takes effect immediately if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this article takes effect on the 91st day after the last day of the legislative session.

The board shall consider the record of the hearing and the designee's recommendation at the first board meeting for which notice can be posted in compliance with Chapter 551, Government Code, following the receipt of the record and recommendation from the board's designee, unless the parties agree in writing to a different date. At the meeting, the board shall consider the hearing record and the designee's recommendation and allow each party to present an oral argument to the board. The board by written policy may limit the amount of time for oral argument. The policy must provide equal time for each party. The board may obtain advice concerning legal matters from an attorney who has not been involved in the proceedings. The board may accept, reject, or modify the designee's recommendation. The board shall notify the teacher in writing of the board's decision not later than the 15th day after the date of the meeting.

- (4) present evidence.

SECTION 11. Section 21.212, Education Code, is amended by adding Subsection (f) to read as follows:

(f) On the basis of a financial exigency declared under Section 44.011 that requires a reduction in personnel, the board of trustees of a school district may choose to amend the terms of the contract of a superintendent employed under a term contract. A superintendent whose contract is amended under this subsection may resign without penalty by providing reasonable notice to the board and may continue employment for that notice period under the prior contract.

SECTION 12. Section 21.251, Education Code, is amended to read as follows:

Sec. 21.251. APPLICABILITY. (a) This subchapter applies if a teacher requests a hearing after receiving notice of the proposed decision to:

(3) suspend the teacher without pay.

(b) This subchapter does not apply to:

(1) a decision to terminate a teacher's employment at the end of a probationary contract; ~~or~~

(3) a decision, on the basis of a financial exigency declared under Section 44.011 that requires a reduction in personnel, to terminate a probationary or term contract before the end of the contract period or to terminate a continuing contract at any time, unless the board of trustees has decided to use the process prescribed by this subchapter for that purpose.

SECTION 13. Section 21.257, Education Code, is amended by adding Subsection (a-1) to read as follows:

(a-1) A determination by the hearing examiner regarding good cause for the suspension of a teacher without pay or the termination of a probationary, continuing, or term contract is a conclusion of law and may be adopted, rejected, or changed by the board of trustees or board subcommittee as provided by Section 21.259(b).

MS = SF x FS

where:

"MS" is the minimum monthly salary;

"SF" is the applicable salary factor specified by Subsection (c); and

"FS" is the amount, as determined by the commissioner under Subsection (b), of state and local funds per weighted student, including funds provided under Section 42.2516, available to a district eligible to receive state assistance under Section 42.302 with a maintenance and operations tax rate per \$100 of taxable value equal to the product of the state compression percentage, as determined under Section 42.2516, multiplied by \$1.50, except that the amount of state and local funds per weighted student does not include the amount attributable to the increase in the guaranteed level made by Chapter 1187, Acts of the 77th Legislature, Regular Session, 2001.

SECTION 16. Subchapter I, Chapter 21, Education Code, is amended by adding Sections 21.4021, 21.4022, and 21.4032 to read as follows:

Sec. 21.4021. FURLOUGHS. (a) Notwithstanding Section 21.401 and subject to Section 21.4022, the board of trustees of a school district may, in accordance with district policy, implement a furlough program and reduce the number of days of service otherwise required under Section 21.401 by not more than six days of service during a school year if the commissioner certifies in accordance with Section 42.009 that the district will be provided with less state and local funding for that year than was provided to the district for the 2010-2011 school year.

(b) Notwithstanding Section 21.402, the board of trustees may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced, provided that the furlough program is implemented in compliance with this section.

(b-1) A furlough program must subject all contract personnel to the same number of furlough days.

(c) An educator may not be furloughed on a day that is included in the number of days of instruction required under Section 25.081.

(d) An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.

(e) A furlough imposed under this section does not constitute a break in service for purposes of the Teacher Retirement System of Texas. A furlough day does not constitute a day of service for purposes of the Teacher Retirement System of Texas.

(f) Implementation of a furlough program may not result in an increase in the number of required teacher workdays.

(g) If a board of trustees adopts a furlough program after the date by which a teacher must give notice of resignation under Section 21.105, 21.160, or 21.210, as applicable, a teacher who subsequently resigns is not subject to sanctions imposed by the State Board for Educator Certification as otherwise authorized by those sections.

(1) is final and may not be appealed; and

(2) does not create a cause of action or require collective bargaining.

(i) Any reduction under this section in the amount of the annual salary paid to an employee must be equally distributed over the course of the employee's current contract with the school district.

Sec. 21.4022. REQUIRED PROCESS FOR DEVELOPMENT OF FURLOUGH PROGRAM OR OTHER SALARY REDUCTION PROPOSAL.

(a) The board of trustees of a school district may not implement a furlough program under Section 21.4021 or reduce salaries until the district has complied with this section.

(b) A school district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

(1) includes the involvement of the district's professional staff; and

(2) provides district employees with the opportunity to express opinions regarding the furlough program or salary reduction proposal, as applicable, at the public meeting required by Subsection (c).

(d) Any explanation of a furlough program under Subsection (c)(2) must state the specific number of furlough days proposed to be required.

(e) The public and school district employees must be provided with an opportunity to comment at the public meeting required under Subsection (c).

Sec. 21.4032. REDUCTIONS IN SALARIES OF CLASSROOM TEACHERS AND ADMINISTRATORS. SECTION 17. Subsection (a), Section 38.101, Education Code, is amended to read as follows:

(a) Except as provided by Subsection (b), a school district annually shall assess the physical fitness of students enrolled in grade three or higher in a course that satisfies the curriculum requirements for physical education under Section 28.002(a)(2)(C) [grades 3 through 12].

Sec. 42.009. DETERMINATION OF FUNDING LEVELS. (a) Not later than July 1 of each year, the commissioner shall determine for each school district whether the estimated amount of state and local funding per student in weighted average daily

attendance to be provided to the district under the Foundation School Program for maintenance and operations for the following school year is less than the amount provided to the district for the 2010-2011 school year. If the amount estimated to be provided is less, the commissioner shall certify the percentage decrease in funding to be provided to the district.

(b) In making the determinations regarding funding levels required by Subsection (a), the commissioner shall:

(1) make adjustments as necessary to reflect changes in a school district's maintenance and operations tax rate;

(2) for a district required to take action under Chapter 41 to reduce its wealth per student to the equalized wealth level, base the determinations on the district's net funding levels after deducting any amounts required to be expended by the district to comply with Chapter 41; and

(3) determine a district's weighted average daily attendance in accordance with this chapter as it existed on January 1, 2011.

SECTION 19. Subchapter A, Chapter 44, Education Code, is amended by adding Section 44.011 to read as follows:

Sec. 44.011. FINANCIAL EXIGENCY. (a) The board of trustees of a school district may adopt a resolution declaring a financial exigency for the district. The declaration expires at the end of the fiscal year during which the declaration is made unless the board adopts a resolution before the end of the fiscal year declaring continuation of the financial exigency for the following fiscal year.

(b) The board is not limited in the number of times the board may adopt a resolution declaring continuation of the financial exigency.

(c) A board may terminate a financial exigency declaration at any time if the board considers it appropriate.

(d) Each time the board adopts a resolution under this section, the board must notify the commissioner. The commissioner by rule shall prescribe the time and manner in which notice must be given to the commissioner under this subsection.

(e) The commissioner by rule shall adopt minimum standards concerning school district financial conditions that must exist for declaration of a financial exigency by the board of trustees of the district.

(f) The commissioner may use emergency rulemaking procedures to adopt rules under Subsection (e). This subsection expires September 1, 2013.

Sec. 552.2661. CHARGE FOR COPY OF PUBLIC INFORMATION PROVIDED BY SCHOOL DISTRICT. A school district that receives a request to produce public information for inspection or publication or to produce copies of public information in response to a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from the district as provided under Section 552.261(b) may require the requestor to pay the estimated charges for the request before the request is fulfilled.

SECTION 21. The following provisions of the Education Code are repealed:

(1) Section 12.1331;

(2) Subsection (d), Section 21.402; and

REMARKS ORDERED PRINTED

On motion of Senator Hinojosa and by unanimous consent, the remarks by Senators Van de Putte, Nelson, and Hinojosa regarding **SB 7** were ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Nelson: Thank you, Mr. President, Members. The goal of Senate Bill 7 is to eliminate waste and inefficiency in our health and human services, to better serve our patients, and to achieve at least \$467 million in savings already assumed in the budget. More importantly, these reforms are critically needed to focus our healthcare

dollars on the outcomes that we want for our patients and to contain the unsustainable growth in Article 2 budget issues. As a reminder, Senate Bill 7 includes from Regular Session, Senate Bill 7, Senate Bill 8, Senate Bill 23. Senate Bill 7 passed unanimously in this special session. We sent it over to the House, the House added 27 amendments, the conference committee accepted 14 of those amendments. Members, these reforms reflect months, if not years in some cases, of careful deliberation. I truly believe that this process, while painful, has given us an opportunity to look at our healthcare budget under a microscope and make sure that it is efficiently working on behalf of people who rely on these services and those who expect us to ensure that we are responsibly using their tax dollars. Mr. President, I move to adopt the Conference Committee Report on Senate Bill 7.

President: Thank you, Senator Nelson. Thank you for all of your hard work and your leadership. Senator Van de Putte, for what purpose do you rise, Ma'am?

Senator Van de Putte: Will the Senator yield to answer some questions?

President: Will Senator Nelson yield?

Senator Nelson: Absolutely.

Senator Van de Putte: Thank you very much. And, Senator, thank you, I know that this has been—

Senator Nelson: A labor of love.

Senator Van de Putte: —through a lot of different versions, and just when you think everything is done there were more complications, so, congratulations at least for working out the complications. But I wanted to ask you some questions for future reference because there are some very important provisions in this bill that certify and give us the amount of savings in the Medicaid program, but it is a big, big difference, and so, I wanted to ask some questions.

Senator Nelson: Sure.

Senator Van de Putte: And the Members may remember when, I think we had this during the Regular Session, there was a concern because of our new Medicaid managed care to all areas, and in particular the State of Texas had its own, basically, pharmacy benefits manager in the vendor drug program. And now that will be parceled up, and it will be along with all the other managed care organization services. And in that we do certify some savings. But we wanted to make sure that with our Medicaid managed care, our MCOs, managed care companies, and our PBMs, that we were being efficient, so I wanted to go over with you a few things. On that very first time we had some language, and I believe if you'll look at page 8 of the Conference Committee Report.

Senator Nelson: Right.

Senator Van de Putte: This is starting on line 5. This is the dialogue that you and I had about considering approval of a subcontract between managed care organizations and a pharmacy benefit manager for the provision of prescription drug benefits. And it's new because, Members, as you know, Senator Nelson did a great job and all of your pharmacies will be able to participate if they agree to the reimbursement rate,

and that's great. But we had some discussions about PBMs that have been fined for Medicaid fraud in other states, and would they be able to contract. So, Senator, on line 5, page 8, it gives some language that I was very comfortable with, and I think everyone was, that it gave the Commissioner the option when approving these PBMs to do our now prescription drug benefit under Medicaid to consider whether PBMs have been, in the last three years, convicted of an offense involving act or fraud of state or criminal law, in other words, basically, Medicaid fraud, and adjudicated to have committed the fraud or assessed a penalty of a fine in the amount of 500,000. So, on this it says, the Commissioner can consider whether to put in that criteria if you have been convicted or assessed a fine in the amount of \$5,000 or more. And this language is great. I think that gives the, it's not what the Brown amendment was. The Brown amendment said if you had, if any company had paid a \$500,000 fine, you're not eligible to contract for Medicaid services in this state, but this at least gave the Commissioner. But, then, I want to refer you back—

Senator Nelson: To the review and consider language.

Senator Van de Putte: —right, page 86, and at the top of the page. Well, it starts at the bottom of 85 where it says, considerations in awarding certain contracts. And then, if you, it starts there but on the top of page 86 it says, basically, if the benefit management company or the managed care organization in connection with the bid proposal or contract with the commission was subject to a final judgment by a court of competent jurisdiction resulting in a conviction or resulting in a fine. My question is, since the Attorney General tells us that 99.9 percent of these Medicaid fraud cases, there's never a conviction. What they do is they settle out of court, and they settle for hundreds of millions of dollars. That, which language supercedes, because in the other one it says the commission shall consider if they were fined, but this one seems to say they have to have been convicted in a Medicaid contract with the Health and Human Services Commission. So, they have to have been found guilty and convicted in Texas before they're not able to do business with the state. Which language takes precedence?

Senator Nelson: Well, and before I answer your question, I want to thank you, because in Regular Session you helped us clarify some language that made this an even better bill, and, you know, throughout the process, during this special session you have helped us, and, you know, all Members of the floor have worked to make sure that the protections that we add for pharmacy providers, as we transition into the prescription drug benefits or transition those into Medicaid managed care is done properly. As you know, in the House there were four amendments that were proposed. We accepted some of those and made it an even better bill, and this one was the one that caused some concern, the one that you pointed out that was added by Representative Brown actually prohibited the commission from contracting with HMOs and PBMs that are convicted of certain offenses. And we didn't, the conference committee did not believe that we should be doing that. Now, in answer to your question, our legislative, or my legislative intent would be for the Commissioner to consider the fines and other corrective actions, but there must be a conviction by the court for any entity to be prohibited from consideration. And I believe that that

was the clear understanding between Representative Zerwas and I and the conference committee Members, that would be our legislative intent. There would have to be a conviction by a court of law for any entity to be prohibited from consideration.

Senator Van de Putte: Okay. And the reason that I wanted to make sure is that, I think all of us here understand that the transparency and the contractor integrity, particularly when it comes to Medicaid fraud, is extremely important.

Senator Nelson: Absolutely.

Senator Van de Putte: And I was concerned that the provisions in the Conference Committee Report on SB 1, pages 8 and 9, didn't kind of match up with 85 through 86, so, by your answer, there's not a statutory conflict that would need to be resolved. But, I want to state, I want to make sure that what I understand is, the Health and Human Services Commission would be allowed to contract with either a PBM or an HMO that had settled either with the Federal Department of Justice or any attorney general for millions of dollars for Medicaid fraud. They could still be considered.

Senator Nelson: Right. Yes.

Senator Van de Putte: And the reason that it is, they have had to have been convicted of fraud with a contract of Health and Human Services and they don't have any. But I'm very concerned because just earlier this year, WellCare Health Plans, a very strong HMO, settled for a 137 and a half million dollars with nine states and with federal authorities to resolve the allegations of Medicaid fraud when it defrauded Florida's Healthy Kids program. Now, it did not get convicted, but the AG settled with that, and that was, I think, a different one. And then, two years earlier, another corporation settled with federal authorities for 225 million because it defrauded Medicaid systematically. We also know that there are pending cases now in three other states with pharmacy benefit managers where they skimmed, and you've heard of these types of things in bank fraud where they do three or four cents on a claim or a transaction. Well, these particular ones shaved anywhere from 92 cents to 93 cents on inhalers, diabetic supplies, and defrauded the states that had Medicaid contracts. So, I wanted to make sure that the Health and Human Services Commission would take into account actors that have been, they may not have been convicted because they never get convicted, but they're paying hundreds of millions of dollars where they've done the very work that we're going to ask them to bid on in the State of Texas. So, you believe, by this language, that it gives the Commissioner the authority to look at it but still anybody can bid.

Senator Nelson: Right. Senator, first of all, I don't think there's a Member on this floor who gets angrier about fraud in this arena than I do. Because we work so hard to make sure that every penny we're spending on our Medicaid clients is being spent on them, that it's not going to those who would fraud the system. The Commissioner already has the authority to deny contracts to bad actors, and should. However, the conference committee believed that that Brown amendment, and he had several that we took, that that Brown amendment prohibiting the commission went too far and would, actually, be detrimental to the system. Now, the reviewing and considering

isn't the same thing as prohibiting. I don't think the two are in conflict with each other. And I do want to point out again that the Commissioner can deny any contract if he or she believes that that company should not be doing business with Texas.

Senator Van de Putte: Senator, I want to thank you because we're not tippy-toeing into this, we're jumping into the deep end of the pool in something that the state had always, was its own PBM, so to speak.

Senator Nelson: Uh—uhm—hum.

Senator Van de Putte: And because of that, been able to reap the hundreds of millions of dollars over the years on supplemental rebates from the pharmaceutical manufacturers. As the change in federal law occurred, I think we reacted to that and, certainly, we will certify that this will be a savings. But I do want to point out that when you take a business entity like your pharmacies that are supplying those Medicaid vendor drug programs, the profits from that are being put back into local communities. And although on paper we certify the savings because of now, the financial side of what insurance companies will have to pay in taxes to do the state. So, on paper we look like a winner, but I got to tell you that pharmacy benefit managers and managed care organizations, they have to return that investment to the people who are the shareholders. That profit now, at least from those pharmacies and from a lot of services, will no longer be generated and used in the State of Texas, and it will go out of state. That's just kind of what happens when you change from having services done and the contracts done here to out. So, I'm hoping that as we go into this, the Commissioner will use the discretion, because the last thing we need is, two to three years down the line, have our attorney general be one of the attorney generals settling with these companies that have been, they have not been convicted, but they've done bad enough to where they're paying hundreds of millions of dollars in fines. And I just wanted to make sure they were on alert that we're taking a big step forward in allowing this very significant change to happen, but that they better be careful about their practices, their business' practices, because that's the last thing this Legislature would want is to do such a different change and then to have the very people that we entrusted to do this commit Medicaid fraud in the State of Texas.

Senator Nelson: I absolutely agree. In fact, you know, I'll put them on fair warning right now, we're going to be watching them. Senator, we've worked long and hard to make sure that our managed care would not reduce patient access. We also were very concerned about running our independent pharmacists out of business. And we put protections into place, and I want to remind everybody that Senate Bill 7 as filed had several protections including allowing for any willing provider to participate in managed care. That was your suggestion and a good one. We keep the statewide preferred, the formulary, preferred drug list in place, and we prohibit HMOs from creating individual formularies. We require prior authorization to be consistent with current policy, which would prohibit the fail first therapies. We prohibit HMOs from requiring mail order prescriptions. We require that HMOs meet prompt pay requirements. And this bill as filed included language that required the Health and Human Services Commission to consider fraudulent behaviors, as I said earlier, before awarding managed care contracts. So, I, in addition, the Conference Committee Report, I think, added some additional things that will be helpful. I appreciate your

comments, Senator. I will, we will both put them on notice that we're going to be watching very carefully, and I want to make sure that every dollar we spend is being spent appropriately. And I thank you for your words.

Senator Van de Putte: Thank you so much, Senator Nelson. I know that you've worked hard, and I want to particularly thank your staff. The staff has put many, many hours, as many of the issues that we bring before us. We're kept informed, but it is our staff members that really do so much of the work, and I don't think they get enough of the credit. Congratulations at least to the staff on working very hard on this particular issue, which is a great change. Thank you for the exchange.

Senator Nelson: Thank you, Senator.

President: Thank you, Senator. Chair recognizes Senator Hinojosa, for what purpose do you rise?

Senator Hinojosa: To ask Senator Nelson a couple of questions, if I may.

President: Will Senator Nelson yield?

Senator Nelson: Yes.

Senator Hinojosa: Senator Nelson, you know, on Senate Bill 7, we worked very hard and long hours and part of the bill has an extension of managed healthcare to South Texas. And we tried to draft language that took some of the differences in regions that we have in South Texas compared to other parts of the state.

Senator Nelson: Right.

Senator Hinojosa: So, if I may, I would like to just ask you a couple of questions to make sure that we have legislative intent on certain sections of the bill itself. Under Section 1.01, page 4 of the bill, which amends Section 533.0025(e) of the Texas Government Code, to state that the commission shall determine the most cost-effective alignment of managed service delivery areas. Is it your intent that the commission shall design these regions in a relatively compact nature that, first, respects present medical referral patterns, second, does not disrupt care access, and, third, ensures that participants in Medicaid managed care are able to secure medical care within the service area if available, and does not force unnecessary travel?

Senator Nelson: Senator, your statement was correct, but I think your section was incorrect. I think it's Section 1.01, I mean 1.02, and I think you just said 1.01.

Senator Hinojosa: Okay. That's correct, that should be Section 1.02—

Senator Nelson: Yeah.

Senator Hinojosa: —thank you.

Senator Nelson: But your statement was absolutely correct, and that is our intent.

Senator Hinojosa: That is your intent, okay. And my second question is, this bill amends Section 533.005(a)(17), page 11, of the Texas Government Code, to require that the managed care organization ensure that a medical director and patient care coordinators and providers and recipient support services personnel are located in the South Texas service region. Is it your intent that the South Texas service region, defined to include at least Hidalgo, Starr, and Cameron counties, and that the duties of

the medical director located in the South Texas service region include the responsibility to make medical necessity determinations, and that the Medicaid director will be available for peer-to-peer discussions about other managed care technical policies?

Senator Nelson: That is not only our intent but that is absolutely why we're doing this. So, yes.

Senator Hinojosa: Well, thank you for your hard work on the Senate Bill 7, and I know it took a lot of meetings, a lot of discussions, a lot of feedback, and thank you for your hard work.

Senator Nelson: Senator, thank you. You contributed hours and hours on this from the very beginning. And I think it is going to work because of your input, and I'm very grateful. Thank you.

Senator Hinojosa: Thank you.

REMARKS ORDERED PRINTED

On motion of Senator Lucio and by unanimous consent, the exchange between Senators Ogden and Lucio regarding **SB 2** was ordered reduced to writing and printed in the *Senate Journal* as follows:

Senator Lucio: Thank you, Mr. Chairman. I do have a couple of questions on the TDRA transfer to the Texas Department of Agriculture and what it means to the CDBG appropriations that exist under TDRA's bill pattern. Senator, I became concerned with our CDBG funding when the House passed Amendments No. 74 and 79 on Senate Bill 1, which transfers TDRA to TDA, since these amendments were never discussed on the Senate side and because contingency appropriations authority for CDBG-related programs were never included in Senate Bill 2, if such a transfer occurred. I had my committee director call your committee office, as well as that of Senator Duncan's, to share my deep concerns with this last-minute transfer by the House. But, I do want to commend your staff, Senator, especially Sarah Hicks. Mr. Chairman, for the record, and to establish legislative intent, I would like to ask you these two questions. First, on page 26 under Section 32 of the Conference Committee Report, is it your intent that all TDRA budget riders and directives currently found under HB 1 of the 82nd Regular Session be transferred and appropriated to the Department of Agriculture and that the Department of Agriculture adhere to these TDRA budget riders and directives?

Senator Ogden: Yes, and the only qualification I would say is that's for all non-disaster relief funding purposes. So, for all non-disaster relief funding purposes, my answer's yes.

Senator Lucio: Thank you, Sir. Secondly, in particular, on Rider No. 6, which requires TDRA to transfer 2.5 percent of the CDBG monies to the Department of Housing and Community Affairs to fund the self-help centers. Under the language of Section 32, will the Texas Department of Agriculture have to adhere to this existing budget rider?

Senator Ogden: It's my intention that they would, yes.

Senator Lucio: Okay. Well, thank you, Senator Ogden, and thank you for working with our office on this important matter.

(a) A person with a legal or equitable ownership or security interest in well-site equipment or hydrocarbons disposed of under Section 89.085 ~~[of this code]~~ may make a claim against the oil and gas regulation and ~~[oil field]~~ cleanup fund unless an element of the transaction giving rise to the interest occurs after the commission forecloses its statutory lien under Section 89.083.

(h) The commission shall suspend an amount of money in the oil and gas regulation and ~~[oil field]~~ cleanup fund equal to the amount of the claim until the claim is finally resolved. If the provisions of Subsection (k) ~~[of this section]~~ prevent suspension of the full amount of the claim, the commission shall treat the claim as two consecutively filed claims, one in the amount of funds available for suspension and the other in the remaining amount of the claim.

(i) A claim made by or on behalf of the operator or a nonoperator of a well or a successor to the rights of the operator or nonoperator is subject to a ratable deduction from the proceeds or credit received for the well-site equipment to cover the costs

incurred by the commission in removing the equipment or hydrocarbons from the well or in transporting, storing, or disposing of the equipment or hydrocarbons. A claim made by a person who is not an operator or nonoperator is subject to a ratable deduction for the costs incurred by the commission in removing the equipment from the well. If a claimant is a person who is responsible under law or commission rules for plugging the well or cleaning up pollution originating on the lease or if the claimant owes a penalty assessed by the commission or a court for a violation of a commission rule or order, the commission may recoup from or offset against a valid claim an expense incurred by the oil and gas regulation and [oil field] cleanup fund that is not otherwise reimbursed or any penalties owed. An amount recouped from, deducted from, or offset against a claim under this subsection shall be treated as an invalid portion of the claim and shall remain suspended in the oil and gas regulation and [oil field] cleanup fund in the manner provided by Subsection (j) ~~[of this section]~~.

(j) If the commission finds that a claim is valid in whole or in part, the commission shall pay the valid portion of the claim from the suspended amount in the oil and gas regulation and [oil field] cleanup fund not later than the 30th day after the date of the commission's decision. If the commission finds that a claim is invalid in whole or in part, the commission shall continue to suspend in the oil and gas regulation and [oil field] cleanup fund an amount equal to the invalid portion of the claim until the period during which the commission's decision may be appealed has expired or, if appealed, during the period the case is under judicial review. If on appeal the district court finds the claim valid in whole or in part, the commission shall pay the valid portion of the claim from the suspended amount in the oil and gas regulation and [oil field] cleanup fund not later than 30 days after the date the court's judgment becomes unappealable. On the date the commission's decision is not subject to judicial review, the commission shall release from the suspended amount in the oil and gas regulation and [oil field] cleanup fund the amount of the claim held to be invalid.

(k) If the aggregate of claims paid and money suspended that relates to well-site equipment or hydrocarbons from a particular well equals the total of the actual proceeds and credit realized from the disposition of that equipment or those hydrocarbons, the oil and gas regulation and [oil field] cleanup fund is not liable for any subsequently filed claims that relate to the same equipment or hydrocarbons unless and until the commission releases from the suspended amount money derived from the disposition of that equipment or those hydrocarbons. If the commission releases money, then the commission shall suspend money in the amount of subsequently filed claims in the order of filing.

materials. The commission by order may require the person to reimburse the commission for those costs or may request the attorney general to file suit against the person to recover those costs. At the request of the commission, the attorney general may file suit to enforce an order issued by the commission under this subsection. A suit under this subsection may be filed in any court of competent jurisdiction in Travis County. For component parts held in bulk, the chief appraiser may use the average length of time a component part was held by the owner of the component parts during

the preceding year at a location in this state that was not owned by or under the control of the owner of the component parts in determining whether the component parts were transported to another location in this state or outside this state before the expiration of 175 days.

(h) The chief appraiser by written notice delivered to a property owner who claims an exemption under this section may require the property owner to provide copies of property records so the chief appraiser can determine the amount and value of goods-in-transit and that the location in this state where the goods-in-transit were detained for storage [~~assembling, storing, manufacturing, processing, or fabricating purposes~~] was not owned by or under the control of the owner of the goods-in-transit. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the governing body proposes to tax goods-in-transit. If the governing body of a taxing unit provides for the taxation of the goods-in-transit as provided by this subsection, the exemption prescribed by Subsection (b) does not apply to that unit. The goods-in-transit remain subject to taxation by the taxing unit until the governing body of the taxing unit, in the manner required for official action, rescinds or repeals its previous action to tax goods-in-transit or otherwise determines that the exemption prescribed by Subsection (b) will apply to that taxing unit.

(j-2) Notwithstanding Subsection (j-1), if under Subsection (j) the governing body of a taxing unit, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the taxing unit, the tax officials of the taxing unit may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

SECTION 57.05. Effective September 1, 2017, Section 21.402, Education Code, is amended by amending Subsection (a) and adding Subsection (e-1) to read as follows:

(a) Except as provided by Subsection (d), ~~(e-1) [(e)],~~ or (f), a school district must pay each classroom teacher, full-time librarian, full-time counselor certified under Subchapter B, or full-time school nurse not less than the minimum monthly salary, based on the employee's level of experience in addition to other factors, as determined by commissioner rule, determined by the following formula:

$$MS = SF \times FS$$

where:

"MS" is the minimum monthly salary;

"SF" is the applicable salary factor specified by Subsection (c); and

"FS" is the amount, as determined by the commissioner under Subsection (b), of the basic allotment as provided by Section 42.101(a) or (b) for a school district with a maintenance and operations tax rate at least equal to the state maximum compressed tax rate, as defined by Section 42.101(a) [state and local funds per weighted student, including funds provided under Section 42.2516, available to a district eligible to receive state assistance under Section 42.302 with a maintenance and operations tax rate per \$100 of taxable value equal to the product of the state compression percentage, as determined under Section 42.2516, multiplied by \$1.50, except that the amount of state and local funds per weighted student does not include the amount attributable to the increase in the guaranteed level made by Chapter 1187, Acts of the 77th Legislature, Regular Session, 2001].

(e-1) If the minimum monthly salary determined under Subsection (a) for a particular level of experience is less than the minimum monthly salary for that level of experience in the preceding year, the minimum monthly salary is the minimum monthly salary for the preceding year.

SECTION 57.06. Section 41.002, Education Code, is amended by amending Subsection (a) and adding Subsection (a-1) to read as follows:

(a) A school district may not have a wealth per student that exceeds:

(1) the wealth per student that generates the amount of maintenance and operations tax revenue per weighted student available to a district with maintenance and operations tax revenue per cent of tax effort equal to the maximum amount provided per cent under Section 42.101(a) or (b) [42.101], for the district's maintenance and operations tax effort equal to or less than the rate equal to the

product of the state compression percentage, as determined under Section 42.2516, multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year;

(2) the wealth per student that generates the amount of maintenance and operations tax revenue per weighted student available to the Austin Independent School District, as determined by the commissioner in cooperation with the Legislative Budget Board, for the first six cents by which the district's maintenance and operations tax rate exceeds the rate equal to the product of the state compression percentage, as determined under Section 42.2516, multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year, subject to Section 41.093(b-1); or

(3) \$319,500, for the district's maintenance and operations tax effort that exceeds the first six cents by which the district's maintenance and operations tax effort exceeds the rate equal to the product of the state compression percentage, as determined under Section 42.2516, multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year.

(a-1) Notwithstanding Subsection (a), a school district that imposed a maintenance and operations tax for the 2010 tax year at the maximum rate permitted under Section 45.003 may not have a wealth per student that exceeds \$339,500 for the district's maintenance and operations tax effort described by Subsection (a)(3). This subsection expires September 1, 2012.

SECTION 57.07. Effective September 1, 2011, the heading to Section 42.101, Education Code, is amended to read as follows:

Sec. 42.101. BASIC AND REGULAR PROGRAM ALLOTMENTS [ALLOTMENT].

SECTION 57.08. Effective September 1, 2011, Section 42.101, Education Code, is amended by amending Subsections (a) and (b) and adding Subsections (c), (c-1), (c-2), and (c-3) to read as follows:

(a) ~~The basic [For each student in average daily attendance, not including the time students spend each day in special education programs in an instructional arrangement other than mainstream or career and technology education programs, for which an additional allotment is made under Subchapter C, a district is entitled to an] allotment is an amount equal to the lesser of \$4,765 or the amount that results from the following formula:~~

$$A = \$4,765 \times (DCR/MCR)$$

where:

"A" is the resulting amount for [allotment to which] a district ~~[is entitled];~~

"DCR" is the district's compressed tax rate, which is the product of the state compression percentage, as determined under Section 42.2516, multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year; and

"MCR" is the state maximum compressed tax rate, which is the product of the state compression percentage, as determined under Section 42.2516, multiplied by \$1.50.

(b) A greater amount for any school year for the basic allotment under Subsection (a) may be provided by appropriation.

(c) A school district is entitled to a regular program allotment equal to the amount that results from the following formula:

$$\text{RPA} = \text{ADA} \times \text{AA} \times \text{RPAF}$$

where:

"RPA" is the regular program allotment to which the district is entitled;

"ADA" is the number of students in average daily attendance in a district, not including the time students spend each day in special education programs in an instructional arrangement other than mainstream or career and technology education programs, for which an additional allotment is made under Subchapter C;

"AA" is the district's adjusted basic allotment, as determined under Section 42.102 and, if applicable, as further adjusted under Section 42.103; and

"RPAF" is the regular program adjustment factor.

(c-1) Except as provided by Subsection (c-2), the regular program adjustment factor ("RPAF") is 0.9239 for the 2011-2012 school year and 0.98 for the 2012-2013 school year.

(c-2) For a school district that does not receive funding under Section 42.2516 for the 2011-2012 school year, the commissioner may set the regular program adjustment factor ("RPAF") at 0.95195 for the 2011-2012 and 2012-2013 school years if the district demonstrates that funding reductions as a result of adjustments to the regular program allotment made by S.B. No. 1, Acts of the 82nd Legislature, 1st Called Session, 2011, will result in a hardship to the district in the 2011-2012 school year. Notwithstanding any other provision of this subsection, the commissioner shall adjust the regular program adjustment factor ("RPAF") for the 2012-2013 school year for a school district whose regular program adjustment factor is set in accordance with this subsection to ensure that the total amount of state and local revenue in the combined 2011-2012 and 2012-2013 school years does not differ from the amount the district would have received if the district's regular program adjustment factor had not been set in accordance with this subsection. A determination by the commissioner under this subsection is final and may not be appealed.

(c-3) The regular program adjustment factor ("RPAF") is 0.98 for the 2013-2014 and 2014-2015 school years or a greater amount established by appropriation, not to exceed 1.0. This subsection and Subsections (c), (c-1), and (c-2) expire September 1, 2015.

(a) For each student in average daily attendance, not including the time students spend each day in special education programs in an instructional arrangement other than mainstream or career and technology education programs, for which an additional allotment is made under Subchapter C, a district is entitled to an allotment equal to the lesser of \$4,765 or the amount that results from the following formula:

$$A = \$4,765 \times (\text{DCR}/\text{MCR})$$

where:

"A" is the allotment to which a district is entitled;

"DCR" is the district's compressed tax rate, which is the product of the state compression percentage, as determined under Section 42.2516, multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year; and

"MCR" is the state maximum compressed tax rate, which is the product of the state compression percentage, as determined under Section 42.2516, multiplied by \$1.50.

(b) A greater amount for any school year may be provided by appropriation.

SECTION 57.10. Effective September 1, 2011, Section 42.105, Education Code, is amended to read as follows:

Sec. 42.105. SPARSITY ADJUSTMENT. Notwithstanding Sections 42.101, 42.102, and 42.103, a school district that has fewer than 130 students in average daily attendance shall be provided a regular program [~~an adjusted basic~~] allotment on the basis of 130 students in average daily attendance if it offers a kindergarten through grade 12 program and has preceding or current year's average daily attendance of at least 90 students or is 30 miles or more by bus route from the nearest high school district. A district offering a kindergarten through grade 8 program whose preceding or current year's average daily attendance was at least 50 students or which is 30 miles or more by bus route from the nearest high school district shall be provided a regular program [~~an adjusted basic~~] allotment on the basis of 75 students in average daily attendance. An average daily attendance of 60 students shall be the basis of providing the regular program [~~adjusted basic~~] allotment if a district offers a kindergarten through grade 6 program and has preceding or current year's average daily attendance of at least 40 students or is 30 miles or more by bus route from the nearest high school district.

SECTION 57.11. Effective September 1, 2015, Section 42.105, Education Code, is amended to read as follows:

Notwithstanding Sections 42.101, 42.102, and 42.103, a school district that has fewer than 130 students in average daily attendance shall be provided an adjusted basic allotment on the basis of 130 students in average daily attendance if it offers a kindergarten through grade 12 program and has preceding or current year's average daily attendance of at least 90 students or is 30 miles or more by bus route from the nearest high school district. A district offering a kindergarten through grade 8 program whose preceding or current year's average daily attendance was at least 50 students or which is 30 miles or more by bus route from the nearest high school district shall be provided an adjusted basic allotment on the basis of 75 students in average daily attendance. SECTION 57.12. Subsection (c), Section 42.152, Education Code, is amended to read as follows:

(c) Funds allocated under this section shall be used to fund supplemental programs and services designed to eliminate any disparity in performance on assessment instruments administered under Subchapter B, Chapter 39, or disparity in the rates of high school completion between students at risk of dropping out of school,

as defined by Section 29.081, and all other students. Specifically, the funds, other than an indirect cost allotment established under State Board of Education rule, which may not exceed 45 percent, may be used to meet the costs of providing a compensatory, intensive, or accelerated instruction program under Section 29.081 or a disciplinary ~~[an]~~ alternative education program established under Section 37.008, to pay the costs associated with placing students in a juvenile justice alternative education program established under Section 37.011, or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965, as provided by Pub. L. No. 103-382 and its subsequent amendments, and by federal regulations implementing that Act, at a campus at which at least 40 percent of the students are educationally disadvantaged. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program under Section 29.081, a district's compensatory education allotment shall be used for costs supplementary to the regular education program, such as costs for program and student evaluation, instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction. A home-rule school district or an open-enrollment charter school must use funds allocated under Subsection (a) for a purpose authorized in this subsection but is not otherwise subject to Subchapter C, Chapter 29. For ~~[Notwithstanding any other provisions of this section:~~

~~[(1) to ensure that a sufficient amount of the funds allotted under this section are available to supplement instructional programs and services, no more than 18 percent of the funds allotted under this section may be used to fund disciplinary alternative education programs established under Section 37.008;~~

~~[(2) the commissioner may waive the limitations of Subdivision (1) upon an annual petition, by a district's board and a district's site-based decision making committee, presenting the reason for the need to spend supplemental compensatory education funds on disciplinary alternative education programs under Section 37.008, provided that:~~

~~[(A) the district in its petition reports the number of students in each grade level, by demographic subgroup, not making satisfactory progress under the state's assessment system; and~~

~~[(B) the commissioner makes the waiver request information available annually to the public on the agency's website; and~~

~~[(3) for] purposes of this subsection, a program specifically designed to serve students at risk of dropping out of school, as defined by Section 29.081, is considered to be a program supplemental to the regular education program, and a district may use its compensatory education allotment for such a program.~~

SECTION 57.13. Subchapter C, Chapter 42, Education Code, is amended by adding Section 42.1541 to read as follows:

Sec. 42.1541. INDIRECT COST ALLOTMENTS. (a) The State Board of Education shall by rule increase the indirect cost allotments established under Sections 42.151(h), 42.152(c), 42.153(b), and 42.154(a-1) and (c) and in effect for the 2010-2011 school year in proportion to the average percentage reduction in total state

and local maintenance and operations revenue provided under this chapter for the 2011-2012 school year as a result of S.B. Nos. 1 and 2, Acts of the 82nd Legislature, 1st Called Session, 2011.

(b) To the extent necessary to permit the board to comply with this section, the limitation on the percentage of the indirect cost allotment prescribed by Section 42.152(c) does not apply.

(c) The board shall take the action required by Subsection (a) not later than the date that permits the increased indirect cost allotments to apply beginning with the 2011-2012 school year.

SECTION 57.14. Effective September 1, 2011, Subsection (a), Section 42.251, Education Code, is amended to read as follows:

(a) The sum of the regular program [~~basic~~] allotment under Subchapter B and the special allotments under Subchapter C, computed in accordance with this chapter, constitute the tier one allotments. The sum of the tier one allotments and the guaranteed yield allotments under Subchapter F, computed in accordance with this chapter, constitute the total cost of the Foundation School Program.

SECTION 57.15. Effective September 1, 2015, Subsection (a), Section 42.251, Education Code, is amended to read as follows:

(a) The sum of the basic allotment under Subchapter B and the special allotments under Subchapter C, computed in accordance with this chapter, constitute the tier one allotments. The sum of the tier one allotments and the guaranteed yield allotments under Subchapter F, computed in accordance with this chapter, constitute the total cost of the Foundation School Program.

SECTION 57.16. Subchapter E, Chapter 42, Education Code, is amended by adding Section 42.2514 to read as follows:

Sec. 42.2514. ADDITIONAL STATE AID FOR TAX INCREMENT FINANCING PAYMENTS. For each school year, a school district, including a school district that is otherwise ineligible for state aid under this chapter, is entitled to state aid in an amount equal to the amount the district is required to pay into the tax increment fund for a reinvestment zone under Section 311.013(n), Tax Code.

SECTION 57.17. Effective September 1, 2011, Section 42.2516, Education Code, is amended by amending Subsections (a), (b), (d), and (f-2) and adding Subsection (i) to read as follows:

(a) In this title [~~section~~], "state compression percentage" means the percentage [~~as determined by the commissioner,~~] of a school district's adopted maintenance and operations tax rate for the 2005 tax year that serves as the basis for state funding [~~for tax rate reduction under this section~~]. If the state compression percentage is not established by appropriation for a school year, the [The] commissioner shall determine the state compression percentage for each school year based on the percentage by which a district is able to reduce the district's maintenance and operations tax rate for that year, as compared to the district's adopted maintenance and operations tax rate for the 2005 tax year, as a result of state funds appropriated for distribution under this section for that year from the property tax relief fund established under Section 403.109, Government Code, or from another funding source available for school district property tax relief.

(b) Notwithstanding any other provision of this title, a school district that imposes a maintenance and operations tax at a rate at least equal to the product of the state compression percentage multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year is entitled to at least the amount of state revenue necessary to provide the district with the sum of:

(1) the percentage specified by Subsection (i) of the amount, as calculated under Subsection (e), [the amount] of state and local revenue per student in weighted average daily attendance for maintenance and operations that the district would have received during the 2009-2010 school year under Chapter 41 and this chapter, as those chapters existed on January 1, 2009, at a maintenance and operations tax rate equal to the product of the state compression percentage for that year multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year;

(2) the percentage specified by Subsection (i) of an amount equal to the product of \$120 multiplied by the number of students in weighted average daily attendance in the district; and

(3) ~~[an amount equal to the amount the district is required to pay into the tax increment fund for a reinvestment zone under Section 311.013(n), Tax Code, in the current tax year; and~~

~~[(4)] any amount to which the district is entitled under Section 42.106.~~

(d) In determining the amount to which a district is entitled under Subsection (b)(1), the commissioner shall:

(1) include the percentage specified by Subsection (i) of any amounts received by the district during the 2008-2009 school year under Rider 86, page III-23, Chapter 1428 (H.B. 1), Acts of the 80th Legislature, Regular Session, 2007 (the General Appropriations Act); and

(2) for a school district that paid tuition under Section 25.039 during the 2008-2009 school year, reduce the amount to which the district is entitled by the amount of tuition paid during that school year.

(f-2) The rules adopted by the commissioner under Subsection (f-1) must:

(1) require the commissioner to determine, as if this section did not exist, the effect under Chapter 41 and this chapter of a school district's action described by Subsection (f-1)(1), (2), (3), or (4) on the total state revenue to which the district would be entitled or the cost to the district of purchasing sufficient attendance credits to reduce the district's wealth per student to the equalized wealth level; and

(2) require an increase or reduction in the amount of state revenue to which a school district is entitled under Subsection (b)(1) [~~b~~] that is substantially equivalent to any change in total state revenue or the cost of purchasing attendance credits that would apply to the district if this section did not exist.

(i) The percentage to be applied for purposes of Subsections (b)(1) and (2) and Subsection (d)(1) is 100.00 percent for the 2011-2012 school year and 92.35 percent for the 2012-2013 school year. For the 2013-2014 school year and each subsequent school year, the legislature by appropriation shall establish the percentage reduction to be applied.

SECTION 57.18. Effective September 1, 2017, the heading to Section 42.2516, Education Code, is amended to read as follows:

If the state compression percentage is not established by appropriation for a school year, the [The] commissioner shall determine the state compression percentage for each school year based on the percentage by which a district is able to reduce the district's maintenance and operations tax rate for that year, as compared to the district's adopted maintenance and operations tax rate for the 2005 tax year, as a result of state funds appropriated for [distribution under this section for] that year from the property tax relief fund established under Section 403.109, Government Code, or from another funding source available for school district property tax relief.

SECTION 57.20. Effective September 1, 2011, Subsection (a), Section 42.25161, Education Code, is amended to read as follows:

The Legislative Budget Board shall propose to the legislature that the certified amount be transferred to the foundation school fund from the economic stabilization fund and appropriated for the purpose of increases in allocations under this subsection. If the legislature fails during

the regular session to enact the proposed transfer and appropriation and there are not funds available under Subsection (j), the commissioner shall adjust ~~reduce~~ the total amounts due to each school district and open-enrollment charter school under this chapter and the total amounts necessary for each school district to comply with the requirements of Chapter 41 ~~[amount of state funds allocated to each district]~~ by an amount determined by applying to each district and school, including a district receiving funds under Section 42.2516, the same percentage adjustment to the total amount of state and local revenue due to the district or school under this chapter and Chapter 41 so that the total amount of the adjustment to all districts and schools ~~[a method under which the application of the same number of cents of increase in tax rate in all districts applied to the taxable value of property of each district, as determined under Subchapter M, Chapter 403, Government Code,]~~ results in an amount ~~[a total levy]~~ equal to the total adjustment necessary ~~[reduction]~~. NINTH DAY

(Monday, June 27, 2011)

The Senate met at 8:28 p.m. pursuant to adjournment and was called to order by the President.

The President announced that a quorum of the Senate was present.

Senator Estes offered the invocation as follows:

Members, it's been my pleasure to pray for this body, and at the risk of praying for something too lofty, I will remind us of words from scripture where in the Sermon on the Mount, Jesus said, blessed are the peacemakers for they shall be called the children of God. And so, with that admonition, let us pray for world peace. Lord, we pray for the power to be gentle, the strength to be forgiving, the patience to be understanding, and the endurance to accept the consequence of holding to what we believe to be right. May we put our trust in the power of good to overcome evil and the power of love to overcome hatred. We pray for the vision to see and the faith to believe in a world emancipated from violence, a new world where fear shall no longer lead man to commit injustice nor selfishness make them bring suffering to others. Help us to devote our whole life and thought and energy to the task of making peace, praying always for the inspiration and the power to fulfill the destiny for which we and all men were created. I pray in the name of Yeshua Ha'Mashiach.

Senator Whitmire moved that the reading of the Journal of the proceedings of the previous day be dispensed with and the Journal be approved as printed.

"DTR" is the district enrichment tax rate of the school district, which is determined by subtracting the amounts specified by Subsection (b) from the total amount of maintenance and operations taxes collected by the school district for the applicable school year and dividing the difference by the quotient of the district's taxable value of property as determined under Subchapter M, Chapter 403, Government Code, or, if applicable, under Section 42.2521, divided by 100; and

"LR" is the local revenue, which is determined by multiplying "DTR" by the quotient of the district's taxable value of property as determined under Subchapter M, Chapter 403, Government Code, or, if applicable, under Section 42.2521, divided by 100.

BE IT RESOLVED by the Senate of the State of Texas, 82nd Legislature, 1st Called Session, 2011, That Senate Rule 12.03 be suspended in part as provided by Senate Rule 12.08 to enable the conference committee appointed to resolve the differences on House Bill 3 (the operation of the Texas Windstorm Insurance Association, the resolution of certain disputes concerning claims made to that association, and the issuance of windstorm and hail insurance policies in the private insurance market by certain insurers; providing penalties) to consider and take action on the following matters:

(1) Senate Rules 12.03(1) and (3) are suspended to permit the committee to change and add text on a matter which is not in disagreement in added Section 2210.260(d), Insurance Code, to read as follows:

(d) Except as provided by Sections 2210.251(d), (e), and (f), a person who has an insurable interest in a residential structure that is insured by the association as of August 31, 2012, but for which the person has not obtained a certificate of compliance under Section 2210.251(g), must obtain an alternative certification under this section before the association, on or after August 31, 2013, may renew coverage for the structure.

Explanation: The change and addition of text are necessary to clarify the structures to which Section 2210.260(d), Insurance Code, does not apply and to change the date on which compliance with that section becomes mandatory before the Texas Windstorm Insurance Association may renew coverage for an insured structure.

(2) Senate Rule 12.03(2) is suspended to permit the committee to omit text adding Section 2210.502(e), Insurance Code, by striking the section of the bill that added that subsection.

Explanation: The omission of the text is necessary to avoid statutorily establishing a maximum liability limit for windstorm and hail insurance policies issued by the Texas Windstorm Insurance Association.

(3) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter that is not included in either the house or senate version of the bill in added Section 2210.573(d), Insurance Code, to read as follows:

(d) Unless the applicable 60-day period described by this subsection is extended by the commissioner under Section 2210.581, not later than the later of the 60th day after the date the association receives a claim or the 60th day after the date the association receives information requested under Subsection (b), the association shall provide the claimant, in writing, notification that:

(1) the association has accepted coverage for the claim in full;

(2) the association has accepted coverage for the claim in part and has denied coverage for the claim in part; or

(3) the association has denied coverage for the claim in full.

Explanation: The addition of the text is necessary to ensure that any commissioner extension of the 60-day period described by Section 2210.573(d) is included in the 120-day aggregated total of commissioner extensions under Section 2210.581, Insurance Code, as proposed in the bill.

(4) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter that is not included in either the house or senate version of the bill in added Section 2210.575(d), Insurance Code, to read as follows:

(d) Alternative dispute resolution under this section must be completed not later than the 60th day after the date a request for alternative dispute resolution is made under Subsection (c). The 60-day period described by this subsection may be extended by the commissioner by rule in accordance with Section 2210.581 or by the association and a claimant by mutual consent.

Explanation: The addition of the text is necessary to ensure that any commissioner extension of the 60-day period described by Section 2210.575(d) is included in the 120-day aggregated total of commissioner extensions under Section 2210.581, Insurance Code, as proposed in the bill.

(5) Senate Rule 12.03(4) is suspended to permit the committee to add text on a matter that is not included in either the house or senate version of the bill by adding Sections 2210.581 and 2210.582, Insurance Code, to read as follows:

Sec. 2210.581. COMMISSIONER EXTENSION OF DEADLINES. (a) Subject to Subsection (b), the commissioner, on a showing of good cause, may by rule extend any deadline established under this subchapter.

(b) With reference to claims filed during a particular catastrophe year, the extension of deadlines under Subsection (a) may not exceed 120 days in the aggregate.

(c) For the purposes of Subsection (a), "good cause" includes military deployment.

Sec. 2210.582. OMBUDSMAN PROGRAM. (a) The department shall establish an ombudsman program to provide information and educational programs to assist persons insured under this chapter with the claim processes under this subchapter.

(b) Not later than March 1 of each year, the department shall prepare and submit to the commissioner a budget for the ombudsman program, including approval of all expenditures incurred in administering and operating the program. The commissioner shall adopt or modify and adopt the budget not later than April 1 of the year in which the budget is submitted.

(c) Not later than May 1 of each year, the association shall transfer to the ombudsman program money in an amount equal to the amount of the budget adopted under Subsection (b). The ombudsman program, not later than April 30 of each year, shall return to the association any unexpended funds that the program received from the association in the previous year.

(d) The department shall, not later than 60 days after the date of a catastrophic event, prepare and submit an amended budget to the commissioner for approval and report to the commissioner the approximate number of claimants eligible for ombudsman services. The commissioner shall adopt rules as necessary to implement an amended budget submitted under this section, including rules regarding the transfer of additional money from the association to the program.

(e) The ombudsman program may provide to persons insured under this chapter information and educational programs through:

- (1) informational materials;
- (2) toll-free telephone numbers;

- (3) public meetings;
- (4) outreach centers;
- (5) the Internet; and
- (6) other reasonable means.

(f) The ombudsman program is administratively attached to the department. The department shall provide the staff, services, and facilities necessary for the ombudsman program to operate, including:

- (1) administrative assistance and service, including budget planning and purchasing;
- (2) personnel services;
- (3) office space; and
- (4) computer equipment and support.

(g) The ombudsman program shall prepare and make available to each person insured under this chapter information describing the functions of the ombudsman program.

(h) The association, in the manner prescribed by the commissioner by rule, shall notify each person insured under this chapter concerning the operation of the ombudsman program.

(i) The commissioner may adopt rules as necessary to implement this section.

Explanation: The addition of Section 2210.581, Insurance Code, is necessary to grant the commissioner of insurance limited authority to extend by rule any deadline under Subchapter L-1, Chapter 2210, Insurance Code, as proposed in the bill. The addition of Section 2210.582, Insurance Code, is necessary to establish an ombudsman program to provide information and educational programs to persons insured under Chapter 2210, Insurance Code, to assist those persons with the claims processes established under Subchapter L-1, Chapter 2210, Insurance Code, as proposed in the bill.

(6) Senate Rule 12.03(2) is suspended to permit the committee to omit text that is not in disagreement in amended Section 2210.613(c)(1)(E), Insurance Code, so that Subsection (c) reads as follows:

(c) The premium surcharge under Subsection (b) shall be assessed on all policyholders of policies that cover ~~[who reside or have operations in, or whose]~~ insured property that is located in a catastrophe area, including automobiles principally garaged in a catastrophe area. The premium surcharge shall be assessed on ~~[for]~~ each Texas windstorm and hail insurance policy and each property and casualty insurance policy, including an automobile insurance policy, issued for automobiles and other property located in the catastrophe area. A premium surcharge under Subsection (b) applies to:

(1) all policies written under the following lines of insurance:

- (A) fire and allied lines;
- (B) farm and ranch owners;
- (C) residential property insurance;
- (D) private passenger automobile liability and physical damage

insurance; and

(E) commercial automobile liability and physical damage insurance;

and

(2) the property insurance portion of a commercial multiple peril insurance policy [~~that provide coverage on any premises, locations, operations, or property located in the area described by this subsection for all property and casualty lines of insurance, other than federal flood insurance, workers' compensation insurance, accident and health insurance, and medical malpractice insurance~~].

Explanation: The omission of the text is necessary to clarify the lines of commercial automobile insurance to which a premium surcharge under Section 2210.613, Insurance Code, applies.

(7) Senate Rule 12.03(1) is suspended to permit the committee to change text on a matter which is not in disagreement in proposed SECTION 60(a) of the bill to read as follows:

(a) A legislative interim study committee shall conduct a study of alternative ways to provide insurance to the seacoast territory of this state, including through a quasi-governmental entity.

Explanation: The addition of the text is necessary to allow the legislative interim study committee established under SECTION 60 of the bill to study a broader range of alternative ways in which windstorm and hail insurance may be provided in the seacoast territory of this state.

(8) Senate Rule 12.03(1) is suspended to permit the committee to change text on a matter which is not in disagreement in proposed SECTION 60(d)(1) of the bill so that Subsection (d) reads as follows:

(d) The committee shall:

(1) examine alternative ways to provide insurance to the seacoast territory of this state, including through a quasi-governmental entity or by providing insurance coverage through a system or program in which insurers in this state provide insurance in the seacoast territory of this state in proportion to the percentage of insurance coverage provided in geographic areas of this state other than the seacoast territory;

(2) study the residual markets for windstorm and hail insurance in other states to determine if those markets operate more efficiently and effectively than the residual market for windstorm and hail insurance coverage in this state;

(3) study windstorm-related building codes and mitigation strategies to determine which codes or strategies are most effective;

(4) recommend:

(A) the appropriate scope of authority and responsibility for the entity to provide insurance to the seacoast territory of this state;

(B) an organizational structure to exercise authority and responsibility over the provision of insurance to the seacoast territory of this state;

(C) a timetable for implementation; and

(D) specific amendments to state laws and rules that are necessary to implement the committee's recommendations under this subdivision; and

(5) estimate funding requirements to implement the recommendations.

Explanation: The addition of the text is necessary to allow the legislative interim study committee established under SECTION 60 of the bill to study a broader range of alternative ways in which windstorm and hail insurance may be provided in the seacoast territory of this state.
