# FOREWORD

The Texas Veterans Commission (TVC) is a State agency created to serve the needs of our State's veterans and their families. Its purpose is to serve Texas veterans, their dependents or survivors, in all matters pertaining to veterans' benefits and rights.

TVC administers three programs: (1) Claims Representation & Counseling; (2) Veterans Employment Services and, (3) Veterans Education. Through these programs, TVC assists veterans, their dependents and survivors in obtaining State and federal veterans' benefits, such as compensation, pension, death benefits, employment assistance, educational assistance, hospitalization and outpatient care, as well as numerous other benefits and privileges.

This Pamphlet provides the contact information for Commissioners, State Headquarters Staff and the three programs TVC operates. For a listing of the Veterans County Service Officers or other state and federal agencies assisting veterans in Texas, please visit our website at [www.tvc.state.tx.us](http://www.tvc.state.tx.us).

Veterans Education reviews, evaluates, approves and oversees programs of education and training for veterans to receive federal GI Bill educational benefits. Annual on-site visits are conducted to guarantee quality of training and provide consumer protection. Field staff in the Dallas, Houston and San Antonio areas conduct marketing and outreach to prospective schools and employers in their respective areas.
