2) The General, according to all we have heard from the enemy, is expected to arrive in the vicinity of Lake Champlain soon. In order to encourage the people to present themselves, the following measures are suggested:

- A temporary shelter will be provided for those in need at 2500 F, John St.
- A mail service will be established at Post E22.
- Additional supplies will be distributed to those who need assistance.

Let us work together to ensure the well-being of our community and prepare for the challenges ahead.
