Join Us on Social Media!

The Texas Lottery has a message for its followers on Facebook, Twitter and Instagram: We appreciate you!

And to show it, the agency runs various promotions on social media. In the past, promotions have been used to support the 10X Super Fast Cash and the Texas Lottery "Luck Zone" booth at the State Fair of Texas®.

For example, to promote the 10X Super Fast Cash scratch-off ticket, we held trivia contests on Facebook for the chance to win race and concert tickets. We also had in-person promotions at the State Fair that allowed attendees chances to win Texas Lottery tickets and merchandise. Follow us to be the first to find out about our future promotions!

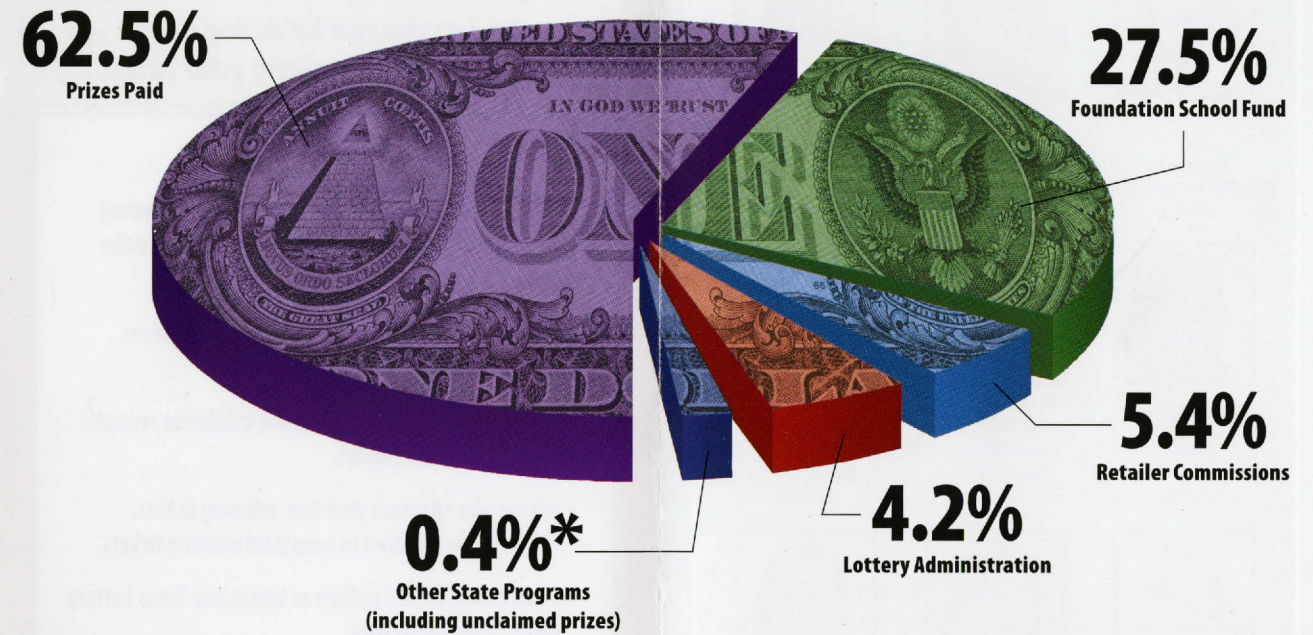

Social media allows us to connect with our players in fun new ways through your tablets and other mobile devices. You can stay up to date on our latest games, enter promotions, and tell us what's on your mind!

17 YEARS = \$17 BILLION FOR TEXAS EDUCATION

The Texas Lottery has generated well over \$22 billion for the state of Texas since the first ticket was sold in 1992. Prior to 1997, the proceeds were allocated to the General Revenue Fund. Since 1997, Texas Lottery proceeds have been transferred to the Foundation School Fund to support public education in our state. The Texas Lottery has contributed more than \$17 billion to the Foundation School Fund, and of that total, \$1.203 billion was contributed in fiscal year 2014. Other Texas Lottery funds such as unclaimed prizes revert back to the state for programs authorized by the Texas Legislature. Since fiscal year 2010, some Texas Lottery proceeds also benefit the Fund for Veterans' Assistance.

Where the Money Goes:

*Percentage totals are rounded. \$11.5 million was transferred to the Texas Veterans Commission.
