V. TAYLOR: Okay, and is it your intention that with this legislation a police officer will be able to pull a Texan over for looking down at their phone while they're driving?

CRADDICK: No, I think that is going to be up to the police officer.

V. TAYLOR: Is it your intent that a police officer would have to be certain that a person is actually violating this law before the Texan is pulled over?

V. TAYLOR: What standard would you give to the police officer? What is your legislative intent, and I—
