2 relating to improvement projects of the Sabine-Neches Navigation  
3 District of Jefferson County, Texas; providing authority to issue  
4 anticipation notes and time warrants.

5            BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6            SECTION 1. Chapter 1472, Acts of the 77th Legislature,  
7 Regular Session, 2001, is amended by adding Section 6B to read as  
8 follows:

9            Sec. 6B. WATERWAY IMPROVEMENT PROJECT. (a) In this  
10 section:

11            (1) "Improvement project" means the Sabine-Neches  
12 Waterway Improvement Project.

13            (2) "Project sponsor" has the meaning assigned by the  
14 Water Resources Reform and Development Act of 2014 (Pub. L. No.  
15 113-121).

16            (b) The district is the project sponsor of the existing  
17 Sabine-Neches Waterway and the improvement project authorized by  
18 the Water Resources Reform and Development Act of 2014 (Pub. L. No.  
19 113-121) to improve an existing facility of the district and deepen  
20 the Sabine-Neches Waterway. The district is also the nonfederal  
21 cost-sharing sponsor of the improvement project. The commission  
22 shall make a determination on matters that may be required or  
23 desirable as a project sponsor to implement the improvement  
24 project.

1        (c) In the district's capacity as the project sponsor of the  
2 improvement project, the district is authorized to enter into any  
3 contract, agreement, including an economic development agreement,  
4 or lease as necessary or convenient to carry out any of the  
5 district's powers granted under this section. A contract,  
6 agreement, or lease, including any amendments to a contract,  
7 agreement, or lease, may provide any terms and conditions, and be  
8 for any term of years, as the commission determines are in the best  
9 interests of the district. The contract, agreement, or lease may be  
10 entered into with any person, political subdivision, or  
11 governmental agency, including the United States, the secretary of  
12 the army or the secretary of the army's designees, the Army Corps of  
13 Engineers, any local government, any county government, any special  
14 district or authority, any local government corporation, any  
15 transportation corporation, any tax increment reinvestment zone,  
16 the State of Texas, any agency of the State of Texas, and any other  
17 entity. The district is authorized to enter into contracts with a  
18 private entity to develop or operate any part of the improvement  
19 project under Chapter 2267, Government Code, and those contracts  
20 may provide that the private entity:

21            (1) perform all or any part of the district's  
22 obligations under contracts or agreements with the United States;  
23 and

24            (2) use revenue or other money from the improvement  
25 project to prepay for duties or tariffs, including duties or  
26 tariffs that may not be effective until the improvement project is  
27 partially or wholly completed, which may be credited against future

1 duties or tariffs.

2 (d) The district may enter into a contract, agreement, or  
3 lease under Section 49.108 or 60.120, Water Code, as determined by  
4 the commission.

5 (e) The district is not required to obtain approval from the  
6 Texas Commission on Environmental Quality for the district's  
7 contracts or financing related to the improvement project. Any  
8 contracts or agreements of the district may be renewed or extended,  
9 and any time warrants or maintenance notes may be refunded in the  
10 manner provided by general law.

11 (f) The district may provide that payments required by any  
12 of the district's contracts, agreements, or leases may be payable  
13 from the sale of notes, taxes, or bonds, or any combination of  
14 notes, taxes, or bonds, or may be secured by a lien on or a pledge of  
15 any available funds, including proceeds of the district's  
16 maintenance tax, and may be payable subject to annual appropriation  
17 by the district. Sections 26.04, 26.05, 26.07, and 26.012, Tax  
18 Code, do not apply to maintenance taxes levied and collected for  
19 payments under a contract, agreement, lease, time warrant, or  
20 maintenance note issued or executed under this section.

21 (g) The district is authorized to borrow money, receive  
22 advances of funds, and enter into repayment agreements for the  
23 repayment of borrowed money or advances, and to issue anticipation  
24 notes, time warrants, and maintenance notes. The anticipation  
25 notes may be issued in accordance with Chapter 1431, Government  
26 Code, in the same manner as an eligible countywide district. Tax  
27 anticipation notes issued under this subsection may not exceed 75

1 percent of the revenue or taxes anticipated to be collected in that  
2 year and shall be payable during the district's current fiscal  
3 year. Time warrants and maintenance notes issued under this  
4 subsection may be issued to pay for any lawful expenditure of the  
5 district and shall be payable over a period not to exceed 35 years  
6 from the date of issuance.

7       (h) The commission shall determine whether the amount of the  
8 district's maintenance taxes and other available resources  
9 required to pay the district's existing obligations is also  
10 sufficient to pay the debt service on any time warrants or  
11 maintenance notes issued under this section. In evaluating the tax  
12 rate, the commission may include in the district's budget an  
13 improvement project fund, which may be funded to assure that  
14 adequate funds are available to the district to comply with the  
15 district's covenants and obligations during future years when the  
16 amounts projected to be needed will exceed the then-current  
17 available maintenance tax funds.

18       SECTION 2. (a) The legal notice of the intention to  
19 introduce this Act, setting forth the general substance of this  
20 Act, has been published as provided by law, and the notice and a  
21 copy of this Act have been furnished to all persons, agencies,  
22 officials, or entities to which they are required to be furnished  
23 under Section 59, Article XVI, Texas Constitution, and Chapter 313,  
24 Government Code.

25       (b) The governor, one of the required recipients, has  
26 submitted the notice and Act to the Texas Commission on  
27 Environmental Quality.

6 state and the rules and procedures of the legislature with respect  
7 to the notice, introduction, and passage of this Act are fulfilled  
8 and accomplished.

**GOLDEN GLOBES: A NIGHT OF TRIUMPHS, UNEXPECTED WINS**

Co-hosts Tina Fey, left, and Amy Poehler speak during the 72nd Annual Golden Globe Awards on Sunday at the Beverly Hilton Hotel in Beverly Hills, Calif.

**Linklater, 'Boyhood' take home top honors at Golden Globes**

By The Associated Press

Richard Linklater's 12-years-in-the-making "Boyhood" was right on time at the Golden Globes, winning the night's top honor, best drama, as well as best director for Linklater and best supporting actress for Patricia Arquette.

The sweetly humanist film had a similarly touching effect on one of Hollywood's glitziest evenings. Taking out her written speech, Arquette apologized: "I'm the only nerd with a piece of paper."

"Bottom line is we're all flawed in this world. No one's perfect," said Linklater. "I want to dedicate this to parents that are evolving everywhere and families that are just passing through this world and doing their best."

The night seemed to be setting up for the top two Oscar contenders — "Boyhood" and Alejandro Gonzalez Inarritu's "Birdman" — to lead the Globes' twin categories of drama and comedy. But in a major surprise, Wes Anderson's "Grand Budapest Hotel" swooped in to win best picture, comedy or musical.

He listed a mock thank you to the members of the Hollywood Foreign Press, the collection of mostly freelance foreign journalists who put on the Globes, naming Yoram and Dagmar and Yukiko and Mounawar.

"Birdman" nevertheless won best actor in a comedy or musical for its lead, Michael Keaton, who plays a former superhero star mounting a serious play on Broadway, and best screenplay.

Kicking off the show, hosts Tina Fey and Amy Poehler wasted no time in skewering Hollywood's most tender subjects: the hacking of Sony Pictures over "The Interview," the sexual assault allegations against Bill Cosby and tele-

vision's rise as a cultural rival to movies.

In an opening blistering with zingers, the duo welcomed Hollywood's "despicable, spoiled, minimally talented brats" to the Globes to celebrate "all the movies that North Korea was OK with." They several times visited with a North Korea government character played by Margaret Cho, who voiced her displeasure with all aspects of the show.

George Clooney, a young lifetime achievement honoree at 53, had been among Hollywood's most vocal about preserving free speech after hackers threatened violence over "The Interview."

In one of the evening's most hotly contested categories, best actor in a drama, Eddie Redmayne emerged victorious over Benedict Cumberbatch ("The Imitation Game"), Steve Carell ("Foxcatcher"), David Oyelowo ("Selma") and Jake Gyllenhaal ("Nightcrawler") for his performance as Stephen Hawking in "The Theory of Everything."

Julianne Moore won best actress in a drama for her startling performance as an academic with early-onset Alzheimer's in "Still Alice."

Amy Adams surprised in taking best actress in a comedy or musical for her performance in "Big Eyes." "I didn't even reapply lip gloss," said an unprepared Adams.

The first award of the night went to J.K. Simmons for best supporting actor for his performance as a domineering jazz teacher in the acclaimed indie "Whiplash."

The DreamWorks sequel "How to Train Your Dragon 2" took best animated film over the favorite, "The Lego Movie." The Russian entry "Leviathan" took best foreign language film.
