## TEXAS AUTO VISTTOR SURVEY

Statistics reported in this survey were compiled from questionnaires returned by 6,228 visitors to Texas during the months of March, 1992 through February, 1993. Survey data are reported with an annual summary, plus totals for travel during these quarters:

Winter quarter - December 1992 to February, 1993
Fall quarter - September, 1992 to November, 1992
Summer quarter - June, 1992 to August, 1992
Spring quarter - March, 1992 to May, 1992
Since significant statistical differences exist between visitors to Texas staying varying amounts of time, and between out-of-state visitors and international visitors, the survey is divided into these sections:
U.S.A. Short-Term Visitors, who stayed in Texas 30 days or less and came from any of the 50 states in the United States, except Texas. (Visitors from United States territories and commonweal ths are not included.)
U.S.A. Long-Term Visitors, who stayed in Texas from 30 days to up to one year and came from any of the 50 states in the United States, except Texas. (Visitors from United States territories and commonwealths are not included.) Due to a very small statistical base for the last four quarters, data are not reported for this section.

International Short-Term Visitors, who stayed in Texas 30 days or less and came from any foreign country, except Mexico.

International Long-Term Visitors, who stayed in Texas from 30 days to up to one year and came from any foreign country, except Mexico. Due to a very small statistical base, data are not reported for the International Long-Term visitor.

Only travel parties who visited one of the state's 12 Texas Travel Information Centers and returned a questionnaire are included in the survey. The Texas Travel Information Centers are:

Texas Travel Information Center - Amarillo
Texas Travel Information Center - Anthony
Capitol Information Center - Austin
Texas Travel Information Center - Denison (temporarily closed)
Texas Travel Information Center - Gainesville
Judge Roy Bean Visitor Center - Langtry
Texas Travel Information Center - Laredo
Texas Travel Information Center - Orange
Texas Travel Information Center - Texarkana
Texas Travel Information Center - Valley
Texas Travel Information Center - Waskom
Texas Travel Information Center - Wichita Falls
All calculations are based on actual survey counts and are not averages of monthly or quarterly data. Percentages shown may not total $100 \%$ due to rounding. Statistics from past reports may vary when compared to this report. This variance is caused by the entry of late responders to the survey.
