Staff Services Officer

May 1999

The following is an official report showing the amount of monetary benefits paid during Fiscal Year 1998 in Texas broken down by county. The information is provided to us by the U.S. Department of Veterans Affairs with the county veteran population figures compiled by the U.S. Census Bureau from the 1990 Census and estimates from 1995.

We feel that this information is important, as it is an excellent barometer of the effectiveness of the valuable service performed for Texas veterans, their dependents and survivors by the Veterans Service Officers and Veterans Counselors in the State. Most of the monetary benefits paid are placed in immediate circulation, thereby providing a significant economic stimulus to the economy of the State.

We hope that you will share this information with the County Commissioners Court and the residents of the county in which the service is provided.

We would also like to congratulate all of you for a job well done for the State's veterans, their dependents and survivors.

Sincerely yours,

JAMES E. NIER
Executive Director
