BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 12.056, Natural Resources Code, is amended to read as follows:

Sec. 12.056. POWERS AND DUTIES. The commission shall confer and act jointly with representatives appointed on behalf of the State of Oklahoma to:

(1) evaluate the methods, surveys, historical maps, and other information used to establish the boundary line between this state and the State of Oklahoma in the Texoma area;

(2) determine the location of the south bank of the Red River as the bank was located and marked by the United States Army Corps of Engineers before the beginning of construction of Lake Texoma, in accordance with Article II(c), Red River Boundary Compact, Section 12.002;

(3) redraw the boundary line between this state and the State of Oklahoma on any real property for which the United States Army Corps of Engineers granted an easement before August 31, 2000, to at least two districts or authorities created under Section 59, Article XVI, Texas Constitution, for the construction, operation, and maintenance of a water pipeline and related facilities in the Texoma area in order to negate any effects the

1 boundary as it is currently drawn has on property interests
2 associated with those easements in the Texoma area, in such a way
3 that there is no net loss of property between either state so as to
4 ensure that the redrawn boundary does not increase the political

6 (A) the Lake Texoma preconstruction survey of the
7 south bank of the Red River prepared by the United States Army Corps
8 of Engineers; or

9 (B) other historical records or documentation of
