## NATIONAL LOTTERY GAME

MONOPOLY MILLIONAIRES' CLUB is an exciting national lottery draw game with weekly drawings and more \$1 million prizes than any lottery game in U.S. history!

## TELEVISION GAME SHOW

Collect Properties from your draw game tickets to earn entries into a drawing for a trip to Las Vegas and a chance to become a contestant on the national television game show. Visit [playmmc.com](http://playmmc.com) for details.

## 3 WAYS TO WIN!

- Win the Top Prize (up to \$25 million) in a weekly drawing held every Friday!
- Win one of many \$1 million Millionaires' Club Prizes when the Top Prize is won!
- Win a trip to Las Vegas and a chance to become a TV Game Show Contestant!

## HOW TO PLAY

The playslip has four (4) playboards labeled A-D. Each playboard counts as a single play, and costs \$5. You can play up to four (4) times on one playslip, but when you purchase your play(s), a separate game ticket will be generated for each one.

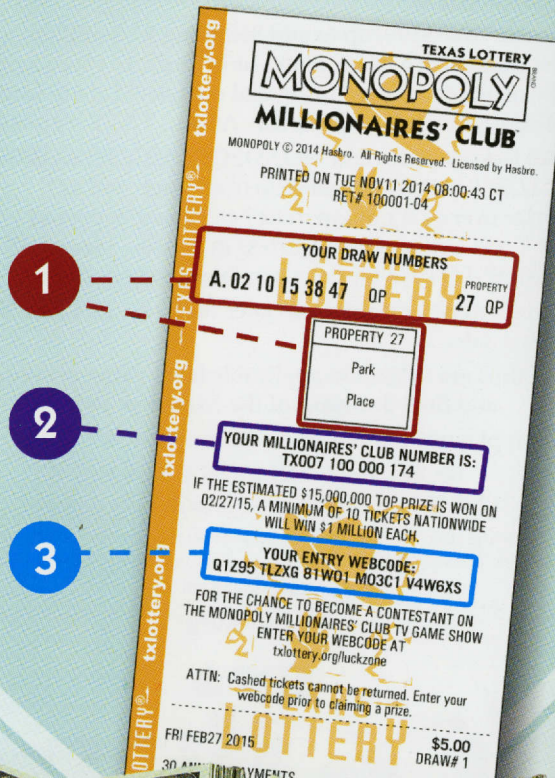

Simply pick five (5) numbers out of fifty-two (52) OR mark the "QP" (Quick Pick) box to have the terminal select your numbers for you. You must select at time of purchase how you want to be paid if you win the Top Prize. Mark the "30 Annual Payments" or the "Cash Value Option" box to choose your payment option.

## HOW TO WIN THE TOP PRIZE!

The five (5) numbers you mark on your playslip, or the five (5) numbers generated by the terminal when you choose "QP" on your playslip, are YOUR DRAW NUMBERS. For each play you purchase, the terminal will randomly generate a number from one (1) to twenty-eight (28), represented by a Property from the MONOPOLY game board (**see 1 on the game ticket sample**).

Every Friday at **10:15 p.m. Central Time**, the Top Prize drawing is held. Five (5) of fifty-two (52) numbers are drawn, along with a Property Number from one (1) to twenty-eight (28). Match all five (5) draw numbers AND the Property Number to win the Top Prize, which will range from \$15 million to \$25 million. Drawing results will be posted at [playmmc.com](http://playmmc.com).

*Note: Your Draw Numbers and Property are eligible for one (1) Top Prize drawing only.*

## \$1 MILLION - MILLIONAIRES' CLUB PRIZE

For every MONOPOLY MILLIONAIRES' CLUB play you purchase, a Millionaires' Club number is randomly generated and printed on your game ticket (see 2 on the game ticket sample). Each time the Top Prize is won, a second drawing occurs for the Millionaires' Club Prizes. These are awarded to multiple players – from 10 to hundreds in a single week! If the Millionaires' Club number on your game ticket matches a Millionaires' Club number drawn, you win \$1 million! Visit [playmmc.com](http://playmmc.com) for Millionaires' Club Prize drawing results. *Note: Millionaires' Club numbers are eligible for one (1) Top Prize drawing only, even if the Top Prize is not won that week and no Millionaires' Club Prize drawing occurs.*

## MONOPOLY MILLIONAIRES' CLUB TV GAME SHOW

For each MONOPOLY MILLIONAIRES' CLUB play you purchase, a unique entry webcode will be generated and printed on your game ticket (see 3 on the game ticket sample). Visit [playmmc.com](http://playmmc.com) to see how to register your ticket and enter your webcode to collect the Property printed on your ticket (example: on the game ticket sample shown, the holder of this ticket would collect Park Place).

Every time you purchase a new MONOPOLY MILLIONAIRES' CLUB ticket, be sure to log into your [txlottery.org/luckzone](http://txlottery.org/luckzone) account and enter that ticket's webcode. (NOTE: Cashed tickets cannot be returned. Enter your webcode prior to claiming a prize.) When you have collected the Properties needed to form a Property Set, you will earn drawing entries for a chance to win a 5 day/4 night trip to Las Vegas. The trip includes airfare, hotel accommodations, ground transportation, meals and spending money.

And the winners of the Las Vegas trip could be selected as contestants on the MONOPOLY MILLIONAIRES' CLUB national television game show for a chance to win up to \$1 million!
