Get your gear ready

A checklist just for that

BOATING GEAR CHECKLIST

- Life jackets or other personal flotation devices for everyone, and one throwable cushion or ring (noodles don't count)*
- Functioning navigational lights and mirrors*
- Sound-producing device such as a horn or whistle*
- Copy of Texas Certificate of Title and numbers correctly affixed to the boat*
- Working fire extinguisher*
- Two-way marine radio (water-resistant, battery-powered, 12-mile range) or cell phone
- Drinking water - lots of it!
- First-aid kit
- Sunscreen
- All-hazards radio

* Equipment required on board by Texas law

IN CASE OF AN EMERGENCY

- Radio for help or call 911
- Identify the nearest mile marker or buoy number
- Know the names of nearby businesses or boat ramps
- Describe nearby large, identifiable watercraft

Life's better outside.*

Prepare sus equipos

Una lista que lo ayudará

Lista de equipos de navegación

- Chalecos salvavidas y otros dispositivos de flotación personal, y un cojín flotante o salvavidas
- Luces y espejos de navegación que funcionen*
- Aparato que produzca sonido, tal como una bocina o silbato*
- Copia del certificado del título de Texas y los números correctamente fijados en el bote
- Extintor de incendios que funcione*
- Radio de marina de dos vías (resistente al agua, que funcione con baterías con un alcance de 12 millas) o teléfono celular
- Agua potable - ¡muchal!
- Un botiquín de primeros auxilios
- Protector solar
- Radio contra todo riesgo

*Equipo exigido a bordo por la ley de Texas

En caso de emergencia

- Pida ayuda por radio o llame al 911
- Identifique el marcador de milla o número de boya más próximo
- Conozca los nombres de empresas o rampas para barcos cercanas
- Describa embarcaciones próximas grandes e identificables

Life's better outside.*

Get your gear ready

A checklist just for that

GEAR CHECKLIST

- First aid kit
- Drinking water
- Map
- Sunscreen
- Life jackets or other personal flotation devices
- Hat
- Personal I.D.
- Shoes
- Working cell phone
- Waterproof flashlight
- Lightweight waterproof jacket or windbreaker

IN CASE OF AN EMERGENCY

- Call 911.
- Know where you got in and where you plan to get out.
- Know the names of any nearby businesses or river access points.
- Familiarize yourself with the river and potential hazards before launching.
- Plan your trip. Let someone know where you are going and what time you will be back in case of an emergency.

Life's better outside.*

Disfrute un día en el agua sin peligro

6 consejos para lograrlo

1. Use chaleco salvavidas.

2. Sea responsable al consumir bebidas alcohólicas y designe un piloto de barco sobrio.

3. Obedezca las señales y reglas de navegación. Tome una clase de navegación segura.

4. Beba bastante agua.

5. Tenga los equipos necesarios a bordo.

6. Nunca nade o navegue solo. Vigílense los unos a los otros.
